संस्था गीत

जय जय भारती
जय जय भारती
मा भारती की आरती
तमसो मा ज्योतिर्गमय है
अमृतमय अभीयान
असतो मा सद्गमय है
उच्च उचित संधान
मृत्योर्मा अमृतं गमय
अलोकित सोपान
गंगा यमुना से बहते हैं, यहां ज्ञान विज्ञान
संस्कारों की सरस्वती जहां, उमड़े सुबह शाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
पावन वातावरण यहां का, परिसर है पावन पावन
सुरचित पूर्ण है हर एक सुविधा, कुशल प्रबंध प्रशासन
कण कण में है ज्ञान की खुशबू, पग पग पर अनुशासन
प्रतिभाव को मिले यहां पर, सम बल और प्रोत्साहन
सब जन हिताय, सब जन सुखाय, है जिसका पैगाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
सुप्त शक्तियां जाग उठे यहां, आत्म विकास के अवसर पर
ज्ञान प्राप्त हो ऐसा यहां जो, काम आये हमें जीवनभर
पुररूपार्थ यहां, पवन में घुले मिले हैं
सात्य सात्य पर राष्ट्रभक्ति के, यहां फूल खिलते हैं
शिक्षा का यह, तीर्थ बना है, सुरत में अभीराम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती

Message from the Chairman

Welcome to BHAGWAN MAHAVIR EDUCATION FOUNDATION. It is my privilege to introduce you to BMEF-The fastest growing Educational Organization of Gujarat. By building people, we build society. By building leaders, we build the nation's technology and economy. Education is, in effect, a nation's service. At BMEF, we believe only a well-disciplined, value-added students to become the high profiled professionals who can achieve the avowed objective of our former president Honourable Abdul Kalam to make our country "Super Power". Our institutions vision rests on worldly realities and bears a peaceful and harmonial atmosphere that enables you to experience wisdom and knowledge you achieve in a jubilant way. As you pursue your studies, please do recall that a college education is not entirely academic. It extends beyond the classrooms, Laboratories and workshops to seminars, meetings, cultural, social activities and athletic events. I firmly believe that you will become involved in BMEF campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling. I am pleased to acknowledge your interest in BMEF Group of Institutions. At BMEF foster the growth of innovative professionals, scientists and engineers who firmly hold the trust and confidence of the community at large. I want BMEF Group to be the dream of every soul that wants to experience true enlightenment & exposure excellence.

Shri Jagdish Jain

Chairman

Bhagwan Mahavir Education Foundation

Message from the Founder and Managing Trustee

We at Bhagwan Mahavir Education Foundation ensure that students acquire knowledge and hone their skills to shine bright in the world by their significant contribution to industry and academia. Apart from regular classroom teaching we emphasize on project work, research activities, real-life case studies and industrial hands-on training. Our foundation also works towards the continual improvement of our service quality through training and development. I am sure that BMEF will have a pivotal role in the development of shining India.

Shri Anil Jain

Founder & Managing Trustee

Bhagwan Mahavir Education Foundation

Message from the President

It is rightly said by Dr. A.P.J. Abdul Kalam that ‘You have to dream, before your dreams can come true’. Bhagwan Mahavir Education Foundation (BMEF) strives hard to become the platform for these dreamers. Bhagwan Mahavir Education Foundation is emerging as a leader in providing quality higher education, especially in Gujarat and Haryana region. We at BMEF constantly explore the best possible ways of providing world class education and amenities to the students. We also believe in imbibing modern technical skills as well as traditional Bhartiya values in the students. I welcome students to BMEF for holistic academic and personal growth.

Dr. Sanjay Jain
President
Bhagwan Mahavir University

Message from the Provost

To survive and thrive in today's cut-throat business world, it is mandatory to implement quality education programs & bring innovative changes in the higher & technical education system with the sole aim of delivering a qualitative edge in productivity, profitability and efficiency, the base of which is qualitative technical & management educational system. As the information transfer technology, worldwide, has been undergoing transformation, pressure is sometimes applied on universities & educational establishment to become more 'business like' in their way of doing things. Within the changing paradigm of what constitutes an educational establishments & universities, the position and role of the academic staff have also come under pressure. This paradigm shift has impacted on Higher education institutions in which there is an increased emphasis on productivity, quality and accountability. One of the consequences of increased 'Managerialism' and 'Corporatization' in higher & management education institutions is an attempt to develop quality management and appraisal systems along with the basic course of action.

To a remarkable degree BMEF is in the growth path of imparting high-quality education with the understanding that quality failures in higher education, in professional & general life can and do result in serious human inconvenience, economic waste and sometimes loss of life because of the poor technical & managerial educational background. The implementation of the skill-based training system in BMEF has brought significant change in the employability & preparedness of entrepreneurship.

Dr. Nirmal Sharma
Provost
Bhagwan Mahavir University

CHAPTER – I

CURRICULAR ASPECTS

Bhagwan Mahavir University believes that Curriculum is the essential ingredient of any education system regardless of the education level. All other aspects whether teaching, learning and evaluation or research and development, infrastructure and learning resources, student activities and support system revolve around it. Therefore, curricular aspects and the best practices connected to curriculum design and development play a very significant dimension of the quality of higher education since the curriculum has a decisive role in steering the other elements of quality

Bhagwan Mahavir University is having a very strong research focus and industry aligned curriculum. Time to time inputs are taken from all stake holders including the Advisory Committee members from industry and academia through a number of workshops and necessary modification are made into the course curriculum. University prepares course curriculum through a number of national and international levels of workshops, seminars, conferences and brain storming sessions by experts from academia, industry and research organizations. The Syllabi of the courses is finalized on the recommendation of Faculty Board of Studies and approved by the Academic Council.

Under-graduate Programmes

The undergraduate curriculum of all department consists of core courses and professional courses. Some courses in arts and social sciences are also added for the students to develop appreciation of the impact of science and technology on society. The core subjects' courses lay emphasis on concepts and principles. They involve teaching of subjects in Basic Sciences, Arts, Social Sciences, Engineering Science, Nursing, Pharmacy, Education and Management as per the concerned department. Communication skills and Life skills are also taught in order to develop communication skills in English language so that the instruction becomes fully comprehensible to all students, and also to maintain parity of linguistic standard among the students. There is an in-built flexibility to encourage students to specialize in streams of their choice through a system of professional and free electives. The University provides an academic environment to foster multifarious personality skills to students lest they should lag behind in any of such qualities which a student might face in the race of his perceived priorities in face of his life-choices.

The University is shifting its strategy from a focus on the content-based information to the learning-outcomes approach as a consequence of which it now relies more on the self-directed learning, Project-based work-schedule in various modules, research-oriented teaching with emphasis on the imperative of completing assignments. Research-led teaching has been evolved in terms of course

content. All academic staff are encouraged to develop modules associated with their research area and bring in cutting edge research ideas from their own research and of other eminent researchers. This is being achieved by involving the students in research activities which in many cases may mean re-exploring research findings which are already known. Students are encouraged to go for research. They are trained for research-based problem solving.

BMU's vision about education and the students is that the basic course of under-graduation should be able to provide a student various choice to make a vision and objective of his/her life from. It is that matrix that must contain all such possibilities which ought to be attainable; and that necessarily means empowerment.

Post-graduate Programmes

The University offers a number of Postgraduate programs in various disciplines fully in line with the general structure provided by the UGC. It has consistently maintained the basic structure and philosophy of the post-graduate education in all department.

All these programmes have their course work classified into two major categories: Core Courses and Elective Courses as BMU have implemented Choice Based Credit System. Core courses of all programme are compulsory for all the students registered in that programme. These courses are designed for imparting knowledge of the relevant basic analytical tools & techniques necessary to build-up necessary skills. Elective courses are of professional nature. To be eligible for a degree, a student must complete required number of core and elective courses, although for the sake of flexibility, a wide choice of elective subjects. That helps them make their training broad- based.

Regular seminars, presentations, colloquiums and discussion group activities and compulsory involvement of students in them help them to stand in competition with each other to excel and also to be diligent about their respective subjects. They are mostly followed by problem solving exercises of various natures. Presentations are preserved and are considered means of earning scores in the final evaluation of students.

Doctoral degree Programme

Since the students are encouraged consistently to choose research as a potent dimension of practical aspects, all such students as opt for research are encouraged also to admit in the doctoral programme in all the discipline of the of the university. The provisions in the rules and regulations governing the programme, aim at ensuring high quality of research leading to Ph.D. degree. Admissions in

Ph.D. programme are made in accordance with the provisions to the regulations of the University Grants Commission. The Ph.D. program is in full time and part time mode.

