Developing Young Minds beyond Education

ANNUAL REPORT

2020-21

VIP Road, Bharthana Road, Vesu, Surat, Gujarat - 395007

संस्था गीत

जय जय भारती
जय जय भारती
मा भारती की आरती
तमसो मा ज्योतिर्गमय है
अमृतमय अभीयान
असतो मा सद्गमय है
उच्च उचित संधान
मृत्योर्मां अमृतं गमय
अलोकित सोपान
गंगा यमुना से बहते हैं, यहां ज्ञान विज्ञान
संस्कारों की सरस्वती जहां, उमड़े सुबह शाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
पावन वातावरण यहां का, परिसर है पावन पावन
सुरक्षित पूर्ण है हर एक सुविधा, कुशल प्रबंध प्रशासन
कण कण में है ज्ञान की खुशबू, पग पग पर अनुशासन
प्रतिभाव को मिले यहां पर, सम बल और प्रोत्साहन
सब जन हिताय, सब जन सुखाय, है जिसका पैगाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
सुप्त शक्तियां जाग उठे यहां, आत्म विकास के अवसर पर
ज्ञान प्राप्त हो ऐसा यहां जो, काम आये हमें जीवनभर
पुरुषार्थ यहां, पवन में घुले मिले है
सात्य सात्य पर राष्ट्रभक्ति के, यहां फूल खिलते हैं
शिक्षा का यह, तीर्थ बना है, सुरत में अभीराम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती

Message from the Chairman

Welcome to BHAGWAN MAHAVIR EDUCATION FOUNDATION. It is my privilege to introduce you to BMEF-The fastest growing Educational Organization of Gujarat. By building people, we build society. By building leaders, we build the nation's technology and economy. Education is, in effect, a nation's service. At BMEF, we believe only a well-disciplined, value-added students to become the high profiled professionals who can achieve the avowed objective of our former president Honourable Abdul Kalam to make our country "Super Power". Our institutions vision rests on worldly realities and bears a peaceful and harmonial atmosphere that enables you to experience wisdom and knowledge you achieve in a jubilant way. As you pursue your studies, please do recall that a college education is not entirely academic. It extends beyond the classrooms, Laboratories and workshops to seminars, meetings, cultural, social activities and athletic events. I firmly believe that you will become involved in BMEF campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling. I am pleased to acknowledge your interest in BMEF Group of Institutions. At BMEF foster the growth of innovative professionals, scientists and engineers who firmly hold the trust and confidence of the community at large. I want BMEF Group to be the dream of every soul that wants to experience true enlightenment & exposure excellence.

Shri Jagdish Jain

Chairman

Bhagwan Mahavir Education Foundation

Message from the Founder and Managing Trustee

We at Bhagwan Mahavir Education Foundation ensure that students acquire knowledge and hone their skills to shine bright in the world by their significant contribution to industry and academia. Apart from regular classroom teaching we emphasize on project work, research activities, real-life case studies and industrial hands-on training. Our foundation also works towards the continual improvement of our service quality through training and development. I am sure that BMEF will have a pivotal role in the development of shining India.

Shri Anil Jain

Founder & Managing Trustee

Bhagwan Mahavir Education Foundation

Message from the President

It is rightly said by Dr. A.P.J. Abdul Kalam that ‘You have to dream, before your dreams can come true’. Bhagwan Mahavir Education Foundation (BMEF) strives hard to become the platform for these dreamers. Bhagwan Mahavir Education Foundation is emerging as a leader in providing quality higher education, especially in Gujarat and Haryana region. We at BMEF constantly explore the best possible ways of providing world class education and amenities to the students. We also believe in imbibing modern technical skills as well as traditional Bhartiya values in the students. I welcome students to BMEF for holistic academic and personal growth.

Dr. Sanjay Jain
President
Bhagwan Mahavir University

Message from the Provost

To survive and thrive in today's cut-throat business world, it is mandatory to implement quality education programs & bring innovative changes in the higher & technical education system with the sole aim of delivering a qualitative edge in productivity, profitability and efficiency, the base of which is qualitative technical & management educational system. As the information transfer technology, worldwide, has been undergoing transformation, pressure is sometimes applied on universities & educational establishment to become more 'business like' in their way of doing things. Within the changing paradigm of what constitutes an educational establishments & universities, the position and role of the academic staff have also come under pressure. This paradigm shift has impacted on Higher education institutions in which there is an increased emphasis on productivity, quality and accountability. One of the consequences of increased 'Managerialism' and 'Corporatization' in higher & management education institutions is an attempt to develop quality management and appraisal systems along with the basic course of action.

To a remarkable degree BMEF is in the growth path of imparting high-quality education with the understanding that quality failures in higher education, in professional & general life can and do result in serious human inconvenience, economic waste and sometimes loss of life because of the poor technical & managerial educational background. The implementation of the skill-based training system in BMEF has brought significant change in the employability & preparedness of entrepreneurship.

Dr. Nirmal Sharma
Provost
Bhagwan Mahavir University

CHAPTER – I

CURRICULAR ASPECTS

The broad vision of the University is to enhance the well-being of the people by Educating, Creating Knowledge and Serving the Society by putting the knowledge to work with excellence. The University also aims to advance the professional competence of youth and inculcate in them the urge to recognize challenges as opportunities. Towards the above vision, the mission of the University has been to lead the nation in education and research in order to benefit the society on a national and a global scale. The University strives to create knowledge, to open the minds of students to that knowledge, and to enable students to take best advantage of their educational opportunities. It embodies the spirit of excellence in teaching and research. Value creation through economic, social, and environmental development targeted to an increasingly global and multicultural world.

Faculty of Engineering & Technology has five institutes including three-degree engineering colleges with eleven branches and two polytechnics with five branches. The faculty offers UG, PG and Doctoral program in all branches. The engineering faculty give enough emphasis on science and technology. The engineering faculty have emphasised the need for a curriculum encompassing areas such as engineering's role within society and a whole set of transversal skills from critical thinking to team working, socio-economic considerations, sustainability, ethics and entrepreneurship. The curriculum of the engineering & Technology faculty has been designed to provide a holistic education. The curricula combine academic knowledge, fundamental skills, personality development, and social and ethical values. The programme outcomes, programme specific outcomes and course outcomes have been framed in accordance with the local, regional, national and global needs. They are aimed at equipping the students with a critical and imaginative thinking, effective oral and written communication skills, and ability to use ICT to meet the needs of a complex global society. Adequate practical skills are inculcated into the students by experimental learning derived during practical sessions/ Field work/ Industrial Training by all the departments of the faculty. Elective courses are also offered to the students to help them gain insight into other allied fields of application or to enhance their thinking and creative ability. Faculty offered courses run by various professional organizations like SOPAN, IBM etc. Research based projects are an integral part of majority of the postgraduate programs. The faculty ensures compliance with guidelines issued by regulatory bodies AICTE and UGC for curriculum design and development. Moreover curriculum designed by premiere institute like IITs, NITs, GTU is also analysed. The CBCS has been implemented in all the branches offered by the engineering faculty. The faculty offers value added courses to enhance employment opportunities and life skills to the students. Moreover internship and field projects are also added in the curriculum. In order to monitor and assess the

outcome of the curricula, feedback from students and alumni is received every year. Open house sessions with Provost and Principals are organized at the colleges at regular intervals to obtain feedback from the students about issues pertaining to student life on campus.

Faculty of Management is running four courses viz, MBA, MCA, Integrated MBA and integrated MCA. The college gives more impetus on hands on learning by inculcating corporate culture within the Mahavirians. The syllabi of all the four courses are with sole objective of making the students Industry ready. We focus not only on placements but also imbibe entrepreneurial skills among young minds. Several initiatives are already being implemented for the holistic development of the students. The sole focus of our college is to equip students with the look alike working environment, as they would be experiencing once their course is completed. The faculty ensures compliance with guidelines issued by regulatory bodies AICTE and UGC for curriculum design and development. Moreover, curriculum designed by premiere institute like IIM's and GTU is also analysed. The CBCS has been implemented in all the branches offered. The faculty offers value added courses to enhance employment opportunities and life skills to the students. Moreover, internship and field projects are also added in the curriculum. In order to monitor and assess the outcome of the curricula, feedback from students and alumni is received every year. Open house sessions with Provost and Principals are organized at the colleges at regular intervals to obtain feedback from the students about issues pertaining to student life on campus.

The Faculty of Architecture offers a five-year integrated, Under-Graduate program leading to the Degree of Bachelor in Architecture – B. Arch. This course is designed and detailed as per the norms of the Council of Architecture. This course has been running since the inception of the college in August 2013. In the five years course, students are trained in various subjects including Architectural Design, Building Technology and Materials, Theory of Structures, Research in Architecture, Interior Design, Landscape Design, Project Management, etc. The course is designed so as to afford explorations and experimentation in the teaching and learning processes. Faculty members teaching at the under graduate level is trained to handle the complexities of teaching and dealing with the young aspiring students who enter the field with little knowledge about the same. At B. Arch level, students are encouraged to develop analytical thinking, reasoning, and creating a style of their own through travel and on-site explorations in addition to classroom teaching. Moreover, it synthesizes science and art to mould the built environment functionally precise, climatically responsive, energy conscious and aesthetically appealing. It is one of the most satisfying professions that students can opt for. The Architecture faculty have emphasised the need for a curriculum encompassing areas such as Architect's role within society and a whole set of transversal skills from critical thinking to team working, socio-economic considerations, sustainability, ethics and entrepreneurship. The

curricula combine academic knowledge, fundamental skills, personality development, and social and ethical values. The programme outcomes, have been framed in accordance with the local, regional, national and global needs. They are aimed at equipping the students with a critical and imaginative thinking, effective oral and written communication skills, and ability to use Information and Communication Technology to meet the needs of a complex global society. Adequate practical skills are inculcated into the students by experimental learning derived during practical sessions/ Field work/ Industrial Training. Elective courses are also offered to the students to help them gain insight into other allied fields of application or to enhance their thinking and creative ability. The faculty offers value added courses to enhance employment opportunities and life skills to the students. Moreover, internship and field projects are also added in the curriculum. In order to monitor and assess the outcome of the curricula, feedback from students and alumni is received every year. Open house sessions with Provost and Principals are organized at the colleges at regular intervals to obtain feedback from the students about issues pertaining to student life on campus.

The Faculty of Computer Application offers nine courses including three-year Bachelor Degree colleges, five-year integrated courses, one-year post-Graduate diploma courses, two years Masters Courses and Doctorate programs. The faculty offers UG, PG, Integrated, PG Diploma courses and Doctoral program in Computer Science and Information Technology. The Computer Application faculty give enough emphasis on IT, ICT and technology. The Computer Application faculty have emphasised the need for a curriculum incorporating areas such as role of computer science within society and a whole set of transversal skills from critical thinking to team working, ethics and entrepreneurship. A computer science curriculum is a set of courses, offered by an institution, designed to teach an individual about the various elements involved in computer science. For example, it might contain a course on computer history, or maybe something on a specific programming language or building a website, Designing, Artificial Intelligence, Machine Learning, Cyber Security, Data Science, and Software Testing etc. The curriculum of the Computer Science faculty has been designed to provide a holistic education. The curricula combine academic knowledge, fundamental skills, personality development, and social and ethical values. The programme outcomes, programme specific outcomes and course outcomes have been framed in accordance with the local, regional, national and global needs. They are aimed at equipping the students with a critical and imaginative thinking, effective oral and written communication skills, and ability to use IT and ICT to meet the needs of a complex global society. Adequate practical skills are inculcated into the students by experimental learning derived during practical sessions/ Industrial Training by all the departments of the faculty. Elective courses are also offered to the students to help them gain insight into other allied fields of application or to enhance their thinking and creative

ability. The specific makeup of the curriculum is not set in stone and will be determined by a number of factors including:

- The Target Audience - Curriculums must adjust for the needs of target group.
- Local Business Needs - Institutions have an underlying purpose, to prepare students for life in the real-world. Curriculums must adjust to provide training in the areas where there are jobs.
- Faculty Interests/Abilities - Institutions need people on staff that are willing and capable of teaching the material they would like to offer. Students are looking for high-quality instruction. Research based projects are an integral part of majority of the postgraduate programs. The faculty ensures compliance with guidelines issued by regulatory bodies UGC for curriculum design and development. Moreover, curriculum designed by premiere institute like M. SC.IT, MCA, MTech is also analysed. The CBCS has been implemented in all the courses offered by the Computer Application faculty. The faculty offers value added courses to enhance employment opportunities and life skills to the students. Moreover, in-house as well as industry projects are also added in the curriculum. In order to monitor and assess the outcome of the curricula, feedback from students and alumni is received every year. Open house sessions with Provost and Principals are organized at the colleges at regular intervals to obtain feedback from the students about issues pertaining to student life on campus.

1.2 UNIVERSITY COLLEGES / DEPARTMENT AT A GLANCE

1.2.1 Faculty of Engineering & Technology

Dean: Dr. Vineet Goel

Directors:

Dr. Vineet Goel: Bhagwan Mahavir College of Engineering & Technology (BMCET)

Dr. Hitesh Joshi: Bhagwan Arihant Institute of Technology (BAIT)

Dr. Vijay Matawala: Mahavir Swami College of Engineering & Technology (MSCET)

Dr. Jay Joshi: Bhagwan Mahavir Polytechnic (BMPoly)

Dr Patidar: Mahavir Swami Polytechnic (MSPoly)

Program Offered:

Diploma Engineering

Bachelor of Engineering

Master of Engineering

PhD

About Department / College

The engineering & Technology department of BMU is running three-degree engineering colleges viz. BMCET, BAIT and MSCET and two polytechnic BMPoly and MSPoly. All the colleges are approved by All India Council for Technical Education (AICTE), and Directorate of Technical Education, Govt. of Gujarat; and constituent institute of the Bhagwan Mahavir University. BMCET is established in 2008, MSCET is established in 2012 and BAIT established in 2017 under the aegis of BMEF. Since inception in short span; all the degree colleges have created impact in the minds of budding & aspiring engineers, industry and society. Engineering & Technology faculty focuses on a strategic plan of overall development of its students. The strategic plan includes curricular, co-curricular, extracurricular and social development of its students. Organizing expert lectures in technical and soft skills topics, workshops, seminars, project competition, FDPs, Conferences and providing platform for innovations is the key feature at the faculty. All the faculty members are very much dedicated in implementing its strategic plan for overall development of students. The faculty offers graduate programmes in Automobile, Mechanical, Civil, Electrical, Computer, Electronics, Electronics & Communication, Chemical, Robotics & Automation, Nanotechnology and Aeronautical engineering. It offers MTech. programmes in Civil, Electrical, Computer and Electronics engineering. BM Poly was established in 2008 and MS Poly was established in 2012. The faculty offers diploma courses in Automobile, Mechanical, Civil, Electrical, Computer, Information Technology and Electronics engineering. BM Polytechnic and MS Polytechnic are

dedicated to providing students with quality experiential education. All polytechnic programs offer a work-integrated learning component. Work-integrated learning gives students the opportunity to apply the practical skills they learn at BMU in a work environment and to bring workplace skills back to the classroom. Programs are developed and designed in consultation with industry experts keeping in mind the skill requirement of the market. In a rapidly evolving world, Polytechnic continues to focus on the future to ensure that tomorrow's workers have the skill sets they need to adapt.

No. of Books Available: **29,574**

No. of Title available: **4282**

No. of Journals subscribed during: **DELNET**

No. of magazines subscribed during: **11**

Highlights

- Established fully equipped Environment Audit laboratory to generate readily employable environment engineers.
- Total 16 MoU signed with various organization to train students to make them industry ready
- 40+ research/review papers published in reputed journals by faculty members
- 5+ groups of students initiated their own start up.
- Organized one day national seminar on Energy Awareness sponsored by GEDA.
- Submitted 5 projects for SSIP grant.

1.2.2 Faculty of Pharmacy

Bhagwan Mahavir College of Pharmacy (BMCP)

Director

Dr. Vineet C Jain

Program Offered:

Diploma in Pharmacy (D. Pharm)

Bachelor of Pharmacy (B. Pharm)

Master of Pharmacy (M. Pharm)

PhD

About Department / College

Bhagwan Mahavir College of Pharmacy established in the year 2007, approved by AICTE and PCI. The college offers D. Pharm., B. Pharm, M.Pharm (Quality Assurance, Pharmaceutics, Pharmaceutical Management and Regulatory Affairs) and Ph. D programmes. The college has been successful in maintaining a high level of academic standards and value-based education to meet society needs. The highly qualified and dedicated faculty provides continuous mentorship and counselling to bring out students to meet the diversified challenges in the area of pharmaceutical education, research and development, to ensure holistic personal growth of students.

Right from its inception BMCP has striven to provide quality education and develop competent pharmacist with high moral values, blend professionalism and a sense of social responsibility so as to be recognized as dutiful citizens of the country. We believe not only in academic excellence but also in the overall development of our students. We encourage our students to participate in the intercollegiate events and lot of extra-curricular activities throughout the year. Students will find lively, captivated and friendly ambiance at our college.

Our main objective is to support students in meeting the challenges they face, and to help them reach their goals. Students who select this college can have confidence that we will strive to guide the students in making wise decision so that, after graduation, they can choose a right field for their livelihood and become successful in life.

In order to provide best possible pharmacy education, the college has full-fledged laboratories. It boasts of a well-equipped modernized analytical laboratory, machine room and a well-maintained animal house. The college also has an excellent digitalized library facility with sufficient number of books and renowned national and international journals.

No. of Title available: **1726**

No. of Journals subscribed during: **16 – International, 02- National, 200 – E-Journal**

No. of magazines subscribed during: **05**

Highlights

- BMCP has launch the pioneer journal of Bhawgan Mahavir University “Journal of Integrated Pharmaceutical Sciences”
- M. Pharm (Regulatory Affairs) student “Ms. Desai Grishma” of BMCP got 1st Rank in at GTU and secured “GTU GOLD MEDAL”
- Ms. Krishna Gandhi, students of Diploma in Pharmacy got 5th Rank in GTU
- BMCP has developed various formulations like Hand Sanitizer, Surface Disinfectant, Hand wash liquid, Ayurvedic Kadha during this pandemic situation.
- Successfully organized an International E Lecture series on “Covid 360: A complete journey of Covid-19 vaccine” along with the Bhagwan Mahavir University
- Total 8 MoU signed with various pharmaceutical company for research as well as training and placement
- Receive Financial assistant from GUJCOST, DST, Govt of Gujarat for E-conference and from Gujarat State Pharmacy Council (GSPC) for Refresher course
- 100 % Placement in Postgraduate Program

1.2.3 Faculty of Science & Technology

Bhagwan Mahavir College of Basic and Applied sciences

Dean: Dr. Piyush Desai

Courses Offered:

Bachelor of Science

Master of Science

Integrated Master of Science

Post Graduate Diploma

PhD

About Departments / College:

Bhagwan Mahavir College of Basic and Applied Sciences runs following courses viz., M.Sc. Integrated Biotechnology, B.Sc. Chemistry, B.Sc. Microbiology, B.Sc Mathematics M.Sc. Organic Chemistry, M.Sc. Botany, M.Sc. mathematics, P.G.D.M.L.T. and PhD. Bhagwan Mahavir College of Basic and Applied Sciences has got the experts in each field and they are here not only to teach the subjects, but also to explore students with their innovative ideas and to make the changes in life of individuals with their knowledge being put into action. We shape new scientist by providing hands on training and focused study concept.

The aim of any educational institute is the total personality development of the student. The total personality development includes development of cognitive, affective, and psychomotor aspects. Because of this the innate and induced characteristics should be developed through some process which we call education. Hence, we believe that the procedure of education is only providing situations to the students in which they reset their head, heart, and body in melody with the goals. The sprawling college campus at posh area of Bharthana is spread over an area of over 20 Acres which includes 12+ building for different courses acres of open space for garden and sports facilities. The teaching - learning process is facilitated in 15 classrooms, 9 specialized laboratories for physics, chemistry, botany, zoology, microbiology, biotechnology and PGDMLT separately, huge computer room with high-speed Internet connectivity, a seminar room, conference room, an auditorium and a fully automated library. The college also provides hostel facilities for the student from rural area and who belongs to different states. Common facilities include Library with adequate numbers of books & journal for each subject, Separate hostel facility for boys & girls, Computer laboratory with adequate numbers of computers with internet connectivity and Sports facilities etc. BMCBAS Auditorium has a seating capacity of 200. It is fully air-conditioned and its light and sound system is currently being revamped. The Auditorium hosts various academic and cultural events of the

college. It also encourages well-known cultural groups to hold their programs for the benefit of the students and community. Laboratory facilities in Biotechnology department includes: Microbial Biotechnology Laboratory equipped with Centrifuge(s), Autoclave, Incubator, Platform Shaker, Microscopes etc. Plant Tissue Culture Laboratory with all modern equipment's to provide training to the students as per the requirement of industrial standards. Animal Cell Culture Laboratory equipped with Laminar Hood, CO2 incubator, Binocular microscopes & phase contrast microscope. Molecular Biology Laboratory equipped sophisticated instruments like Gel Doc system, Thermal cycler (PCR), Horizontal & vertical electrophoresis unit etc. General Biotechnology Laboratory microscopes and specimens and charts as required for current semester. Laboratory facilities in Chemistry department includes: B.Sc. Chemistry Laboratory-I well established lab with capacity of 60 students, equipped with chemicals and glassware's required for performing chemistry-based practical. B.Sc. Chemistry Laboratory-II well established lab with capacity of 40 students, equipped with chemicals and glassware's required for performing chemistry-based practical. M.Sc. Chemistry Laboratory well established lab with capacity of 40 students, equipped with chemicals and glassware's required for performing advanced chemistry-based practical's such as synthesis of novel compounds, analysis and screening of compounds etc. Physical Chemistry Laboratory well equipped with instruments like potentiometer, pH meter, Colorimeter, Conductivity meter etc. Physics Laboratory well equipped with all basic instruments and requirement as per current syllabus. Laboratory facilities in microbiology department includes: Microbiology Laboratory-I well-equipped laboratory with Microscopes, Digital Centrifuge, Laminar Air Flow, Electrophoresis units, Dark field & Phase Contrast Microscope, Autoclave, Incubators, Hot Air Oven, Platform Shaker etc. Microbiology Laboratory-II well-equipped laboratory with Microscopes, Digital Centrifuge, table top centrifuge, Cooling Centrifuge, Water bath, Electrophoresis units, Autoclave, Incubators with Shaker, Hot Air Oven, Filtration assembly, Vacuum pump etc. P.G.D.M.L.T. Laboratory well-equipped laboratory with Biochemistry Auto analyser, Microscopes, Digital Centrifuge, table top centrifuge, Water bath, Autoclave, Incubators, Micro pipettes etc. Instrumentation room having instruments like Vortex mixer, COD apparatus, Centrifuge, Electrophoresis unit, Trinocular microscope, Binocular Microscope, Cooling Centrifuge.

- Well-equipped laboratories are established for all running courses to provide hands on practical facility so as to generate complete development of youth.
- 2 book chapters and 6 papers published in Indian and International journals
- Numerous webinars attended by faculties and students.
- 12 webinars and many co-curricular activities were organized by college.
- 4 awards received by faculty and students for presenting best papers in international conferences
- 3 SSIP projects submitted and approved for grant.

Bhagwan Mahavir College of Commerce & Management Studies

Principal: Dr. Cheta Desai

Program Offered:

Bachelor of Business Administration (BBA)

Bachelor of Commerce (B.Com.)

Bachelor of Management Studies (BMS)

Master of Commerce (English & Gujarat) (M.Com.)

PhD in Commerce and Management

About Department / College

The Institute has already marked its presence as a leading teaching Institute. Its strengths and standing are best evidenced by the quality of the students admitted in various programs and well qualified faculty.

We believe our appeal as a college rest in our strong sense of community. With the support of highly qualified faculty members and excellent infrastructure we hope we shall be able to continue to add to the professional development of the individuals and the country. In such a secure setting, students are free to challenge themselves and take risks that will lead them to realize their full potential. More importantly you will find a college with warm culture and environment. We assure that **BMCCMS** students and their parents will find themselves as a part of an extraordinarily friendly community, a college that is welcoming, warm and unpretentious and one where the students and the staff get on exceptionally well together.

Although we maintain the traditional values, we are keenly aware of the kind of knowledge and find openness to adopting new teaching ideas. It is this combination of tradition and innovation that will prepare our students for continued success in their life.

BMCCMS addresses the intellectual, social and ethical needs of the college students in a supportive atmosphere. Priority for us is welfare of the students. The Institute is committed to equity and promoting talent without any prejudice. We strongly believe, like me you would also love to enjoy the proud privilege of becoming a part of this Institute.

1.2.4 Faculty of Computer Application

Bhagwan Mahavir College of Computer Application

Dean: Dr. Sanjay H. Buch

Principal: Dr. Nirali C. Dave

Program Offered:

BCA – Bachelor of Computer Application (UG)

M.Sc. I.T (Integrated) (UG)

M.Sc. Cyber Security (PG)

M.Sc. I.T(PG)

Ph.D

About Department / College

The BMCCA, an institute under BMU is offering various UG, PG courses and Research programmes. UG course includes BCA, M.Sc. I.T (Integrated), PG Course includes M.Sc. Cyber Security, M.Sc. I.T(PG). It was affiliated to VNSGU till 2018. M.Sc. I.T (Integrated) started in 2019 under BMU whereas BCA, M.Sc. Cyber Security (PG), M.Sc. I.T(PG) and Ph.D has started from 2020.

As a renowned institute BMCCA has enrolled around 1000 students under BMU in academic year 2020-21. Besides Studies BMCCA focus on curricular, co-curricular, extra-curricular and social development and other Student Development Programmes (SDP) for its students. Organizing expert lectures in technical and soft skills topics, workshops, seminars, project competition, FDPs, Conferences and providing platform for innovations is the key feature at the faculty. We are having well equipped Computer labs and library with rich collection.

In the present era, life skills are most critical for shaping our career goals. We at BMCCA imparts the training and teaching of life skills from the first semester. Industries connect and exposure is very much essential for the students and faculties to understand the working environment and expectations.

BMCCA is also focusing the research & other development on various subjects. BMCCA has many experienced PhD Faculties. Many faculty members are on the verge of completion or in their middle of their PhD Work.

1.2.5 Faculty of Management Studies

Bhagwan Mahavir College of Management - MBA & MCA

Principal: Dr. Pankaj Gandhi

Program Offered:

Master of Business Administration (MBA)

Integrated Master of Business Administration (iMBA)

Master of Computer Application (MCA)

Integrated Master of Computer Application (iMCA)

PhD (Management)

About Department / College

The management department of BMU is running four master degree course viz. MBA, IMBA, MCA, IMCA. All the colleges are approved by All India Council for Technical Education (AICTE), and Directorate of Technical Education, Govt. of Gujarat; and constituent institute of the Bhagwan Mahavir University. BMCM is established in 2007, aegis of BMEF.