After designing of curriculum, implementation of the same is the next mission of BMU. Academic Council prepares the academic calendar for the constituent colleges of BMU. The academic calendar specifies suitable available dates for significant academic and other activities. The faculty members are briefed on the academic activities of the college on the first meeting of the commencement of every academic year. Meetings are held in each department to discuss about the course distribution for the academic sessions every year. Based on the expertise of individual teacher, the syllabus is allotted to them by the Head of the Department.

Every department prepares teaching plan, allotting term-wise topics to be taught. Syllabus of each subject for the academic session is provided to the students. Faculty members prepare semester-wise teaching plan for theory and practical at the beginning of every academic year/semester. Time table committee of the college prepares a general time-table and HOD of concerned departments prepare departmental timetable. Teachers conduct classes according to the timetable.

Departmental meetings are held periodically to review the syllabus completed. For the effective transmission and delivery of curricula, departments integrate classroom teaching with various ICT tools, laboratory practicals, field projects, student's seminars, tutorials, question papers solving, research projects, field survey, etc. For the effective curriculum delivery teachers also use participative, problem solving, cooperative and student-centric learning methods. Classroom teaching is supplemented with seminars, workshops, special lectures, group discussions, Tutorials, Use of monitors, Departmental Quiz, paper presentation by the students, projects, group assignments, term-papers, educational tours, field trips and industrial visits for effective delivery of curriculum, which are done in a planned manner.

For the up-gradation of subject-related knowledge, college organizes seminars, conferences, and workshops. This activity provides a platform to the faculty and the students to participate and interact with experts in various fields and enrich and update their subject knowledge. Faculties effectively and creatively use PPTs, models, charts, and various educational software for delivering the subject knowledge. The college organizes guest lectures, expert lectures of eminent academicians, for the effective curriculum delivery. College also provides special guidance to the slow learners under the Special Guidance Scheme of remedial classes. Besides this, the college has a mentoring system for academic-related issues. College library is digitalised. Library provides DELNET, e-journals, Book Bank facility etc. College library is very enriched having a good collection of books. Some departments also have a departmental library. Reading facility is also

available for teachers and students to facilitate the teaching learning process. College provides internet connectivity with campus Wi-Fi facility to the teachers for effective teaching-learning.

All Internal Examinations and Class tests are conducted to check whether the students have acquired knowledge as outlined in the objectives of the curriculum. All examinations are conducted according to the Academic Calendar. Tutorials are held regularly to monitor the progress of the students. Remedial/ Special/classes/Deprived are conducted for low achievers. Advance learners are made to solve University Question papers and efforts are made by professors to improve their performance. Record of the regular attendance, mark lists and progress of the students are maintained and preserved by the respective departments.

The college encourages faculty members to attend Orientation/Refresher courses, workshops and present papers in seminars conducted by the other Universities for acquiring necessary skills for effective delivery of the curriculum. At the end of every academic year, feedback from teachers, students, non-teaching staff and guardian is collected by feedback committee, it is then analysed and analysis report is communicated to the administration of the students.

The university has built in mechanisms to ensure syllabus completion and conduct of university examination within the time frame and accordingly the various measures are taken. Remedial classes are also conducted. The Academic Council ensures the strict implementation of the Academic Calendar by monitoring activities. Implementing gaps are reviewed periodically. The status of checkpoints and gaps identified in monitoring are conveyed to the Principal for the necessary implementation.

The schedule of external examinations is fixed by the University and the same is displayed on notice boards for students while Internal examination of each course is done according to the pattern prescribed by the university, which includes Practical, Group discussions, Seminar, Presentations, and Projects etc. As per the academic calendar, internal evaluation is conducted on the dates scheduled by the College Administration.

1.1 ACADEMIC PROGRAMMES OFFERED AT BMU

Sr. No	Programmes	Year of Introduction	Intake (Seats)
Diploma			
1	Diploma in Engineering (Automobile)	2020-21	180
2	Diploma in Engineering (Civil)	2020-21	300
3	Diploma in Engineering (Computer)	2020-21	480
4	Diploma in Engineering (Electrical)	2020-21	180
5	Diploma in Engineering (Mechanical)	2020-21	360
6	Diploma in Engineering (IT)	2020-21	120
7	Diploma in Engineering (E & C)	2020-21	120
8	Diploma in Pharmacy D. Pharm.	2020-21	60
9	Diploma in General Nursing and Midwifery (GNM)	2020-21	40

12	Master of Commerce (M.Com. English)	2020-21	30
13	Master of Commerce (M.Com. Gujarati)	2020-21	30
14	Master of Technology (Aeronautical)	2020-21	18
15	Master of Technology (Chemical)	2020-21	18

16	Master of Technology (Computer)	2020-21	36
17	Master of Technology (Nano-Technology)	2020-21	18
18	Master of Technology (Robotics & Automation)	2020-21	18
19	Master of Technology (M. Tech. Water Resources Engg)	2020-21	18
20	Master of Technology (M. Tech. Construction Project Mgt.)	2020-21	18
21	Master of Technology (M. Tech. Structure Engg.)	2020-21	18
22	Master of Technology (M. Tech. Town Planning)	2020-21	18
23	Master of Technology (M. Tech. Transportation Engg.)	2020-21	18
24	Master of Technology (M. Tech. Automobile Engineering	2020-21	18
25	Master of Technology (M. Tech. Electronics Engineering	2020-21	18
26	Master of Technology (M. Tech. E & C)	2020-21	18
27	Master of Technology (M. Tech. Artificial Intelligence	2020-21	18
28	Master of Technology (M. Tech. Internet of Things	2020-21	18
29	Master of Technology (M. Tech. Quantum Computing	2020-21	18
30	Master of Technology (M. Tech. Cyber Security	2020-21	18
31	Master of Technology (M. Tech. Data Science & Engg.	2020-21	18
32	Master of Technology (M. Tech. Mechanical Engineering	2020-21	18
33	Master of Technology (M. Tech. CAD-CAM)	2020-21	18
34	Master of Technology (M. Tech Printing & Packaging Tech)	2020-21	18
35	Master of Arts (M.A. Economics)	2020-21	30
36	Master of Arts (M.A. History)	2020-21	30
37	Master of Arts (M.A. Political Science.)	2020-21	30
38	Master of Arts (M.A. Public Administration)	2020-21	30
39	Master of Arts (M.A. English)	2020-21	30
40	Master of Arts (M.A. Psychology)	2020-21	30
41	Master of Arts (M.A. Sociology)	2020-21	30
42	Master of Arts (M.A. Journalism)	2020-21	30
43	Master of Arts (M.A. Hindi)	2020-21	30
44	Master of Arts (M.A. Gujarati)	2020-21	30
45	Master of Arts (M.A. Sanskrit)	2020-21	30
46	Master of Arts (M.A. Prakrit & Jain Studies)	2020-21	30
47	Master of Labor Welfare (M.L.W.)	2020-21	30

48	Master of Social Work (M.S.W.)	2020-21	30
49	Master of Science (M.Sc. Microbiology)	2020-21	90
50	Master of Science (M.Sc. Biotechnology)	2020-21	30
51	Master of Science (M.Sc. Environmental Chemistry)	2020-21	30
52	Master of Science (M.Sc. Aquatic Biology)	2020-21	30
53	Master of Science (M.Sc. Botany)	2020-21	30
54	Master of Science (M.Sc. Zoology)	2020-21	30
55	Master of Science (M.Sc. Environmental Science)	2020-21	30
56	Master of Science (M.Sc. Physics)	2020-21	30
57	Master of Science (M.Sc. Mathematics)	2020-21	30
58	Master of Science (M.Sc. Applied Statistics)	2020-21	30
59	Masters in Planning (M. Plan.)	2020-21	30
60	Master of Education (M.Ed.)	2020-21	50
61	Master of Physical Education (M.P. Ed.)	2020-21	50
62	Master of Science in Informatics (M.Sc. Informatics)	2021-22	30
Integrated			
1	Master of Science M.Sc. IT (Integrated)	2019-20	180
2	Master of Business Administration (iMBA)	2020-21	60
3	Master of Computer Application (iMCA)	2020-21	60
4	Integrated Bachelor of Science (iMLT)	2020-21	240
PG Diploma			
1	Post Graduate Diploma (PGDMLT)	2019-20	120
2	Post Graduate Diploma (Data Science)	2019-20	30
3	Post Graduate Diploma (PGDCA-General)	2019-20	30

Courses for Skill Development:

Bhagwan Mahavir University Surat will start Centre of Skill Development with the Vision that “The structured skill development model will contribute to improve the performance of the people and organizations which will result in the increase in employability skills, facilitate the entrepreneur culture, Develop and facilitate skilling and re-skilling solutions, Develop R&D centre supporting industrial innovation, exchange national and international best practices, Provide the skilling framework that keeps people aligned to current and future skill requirements of the market, Provide

skills that enable people to become job ready and pursue their career aspirations through various career opportunities.”