When competition is growing like anything and competitors are emerging like mushrooms, it is important for management institute to cater the need to society and stand out with par excellence. Under the aegis of Bhagwan Mahavir Education Foundation, Bhagwan Mahavir College of Management (BMCM) is committed to deliver excellent education and training to our students. At BMCM, we believe that it is easy to go with the crowd and follow others in their footsteps, but carving a niche for oneself and standing for what you believe in, makes others proud and emulate you. Hence, BMCM's first priority is to always ensure that our students compete in the world with their best of talent and confidence.

In order to ensure corporate interface, seminar internship and project report preparation are integrated into the curriculum. Frequent guest lectures and industrial visits, are organized. In order to give international exposure, foreign educational tours will be organized for those who opt for it.

There is an amazing spirit of creativity, collaboration and communication in our students. We can see the spirit getting stronger with time. We hope to continue to build stronger bonds with faculty, the industry and students so that there is steady growth and progress.

A pool of experienced and qualified faculty teaches the principles and applications of management through classroom teaching, discussion sessions, demonstrations and case studies. Additional sessions are conducted by industry professionals to align the learning of students with latest trends. Events are organized where students are encouraged to manage the tasks and play various roles of

event management. Seminars and debates are organized to boost up the confidence of students. As a result, a large number of students have secured good marks in exams and highly paid career opportunities by exhibiting their blazing personalities.

Highlights

- **Institute Industry Project IIP:**

The objective of the IIP Cell is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry to attain a symbiosis.

- **Value added certifications:** In addition to the above students are exposed and certified through blended learning mode of online lectures of faculties of international universities / industries curated by in class tutorials and workshops.

- **International Immersion:** University aims to develop globally aware graduates with internationally competitive skills well-matched to the international jobs and assignments of today and future. The prime focus to bring internationalisation will be by fostering globally connected research and scholarship.

- **Personality training across two years:** Personality psychology is considered the study of individual differences in behavior—how individuals behave differently from one another in various situations. Developmental personality psychologists are interested in understanding the ways individuals develop their unique patterns of responding to the environment based on genetic endowments and social histories.

- **Research Training/Incubation:** Incubation & Innovation centre at BMCM fosters innovation, research, and entrepreneurial activities in technology-based areas. It provides a platform for start-ups by budding entrepreneurs and intrapreneurs to convert their innovative ideas into commercially viable products. It also provides services related to patenting and commercialization.

- **MOU with International Academic Institutions and Industry Bodies:** With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their engineering problems, they look up now to management institutions. Similarly, there is an urgent need to prepare management students for jobs in multinational companies, by exposing them to newer technologies and management methodologies.

1.2.6 Faculty of Education

Principals

Dr. Nayna B. Chuhan: Shikshan Bharti College of Education-B.Ed. (SBCE)

Dr. Kinnary B. Patel: Bhagwan Mahavir College of Education –M.Ed. (BMCE)

Program Offered:

Bachelor of Education (B.Ed.)

Master of Education (M.Ed.)

Doctor of Philosophy (Ph.D.)

About Department / College

The Department of Education BMU is running two-degree colleges. Shikshan Bharti college of education–B.Ed. and Bhagwan Mahavir College of education–M.Ed. the colleges are recognized by NCTE, Bhopal and constituent of the Bhagwan Mahavir University. SBCE established in sep. 2004. BMCE is established in 2008 under the aegis of BMEF. SBCE is running B.Ed. (regular) course with four divisions of total 4 intake 200 students. Capacity or in 2014 the NAAC Committee visited our college and college got the 2.38 CGPA with B grade. Our remarkable journey of 17 years finances any run by BMEF. Our institute is biggest intake in south Gujarat B.Ed. Colleges.

In Shikshan Bharti College of education we are empowering our teacher trainees with a love of language and its power to communicate to entertain and to express their need and feelings. We generate the hidden talents in our future teachers through various group and individual activities which are highly recommended for a successful teacher.

We are on a mission to inculcate versatility in development of the dynamic personality of BMU students though a lot of academic as well as professional preparation our teaching aspect a groomed future teacher.

BMCE was established in 2008. The Master of Education programme is a two year programme in the field of Teacher Education, preparing Teacher, Educators, and other Administrations, Supervisors, Principals/School Heads and Researchers in the field of Education. We organized Guest lecture, Workshop, Seminar, Curricular, Co-curricular activity, Practice teaching Social activity or Skill development programme

1.2.7 Faculty of Architecture, Interior Designing & Planning

Bhagwan Mahavir College of Architecture

Principal: Ar. Chaitali Shroff

Program Offered:

Bachelor of Architecture

Bachelor of Planning

Bachelor of Interior Designing

About Department / College

BMCA was established in 2013 with intake of 40 students affiliated with Council of Architecture (COA) with the aim of “creating spaces & environment for better human future”. The course was approved under Gujarat Technological University, as 5-year Bachelor of Architecture Degree Course. The institute has achieved position of one of the Premier Institute in a year in south-west zone of Surat, Gujarat by seeking students in top 10 position of university. Institute has gradually increased its intake to 80 seats from 2014 onwards.

As per the course needs, institute is providing hands on learning, exploring different materials, converting imagination to reality through various workshops, design studios, industry visits, guests’ lectures, Seminars. Institute also provide various sports activities, event celebrations with student body, NASA participation, Study tours, Relative Study Tour with Documentation, Academic Exhibitions, Expert Juries, Design Competitions, to provide enthusiastic, Leadership, Team work learning under guidance of expert faculties. Currently 3 batches have passed successfully. The Alumina of institute have successfully established private practices as architect, interior designer, photography, 3D visualizer, artist and other related various field.

MSIA begins with Interior Designing Course of 4 years in the year 2017 under Gujarat Technological University. Which, in the year 2019-2020, affiliated to Bhagwan Mahavir University for 3-year bachelor Degree Course. The expert faculty provides innovative learning environment through various teaching methodologies. Subjects like office management and professional practice helps them to stand out differently in current competitive market. The Course also includes various electives such as, interior landscape which is the need of hour. Furniture design, Product Design, Graphic Design, Textile Design give students complete idea about latest need of the technology and today’s human requirement.

Institute has also started Bachelors in planning, 4years degree course in the year 2014 with intake of 60 seats, with aim of creating good town-planners for better cities. India needs about 3 lakhs town planners as rural areas are getting converted to smart cities.

1.2.8 Faculty of Nursing

Bhagwan Mahavir College of Nursing

Dean: Mrs. Priyanka Bhatt

Program Offered:

Basic B. Sc Nursing (4 years)

General Nursing and Midwifery (GNM), 3 years

About Department / College

The Bhagwan Mahavir School of Nursing under Bhagwan Mahavir Education Foundation offering GNM programme was founded in 2009. Bhagwan Mahavir College of Nursing at Bhagwan Mahavir University was started in the year 2020, offering Basic B.Sc. Nursing programme. Nursing School & College is recognized by the Indian Nursing Council, New Delhi, Gujarat Nursing Council-Ahmadabad and affiliated to Bhagwan Mahavir University, Surat.

Each year 40 students are admitted to General Nursing & Midwifery (GNM) course and 60 students are admitted to Basic BSc Nursing Course. Bhagwan Mahavir School of Nursing has progressively grown in strength and scope over the years. It has highly qualified faculty, excellent infrastructure and good affiliated hospitals, which provide a wholesome experience in nursing education. New Civil Hospital, Surat is the first affiliated hospital for training, which is having 1200 beds with all specialties & Super specialties providing the student clinical experience under one roof. Students will have the opportunity to get hands on experience in Medical Surgical Nursing, Obstetrics and Gynecology Nursing, Mental Health Nursing, Child Health Nursing, Community Health Nursing etc. Many students have placed in pioneer health institutions and many of them are regarded as one among the best in the nursing profession because of their clinical experience they have received from here.

1.2.9 Faculty of Physical Education

Principal: Mr. Dinesh Sarang

BMEF College of Physical Education (B.P.Ed)

Bhagwan Mahavir College of Physical Education (M.P.Ed)

Program Offered:

Bachelor of Physical Education (B.P.Ed.)

Master of Physical Education (M.P.Ed.)

About Department / College

The Physical Education department of BMU is running two-degree Sports colleges' viz. BMEF College of Physical Education and Bhagwan Mahavir College of Physical Education (BMCPE). Both the colleges are approved by National Council for Teachers Education (NCTE), and Directorate of Physical Education, Govt. of Gujarat; and constituent institute of the Bhagwan Mahavir University. BMEF College of Physical Education is established in 2004, And BMCPE (Bhagwan Mahavir College of Physical Education) is established in 2007. Since inception in short span; Both the degree colleges have created impact in the minds of budding & aspiring School, Colleges and Sports Academy. Physical Education Department focuses on a strategic plan of overall mentally and physically development of its students. The strategic plan includes curricular, co-curricular, extracurricular and social development of its students. Organizing expert lectures in Sports and soft skills topics, workshops, seminars, project competition, Conferences and providing platform for innovations is the key feature at the Sports Department. All the faculty members are very much dedicated in implementing its strategic plan for overall development of students. The faculty offers graduate programmes in Indoor games, Outdoor games, Gymnastics, Yoga teacher, Athletics, Sports Teachers, Sports Coach, and all over sports activities. Physical Education Department are dedicated to providing students with quality sports education. Work-integrated learning gives students the opportunity to apply the practical skills they learn at BMU in a sports environment and to bring Sports ground skills back to the classroom. Programs are developed and designed in consultation with Academic experts keeping in mind the skill requirement of students' skill.

CHAPTER – II

TEACHING- LEARNING AND EVALUATION

It is one of the major criteria of accreditation of university so adequate Weightage has been given to it. BMU has implemented innovative teaching methods and high-tech learning environment which makes it unique in the domain. Teaching by real experts, underpinned by internationally significant research and strong industrial links is the identity of BMU. Students will be taught by some of the best minds in the country who are leaders in their fields. Flexible, multidisciplinary courses that students can tailor to their interests and career ambitions. The range of optional course typically increases as you progress. Courses that challenge your preconceptions and give you a greater understanding of what it means to be a responsible global citizen. You could also combine your studies with a year abroad to complete the Global Challenge, or explore your entrepreneurial side with the SSIP Cell of Bhagwan Mahavir University. Personalised learning that puts you at the heart of your academic experience. As well as fantastic facilities, including our Educloud virtual learning environment gives you study materials and activities online, as well as interactive sessions with staff and other students in COVID-19 era. A blended, flexible learning opportunity for greater flexibility and choice is available at BMU. Our commitment to blended and flexible learning is part of our University strategy to create increased student choice and flexible learning through combinations of face-to-face, online and blended learning. This is not online teaching, but about augmenting you're in-person lectures, seminars, labs, Q&A, discussions, and workshops with high-quality online materials for self-study. The exact mix of learning styles will depend very much on what works for each subject of study and we are continuing to shape our flexible learning approach in partnership with our students and our staff. An education that encourages independent critical thinking and analysis, assessing you not only on your academic knowledge, but also on skills that employers value, such as how to work as part of a team, make presentations and tackle problems creatively. Courses that reflect the needs of industry and business to ensure you acquire the skills and knowledge necessary to flourish within your chosen career. Following are few points about our teaching learning and evaluation system

- Qualified and experienced faculty as per UGC norms with the good retention rate.
- Learning is made student – centric by adhering to the activities like: seminars, assignments, tutorials, case studies, interaction with experts invited for guest lectures, workshops and conferences organized in the campus. In student centric approach, focus is being laid on discussion mode of learning, class presentations, assignments and doubt clearing sessions.

- The examination system is based on continuous internal assessment method-where a student is evaluated throughout the semester on the basis of his/her class participation in class test, seminar/presentation skills, assignments, followed by minor and major examinations in a semester.

KEY ASPECTS OF BMU ACADEMIC SYSTEM

- Learning Beyond Classroom
 - Program for personality development, grooming of leadership qualities, confidence building, group discussion and interview preparation.
 - One to one contact between students and Professors)
 - Coaching for NET, SET, GATE, GRE, GMAT & other competitive prestigious exams with routine classes
 - Coaching for IAS and other govt. services exams
 - Project and industry integration
 - Regular industrial visits and educational excursions
 - Regular updating of Syllabus based on jobs related to industries and corporate
 - Learning through expert lectures, workshops, conferences, seminars, research projects and oral presentations.
 - Enhancement in confidence and team work by organizing technical fests, cultural programs, quizzes, mock interviews, Sports-meet
- Credit based academic system
- Active Student Life

2.2 ADMISSION

To facilitate the students and parents, BMU has formed active admission cell at institute level and University level also. The members of admission cell are always ready to help the admission seeker. BMU provide scholarship for newly admitted outstanding student. For that BMU is conducting Scholarship test for the scholar students every year at various school. We are promoting BMU through social media, awareness programs, career guidance seminar and social activities. BMU has started free career guidance centre across city.

2.2.1 Application for Admission

For the purpose of admission, a candidate shall apply on-line, for the application of his candidature, on the University website, within the time limit specified by the University. (Please visit the University website www.bmusurat.ac.in for the online application procedure).

The University shall announce, by advertisement in some leading national newspapers / on web-site and by such other means, as it may consider necessary, the date of application, last date for submission of application form, programs offered and such other information as may be necessary in this regard.

For the purpose of application, a candidate shall be required to make an online payment of Rs.500/- .

A candidate shall be required to upload a scan copy of the requisite certificates and testimonials as specified in the application form.

2.2.2 Admission Procedure

The admission procedure shall be in the following manner:

- The University shall prepare the merit list of the eligible candidates who have applied for admission under these rules.
- The candidates will have to check their inter-se merit number through the Login ID & password provided at the time of application on the University website.
- The provisional admission shall be offered through online mode as per the schedule.
- Offer of admission shall be made on the basis of merit, category of the candidate and availability of the seats.

- The candidate can freeze the admission for a branch offered to him upon payment of the fees as prescribed, subsequent to which such candidate will not be eligible for offer of admission in any other branch.
- The candidate can accept the branch offered to him upon payment of the fees as prescribed and can request for admission in a branch of his higher preference on merit, during subsequent admission round/s if any.
- In case of rejection or no action for the offered branch, the candidate will not be eligible also for any further admission round under that category.
- The provisional admission will be confirmed only after verification of the original documents, personal and academic credentials of the candidate's viz. identity, age, academic qualifications and reservation category as per the schedule to be announced on the website.
- It shall not be obligatory to give admission to a candidate if he fails to secure the admission online as prescribed.
- No changes in branch-preference shall be possible after the last date of submission of online application.
- The University reserves rights to hold admission process also through calling the candidates in merit on the University Campus.

2.2.3 Preparation of Merit List

For the purpose of admission on BMU Seats the University will prepare the inter- se merit list of the candidates who have applied for admission in the manner prescribed by the University, within the prescribed time limit and who are found eligible (subject to verification) at the time of counselling for admission under these rules. It shall be prepared on the basis of AICTE & UGC norms.

(CRL Rank) obtained in JEE (Main) examination. In the same way the merit list will be prepared for the candidates applying for admission as NRI Sponsored candidates.

For the purpose of admission on NRI Seats, the University will prepare the merit list of the candidates who have applied for admission on NRI Seats at BMU in the manner prescribed by the University, within the prescribed time limit and who are found eligible (subject to verification) at the time of counselling for admission under these rules. The first allotment of NRI Seats will be made to eligible NRI candidates, and then the remaining seats will be offered to eligible NRI sponsored candidates.

- Performance in the 10th standard or equivalent examination in diploma engineering degree.
- Performance in the 12th standard or equivalent examination in bachelor degree.

- Performance in the bachelor degree examination in master degree.
- Performance in the relevant branch or equivalent passed examination in Certificate courses, Bachelor in Vocational (B. Voc.) courses and Master in Vocational courses (M. Voc.).

2.4 EXAMINATION PROCEDURE

The objective of the examination system at BMU is to expose students to continuous evaluation rather than focus only at term end exams. This system ensures that the students develop the ability to study regularly and do not need to put any extraordinary work towards the end of the semester. This system also puts the onus on students to perform consistently and not study in a sporadic manner. Also, the system encourages the use of assignments to inculcate the spirit of self-learning in the students besides developing ability to solve practical problems.

The evaluation system of the University is designed to test systematically the student's progress in class, laboratory and field work through Continuous Evaluation Process & Performance in a single examination at the end of the year.

With the introduction of CBCS the university also revised the question paper style. This now comprises of component and well-balanced unit wise questions to facilitate the students preparing for examination of question bank for which paper is prepared and circulated among the students.

The examination section, in consultation with University department and colleges draw up an annual plan for holding semester/annual examination at the beginning of academic year. Moreover, students are given periodical tests, short quizzes, take-home assignments, seminars, tutorials, term papers in addition to an examination at the end of each semester. After internal examination, discussion session is arranged in which the examiner will show the answer book to the students including marks. The final result in each course is calculated on the basis of this continuous assessment and performance in the end semester examination.

The University has its own ERP system (**calyx pod**) covering all functionalities of Exams. All the Pre-exam, Exam and Post-exam processes are managed through this platform ensuring timely execution and efficiency. With the help of this platform, university conducted examination on line in the era of COVID-19 pandemic. The university has well defined rules and regulations for various activities like Central Assessment, Printing of question paper, Reassessment/rechecking of answer books and preparation of results. Moreover, University appoints Controller of Examination, Deputy Controller of Examination, Assessment Coordinator. Hence, the examination activities are streamlined. Generally, the coordinator is appointed by the Provost on rotation basis from the senior faculty members. Well-structured hierarchy is followed for timely assessment through appropriate follow-up. The examiners are communicated to complete assessment in time. This makes it possible to declare results. The result analysis is given in ANNEXURE-C

2.5 TEACHING LEARNING AVENUES

A classroom is a hub for exploring, analysing and imbibing all that surrounds young and eager mind. Apart from those, Seminars, workshops and conferences hold great importance of life of a student. They are platforms not only to learn new aspects, others perspectives and latest information, but also a good way of networking.

Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education and produce promising outcomes in the learning and teaching practices. Guest lecturers is improving their learning in a more interactive topic specific way. It makes classes more approachable appealing to students.

In addition to this, to bridge the gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. Ensuring a proper flow of knowledge Seminars and Workshops assist in passionate interaction and active participation boosting the skills and expertise of students. So, the seminars and workshops are an innovative and welcomed step towards modern education. BMU is committed for quality education to the students; it has organized numbers of seminars, workshops, guest lecturers for students and motivated all the faculties for FDP to meet the requirements of current era.

Table 2.9: Other Co- Curricular Activities Organized by Department / Institute

CHAPTER-III

RESEARCH, CONSULTANCY AND EXTENSION

The hunger for search of new knowledge is made vibrant by promoting basic and interdisciplinary research activities with focus on emerging societal needs and innovation. A well-defined research policy of the university ensures smooth conduct of research activities. For this, university creates an enabling environment to foster interdisciplinary research culture while providing for required research infrastructure and support. As part of infrastructural push, BMU has established Central Research Cell and procured cutting edge equipments for research in various domains. Research projects at UG and PG levels, variety of enrichment and elective courses, research fellowship programmes, emphasis on applied research and industry projects by faculty, Industry Academia sessions are some of the tools designed, implemented and practiced by the university. The University also promotes and provides incentives to faculty engaged in top publications, authoring books and innovative research leading to patents. For start-ups the University also provides an Innovation Incubator, to support entrepreneurs to start their own ventures. The research and innovation efforts have yielded extensive network of national and international collaborations, leading to joint projects and quality publications and research students' exchanges.

3.1 RESEARCH AND PUBLICATION

Sr. No.	Name of the Principal Investigator / Co-Investigator	Title of the Project	Department	Funding Agency	Amount of research Grant Sanctioned (Rs.)
1	Prof. Jigna Patel	Begin with flowers	Engineering	SSIP cell, Gov. of Gujarat	77000/-
2	Dr.Murtuza Hajoori	Micro tech	Science & Technology	SSIP cell, Gov. of Gujarat	77500/-
3	Mr.Jaydip Jobanputra	Chitinase production for eco-friendly remediation	Science & Technology	SSIP cell, Gov. of Gujarat	76000/-
4	Dr.Murtuza Hajoori	Biologics-A biological initiative	Science & Technology	SSIP cell, Gov. of Gujarat	71000/-
5	Mr. Manish Babaria	An Approach Towards Rurbanisation of Kudsad Village, Surat District	Engineering	Gov of Gujarat	23000/-

Table 3.1 Number of Research Projects Funded by Government & Non-Government Agencies

Number of Research Publications

Sr. No.	Title of Research/ Review Article	Author(s)	Name of Journal, Year, Vol (Issue): Page No	ISSN No.	Impact factor	UGC Approved Number/ Indexed Journal
Mahavir Swami College of Engineering and Technology						
1.	A Planning Proposal for Heritage Tourism Circuit of Surat city	Prof. Jigesh Gajera	International Research Journal of Engineering and Technology, 2021, 08(05): 3162 - 3164	e-ISSN: 2395-0056	7.529	45170
2.	Rehabilitation of Slum Area In Central Zone of Surat	Prof. Jigesh Gajera	International Research Journal of Engineering and Technology, 2021, 08(05): 1-3	e-ISSN: 2395-0056	7.529	45170
3.	Strength Characteristics of Concrete with Partial Replacement of Cement by Waste Glass Powder	Prof. Govind Tivadi	International Journal for Research in Applied Science & Engineering Technology, 2021, 09(06): 1416-1423	2321-9653	7.429	45842
4.	causes of time overrun in construction projects	Govind Tivadi Manish Babariya	International Research Journal of Engineering and Technology, 2021, 08(06): 3079-3083	2395-0072	7.529	45170
5.	Comparative analysis of compressive strength of concrete with waste tyre rubber powder	Govind Tivadi	International Research Journal of Engineering and Technology, 2020, 07(06): 3561-3568	ISSN: 2395-0072	7.529	45170
6.	Integrated Development of Dabhari Village, Olpad, Dist – Surat, using T.P Scheme	Vijay Kothari	International Research Journal of Engineering and Technology, 2020, 07(05): 5714-5731	2395 – 0072	7.529	45970
7.	Feasibility Study of Grey water treatment and its Reuse for different purpose	Vijay Kothari	International Research Journal of Engineering and Technology, 2021, 08(06): 2298-2306	2395 – 0072	7.529	45970
8.	Feasibility Study and Planning Proposal of Changodar Industrial Region	Babariya Manishkumar	International Research Journal of Engineering and Technology, 2021, 07(02): 1470-1477	2395-0072	7.34	45170
9.	Sustainable Township: A Modern Need To City	Babariya Manishkumar	International Research Journal of Engineering and Technology, 07(06): 5151-5158	2395-0072	7.52	45170

10.	Causes Of Time Overrun In Construction Projects	Manish Babariya	International Research Journal of Engineering and Technology, 2021, 08(06): 3079-3083	2395-0072	7.52	45170
11.	Recycling of construction waste materials at Kosad, Surat.	Prof. Janki Patel	International Research Journal of Engineering and Technology, 2021, 08(05): 4414-4418	2395-0072	7.529	2395-0056
12.	Application of Six sigma tool in residential building at Anand Avenue, Surat	Prof. Janki Patel	International Research Journal of Engineering and Technology, 2021, 08(05): 3686 - 3689	2395-0056	7.529	2395-0072
13.	Electricity Generation by E-Bump	Happy Patel	International Journal of Scientific Research & Engineering Trends, 2021, 07(02):1094-1096	2395-566X	4.984	----
14.	Design of Electric Go Kart with Suspension and Power Regeneration through Alternator	Happy Patel	International Journal for Scientific Research and Development, 2020, 07(05): 7745-7749	2395-0072	7.529	----
15.	Licence based Vehicle Ignition System	Nilesh Vasawala	International Research Journal of Engineering and Technology, 2020, 07(12):1894-1897	2395-0072	7.529	----
16.	Licence based Vehicle Ignition System 2	Nilesh Vasawala	International Research Journal of Engineering and Technology, 2020, 07(12):1894-1897	2395-0072	7.529	----
17.	Design of Tilting Reverse Trike	Nilesh Vasawala	International Research Journal of Engineering and Technology, 2020, 07(05):5041-5046	2395-0072	7.529	----
18.	Mandatory Seat Belt With Steering Controlled Head Light	Dhruv Solanki	International Journal of Scientific Research & Engineering Trends, 2021, 07(03):1181-1186	2395-566X	4.984	----
19.	Experimental analysis of Power generation	Dhruv Solanki	International Research Journal of Modernization in	2582-5208	5.354	----

	from exhaust system of two wheeler		Engineering Technology and Science, 2021, 03(05):690-694			
20.	Design and Analysis of Piston for Four Stroke IC Engine	Dhruv Solanki	International Journal for Scientific Research and Development, 2020, 08(04):563-571	2321-0613	4.396	----
21.	Design of Tilting Reverse Trike	Dhruv Solanki	International Research Journal of Engineering and Technology, 2020, 07(05):5041-5046	2395-0072	7.529	----
22.	Experimental Analysis of Half Toroidal Continuous Variable Transmission	Harshil Patel	International Research Journal of Modernization in Engineering Technology and Science, 2021, 03(05):333-346	2582-5208	5.354	----
23.	Wireless Control and Hardware Design of Single-Phase Semi Controlled Rectifier for Dc Shunt Motor	Pratik Arya	International Research Journal of Engineering and Technology, 2021,04(07):1348-1351	2395-0072	7.34	----
Mahavir Swami Polytechnic						
24.	Periodicity of Pell sequence modulo 10^e	Rima P. Patel	Zeichen 2020, 06(09): 251-255	0932 4747	4.7	UGC - CARE Approved Group – II Journal
Bhagwan Mahavir Polytechnic						
25	The Performance Study of CdTe/CdS/ S no2 Solar cell	Virang K Shukla	Materials Today: Proceeding Journal, 2020, 26: 487-491	2214-7853	1.24	Elsevier Journal
26	Effect of BSF layer on the performance of CdTe Solar cell	Virang K Shukla	Materials Today: Proceeding Journal, 2021, 44P1 2300-2303	2214-7853	1.24	Elsevier Journal
27	Kinematic Sculpture Modern Wind Mill	Vagesh Nai	Journal of Emerging Technologies and Innovative Research, 2021, 08(06): 673-676	2349-5162	7.95	UGC Approved Journal No 63975
28	Multi-purpose Geneva Machine	Vagesh Nai	International Journal of Creative Research Thoughts, 2021, 08(06): 3367-3373	2320-2882	7.97	UGC Approved Journal No 49023 (18)
29	Design on Wall Machine	Ravindra Rathod	International Journal of Creative Research Thoughts, 2020, 08(08):2169-2173	2320-2882	7.97	UGC Approved Journal No 49023 (18)