Sr. No	Programmes	Year of Introduction	Intake (Seats)
Certificate Course			
1	Welding and Quality Technician	2020-21	25
2	Attendant Sub-Station (66/11, 33/11 kV) -Power Distribution	2020-21	25
3	Junior Engineer- Power Distribution	2020-21	25
4	Solar PV Installer	2020-21	25
5	Block chain	2020-21	25
6	Certificate In Java	2020-21	25
7	Computer Aided Software Design	2020-21	25
8	Welding Assistant	2020-21	25
9	Welding Technician	2020-21	25
10	Computer Aided Software Design- Civil Engineering	2020-21	25
11	Automotive Repair Welder	2020-21	25
12	Machining and Quality Technician	2020-21	25
13	Attendant Operator (Chemical Plant)	2020-21	25
14	Data Entry Operator	2020-21	25
15	Biometric Data Entry Operator	2020-21	25
16	Nursing Assistant	2020-21	25
17	Mobile Phone Hardware Repair Technician	2020-21	25
18	Pre- Primary Teachers Training Montessori	2020-21	25
19	Solar Panel Installation Technician	2020-21	25
20	Architectural Drafting and Basic 3D Design	2020-21	25
21	CNC Operator	2020-21	25
22	Surveyor	2020-21	25
Diploma Courses			
23	Fire Technology and Industrial Safety Management	2020-21	60
24	Health Sanitary Inspector	2020-21	60
25	Pre- Primary Teachers Training Montessori	2020-21	60
26	Early Childhood Educator	2020-21	60
27	Architectural Assistant	2020-21	60
28	Surveyor	2020-21	60

29	Industrial Automation and Robotics	2020-21	60
Advance Diploma			
30	Industrial Automation and Robotics	2020-21	60
31	Health Sanitary Inspector	2020-21	60
B.VOC			
32	Electronics Manufacturing services	2020-21	60
33	Software Development	2020-21	60
34	Patient Care Management	2020-21	60
35	Healthcare Management	2020-21	60
36	Fire Technology and Industrial Safety Management	2020-21	60
37	Interior Design	2020-21	60
38	Retail Management & IT	2020-21	60
39	Retail Department Manager	2020-21	60
40	Retail Sales Associate	2020-21	60
41	Industrial Automation and Robotics	2020-21	60
M.VOC			
42	Patient Care Management	2020-21	60
43	Healthcare Management	2020-21	60
44	Industrial Automation and Robotics	2020-21	60

1.2 UNIVERSITY COLLEGES / DEPARTMENT AT A GLANCE

1.2.1 Faculty of Engineering & Technology

Dean: Dr. Hitesh Joshi

Program Offered:

Diploma Engineering

Bachelor of Technology

Master of Technology

Ph.D.

About Department / College

The engineering & Technology department of BMU is running three-degree engineering colleges viz. BMCET, BAIT and MSCET and two polytechnic BMPoly and MSPoly. All the colleges are approved by All India Council for Technical Education (AICTE), and Directorate of Technical Education, Govt. of Gujarat; and constituent institute of the Bhagwan Mahavir University. BMCET is established in 2008, MSCET is established in 2012 and BAIT established in 2017 under the aegis of BMEF. The faculty offers graduate programmes in Automobile, Mechanical, Civil, Electrical, Computer, Electronics, Electronics & Communication, Chemical, Robotics & Automation, Nanotechnology, Aeronautical engineering, Environmental engineering, Pharmaceutical engineering and Information Technology. It offers MTech. Programmes in Civil, Electrical, Computer, Mechanical and Electronics engineering. BM Poly was established in 2008 and MS Poly was established in 2012. The faculty offers diploma courses in Automobile, Mechanical, Civil, Electrical, Computer, Information Technology, Chemical, Aeronautical, Robotics & Automation, Architecture Assistantship and Electronics engineering. All the departmentes have their own identity.

MECHANICAL and AUTOMOBILE ENGINEERING

BMU Mechanical Engineering program prepares the students to design, analyse, test, develop, research and manufacture an array of products while driving solutions that meet specified needs locally and globally. Students have a very high career growth and placement rate. Leverage the own potential in accelerated program to earn a BTech and Diploma in Mechanical Engineering and Automobile Engineering. The Automobile Engineering is directed by an Industrial Advisory Panel comprising senior engineers from the automotive sector. This maintains course relevancy and ensures that graduates are equipped with the skills and knowledge required by leading employers. Students have the opportunity to meet the panel and present individual research project to them through SSIP cell.

Learn to Lead the Way

- Gain hands-on opportunities to research, design and develop new mechanical systems while implementing a creative yet analytical mindset.
- Carryout the coursework to specialize in energy, fluid or thermal dynamics, or mechanics, structures and machine design.
- Accelerate the education in 4-year Degree programs and 3-year Diploma program including mechanical engineering, engineering management, and business administration.

Achieve the Possibilities

- Students gain a high-quality education that enables success in the rigors of graduate school or a future profession through an array of program opportunities.
- Secure cooperative education and internship opportunities with companies including Riser Import & Export Pvt. Ltd, Rayzon Green Energies, Rahi Engenius Solutions LLP, Autotech Nonwovens Pvt Ltd, Sonani Industry pvt. Ltd etc.
- Discover career opportunities in research and/or the design and development of new mechanical systems.

ELECTRICAL AND ELECTRONICS ENGINEERING

Electrical engineering powers and moves the world. The rapid pace of technological innovation is driving demand for electrical and electronics engineers in research and development. Earn a degree in electrical engineering to meet this demand and gain the expertise needed to design new technologies. In Electronics Engineering at BMU, students can develop skills in all key electronic engineering areas, including analogue and digital electronics; signal processing; sensors; digital communications; software engineering; and embedded programming. Also learn via a combination of theoretical learning, high-quality learning materials and hands-on, practical experience, quickly becoming adept at solving real-world engineering problems.

Learn to Lead the Way in

- Analyse and design electrical and electronics devices that are essential to science, technology and industry. Use innovative ideas to design products that combine Artificial Intelligence, Internet of Things and more.
- Gain hands-on experience with electric systems for drones, robotics, self-driving vehicles and health care devices. Develop skills using industrial-level design tools and computer languages.

Achieve the Possibilities

- BMU electrical graduates have secured internships and employment at top organizations such as Anubhav Techno Solutions Pvt Ltd, SSM InfoTech Solutions Pvt Ltd, Alphatech Automation, R. S. Automation etc.
- Electronics graduates have secured internships and employment at top organizations such as Hexxa Geo System Integrators Pvt Ltd, Drc Pvt Ltd etc.

COMPUTER ENGINEERING AND INFORMATION TECHNOLOGY

Student can become the creator of innovation in the computing field through BMU's computer engineering program. Students learn to leverage theoretical and mathematical foundations in algorithms, computing languages, and techniques and methods to develop the computing systems and technologies of tomorrow. Can build the toolkit of skills that will become springboard to innovation and exciting careers in one of the fastest-growing fields available.

Learn to Lead the Way

- Define and design new approaches and solutions to problems realized in hardware and software.
- Develop coding mastery in multiple programming languages and platforms.
- Use foundation in algorithms, database, web and mobile development to create opportunities for cross-and multi-disciplinary project work.

Achieve the Possibilities

- Computer engineering and IT programs are designed for success through curriculum flexibility and high-quality educational opportunities
- Develop analytical ability and expertise in software creation and usage, both of which are necessary in the fields of science, technology and industry.
- Join recent computer engineering and IT graduates who have secured internships and employment at top organizations such as Pro Exe Lancers, Doyenhub Software Solutions Pvt Ltd, Wonder Softwares, Significant Infotech, CodeX Lancers, Elite Technocrats, Logix Built Infotech etc.
- Gain entry to a field that is expected to grow much faster than the average of all occupations.

ENVIRONMENTAL ENGINEERING

BMU's environmental engineering program takes learning outside the classroom. With the university's proximity to giant Industrial zone, students gain ample hands-on experience in the field. Pursue a practical and real-world education to become a future environmental leader with a career that gives back to the community and leaves the world a better place.