Bhagwan Arihant Institute of Technology						
30	Dielectric and curie temperature measurement of ferromagnetic material	Devanand Chaudhari	International conference on nanotechnology and smart materials design artificial intelligence, manufacturing and engineering	ISER_94723	5.0	5.0
Bhagwan Mahavir College of Engineering and Technology						
31	Preparation of AAC and CLC block by adding polymeric foam	Shivam Pandey, Tabrez Patel, Darshan Patel Kaish Timol, Shyam Doshi	International Research Journal of Engineering and Technology, 2020, 07(03): 1487-1489	2395-0056	7.34	----
32	Utilization of plastic waste in concrete as fine aggregate	Darsh Panchal1, Aum Mandviwala, Pratik Patani, Fenil Soni, Shyam Doshi	International Research Journal of Engineering and Technology, 2020, 07(01): 1078-1086	2395-0056	7.34	----
33	A partial replacement of ceramic tiles waste in concrete	Shyam Doshi	International Journal of Innovative Research in Technology, 2020, 06(08)	2349-6002	4.36	----
34	Energy and water saving concept for three story building	Shyam Doshi	International Journal of Engineering Development and Research, 2020, 08(01)	2321-9939	0.54	----
35	Experimental investigation of balast fibres induced concrete in comparison to conventional concrete	Kothadia Ish, Koyawala Naitam, Singh Manaskumar, Punvar Ashutoshsinh, Naik Sagar	International Journal of Innovative Research in Technology, 2020, 06(10): 180-184	2349-6002	4.36	----
36	Experimental study of corn cob ash concrete	Manank Patel, Jay Rathod, Para Bhatt, Drashti Chaudhari, Noreen Pathan, Sagar Naik	International Journal of Innovative Research in Technology, 2020, 06(11): 110-112	2349-6002	4.36	----
37	Improvement of soil properties using Zycobond+terrasi with GGBS	Kishan Italiya, Shivangi Chauhan, Parth Lakhani, Krupali Umrao, Viral Vaghela, Sagar Nayak	International Journal of Innovative Research In Technology, 2020, 07(01): 1030-1032	2349-6002	4.36	----
38	Cable car - As an alternate traffic solution	Velani Sameer, Patel Kartik, Patel Vinay, Kapadia Trupal, Rana Kishan	International Journal of Innovative Research in Technology, 2020, 06(12): 169 - 172	2349-6002	4.36	----
39	Design and construction of permanent diapharm	Viral Kathiriya, Varsav Saliya, Jaydeep Variya,	International Journal of Innovative Research in	2349-6002	4.36	----

	wall based on functional requirement	Keyur Vanani, Keval Bhikadiya, Dixit Chauhan	Technology, 2020, 06(11): 106 - 109

3.3 Ph.D. PROGRAMME

To enhance the research activity, BMU has developed Centre of Advanced Research. The vision of the centre is to provide quality & social-oriented research that may bring out the potentiality of the researchers. Besides the specific visions of the center are as follows: The center is planning to lead Bhagwan Mahavir University (BMU) to a new height.

Research activities in the centre would be strengthened. To this end, the centre is planning to emphasis on research activities with the support from the head of the university. The faculty members will undertake Minor/Major research projects with financial assistance from BMU. For this, we would make the maximum use of the computers in the teaching and research activities. The centre library will start functioning from next academic year and the centre plans to subscribe the referred journals relevant to the subject. Audio-visual teaching aids and internet would be used liberally for class room instruction. The centre is planning to sign MoUs with Indian Universities/Institutions to establish cooperation in the areas of teaching, research and training. The centre is planning to publish a book of PhD dissertations abstract.

Sr No.	Organization	Date	Purpose and Activities
1.	CalyxPOD Talent Solutions Pvt.Ltd., Gurugram	16/07/2020	To provide a Digital Platform to Perform an Online Job Fair in Efficient manner and providing setup for dedicated server in premises of BMU. BMU in association with CalyxPOD has organized an Online Mega Job Fair on 23,24,25 July 2020 and have invited students of all colleges and Institution as well as other job seeking aspirants
2.	QuadSofttech, Surat	04/08/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for students of Computer Science and IT Field
3.	Shree Modi Material Handling Company, Surat	09/08/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for students of Computer Science and IT Field
4.	Believe Pharma, Surat	10/08/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for students of Pharmaceutical Sector
5.	Global Pharma Pvt.Ltd. Surat	10/08/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for students of Pharmaceutical Sector
6.	Associated Chambers of Commerce and Industry of India (ASSOCHAM), New Delhi	11/08/2020	To promote green environmental development activities by Participation of students in Green Building educational and Training Seminar and to promote and impart Understanding of green building Certification Programme through various modes Like Webinar, Meetings etc.
7.	Vishwaroop Education Pvt.Ltd. New Delhi	04/09/2020	To provide training/coaching of students for various competitive exams such as Civil Services Examination conducted by UPSC and various Public Service Commissions of different state, IES and GATE.
8.	IIHT, Surat	15/09/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for students of Computer Science and IT Field
9.	Power Café, Surat	15/09/2020	To provide skill Development Programmes, Industrial Visit, Outcome based trainings, R&D Services and Placement for trained students of Electrical Engineering Students
10.	Bhavna Enterprise, Surat	15/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D

			Services and Placement for trained students of Electrical Engineering Students in field of Solar Energy
11.	Padarpan Architects, Surat	15/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, and Placement for trained students of Architecture Design and Planning Students
12.	RJ Digital Printing, Surat	16/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for trained students
13.	Sodam Food Products, Surat	16/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for students
14.	Eben Fire Safety Services, Surat	16/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for students in field of Fire Safety
15.	S V Services, Surat	18/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for Students in field of Mobile repairing and PCB Design
16.	Govardhan Institute, Surat	18/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for students in field of Data Science and Machine Learning
17.	Jagat Kyoso Management and Science Foundation, Surat	19/09/2020	To provide training and Certificate Course to students for Vedic Mathematics and fast calculation course by classroom teaching using Audio visuals, examples, live digital activities
18.	International Engineering, Surat	19/09/2020	To provide Skill Development Courses, Industrial visit, Outcome based trainings, R&D Services and Placement for students of Mechanical Engineering Branch in field of CNC Operation
19.	Bhagwan Mahavir International School, Surat	21/09/2020	To provide Skill Development Programmes, Industrial visit, Outcome based trainings, R&D Services and Placement for students of Bhagwan Mahavir University in order to bridge the skill gap and make them industry ready
20.	Jalaram Automobiles, Surat	23/09/2020	To provide Skill Development Courses, Industrial visit, Outcome based trainings, R&D Services and Placement for students of Automobile Engineering Branch in field of Automotive Repair and welder
21.	Pandav Survey and Mappings, Surat	22/09/2020	To provide Skill Development Courses, Industrial visit, Outcome based trainings, R&D Services and Placement for students of in field of Surveying and Mapping
22.	Dominant Infotechs, Surat	22/09/2020	To provide skill Development Programmes, Industrial visit, Outcome based trainings, R&D

			Services and Placement for students of Computer Science and IT Field
23.	Environment Innovations, Surat	21/12/2020	To provide skill Development Programmes, Outcome based trainings, R&D Services and to Develop Laboratory for Testing in areas of Environment
24.	Research for Resurgence Foundation, Nagpur	08/01/2021	To provide Support as an Academic associate and to facilitate BMU for Industry -Academica, academia-academia Collaboration at national and International LevelBMU in Collaborationwith Research for Resurgence Foundation (RRF) is committedto provide conduction of refresher courses, oriental courses, research methodologyprogrammes,faculty development programmes and to promote research activities
25.	Acupressure ShodhPrashiskshan Evam UpcharSansthan, Prayagraj	16/01/2021	To provide training and Certificate Course to students for in field of Acupressure and Healing Science
26.	Gujarat Knowledge Society, Gandhinagar	20/01/2021	To develop a BMU Central SSIP cell which will work to create an integrated, state-wide, university-based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for by providing technical as well as financial support
27.	Softcon India Pvt. Ltd., Vadodara	21/01/2021	To provide skill Development Programmes, Industrial visit, Outcome based trainings, Expert session on Various technologies and Placement for students of Industrial Automation Domain in order to bridge the skill gap and make them industry ready
28.	Ms. Vivdista LLP, Kolkata	11/02/2021	To provide skill Development Programmes, Industrial visit, Outcome based trainings, Expert session on Various technologies and Placement for students in order to bridge the skill gap and make them industry ready

Table 3.7 MoUs of BMU with Firms

CHAPTER-IV

STUDENT SUPPORT AND PROGRESSION

The Student Support Services are available to assist students with a wide-range of issues and concerns that might arise during their time at BMU and to adjust with the environment of the university. The Dean of Student affairs (DOSA) provides 24-hour crisis services for all the students of the university with personal or family emergencies, and are available by appointment to consult with individual students about their personal questions/concerns, thus allowing students to succeed and thrive in their academic pursuit. Following sub-committees and cells are there to help students:

BMU is committed to providing a safe, fair and harmonious learning and work environment. Grievance Redressal Cell is established at university in accordance with the University Grants Commission regulations. It ensures a fair, impartial and consistent mechanism for redressal of varied issues faced by the students and staff.

Students' Welfare Committee: Students, who are meritorious, but financially weaker, may apply to this committee for financial aid from the Students' Aid Fund or may apply for Free-studentship for exemption of Tuition Fees. The notice for the same will be put up on the Students' Notice Board.

Internal Complaints Committee: The University has set up an Internal Complaints Committee (ICC) under the Sexual Harassment Act. The goal of the Sexual harassment policy is to end the problem faced by the student/employee through an internal system of relief that is easy to access, and thereby provides an effective remedy to the aggrieved complainant as quickly as possible so that she can continue to study and develop without further impediments. Moreover, any grievance of students may be written to the members of this cell. Students may write their grievances in a letter, even without their names, and drop it in a box placed in front of the principal's chamber.

Student Counselling: Keeping the academic, social-psychological, and emotional needs of its students in mind, the University has a dedicated Counselling Centre on its campus. The counsellor systematically studies and discusses a student's problems and facilitates the student to find an appropriate solution. The counsellor helps the student address his problems positively by helping him clarify the issues, explore options, develop strategies and increase self-awareness. To create awareness among the students, the counsellor also conducts group sessions on topics of general importance, like stress management, prevention of drug addiction, etc.

Placement-cell: This cell to train final year students for ENTRY IN SERVICE and organizing CAREER COUNSELING so that they may face the job market well prepared. So far, almost fifty students have been directly placed through this cell.

Remedial Coaching Cell: This cell to make the socially backward students at par with the others. Special coaching classes are organized outside of the regular classes where the students can clinch-out any doubt and study informally, so that the curricula may be more interesting.

In the university campus, the coaching classes for competitive exams like UPSC / GATE / NET / TET / CTET are available for students.

BMU has signed the MOU with renowned universities like ARIZONA-USA to provide international exposure to the students. They can learn partially at BMU and partially at ARIZONA.

4.1 STUDENT START-UP AND INNOVATION POLICY (SSIP) CELL

BMU has been at forefront in the sphere of student innovation start-up ecosystem development. To carry forward the efforts for the above and by taking early insights from interventions at Government of Gujarat has developed a Student Start-up & Innovation Policy, SSIP at State level with a commitment of 100 Crore INR grant for student innovators and start-ups.

This will primarily facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. The Broad objective is to harness creative potential of young students across universities and educational institutions. As a part of the Memorandum of Understanding (MOU) made between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP) and BMU (University with effective implementation potential), BMU will extend support for the below by this academic year.

Support up-to **25,000 INR** for filing IPR & Support up-to **200,000 INR** for Prototyping support for Student Innovators/Start-ups at POC stage.

The MOU between BMU and GKS is made on 20th January, 2021 at Gandhinagar, Gujarat having grant of 40,00,000 lacs INR (per year) for 2 years.

4.1.1 University level SSIP committee

With the approval of Honourable President Bhagwan Mahavir University, the University Level SSIP Committee is constituted. The constitution of committee is as follows:

Sr. No	Name	Designation	Nomination
1	Dr. Nirmal Sharma	Provost	Chairperson
2	Dr. Vineet Goel	Dean Academics, SSIP-Coordinator	Coordinators
3	Dr. K. N. Mistry	Dean Research	Co-Coordiators
4	Dr. Ronak Dedania	Associate Prof, BMCP	Member
5	Mrs. Jigna Patel	Assistant Prof, BAIT	Member
6	Mr. Siddharth Shah	Assistant Prof, BMCET	Member
7	Mrs. Hetal Modi	Assistant Prof, BMCCA	Member
8	Mrs. Ankita Valera	Assistant Prof, BMMBA	Member
9	Mr. Dhaval Shah	Assistant Prof, BMMCA	Member
10	Mr. Naisarg Bhanvadiya	Assistant Prof, BMCA	Member
11	Dr. Vijay Matawala	Director, MSCET	Member Secretary

4.2 TRAINING AND PLACEMENT CELL (T&P)

BMU has started an in-house skill development & knowledge-based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonal, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & level of programs is increased with each semester progress keeping in mind to prepare students as per present industry scenario.

BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start up or entrepreneurship in today's world. Organisations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

Vision: The Central Training and Placement Cell is committed to the professional progress of Bhagwan Mahavir University students through integrating the career issues within an academic environment for realizing their best possible career path.

Mission: The Central Training and Placement Cell will help the undergraduate, postgraduate and Ph.d Bhagwan Mahavir University through counselling, instructions and training for development of desired skills essential for suitable job profile/ higher education/ self employment and inviting the Corporate Industries/Research or Academic Institutes/Commercial Organizations/Public Sector Undertakings for campus placement.

Objectives of Training & Placement Cell:

- To provide career guidance about avenues open after graduation. ie. Higher education, placements or entrepreneurship.
- To provide recruitment to students.
- Finding, informing and managing Pool Placements drives.
- Providing Training & Placement process awareness to first year students.
- Managing Recruiters correspondence and feedbacks.
- Act as a bridge between students, alumni and employers.

- Identify suitable potential employers and help them achieve their hiring goals.

Roles and Responsibilities of T & P Cell:

- Arrange off-campus and campus recruitment process.
- Separate cell has been established with one full time faculty.
- Corporate recruitments data update.
- Keep interacting with corporate people.
- Providing Guide-line to students to approach companies.
- Survey on recruiters' expectations from students.
- Feedback from employers of past batches.
- Alumni networking (Conducting Alumni meet at every year).
- Organizing training sessions on soft skill development.
- Conducting Technical Workshop for all our students.
- To invite prospective companies/ organizations to campus for recruitment.
- To register students for the jobs with prescribed qualifications.
- To arrange for various facilities required on the date of interview.
- To collect appointment letters and distribute them to selected students.
- To provide in-plant training at companies/ organizations.

Activities under Training & Placement Cell are:

- Soft Skill Trainings (Mock Interview /Test)
- CEO, Experts & HR Talk Seminars/Webinars Series
- Internships
- Industry/Organisational/Industrial Exhibitions Visits
- Campus Placements
- Job Fair

Table 4.5 Bhagwan Mahavir University, National Service Scheme Activities (2020-21)

1. Kite Festival - 10/01/2020

“JOY OF GIVING” – A Donation camp was successfully arranged & completed by the team of NSS Unit (BMU) for orphanage children at Bhagwan Mahavir University Ground on 10th January 2020.

As a part of Joy of Giving campaign happy boxes were placed in college campus and nearby places to collect unused or old clothes, toys, books, kites etc. Collected things were distributed to around 50 orphan children who were invited for this event at the campus in association with an NGO Team. With kite flying, DJ party was also organized and all had enjoyed very much during 3 hours of this event. At the end Lunch was organized for the orphans by BMU NSS Unit.

2. National Youth Day - 13/01/2020

NSS Unit of BMU, Surat observed the “National Youth Day” on 13th January 2020 in association with Bharat Vikas Parishad with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda.

The students were motivated to be good citizens of India, thus contributing to the development of the country. A lecture was delivered by Ratan Shardaji, a well-known Author, Editor & T.V Panelist. The inspiring stories of Swami Vivekananda’s life briefed to the students by the Speaker made the session more interesting and captivating. The event was attended by Respected Trustees, Campus Director, Directors of all colleges, Faculties, Staff and around 400 students.

3. Netaji Subhash Chandra Bose Jayanti- 23/01/2020

NSS Unit of Bhagwan Mahavir University, Surat has organized a Seminar on “Netaji Subhash Chandra Bose Jayanti” on 23rd January 2020 at MSCET seminar Hall. The Seminar was well attended by Campus Director, Director’s, faculty members, NSS Member and around 200 students.

This Lecture was dedicated to the contribution and sacrifice of Netaji Subhash Chandra Bose - one of the greatest symbols of Indian nationalism and struggle against colonialism. The Lectures was delivered by the notable Shri Pandit Pankaj Khatriji who is a well-known Historian & Motivational Speaker on the life, values & Journey of Netaji.

Mr. Khatri took the stage & presented a vivacious lecture on Netaji’s Idea of living the life. In his speech he spoke about the present syllabus system which are exported directly from Western Countries to local institutions which is very dangerous on student’s life. He also quoted that “Real freedom will come when we free ourselves from the domination of western lifestyle, culture & education.

The seminar was ended by giving vote of thanks to Mr. Pankaj Khatri and by facilitating him with Memento by the hands of Dr. Vijay Matawala (Director, MSCET).

4. Republic Day Celebration – 26/01/2020

71st Republic Day was celebrated on 26th January 2020 with a spirit of patriotism and great enthusiasm at BMU Campus organized by NSS Unit. The students & Staff of BMU assembled on the school ground at 7:30 am. After some time, the Trustees and other distinguished persons

arrived. The flag was hoisted by the Honorable Chief Guest Mrs. Zankhanaben Patel who is the MLA (Choryasi), Surat & Active Member of BJP, spreading the message of love for the country. This was followed by our National Anthem ‘Jan Gan Man’ sung by a team of students. Then the series of speeches started.

In the end of the ceremony, sweet-balls (laddoos) were distributed among all presences. The event was attended by Respected Trustees, Campus Director, Directors of all colleges, Faculties, Staff and around 300 students

As well as students of different colleges of BMU presented cultural programme, patriotic drama and patriotic song. Some students also presented group dance and skits.

5. Nukkad Natak - 30/01/2020

In the first of its kind, a “Nukkad Natak Competition” was staged Bhagwan Mahavir University, Surat that depicted the message of non-violence, Beti Bachao Beti Padhao, Peace and Harmony to the general masses on 30th January 2020 organized by NSS Volunteers.

In this competition 07 Groups from different colleges of BMU participated & everyone came up with an interesting topic like child labor, gender inequality, ill effects of mobile, etc.

This competition was a part of BMU Youth Festival 2020. Winners of the Competition were MSCET Students & Runner up were BMPOLY Students. Winners of the Nukkad Natak were

awarded with Trophies with the hand of Respected Director Dr. Vijay Matawala sir (MSCET). The event was attended by Director of MSCET, Faculties, Staff and around 200 students. This type of events create awareness regarding Gender Inequalities, help students to generate positive attitude towards women safety, gives everyone lesson & belief to fight against evils in society.

6. Seminar on Social Ethics – 01/02/2020

NSS Unit of Bhagwan Mahavir University, Surat organized a Seminar on “*SOCIAL ETHICS*” on 01st February 2020 in association with JCI Group with the primary aim of sensitizing the students about the philosophies, principles, Roles & Responsibility towards society.

The students were motivated to be good citizens of India, thus contributing to the development of the country. A lecture was delivered by Smt. Rupalben Shah, (Corp. SMC) & her JCI Team. The program was concluded with oath of ethics taken by all N.S.S Members, Faculties & Volunteers.

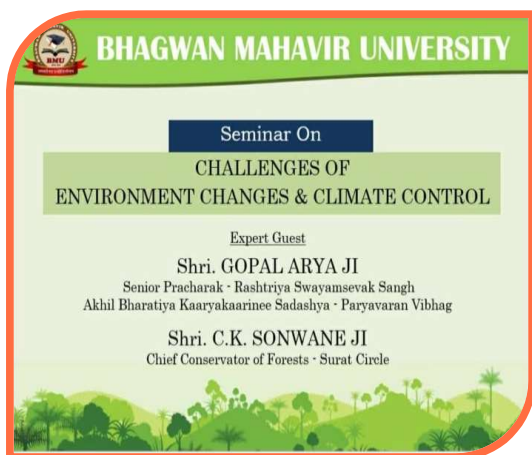

The event was attended by Director of MSCET, Faculties, N.S.S Coordinator, N.S.S Program Officer and around 200 students.

7. Seminar on Challenges of Environmental changes & Climate control - 03/02/2020

Indian environment has been deteriorated remarkably in the past 50 years due to rapid decline in natural resources and severe increase in pollution level. Depletion of forests, population growth, vehicular emissions, use of hazardous chemicals and various other undesirable human activities are mainly responsible for this degraded scenario of environmental health in India.

With respect to the above problem NSS Unit of Bhagwan Mahavir University & its affiliated colleges organized a Seminar on “Challenges of Environmental Changes & Climate Control” on 03rd February 2020 in association with Akhil Bhartiya Sangh.

The lecture was delivered by Shri C.K. Sonwaneji (chief conservator of forest of Surat circle) and Shri Gopal Arya ji (senior Pracharak of RSS and Akhil Bhartiya Karyakarinee Sadasya - Paryavaran Vibhag). They delivered the session in a very lucid manner with current examples so everyone in audience can understand the importance of nature, its sources and their utilization.

The event was attended by Respected Trustees, Campus Director, Directors of all colleges, Faculties, Staff and around 350 students.

8. NSS Camp 2020 – 03/03/2020 to 09/03/2020

NSS Unit of Bhagwan Mahavir University, Surat organized N.S.S Special Camp 2020 at Ahawa (DANG) from 03/03/2020 to 09/03/2020. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

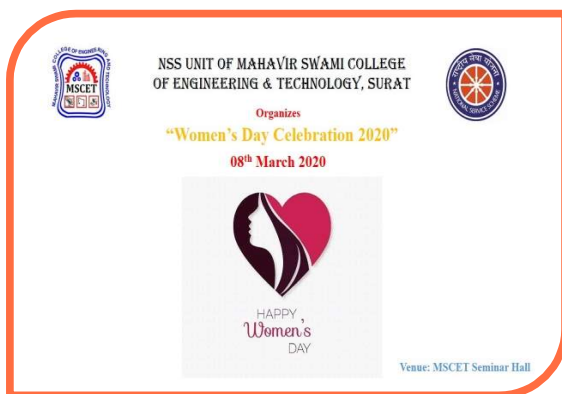

The volunteers participated enthusiastically in the camp under the supervision of Mr. Vijay Kothari (Program Officer), Mr. Nilesh Vasawala (NSS Committee Member) and Mr. Himesh

Gohil (NSS – Committee Member). A week-long plan for the Special Camp was arranged:

N.S.S Volunteers conducted a Rally by making POSTER'S for the awareness among rural people regarding the ill effects of Plastic on the environment. Then they distributed cloth bag to villagers for reducing the use of plastic in their village. They took the initiative to clean the village, distributed water pots to the villagers for the birds. BMU professors gave awareness session on the importance of Education to the students of primary school of Dang village. Around 30 students of village took part in this session. They also visited different types of Vegetation, learnt various new techniques to grow trees, Observed Rain water Harvesting system, Ground Water Recharge technique, etc. At vlast distributed stationery items (Pen, Pencil, Rubber, Sharpner, Scale) to tribal people & encouraged them to send their children to the school to get education and arranged sports acivities for volunteers and vilage peoples.

9. Women's Day Celebration – 08/03/2020

NSS Unit of Bhagwan Mahavir University, Surat has organized a Seminar on “WOMEN’S DAY CELEBRATION” on 08th MARCH 2020 at MSCET seminar Hall. The Seminar was well attended by Trustees, Director, faculty members, NSS Member and around 100 students.

“Women are the real architects of the society.” This was the theme of the International

Women's Day at MSCET. The event was inaugurated by Lighting Lamp with the hands of Mrs. Harshita Jain (Trustee). She was the Guest for the event who with his speech made the day really noteworthy.

Women's Day is dedicated to celebrating women's achievements in the social, economic, cultural, and political spheres. The day, collectively founded by women, also brings attention to gender parity and women's rights.

10. Awareness Campaign on Corona Virus - 22/03/2020

Prime Minister Narendra Modi called for a "Janata curfew" on Sunday, saying all citizens must stay home from 7 am to 9 pm to try and check the spread of the deadly virus. The Prime Minister also cautioned citizens against hoarding and panic-buying, assuring that the supply of essentials like milk, medicines and food would be maintained.

In context to this NSS Unit of Mahavir Swami College of Engineering & Technology, Surat has started an Awareness Campaign on combating the spread of "CORONA VIRUS" on 22nd MARCH 2020. NSS Members & Volunteers actively took part in this campaign & they also made others to take Pledge to not step out of their houses as a part of Janata Curfew.

"On this day, at 5 pm, we stand at our balconies, windows or doors for 5 minutes, we showed our gratitude to those maintaining essential services by ringing bells, sounding sirens, clapping or clanging utensils".

The Prime Minister suggested the one-day exercise would help inculcate a new discipline for social distancing for the next few weeks. He urged people to stay home and leave only, if necessary, in the next few weeks.

11. Food Packet Distribution: A relief work against COVID - 29/03/2020

With the lockdown suspending all forms of work for three weeks, India's poorest from some of the country's most underdeveloped regions now face penury and deprivation. With very little savings and a poor social security net, families in rural India are having fewer meals, borrowing money and braving the threat of police violence in order to go out and work.

In context to the above matter, NSS Unit of Bhagwan Mahavir University, Surat a part of Bhagwan Mahavir Education Foundation organized a Food Packet Distribution Camp to Needy & poor people as a Relief work in different areas of Surat City on 29th MARCH 2020. In this Relief camp we targeted more than 70 slums & distributed more than 300 Food Packets in underprivileged areas.

This Food packet contained all the basic & necessary food items like Rice, Wheat Floor, Oil, Toor Dal, Besan, etc. which was enough for at least 8 to 10 days. This food packet were distributed in Slums of Ambanagar, Althan, Piplod, Hazira, Dumas Road by forming 3 Teams each with a member of 5 person & 100 packets. We hope that every poor & underprivileged person in the country get more such help so that we can together fight against this Pandemic. Around 50 Volunteers took part in this event.

12. Independence Day – 15/08/2020

Independence Day is celebrated throughout India and every corner of the country on 15th August every year. Independence Day is celebrated by every citizen of India irrespective of caste, creed and religion. NSS Unit of Bhagwan Mahavir University, Surat organized a huge celebration on 15th August 2020 on the occasion of Independence Day. A huge number of BMEF staff members and the students participated in the program.

13. Fit India & Plastic Free India – 02/10/2020

NSS unit of Bhagwan Mahavir University, Surat, had organized Plough run (rally) on the occasion of 150th Birth Anniversary in which About 120 students participated and covered area around our campus.

The run (rally) with the theme of the Fit India and Plastic free India and the students recited slogans of the Swachhata & Plastic Pollution with showcasing poster of the same which hand made by them.

With this they make sure that no plastic waste on their path and collected that waste for disposal and make their contribution to make campus and around area Plastic Free. Finally, the event concluded with the Oath for not using single use plastic in presence of our campus Director Dr. Nirmal Sharma Sir & our Principal Dr. Vijay Matawala Sir.

14. Constitution Day Celebration

Constitution Day (Samvidhan Divas/National Law Day) is celebrated on 26 November, every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent assembly of India adapted to the Constitution of India, and it came into effect on 26 January 1950. In India, 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of shri. Dr. B. R. Ambedkarji. This year, staff of BMU gathered in different seminar hall of BMU premises to take oath on this occasion by keeping social distancing and following all other protocols of corona to celebrate this day.

15. International Yoga Day – 21/06/2021

In the modern fast and stressful life, most of the people do not find time for their health maintenance and face lot of health and fitness issues. So, they have been more vulnerable for various life style disorders like hypertension, diabetes, bone problems etc. Their average life span is also reduced by higher extent as compared to earlier. To get void of such of problems, people should have to look after their health and fitness. And for that regular food, restricted diet and Yoga are the key points. Yoga is the best remedy, as it is cost free and time saving remedy.

Yoga is a group of physical, mental, and spiritual practices or disciplines which originated

in ancient India. This tradition is 5000 years old. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being.

4.5 Youth Festival- SPANDAN-2020

Every year BMU celebrates youth festival “Spandan-connecting heartbeats of BMU” during the month of Jan/FEB in the form of Sports, In-house event and Cultural programs.

In the first part of event, Bhagwan Mahavir University organized “Mirchi Neon Run 20” with Radio Mirchi 98.3FM, Surat on 23rd February, 2020. All Faculties and students of BMU and citizen of SURAT participated in this event and successfully completed their 5kms run. After the completion the biggest DJ party was also organized and all had fun together.

In second part of Spandan, BMU organised **Annual Sports Meet** where all students showcase their sporting talents, witnessed by parents, guardians and guests during 14 days of competition. Students go through intense and rigorous training and practise for couple of months to put together a spectacular and colourful display of drills, March past and some cultural programs. Various sports event both indoor & outdoor like running race, relay race, high jump, long jump, short put, kho-kho, cricket, tennis, table tennis etc. were organised. The day was filled with a variety of fun filled sports activities all aimed at raising sports awareness among the students. The event was concluded by award ceremony and announcement of champion of team.

In third part of Spandan, BMU organised one week ***In House Event*** where all students get opportunity to show inner talent related to interested area like best out of waste, drawing, rangoli, paper presentation, quiz, photography, fireless cooking, mehndi competiion and documentary making etc.

In fourth part of Spandan, BMU organised a three-day ***Annual Cultural Program*** where all students perform on 3 Days annual cultural program, which gives an opportunity to students to present their talents in music, dance, fashion show, singing and drama. The energised and motivated students showcase colour filled and theme-oriented performance.

BMU celebrated Spandan-2020 from 23rd FEB, 2020 to 27th FEB, 2020 at BMU Sports Ground. It was presided by the Guest of Honour and Chief Guest. Among other dignitaries present were Shri. Jagdish Jain (Chairman, BMEF), Dr. Sanjay Jain (President, BMU), Shri. Anil Jain (Secretary, BMEF), Mrs. Leena Jain (Trustee, BMU), Dr. Harshita Jain (Trustee, BMU), Dr. Nirmal Sharma (Provost, BMU), all Directors and Principals of all affiliated colleges.

The programme commenced with the BMU anthem with feeling of inspiration and togetherness. Then programme was started with Ganesh Vandana. Our student anchors and faculties of BMU extended a warm welcome to the gathering. After some performance, the Chief Guest, Guests of honour and other dignitaries on dice were felicitated by Management.

After blessing from our guests, all departments' ranker students in academic were awarded.

The best student awarded to all department's student according to their overall performances in the curricular, co-curricular, achievements. The formal function of annual day ended by vote of thanks given by Dr. Nirmal Sharma sir, PROVOST of BMU. The performances opened with a group dance. Various events in the field of drama, fashion show, talent show, dance, and singing were performed by students.

LIST OF GUEST AND NO OF PERFORMANCE OF THREE DAYS IN SPANDAN -2020

Spandan Day 1: There were 30 Performances of Dance, Fashion show, Magic Show, Music shows from various colleges of BhagwanMahavir University.

Chief Guest:

Dr. Jagdish Patel (Mayor, Surat)

Shri. Piyush Shivshaktiwala (Corporator, Surat)

Spandan Day 2: There were 30 Performances of Dance, Fashion show, Magic Show, Music shows from various colleges of Bhagwan Mahavir University. Felicitation of Toppers of each College and faculty achievers.

Chief Guest:

Shri. Jagdish Dhankar (Hon'ble Governor shri of West Bengal)

Shri. Pravesh Khanna (Advocate, Supreme Court of India)

Spandan Day 3: There were 30 Performances of Dance, Fashion show, Magic Show, Music shows from various colleges of Bhagwan Mahavir University. Price Distribution to winners and Ramp walk by team BMU.

Chief Guest:

Shri. Arjun Ram Meghwal (Hon'ble Union Minister of state in Ministry of water resource and Parliamentary affair)

Shri. Dharshana Jardosh (Member of Parliament)

Finally, results of Youth Festival were announced by our invitee Jury- Mr. Jagdish Purohit, Mrs. Jigna Desai and their team. All winners awarded and by trustees and all directors according to their overall performance in their talent. Success of this event couldn't possible without commendable effort and meticulous planning of students with cultural committee of BMU.

4.6 AAYAM 2020

AAYAM is annual national technical event which comprises of different technical events, workshops and many other attractions. AAYAM-2020—a national level tech-fest was organized by BMU. The journey of AAYAM began since 2013. AAYAM-2020 was 6th successive tech-fest at BMU. The tech-fest was organized by five engineering institute of Bhagwan Mahavir University

Some Glimpses of The Events....

4.7 WOMEN DEVELOPMENT CELL

The Women Development Cell (WDC) is established in the University by the then honourable provost of the University. The establishment of the WDC is indeed a landmark achievement of the university in pursuance of the policies of women empowerment within the university campus. The University has set up the WDC to address concerns of gender discrimination and recommend measures and policies for gender parity at the University. The University has set up the Campus Internal Committee to address complaints of women Harassment. Further, the University has directed all its colleges/institutions to set up College Internal Committees also. The University is preparing a comprehensive Ordinance for Gender Discrimination and Sexual Harassment.

The Cell has both the faculty and students of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality in the society through College students.

Members of women development cell 2020-2021

Name	Designation	Position
Dr. Cheta Desai	I/C Principal, Bhagwan Mahavir College of Commerce and Management Studies	Chairperson
Dr. Naynaben Chauhan	I/C Principal, Bhagwan Mahavir College of Education	Member
Dr. Sumita Dasgupta	I/C Principal, Bhagwan Mahavir College of Basic & Applied Sciences	Member
Dr. Zarna Dedania	Professor, Bhagwan Mahavir College of Pharmacy	Member
Ms. Pooja Desai	Asst. Prof. Bhagwan Mahavir College of Engineering And Technology	Member
Ms. Harshini Vakharia	Lecturer, Bhagwan Mahavir Polytechnic	Member
Ms. Dimple Parmar	Asst. Prof. Bhagwan Mahavir College of Management	Member
Mrs. Maniti Desai	Asst.Prof. Bhagwan Mahavir College of Basic & Applied Sciences	Member
Ms. Rima Patel	Lecturer Mahavir Swami Polytechnic	Member
Ms. Vanita Kapadiya	Asst.Prof. Bhagwan Arihant Institute of Technology	Member
Ms. Jigisha Acharya	Asst.Prof. Bhagwan Mahavir college of Computer Application	Member

Objectives:

- Helping female students live a balanced life where they neither lurk into depression nor take the abode of aggression.
- To stress upon the development of women in every sphere.
- To organize events and activities for women empowerment.
- To create an environment that will help women realize their full potential and give their best.

Women development activities organised by Institute 2020-2021

Sr no.	Institute/ Department	Theme of activity	Date of activity	Number of participants	Coordinator
1	Bhagwan Mahavir University	Women's day Celebration	8 /03/ 2021	All Female staff & 196 students	Dr.Cheta Desai
3	Mahavir Swami Polytechnic	A Talk on Girls: Personal Hygiene	21/02/ 2021	16	Ms. Rima Patel & All Female Faculties
4	Pharmacy & Engineers colleges	Smart Girls Workshop	1/07/21 to 6/07 2021	54	Ms. Rima Patel
6	BMCBAS	Celebration of women hood	13/02/ 2020	130	Dr. Sumita Dasgupta & all female faculties
7	BMBCA	Women Empowerment	17/01/ 2020	125	Dr. Nirali Dave & all female faculties
8	BMCCMS	Women empowerment	8/03/2021	110	Mrs. Ankita Agarwal
9	BMCCMS	5 days online workshop for adolescent girls	1/06/2021 to 5/06/2021	30	Mrs. Ankita Agarwal
10	Shikshan Bharti college of education	women's day	07/03/2020	176	Dr. Nayana B. Chauhan

4.8 ADDITIONAL COMMITTEES AND CELLS FOR STUDENT SUPPORT AND SERVICE

- Examination Committee
- Library Development Committee
- Grievance Redressal Cell
- Disciplinary Committee
- Anti-Ragging Committee
- Hostel Administration Committee
- SC/ST Cell
- Sports Committee
- Equivalence Committee
- Alumni Committee
- Doctoral Progress Committee
- Doctoral Research Committee

CHAPTER V

INNOVATIVE PRACTICES

5.1 TECHNOLOGICAL INNOVATION

- **I-MCQ: Online Examination Web app: “I-MCQ”** is online examination system which consists of the admin, faculty, coordinator, principal and students. In this the faculties will generate the papers from the questions added by them. The students will login and select the subject of which they need to give exam after the faculty will give the password of the exam to the students. The admin will allocate subjects to the faculties for adding questions and generating papers. It is proctor-based System, so no one can cheat during online exam. During Covid-19 pandemic, it was very helpful to Students for taking final year exam online.
- **OES: Online Enrollment Application: “OES”** is desktop-based Application, which is useful to online admission procedure. Administration task efforts are reduced using system. Thousands of students can be managed easily. Quota based system help to generate merit list, institute wise. Easy to use, any non-technical person can operate this system. Students Enrollment generates automatically Course wise in individual Institute.
- **Implementation of ERP System:** We have Implemented ERP System on initial basis in Admission, Academic and Examination Department to transform with power of technology and reduce manual effort. Further we have planning to implement in Purchase, HR and Account department. ERP have both Application and Web view. It will beneficiary for Students as well as Faculty members. Students can view their Academic Performance, View Assignments, and Announcement on a single click.

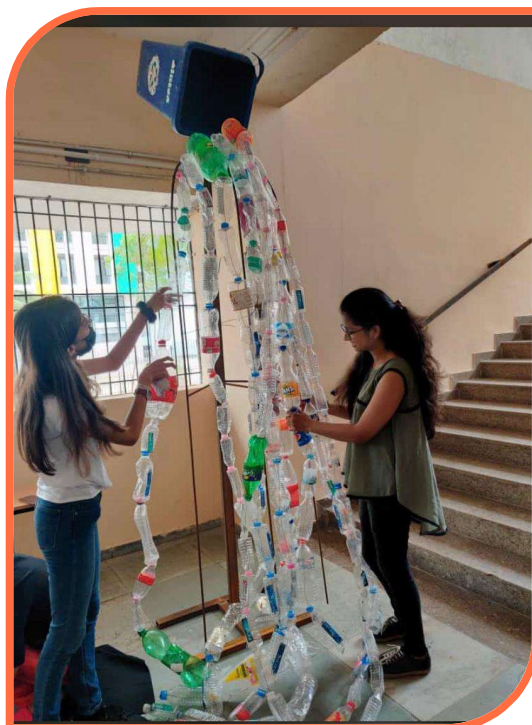

5.2 DEVELOPMENTAL INNOVATION

- **Soft skill training:** AS per the industry requirement, soft skill is equally important for any graduate. BMU has signed MoU with VIVDISTA-USA. It will conduct soft skill training and personality development training for the students of BMU.
- **Technical Skill:** To generate graduate ready to be absorbed by industry, additional skills are extremely important. BMU has signed MoU with various training institute to conduct technical training for the students. In this mission, Pandav Survey of Mapping, Dominat Infotech, Sofcon and others are participating with BMU.

- **Environment Audit lab:** BMU has planned to start Environmental Engineering Department next year. To generate technically skilled environment engineers, BMU has already developed Environment Audit Laboratory with all the advanced equipments. Students of the department will take full fledged training along with Environment Audit laboratory team. At the end of curriculum, technically skilled engineers can be handed over to the industries.