Learn to Lead the Way

- Learn fundamental science and engineering principles to understand environmental systems and human impact.
- Apply scientific and engineering theories to real-world problems, such as water quality issues in the Great Lakes region, human health risks from airborne contaminants and more.
- Experience internships, service-learning projects, field experiences and career exploration.

Gain real-world knowledge through key environmental engineering courses including:

- **Water Quality Lab:** Use equipment and techniques to assess quality parameters of surface and ground water.
- **Environmental Toxicology Lab:** Gain experience collecting and analysing air, water and soil samples. Activities have included conducting water quality monitoring
- **Water and Waste Water Treatment Lab:** Study an engineering approach to water quality protection and the principles and design of systems for treating municipal drinking and waste water.

Achieve the Possibilities

- Complete internships in various industries prior to graduation, including opportunities at engineering consulting firms.
- Participate in field trips, internships and senior design projects through the program's strong ties with local industry and governmental agencies.
- Approximately 90% of environmental engineering graduates are employed in the field one year after graduation.

CIVIL ENGINEERING

BMU's Civil engineering deals with the design, construction, and maintenance of the physical and naturally built environment, including public works such as roads, bridges, canals, dams, airports, sewerage systems, pipelines, structural components of buildings, and railways. The department offers flexible syllabus for the students for their post-graduation in specializations like Structural

Engineering, Construction Project Management, Water Resource Engineering Town & Country Planning and Real Estate Valuation. The department of civil engineering has well equipped laboratories in all areas.

Learn to Lead the Way

- The students can achieve knowledge of structures, materials science, geography, geology, soils, hydrology, environmental science, mechanics, project management, and other fields.
- Real estate valuation field providing opportunity to be self employed.

Achieve the Possibilities

- Existing facilities include computer centre and independent testing laboratories in the areas of Geo-technical, Structural, Environmental, Transportation and Concrete Technology
- The Environmental Audit Cell and the Structural Design Centre of the department also play a pivotal role in industry-institute interactions
- Continuing education programmes in association with government and non-government organisations are also regularly planned.

Highlights

- Established fully equipped Environment Audit laboratory to generate readily employable environment engineers and initiated NABL accreditation process.
- Total 16 MoU signed with various organization to train students to make them industry ready
- 20+ research/review papers published in reputed journals by faculty members
- Organized Workshop Learning on Learning Design of Construction projects
- Organized a one-day seminar on Basic introduction of designing software in engineering.

1.2.2 Faculty of Pharmacy

Bhagwan Mahavir College of Pharmacy (BMCP)

Director: Dr. Vineet C Jain

Program Offered:

Diploma in Pharmacy (D. Pharm)

Bachelor of Pharmacy (B. Pharm)

Master of Pharmacy (M. Pharm)

Ph. D

About Department / College

Bhagwan Mahavir College of Pharmacy offers D. Pharm., B. Pharm, M. Pharm (Pharmaceutics, Quality Assurance & Regulatory Affairs) and Ph. D programmes. All courses are approved by AICTE, PCI & BMU. The college is established in the year 2007 under the aegis of BMEF. The college has been successful in maintaining a high level of academic standards and value-based education to meet society needs. The highly qualified and dedicated faculty provides continuous mentorship and counselling to bring out students to meet the diversified challenges in the area of pharmaceutical education, research and development, to ensure holistic personal growth of students.

The vision is to become a pioneer pharmacy college in India, through superior delivery of the pharmacy education and foster pharmaceutical research activities through invention of a scientific research community pursuing leading, emerging synthesis in science and utilizing latest technologies, for the betterment of mankind.

Our main objective is to support students in meeting the challenges they face, and to help them reach their goals. Students who select this college can have confidence that we will strive to guide the students in making wise decision so that, after graduation, they can choose a right field for their livelihood and become successful in life.

We believe not only in academic excellence but also in the overall development of our students. We encourage our students to participate in the intercollegiate events and lot of extra-curricular activities throughout the year. Students will find lively, captivated and friendly ambiance at our college. Right from its inception BMCP has striven to provide quality education and develop competent pharmacist with high moral values, blend professionalism and a sense of social responsibility so as to be recognized as dutiful citizens of the country.

In order to provide best possible pharmacy education, the college has full-fledged laboratories. It boasts of a well-equipped modernized analytical laboratory, machine room and a well-maintained

animal house. The college also has an excellent digitalized library facility with sufficient number of books and renowned national and international journals.

1.2.3 Faculty of Management Studies

Bhagwan Mahavir College of Management - MBA & MCA

Principal: Mr. Lalitkumar H Tank (I/C-Head-MBA)

Ms. Upasana Mehta (I/C-Head-MCA)

Program Offered:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (iMBA)
- Master of Computer Application (MCA)
- Integrated Master of Computer Application (iMCA)
- PhD (Management)

About Department / College

BMU's Faculty of Management Studies (FMS) provides a variety of programmes geared to help students gain an in-depth grasp of the various aspects of business. The functions of planning, organising, administering, controlling, producing, marketing, and distributing goods and services are used in all business and economic activities, whether in the private or public sector. In today's increasingly competitive business environment, the ideas and procedures of business are more important than ever before, as organisations grow larger, more complicated, and more regulated.

BMU's Management Department offers four master's degree programmes: MBA, IMBA, MCA, and IMCA. All of the colleges have been approved by the All-India Council for Technical Education (AICTE) and the Directorate of Technical Education, both of which are part of the Bhagwan Mahavir University. BMCM was founded in 2007 under the auspices of BMEF.

There is a pressing need for management institutes to meet the demands of society while also standing out from the crowd in an environment where competition is exploding like a forest fire. Bhagwan Mahavir College of Management (BMCM) is dedicated to providing top-notch education and training to its students under the auspices of the Bhagwan Mahavir Education Foundation. While it's easy to follow the herd, we believe that carving out a space for yourself and speaking up for what you believe in inspires others to follow in your footsteps. Our primary aim is to ensure that our students are prepared to compete in the global marketplace with their full potential.

Curriculum includes seminar internship and project report preparation to ensure corporate interface. Guest lecturers and industrial trips are frequent. Those who want international exposure can go on foreign educational excursions. The way our students are creative, work together, and talk to each other is amazing. We can tell that the spirit is growing stronger as time goes on. We want to keep

getting closer to the faculty, the business world, and the students so that there is steady growth and progress.

The ideas and applications of management are taught by a pool of experienced and competent teachers through classroom instruction, discussion groups, demonstrations, and case studies. Professionals in the sector provide additional sessions to align the students' education with the latest developments. Students are encouraged to handle projects and perform a variety of roles in the organisation of events. To bolster the confidence of pupils, seminars and discussions are conducted. As a result, a great number of pupils have obtained high test scores and lucrative professional possibilities by displaying their fiery personalities.

No. of magazines subscribed during: **20**

Highlights

- **Institute Industry Project IIP:**

The objective of the IIP Cell is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry to attain a symbiosis.

- **Value added certifications:** In addition to the above students are exposed and certified through blended learning mode of online lectures of faculties of international universities / industries curated by in class tutorials and workshops.

- **International Immersion:** University aims to develop globally aware graduates with internationally competitive skills well-matched to the international jobs and assignments of today and future. The prime focus to bring internationalisation will be by fostering globally connected research and scholarship.

- **Personality training across two years:** Personality psychology is considered the study of individual differences in behaviour—how individuals behave differently from one another in various situations. Developmental personality psychologists are interested in understanding the ways individuals develop their unique patterns of responding to the environment based on genetic endowments and social histories.

- **Research Training/Incubation:** Incubation & Innovation centre at BMCM fosters innovation, research, and entrepreneurial activities in technology-based areas. It provides a platform for start-ups by budding entrepreneurs and entrepreneurs to convert their innovative ideas into commercially viable products. It also provides services related to patenting and commercialization.

- **Mentoring:** - Mentoring is done effectively assigning a mentor (facilitator) to each student. Mentoring gives opportunity to share the difficulties & problems to get professional help and guidance by building trust and confidence.

- **MOU with International Academic Institutions and Industry Bodies:** With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their engineering problems, they look up now to management institutions. Similarly, there is an urgent need to prepare management students for jobs in multinational companies, by exposing them to newer technologies and management methodologies.