Community Engagement: Along with the contribution from education point of view, BMU is committed to contribute for society also.

- **Blood Donation Camp:** BMU organizes blood donation camp every year in collaboration with Raktadan Kendra-Surat and NGO named Social Group Surat Chowpati. Students and faculty members participated with full enthusiasm. The team work and quality of leadership shown by the students was appreciable. About 256 units blood collected in the camp.
- **Centre of Acupressure:** BMU started Acupressure training and treatment centre within the campus in collaboration with Acupressure Shodh Prashikshan Evam Upchar Sansthan (ASPEUS). It will design, develop and provide required course materials and practical training to the students. The course has got good response from Nursing, Pharmacy and Science students.
- **Vaccination Camp:** BMU organized free vaccination centre for COVID-19 for staff and students. Majority staff of BMU took the advantage of the same by taking first and second dose of COVID-19 vaccine.
- **Green Environment Club:** To keep the campus green and eco-friendly, BMU has established Green Environment Club. The club regularly organizes tree plantation events on various occasions. The club has started mission to make BMU campus plastic free. For that student are collecting plastic bottles and other plastic waste and convert it in to eco-bricks and other useful things.

5.2.1 One Week for Nation with Green Energy & Environmental Technology

A "*One Week for Nation*" is one of the most successful initiatives among the programs organized by Bhagwan Mahavir Education Foundation (BMEF) since 2016. Due to pandemic situation, in the fifth year of One Week for Nation program, all staff members of BMU and students participated virtually with full enthusiasm.

BMU organized "*One Week for Nation*" activity every year to contribute in nation building through social activities and awareness programs. The main purpose of this program is to dedicate a week for a nation by through social activities and make a possible contribution to serve the nation and as well as to develop a strong feeling of the same among the students and staff members. Under this programme, various activities like Blood donation camp, tree plantation, traffic awareness activity, women and child empowerment activity, save water awareness, say no to drugs and tobacco activity, Swachh Bharat and health and hygiene awareness activity, donate to needy and many other activities are done to fulfil the commitment towards social responsibility since 2016.

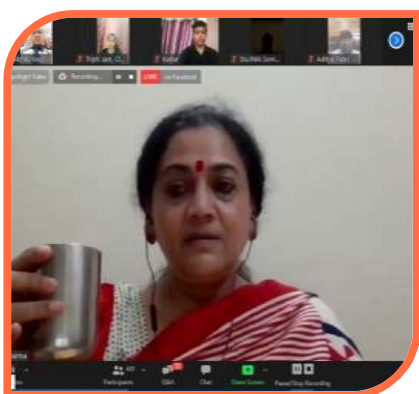

This year BMU organized "*Green Energy & Environmental Technology*" week also in parallel to promote the research and developmental activities in said domain. In academic year 2020-21, due to pandemic situation, BMU organised both activities virtually from 17th August, 2020 to 21st August, 2020. The activities performed are listed below.

Sr. No.	Date	Event	Theme
1	17/08/2020	Mental & Physical Wellness	Must needed in pandemic situation for citizens
2	17/08/2020	Oral Presentation Competition	Innovation in Environmental Sustainable development. Innovation in Waste Management. Innovative and Eco-friendly Business ideas
3	18/08/2020	How to quarantine at home?	Very important topic as many people needs correct information
4	18/08/2020	Slogan Making Competition	Environmental Protection, Salute to corona warriors, Fight against COVID-19, Salute to Soldiers
5	19/08/2020	Nasa Mukti Abhiyan	Students pledges the society for oath
6	19/08/2020	Video Making Competition	Green Environment, Water Conservation, Salute to corona warriors, Fight against COVID-19, Salute to Soldiers
7	20/08/2020	E-Conference	Green energy Environmental Science and Technology Carbon capture and storage Resource management
8	21/08/2020	Salute to Corona Warriors	Tribute to all types of warriors during Covid 19
9	21/08/2020	E-poster Competition	JAL (Water) Jamin (Land) Jungle (Forest) Jan (Human) Janwar (Animals)

Mental and Physical wellness

Date: 17/8/2020

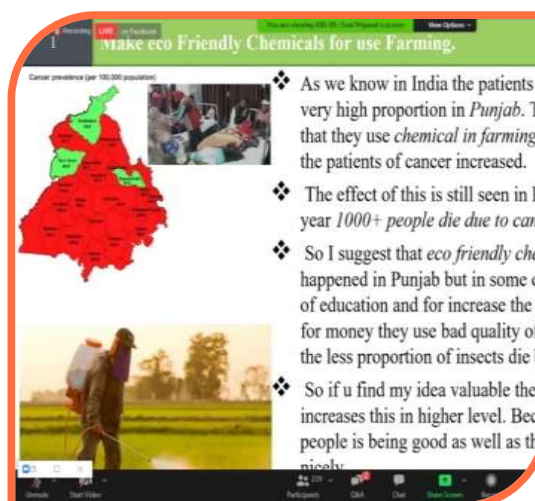

As a part of one week for nation, BMU has jointly organized webinar on “mental and physical wellness” with social group of Chowpaty. In pandemic situation physical and mental health is much important and how to increase with some practical demonstration is the key part of this webinar. The speakers of the webinar are Dr. Shiv Narain Kalia (Vice president, Tristar Group of hospitals) and Prof. (Dr.) Chavi Bhargava Sharma (executive Director & Dean –Faculty of behavioural & Social Sciences and Liberal Arts). The webinar was started at 12 pm through zoom meeting and Facebook live on BMU Facebook Page.

Green Energy and Environmental Technology (Environmental Protection)

Date: 18/8/20

BMU has organized this webinar on 18th August, 2020 at 3 pm through zoom meeting. The chief guest of the program was Shri. Rajkumar Singh (Hon'ble Union Minister, Power, New & Renewable Energy (IC), Govt. of India). After welcome address by Honb. Provost Dr. Niramal Shrama, Shri. Rajkumar Singhji has shared his knowledge and views on the very demanding topic. All the students and faculties have attended this webinar.

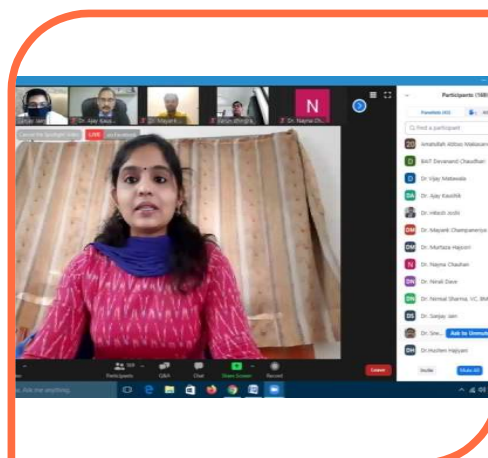

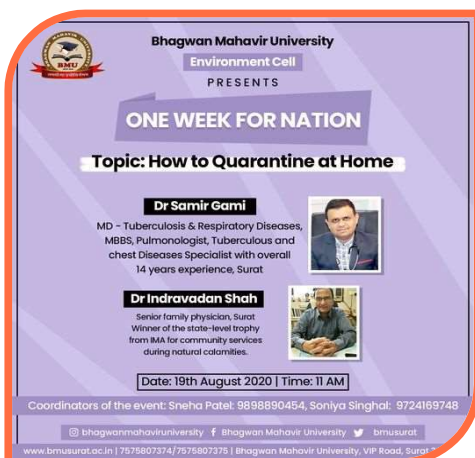

How to Quarantine at Home

Date: 19/8/20

On third day of one week for nation, we were fortunate enough to have Dr, Sameer Gami and Dr Indravadan Shah with us on the virtual discussion with informative presentation with us on the very essential topic “How to Quarantine at Home”.

After welcoming of our guest speaker Dr. Sameer Gami has explained very nicely about how corona spreads, what precautions one should takes, during corona infection what to do and what to not etc.

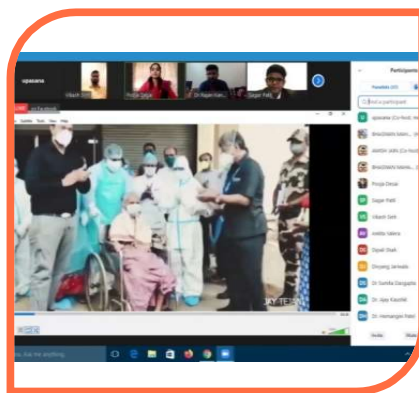

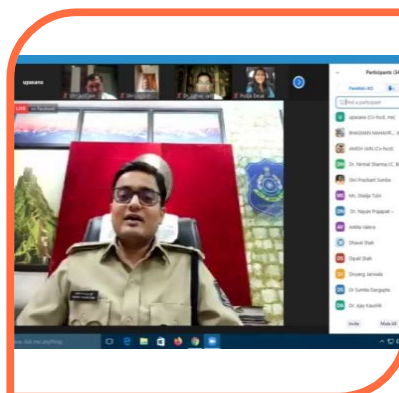

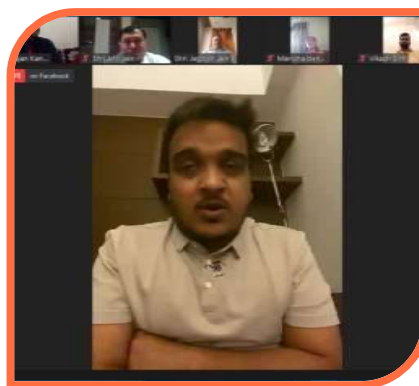

It was indeed an informative session.

Salute to Corona Warriors

Date: 21/8/2020

Bhagwan Mahavir University has organized one webinar to salute to all the Corona Warriors with MLA Shri Harsh Sanghavi as the Chief Guest. Under "One Week for Nation". BMU organized an event with reputed medical professionals as the guest of honour to salute the Corona Warriors. In this webinar Prashant Sumbe (IPS, DCP, Surat city, Dr. Rajan V. Katharia (new civil hospital), Dr. Jinal Vansia (New Civil Hospital), Dr. Yuvrajsinh Chauhan (Metas Pain Clinic) , Dr. Milan Modi (Surat) were present and they have shared their experience in the corona pandemic situation with us.

CHAPTER - VI

FUTURE PLAN

Future Plans of Expansion

The Bhagwan Mahavir University has an optimistic expansion plan for coming years; the aim is to add on few more branches in the existing faculties

Faculty of Engineering & Technology

- **Branches to be added at Degree Level**

- a. Environmental Engineering
- b. Information Technology
- c. Pharmaceutical Engineering

- **Branches to be added at Diploma Level**

- a. Aeronautical Engineering
- b. Chemical Engineering
- c. Architecture Assistantship
- d. Robotics & Automation

As per the survey of software industries, it needs numbers of software engineers in current era and in future. So BMU is going to start IT in engineering faculty with intake of 60 students. As BMU is committed to eco-friendly society and pollution free, BMU is going to commence Environ Engineering Department. In parallel, Environment Audit and Research lab also is proposed. Students of Environmental Engineering will get in hand training in the lab and will generate engineers ready to be absorbed by the industries.

For students who have a strong desire to learn more about science and medical research and those who choose to work in the pharmaceutical industry BMU is going to start Pharmaceutical Engineering branch. The course will provide opportunity in the pharma industries as Drug Analyst and Pharmacologist in the pharmaceutical industry and colleges. As the south Gujarat region is rapidly growing in chemical sector, to fulfil the huge demand of Chemical engineering, BMU will start diploma in Chemical Engineering.

As the Surat city has ranked in top ten at India level, there is a huge requirement of Architect to develop infrastructure, BMU has proposed the course on Architecture Assistance ship. Rapidly growing manufacturing industries in Gujarat needs Automation engineers, BMU has proposed Robotics and Automation branch at diploma level.

Faculty of Computer Application. (New courses proposed)

- a. B.Sc. Cyber Security
- b. B.Sc. Data Science
- c. M.Sc. Informatics

The advanced executive program in Cyber Security will help our students to develop expertise in defensive cyber security, application security, malware analysis, ethical hacking, and much more. In partnership with software industries, this program will provide a deep understanding needed to spot the opportunities for disruption in the cyber security industry.

In 2015, 3.26 billion people were actively using the Internet. In January 2021, it was around 4.66 billion. Every minute, around 500 hours of video content is being uploaded by the users on video streaming platforms. One million dollars is spent on online shopping and around 69,444 jobs are being applied by the users in job portals, every minute. Each post, like, share, comment, and swipe is extremely important for the business to grow. That's why Data Science is important. Therefore Data Science is blooming fields and their applications are numerous. The opportunities in this field have grown exponentially in recent years.

Due to constantly producing technological innovations, MSc in Informatics can expand both career and educational opportunities as systems analysts, software engineers, project managers and application developers.

Faculty of Science (New courses proposed)

M.Sc. Medical Laboratory Technology

Environmental agencies, Hospitals and clinics, Water companies, pharmaceutical companies, Chemical companies and Food and drink companies have created huge demand of laboratory technician. To fulfil this demand, BMU has proposed the course of Laboratory technician in Science Faculty.

Faculty of Commerce & Management (New courses proposed)

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years. It has created huge demand of man power in the domain of Finance, Administration, Accounts, Economics, Industrial Policy, marketing, human resource and more. BMU is going to commence following new courses to fulfil the demand.

- a. B. Com. Professional
- b. BBA Professional