➤ Sessions are organized for final year students to prepare them for industries and aware them from corporate culture. This includes:

- Time Management, Planning and Prioritization
- Attitude, Verbal and Nonverbal Skills

- Effective Communication Skills
- Group Discussion and Team Building Skills
- Etiquette and Interview Skills

1.2.4 Faculty of Nursing:

Bhagwan Mahavir College of Nursing

Principal Mrs. Priyanka Bhatt, B.M College of Nursing

Mrs. Dharmistha R Patel, B.M School of Nursing

Programmes offered:

- General Nursing & Midwifery
- Basic B. Sc Nursing
- Post Basic B. Sc Nursing

Affiliation and Reorganizations:

- Indian Nursing Council, Delhi (I.N.C.)
- Gujarat nursing council, Ahmedabad (G.N.C.)
- Government of Gujarat, Gandhinagar.
- Bhagwan Mahavir University, Surat

About Department / College

The Bhagwan Mahavir School of Nursing under Bhagwan Mahavir Education Foundation offering GNM programme was founded in 2009. **Bhagwan Mahavir College of Nursing** under Bhagwan Mahavir University offering Basic B. Sc Nursing & Post Basic B. Sc Nursing programme was started in the year 2020. Bhagwan Mahavir College of Nursing is recognized by Indian Nursing Council, New Delhi & Gujarat Nursing Council, Ahmadabad and affiliated to Bhagwan Mahavir University, Surat.

Bhagwan Mahavir College of Nursing has highly qualified faculty, excellent infrastructure and good affiliated hospitals, which provide a wholesome experience in nursing education. The college building has spacious classroom with adequate ventilation and light with Teacher flat form, Multipurpose Hall with attractive seating arrangement, Sophisticated Library with internet, Printing, copier facilities, fully furnished computer lab with internet facility, pre-clinical lab, Anatomy Lab, Fundamentals of Nursing Lab, Nutrition lab, Maternal and child health lab, Community Health Nursing lab, Examination Hall, Audiovisual lab to help in teaching learning process.

Students are provided with wide area of clinical practices at New Civil Hospital, Surat, which is having 1200 beds with all specialties & Super specialties providing the student clinical experience

under one roof. Students will have the opportunity to get hands on experience in Medical Surgical Nursing, Obstetrics and Gynecology Nursing, Mental Health Nursing, Child Health Nursing, Community Health Nursing etc. Institute has affiliations with Primary Health Center, Sachin and Public Health centre, Althan for Community Health Nursing field training.

Laboratory-assisted teaching method is used to enhance learning experiences. The following are some of the laboratories.

Pre-Clinical Science Lab

Pre-Clinical Science Lab is well-equipped with models & specimens, all the bones, skeleton & subject related charts etc.

Anatomy Lab:

Anatomy Lab helps students in deeper understanding of Human Body. Understanding of students about Human Anatomy & Physiology is done with the help of articulated skeletons, torso, various bones, models of different organs & charts.

Fundamentals of Nursing Lab:

The lab is well furnished and well ventilated with all the necessary equipments like patient beds, mattresses, bed sheets, bedside locker, linens & blankets, napkins and towels, bed cradle, cardiac table, wheel chair, stretcher, critical care unit, O₂ cylinder with flow meter, CPR dummy and Suction apparatus, different sizes procedure trays, and other instruments.

Nutrition Lab:

Nutrition lab is equipped and well furnished with utensils and nutritional charts. It is well ventilated with adequate lighting and water facilities.

Maternal and Child Health Nursing Lab

The lab is equipped with manikins, models of pelvis, fetal skull, placenta and spongy fetus to practice different mechanism of labour. It is also equipped with variety of instruments and labour kits.

Community Health Nursing Lab

Community Health Nursing Lab is equipped with adequate community lab instruments, community bags, AV Aids & family folders.

Computer Lab:

Computers are an integral part of hospital and thus of the nursing profession. Computer systems are used for Patient Administration, Electronic Medical Records, and Inter office communication and in other applications. We have a well-equipped computer lab with 40 numbers of computers with internet facilities.

AV aids Lab:

A well-equipped audio-visual aids lab with OHP, public address system, flannel boards. DVD player, stereo player, slide projector, portable LCD projectors and Screens, slides, flannel boards, etc

Library Details:

The library has a comprehensive and well-rounded collection of about 1500 books, national and international journals, magazines, newspapers and other reading materials.

No. of Books Available: **1528**

No. of Title available: **400**

No. of Journals subscribed: **12**

- National: 6

- International: 6

Hostel and Mess Facility:

Separate Hostel facility available for Boys and Girls in the institution premises with well spacious and proper ventilated rooms. Mess facilities available with a well-maintained seating set up adjacent to the hostel.

Transportation Facility:

The College has its own transport infrastructure to provide convenient transportation to clinical and community area. There are 2 buses with a seating capacity of 50 to cater the transportation needs of faculty and students.

Sports & Recreation:

The College Provides Sports & Recreation Facilities for the students through the Department of Physical Education.

Student Details:

Level (UG/PG/Diploma)	New Enrolment	Existing
General Nursing and Midwifery (GNM)	35	94

Post Basic B.Sc. Nursing	40	40

Highlights:

- Institution with excellent infrastructure
- Provision of hostel for Girls and boys.
- Playground facility common for all Campus students
- Quality Clinical experience at various reputed hospitals
- Qualified teaching faculty as per the norms
- Well equipped laboratories
- Ragging free campus
- Study Scholarship
- SNA / NSS Units
- Wifi campus.
- A total of 250 students of GNM completed their course.
- 100% result of GNM students from last 12 sessions
- 100% placement provided to the final year students of GNM
- Bhagwan Mahavir School of nursing feels proud to share that thirty of our alumni students have been selected by Health and Family Welfare Department, Gujarat.

1.2.5 Faculty of Science & Technology

Bhagwan Mahavir College of Basic and Applied sciences

Dean: Dr. Piyush Desai

Courses Offered:

- Bachelor of Science
- Master of Science
- Integrated Master of Science
- Post Graduate Diploma
- PhD

About Departments / College:

Bhagwan Mahavir College of Basic and Applied Sciences (BMCBAS) runs many Bachelor and Master degree courses viz., M.Sc. Integrated Biotechnology, B.Sc. Chemistry, B.Sc. Microbiology, B.Sc Mathematics M.Sc. Organic Chemistry, M.Sc. Botany, M.Sc Mathematics as well as college provides P.G.D.M.L.T. and PhD course. Bhagwan Mahavir College of Basic and Applied Sciences successfully maintains a high level of academic standards and provides value education by highly qualified and dedicated subject experts in each field. Faculty in the college not only provide subject knowledge, but also explore students with their innovative ideas, provides mentorship and counselling and make the changes in life of individuals with their knowledge being put into action. We shape new scientist by providing hands on training and focused study concept.

The college aims total personality development of the student including cognitive, affective, and psychomotor aspects. We encourage our students to participate in the intercollegiate events and lot of extra-curricular activities throughout the year. Students receive lively, captivated and friendly ambiance at BMCBAS.

Our main objective is to support students in meeting the challenges they face, and to help them reach their goals. The teaching - learning process is facilitated in 15 classrooms, 9 specialized laboratories for physics, chemistry, botany, zoology, microbiology, biotechnology and PGDMLT separately, huge computer room with high-speed Internet connectivity, a seminar room, conference room, an auditorium and a fully automated library with adequate numbers of books & journal for each subject. Computer laboratory with adequate numbers of computers with internet connectivity is also available. BMCBAS Auditorium has a seating capacity of 200. It is fully air-conditioned and its light and sound system is currently being revamped. The Auditorium hosts various academic and cultural events of the college. It also encourages well- known cultural groups to hold their programs for the

benefit of the students and community. Biotechnology Laboratory is equipped with Centrifuge, Autoclave, Incubator, Platform Shaker, Microscopes, Plant Tissue Culture equipments etc. Animal Cell Culture Laboratory is equipped with Laminar Hood, CO₂ incubator, Binocular microscopes & phase contrast microscope. Molecular Biology Laboratory equipped sophisticated instruments like Gel Doc system, Thermal cycler (PCR), Horizontal & vertical electrophoresis unit etc. Chemistry laboratory in Chemistry department is well equipped with chemicals and glassware's required for performing chemistry-based practical. M.Sc. Chemistry Laboratory well established lab with capacity of 40 students, equipped with chemicals and glassware's required for performing advanced chemistry-based practicals such as synthesis of novel compounds, analysis and screening of compounds etc. Physical Chemistry Laboratory is well equipped with instruments like potentiometer, pH meter, Colorimeter, Conductivity meter etc. Physics, Botany and Zoology laboratories are well equipped with all basic instruments and requirement as per current syllabus. Laboratory facilities in microbiology department includes: Microbiology Laboratory-I well-equipped laboratory with Microscopes, Digital Centrifuge, Laminar Air Flow, Electrophoresis units, Dark field & Phase Contrast Microscope, Autoclave, Incubators, Hot Air Oven, Platform Shaker etc. Microbiology Laboratory-II well-equipped laboratory with Microscopes, Digital Centrifuge, table top centrifuge, Cooling Centrifuge, Water bath, Electrophoresis units, Autoclave, Incubators with Shaker, Hot Air Oven, Filtration assembly, Vacuum pump etc. P.G.D.M.L.T. Laboratory well-equipped laboratory with Biochemistry Auto analyser, Microscopes, Digital Centrifuge, table top centrifuge, Water bath, Autoclave, Incubators, Micro pipettes etc. Instrumentation room having instruments like Vortex mixer, COD apparatus, Centrifuge, Electrophoresis unit, Trinocular microscope, Binocular Microscope, Cooling Centrifuge.

- PhD in Commerce and Management

About Department / College

The Institute has already marked its presence as a leading teaching Institute. Its strengths and standing are best evidenced by the quality of the students admitted in various programs and well qualified faculty.

We believe our appeal as a college rest in our strong sense of community. With the support of highly qualified faculty members and excellent infrastructure we hope we shall be able to continue to add to the professional development of the individuals and the country. In such a secure setting, students are free to challenge themselves and take risks that will lead them to realize their full potential. More importantly you will find a college with warm culture and environment. We assure that **BMCCMS** students and their parents will find themselves as a part of an extraordinarily friendly community, a college that is welcoming, warm and unpretentious and one where the students and the staff get on exceptionally well together.

Although we maintain the traditional values, we are keenly aware of the kind of knowledge and find openness to adopting new teaching ideas. It is this combination of tradition and innovation that will prepare our students for continued success in their life.

BMCCMS addresses the intellectual, social and ethical needs of the college students in a supportive atmosphere. Priority for us is welfare of the students. The Institute is committed to equity and promoting talent without any prejudice. We strongly believe, like me you would also love to enjoy the proud privilege of becoming a part of this Institute.

1.2.8 Faculty of Physical Education

Principal: Mr. Dinesh Sarang

Saririk Sikshan Mahavidhyalaya (B.P. Ed)

Bhagwan Mahavir College of Physical Education (M.P. Ed)

Program Offered:

- Bachelor of Physical Education (B.P.Ed.)
- Master of Physical Education (M.P.Ed.)

About Department / College

Physical education is defined as “education through the physical”. It aims to develop one’s physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and overall healthy lifestyle. Games and sports play a prominent role in all round development of a student’s life. Along with traditional academic pursuit, students should spend time engaging in games and sports too. A curriculum which reflects physical education as a subject would be an additional benefit to the student in student’s future endeavours.

Physical Education department of BMU is running two-degree Sports colleges.

- 1) Saririk Sikshan Mahavidhyalaya.
- 2) Bhagwan Mahavir College of Physical Education (BMCPE).

Both the colleges are approved by National Council for Teachers Education (NCTE), and Directorate of Physical Education, Govt. of Gujarat and constituent institute of the Bhagwan Mahavir University. Saririk Sikshan Mahavidhyalaya is established in 2004 and BMCPE (Bhagwan Mahavir College of Physical Education) is established in 2007. Since inception in short span; both the degree colleges have created impact in the minds of budding & aspiring School, Colleges and Sports Academy. Physical Education Department focuses on a strategic plan of overall mentally and physically development of its students. The strategic plan includes curricular, co-curricular, extracurricular and social development of its students. Organizing expert lectures in Sports and soft skills topics, workshops, seminars, project competition, Conferences and providing platform for innovations is the key feature at the Sports Department. All the faculty members are very much dedicated in implementing its strategic plan for overall development of students.

According to National Plan of Physical Education and Recreation. "The aim of Physical Education must, be to make every student physically, mentally and emotionally fit and also to develop in him such personal and social qualities as will help him to live happily with others and build him up as a good citizen." We arrange lab and make classes on this basis. The faculty offers graduate programmes in Indoor games, Outdoor games, Gymnastics, Yoga teacher, Athletics, Sports Teachers, Sports Coach, and all over sports activities. Physical Education Department are dedicated to providing students with quality sports education. Work-integrated learning gives students the opportunity to apply the practical skills they learn at BMU in a sports environment and to bring Sports ground skills back to the classroom. Programs are developed and designed in consultation with Academic experts keeping in mind the skill requirement of students' skill.

Sports and games have now days become an integral part of students in our College. We could arrange a series of activities to our students for the promotion of sports as well as their overall development. A well-equipped Physical Education Lab with all sports, health and for yoga-meditation items is the proud of this institution.

Department Highlights

- The department is having highly qualified staff members in the field of Cricket, Football, Kabaddi, Volleyball and Athletics.
- The department conducts selection trials to identify talented players during the months of August and September every year.
- The selected players were trained, coached and sent for participation in the All India Inter University games and sports.
- The prize winners and the participants are awarded with certificates which is very useful for the students to get appointments in Central and State Government jobs and uniformed service jobs.
- With the objective of providing chances for mass participation, Inter Departmental Tournaments and Sports comprising of Engineering and Technology, Architecture, Nursing, Management, Arts and Science Students are conducted every year during February and March.
- The department provides opportunities for the students and the staff to participate in the open and invitational tournaments organised by reputed educational institutions.

1.2.9 Faculty of Architecture, Interior Designing & Planning

Bhagwan Mahavir College of Architecture

Principal: Ar. Chaitali Shroff

Program Offered:

- Bachelor of Architecture
- Bachelor of Interior Designing
- Bachelor of Planning
- Master of Planning

About Department / College

BMCA was established in 2013 with intake of 40 students affiliated with Council of Architecture (COA). The course was approved under Gujarat Technological University, as 5-year Bachelor of Architecture Degree Course. The institute has grown to one of the Premier Institute in a year in south-west zone of Surat, Gujarat by seeking students in top 10 position of university. Institute has gradually increased its intake to 80 seats from 2014 onwards.

Architectural course needs hands on learning, exploring different materials, converting imagination to reality through various workshops, design studios, industry visits, guests' lectures, Seminars. Institute also provide various sports activities, event celebrations with student body, NASA participation, Study tours, Relative Study Tour with Documentation, International Tours, Academic Exhibitions, Expert Juries, Design Competitions, to provide enthusiastic, Leadership, Team work learning under guidance of expert faculties. Currently 4 batches have passed successfully. The Alumina of institute have successfully established private practices as architect, interior designer, photography, 3D visualizer, artist and other related various field.

Interior Designing Course was of 4 years and the commencement of the course was in the year 2017 under Gujarat Technological University. Which, in the year 2019-2020, affiliated to Bhagwan Mahavir University for 3-year bachelor Degree Course. The expert faculty provides innovative learning environment through various teaching methodologies, in which students are encouraged to learn office management and professional practice to standout differently in current competitive market. The Course also comprises of, interior landscape which is the need of hour, Furniture design, Product Design, Graphic Design, Textile Design give students complete idea about today's Industry demand and requirement.

Institute has also started Bachelors in planning, 4years degree course in the year 2014 with intake of 60 seats, with aim of creating good town-planners for better cities. India needs about 3 lakhs town planners as rural areas are getting converted to smart cities.

To enhance, the present requirement of the upcoming smart cities and to encourage the students to opt for Master of Planning Subject with ITPI (Institute of Town Planning India), we BMCA Department has commence a new course name Master of Planning. The course is offered to help the candidates design, formulate and execute plans for sustainable urban, environment at city, region and village level settlements.

Library Details AY 2021-22:

No. of Titles Available: **1849**

No. of Books Available: **2199**

No. of Periodical Journals: **14**

Highlights:

- College is comprised with fully equipped Computer Lab and Survey Lab, so that students can have actual experience of practical field.
- Library and E-Library, Tools for pottery, P.O.P carving and many such types of data's and equipment are also available at college and are regularly updated and maintained.
- All Faculties have attended variety of training development programmes so that students can get the best knowledge.
- Every year we plan National and International Study Tours and Site Visits for practical knowledge.
- Our students are involved in making "Eco-Bricks" to spread awareness about reusing Plastic Waste by doing so we are taking one step towards to save our Environment, from which we have designed sculpture, Furniture and Artforms, Such as Doll, Chandelier, Sofa, etc.
- BMCA in collaboration with Project Surat had organized an Event to Reduce Plastic usage, where the student works of Plastic Waste sculptures were displayed which were praised by all the citizens. As an industry Institute working on promotion of Reuse, Reduce and Recycle.
- Workshop like Parametric Architecture and Fountain pen were conducted by field expert, where students had learned to conceptualize the design and their execution Process through prototype.
- Our student's works has been published in the form of Magazine name 'Vrutant', where the designing, formulation, editing and printing of the Magazine was done by students itself which was launched by one of the famous architects named Hiren Patel from Ahmedabad and it was a very successful launch event.
- Students has worked for Live Project – Stage design in Spandan part of university fest, to understand imagination to reality and much more.

CHAPTER – II

TEACHING- LEARNING AND EVALUATION

Evaluation of teaching involves collecting evidence, from various stakeholders, for the purpose of improving the effectiveness of the teaching-learning process. A successful evaluation generates outcomes that are valid, reliable and indicate directions and action for development. BMU focuses on services to students of different backgrounds and abilities, through effective teaching-learning experiences. It includes Interactive instructional techniques that engage students in higher order ‘thinking’ and investigation, through the use of interviews, focused group discussions, debates, projects, presentations, experiments, practicum, internship and application of ICT resources. The efficiency of the techniques used to continuously evaluate the performance of teachers and students is a major concern. Few of the major efforts are

- **Qualified and experienced faculty as per UGC norms.**

BMU follows all the norms for faculty recruitment to maintain required qualification. Well qualified teachers are able to offer a variety of different techniques and methods for students to learn which includes hands-on teaching, allowing the student to interact with what they are learning, or having them explain it back in their own words. Due to friendly environment at BMU, faculties are heartily attached with BMU family which has maintained good retention rate

- **Student Centric Learning**

Learning is made Student Centric by adhering to the activities like: seminars, assignments, tutorials, case studies, interaction with experts invited for guest lectures, workshops and conferences organized in the campus. In student centric approach, focus is being laid on discussion mode of learning, class presentations, assignments and doubt clearing sessions.

- **Continuous Assessment**

The evaluation system of each and every program has two sources. The first one is from Theoretical exams. The second is through continuous evaluation of screening students. Under this system of evaluation of a student, the students are marked for attendance, presentations, assignments, participation in class activities, etc. This prompts the students to be attentive in class, regularly attend class, to name a few. Moreover, presentations help the students to get rid of their hesitant nature and take charge of situations and express themselves. This inculcates

a spirit of leadership and professionalism in students. The result is declared within 15-20 days of examination.

KEY ASPECTS OF BMU ACADEMIC SYSTEM

- Learning Beyond Classroom (LBC): Learning beyond classrooms opens up a new channel called “co-visual learning” (see to learn or see to believe). Apart from class room teaching BMU is concentrating also on co-curricular activities such as social service, Athletics, Accomplishments in fine and performing arts, etc.
 - Program for personality development, grooming of leadership qualities, confidence building, group discussion and interview preparation are arranged.
 - One to one contact between students and Professors
 - Weekly based classes of NET, SET, GATE, GRE, GMAT & other competitive prestigious exams with routine classes
 - Project and industry integration
 - Regular industrial visits and educational excursions
 - Regular updating of Syllabus based on jobs related to industries and corporate
 - Enhancement in confidence and team work by organizing technical fests, cultural programs, quizzes, mock interviews, Sports-meet
 - Coaching for IAS and other govt. services exams
 - Learning through expert lectures, workshops, conferences, seminars, research projects and oral presentations.
- Credit Based Credit System
- Active Student Life
- Interdisciplinary and flexible curriculum
- Implementation of NEP

2.2 ADMISSION

To facilitate the students and parents, BMU has formed active admission cell at institute level and University level also. The members of admission cell are always ready to help the admission seeker. BMU provide scholarship for newly admitted outstanding student. For that BMU is conducting Scholarship test for the scholar students every year at various school. We are promoting BMU through social media, awareness programs, career guidance seminar and social activities. BMU has started free career guidance centre across city.

2.2.1 Application for Admission

Admission of students shall be made on all-India basis and 50% on the base of ACPC and remaining at university level as and where required. Admissions of students shall be made on merit, either through common entrance tests/competitive examinations conducted by National bodies, like JEE, GATE, CAT, GMAT, NET, GRE, NMAT, CSAT, CMAT, ATMA, etc. or any other as may be decided by the management or individually by the University and /or interviews for students having scholarships/fellowships like CSIR etc., the details of which shall be published in advance in the brochure of the University. For the purpose of admission on NRI Seats, the University will prepare the merit list of the candidates who have applied for admission on NRI Seats at BMU in the manner prescribed by the University, within the prescribed time limit and who are found eligible (subject to verification) at the time of counselling for admission under these rules. The first allotment of NRI Seats will be made to eligible NRI candidates, and then the remaining seats will be offered to eligible NRI sponsored candidates.

2.2.2 Eligibility for admission of students

No student shall be eligible for admission to a course of study, a degree or diploma unless he possesses such qualifications as may be prescribed by the University for the said Course of study, from time to time. The University will publish an admission advertisement in national/local newspapers and/or other media and also upload a detailed admission notification on the University website. The admission notification shall clearly specify the admission/enrolment criteria for each program as prescribed by the University. All the admissions shall be made by the Registrar/an Admission Committee constituted for the said purpose, as per the eligibility conditions prescribed for the courses offered by the University. The criterion, if any, prescribed by respective Regulatory Bodies/Statutory Councils shall be followed in admissions to council based programmes. The registration of the provisionally admitted and continuing students shall be done by the College(s) on dates notified in Academic calendar each year.

2.2.3 Admission Review Committee

The case of a candidate seeking admission to a regular course other than research and part-time courses in languages, who has given up his studies for three or more academic years after passing an eligibility degree/ diploma/certificate examinations may be considered for admission by the Admission Review Committee.

2.2.4 Enrolment/Registration of Students

No person shall be admitted to any examination of the University, unless he has been duly enrolled/ registered as a student of the University. The Registrar/Controller of Examination shall maintain a record of all enrolled students studying in the various Colleges/Centres of the University or carrying on research work in the University. The student shall be given unique and permanent enrolment number and issued with an identity card bearing enrolment number, and same must be quoted by the student in all communications with the University and in subsequent applications for admission to an examination of the University.

2.2.5 Processing Fee

A processing fee as decided and approved by the University from time to time to be submitted with the duly completed application form. The processing fee shall not be refunded under any circumstances whatsoever.

2.2.6 Procedure of Withdrawal

Students may withdraw their admission by the date of registrations as specified by the University or before the same. In compliance with instructions of MHRD/UGC, the University will refund his deposited amount after deducting processing fee, as prescribed from time to time.

2.2.7 PhD admission

Ph.D. Programme is having following categories: Full time students and students under the external registration programme recognized by the University and sponsored by and employed in the Organization/Industry/University/other institutions, who will normally carry out their research in the Organization/Industry/University/ other institutions of their employment are pursuing part-time Ph.D.

Students	Number of students admitted
Ph. D. Students	32
Postgraduate Students	539
Integrated Students	263
Undergraduate Students	3439
Diploma Students	750
PG Diploma	43
Total	5066

2.4 EXAMINATION PROCEDURE

The Examination department offers high quality examination services and ensures transparency in all its activities. The Department administers secured processes and systems and work in close collaboration with colleges and external subject experts/examiners. The Examination department aimed to support colleges, faculty and students in the best possible manner within the provisions of University Ordinances and Examination Manual.

The entire process of assessment and evaluation including the conduct of examination is as per the provisions of the University Ordinances and Examination Manual. The University has adopted continuous and progressive evaluation system to determine whether the students have achieved the learning outcomes and fulfilled the academic requirements of the course/program. Beside this, the university also emphasize to develop students' analytical skills and decision-making power and ability to use the acquired knowledge in their professional life.

Due to the COVID-19 pandemic, the End-Semester Examinations of Term Winter- 2021 (Academic Session 2021-22) were conducted online through a software with a live monitoring mechanism, in accordance with the instructions of the University Grants Commission (UGC) and Higher Education Department, Govt. of Gujarat. However, the End-Semester Examinations of Term Summer- 2022 (Academic Session 2021-22) were conducted offline as per the instruction of University Grants Commission (UGC) and Govt. of Gujarat.

The number of programs for which the Examination Department conducted the examinations during the academic session 2021-2022 and their result analysis is given in Annexure C.

2.5 TEACHING LEARNING AVENUES

A classroom is a hub for exploring, analysing and imbibing all that surrounds young and eager mind. Apart from those, Seminars, workshops and conferences hold great importance of life of a student. They are platforms not only to learn new aspects, others perspectives and latest information, but also a good way of networking.

Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education and produce promising outcomes in the learning and teaching practices. Guest lecturers is improving their learning in a more interactive topic specific way. It makes classes more approachable appealing to students.

In addition to this, to bridge the gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. Ensuring a proper flow of knowledge Seminars and Workshops assist in passionate interaction and active participation boosting the skills and expertise of students. So, the seminars and workshops are an innovative and welcomed step towards modern education. BMU is committed for quality education to the students; it has organized numbers of seminars, workshops, guest lecturers for students and motivated all the faculties for FDP to meet the requirements of current era.

BMCA	28/03/2022 & 29/03/2022	Field Trip	Surat Diamond Bourse	Er. Kuldeepsinh Jadeja
BMCA	28/04/2022	Webinar on Interior Design Expert lecture by Ar. Nikita Dagli	BMCA seminar Hall	Ar. Urvashi Gohil

BMCA	30/04/2022	Seminar on Wonders in Valuation	Concept School Auditorium	Er. Kuldeepsinh Jadeja
BMCA	13/06/2022	Field Trip	Solid Waste Disposal Site	Er. Rahul Hathiwal
BMCA	14/06/2022	Field Trip	Waste Water Treatment Plant	Er. Rahul Hathiwal
BMCA	23/08/2022	Field Trip	Tiles Ahead – Visit to tile Showroom	Ar. Urvashi Gohil & Ar. Dhara Desai
BMCA	07/09/2022	Seminar - Book Review (Eat that Frog)	BMCA seminar Hall	Ar. Dhara Desai
BMCA	14/09/2022	Field Trip	La Mensa - Cafe	Ar. Urvashi Gohil
BMCET & MSCET	09/09/2021	Industrial visit to TULA TRANS ELECTRICALS.	BMCET & MSCET	Mr. Jackson Prajapati and Ms. Bhumika Patel
BMCET & MSCET	27/09/2021	Workshop on AutoCAD and solid works Software	BMCET COMPUTER LAB	Mr. Nilesh Vasawala and Mr. Himesh Gohil
BMCET & MSCET	06/10/2021	Guest Lecture on “Environmental Issues and Solution”	BMCET seminar hall	HSD Department
BMCET & MSCET	08/10/2021	Workshop on “Revit Architecture Software”	BMCET Computer Lab	Mr. Govind Tivadi
BMCET & MSCET	22/10/2021	Seminar on “Introduction to Python”	BMCET Computer Lab	Ms. Alpa Valand & Ms. Twinkal Patel
BMCET & MSCET	14/12/2021	Seminar on “Top 10 Emerging Technology in IT”	BMCET seminar hall	Computer Department
BMCET & MSCET	16/03/2022	Industrial visit at Navitas Green Solutions, Sachin	BMCET & MSCET	Ms. Bhumika Patel and Ms. Manisha Patel

BMCET & MSCET	25/04/2022	Technical Visit water treatment plant, Katargam	BMCET & MSCET	Mr. Amin Kamani and Ms. Janki Patel
BMCET & MSCET	29/04/2022	Guest Lecture 'Saraswat English Academy'	BMCET seminar hall	Dr. Vaishali Patel
BMCET & MSCET	17/05/2022	Industry Visit to Sumul Diary	BMCET & MSCET	Mr. Nayan Kaklottar and Mr. Latesh Kshatriya
BMCET & MSCET	18/05/2022	Technical Visit sewage treatment plant Bamroli	BMCET & MSCET	Mr. Amin Kamani and Ms. Janki Patel
BMCET & MSCET	18/06/2022	Seminar on "Recent trends in Civil Engineering Softwares"	BMCET seminar hall	Mr. Sagar Naik
BAIT	22/10/2021	Industrial visit to NDC Institute of Aircraft Maintenance Engineering	BAIT	Computer Department
BAIT	14/12/2021	One Day Workshop on Python GUI	BAIT	Computer Department
BAIT	14/06/2022	Webinar on CFD	online	Aeronautical dept.
BMCN	26/08/2021	Webinar-Protect Breast Feeding- "A Shared Responsibility & quot;	Online	Mrs. Rajvi Rajput
BMCN	03/09/2021	Webinar-Placement opportunities for nursing student	Online	Mrs.Rajvi Rajput
BMSN	25/10/2021	School Health Programme	Primary School, Vanz, Sachin	Ms. Pinal Patel
BMSN	17/12/2021	Nutrition Programme	BMSN	Ms. Pinal Patel
BMCN	14/05/2022	Ayurveda Seminar on topic "A Review of Ancient Dincharya"	BMCN	Ms. Rajvi Rajput
BMCN	12/07/2022	Industry Visit to Sumul Diary	BMCN	Ms. Pinal Patel Ms. Komal Patel

BMCN	07/10/2022	Industrial Visit to Sewage Treatment Plant	BMCN	Ms. Pinal Patel Ms. Komal Patel
BMCCA	9/10/21	Industry Visit of PG Student	Deamtech Co. Surat	Dr Vikas Chomal
BMCCA	29/10/22	Industry Visit of UG Student	Case point - Surat	Saloni Dhimmar
BMCCA	17/04/22 & 1/05/22	HACK-TECH, Cyber Security Awareness Program	BMCCA	Vatsal Choksi (Student) Sujal Patel (Student)
BMCP	07/09/2021	Pharma & current trends in Pharmaceuticals	Online Webinar	Dr. Vinod Ramani
BMCP	24/09/2021	World Pharmacist Day	Seminar hall, BMCP	Mrs. Prakruti Desai
BMCP	25/10/2021	Student Startup in Pharmaceutical Domain	Seminar hall, BMCP	Dr. Vinod Ramani
BMCP	18/01/2022	National Environment Youth Parliament 2022	Online Webinar	Mrs. Velenti Chauhan
BMCP	24/01/2022	National Girl Child Day	Online Webinar	Dr. Zarna Dedania
BMP	01/06/2021	Expert lecture on Use of sketch-up & corona renderer in 3ds max software	Online	Aankur Kapuriya
BMP	21/06/2021	Webinar on Functions of Training and Placement Cell	Online	T & P Cell
BMP	08/07/2021	Webinar on Career Options after Diploma	Online	T & P Cell
BMP	19/07/2021	Technical Training on Career scope	Online	T & P Cell
BMP	29/07/2021	Expert Lecture on Software Development Life Cycle	Online	Arhanti Doshi
BMP	31/07/2021	Technical Training on Java Workshop	Online	Arhanti Doshi
BMP	12/08/2021	Expert Lecture on Latest Trends on High-Speed Train	Online	Ketan Shah
BMP	24/08/2021	Seminar on Awareness on SSIP Cell activity	Seminar hall, BMP	Arhanti Doshi

BMP	30/08/2021	Technical Field visit	Meera Residency, Althan, Surat.	Payal Kamthe & Vishal Jasani
MSP	01/10/2021	Orientation Program	Seminar hall, MSP	MSP
BMP	11/10/2021	Expert Lecture on Career Guidance and Future Scope of Innovation and Startup in the field of Technology	Seminar hall, BMP	Computer & IT Department
BMP	22/10/2021	Poster Presentation Competition	BMP	Preeti Namdeo
BMP	04/03/2022	Seminar on Basic Introduction of Designing Software in Engineering	Seminar hall, BMP	Automobile, Mechanical and Civil Department
BMP	05/03/2022	FDP on Current and Future of Design in Engineering	Seminar hall, BMP	Automobile, Mechanical and Civil Department
BMP	05/03/2022	Industrial Visit	Anubha Techno Solutions PVT.LTD, Hazira	Ketan Shah
BMP	07/03/2022	seminar on Motivational & Stenography	Seminar hall, BMP	Jay Shah
BMP & MSP	09/03/2022	Group Disussion	Seminar hall, BMP	Computer Department
BMP & MSP	12/03/2022	Industrial Visit	Surat Diamond Bourse, Khajod	Aankur Kapuriya & Vishal Jasani
BMP & MSP	14/03/2022	Company Interaction Session	Seminar hall, BMP	T & P Cell
BMP & MSP	16/03/2022	Industrial Visit	Navitas Green Solutions, Sachin	Ketan Shah
BMP & MSP	25/03/2022	Industrial Visit	K. G. House- Surat	Payal Kamathe & Sweta mam

BMP & MSP	28/03/2022	Industrial Visit	Indian Meteorological Department, New Magdalla, Surat	Jignesh Sapariya & Hardik Prajapati
BMCBAS	09/04/21	Webinar on "Government Job Opportunities through various Competitive Exams"	Online	Dr. Murtaza Hajoori
BMCBAS	17/07/21	Webinar on "An Overview of IPR and Patents for Students"	Online	Dr. Mayank Champaneria
BMCBAS	23/07/21	Webinar on Opportunities with Dyes & Their Intermediates	Online	Dr. Mayank Champaneria
BMCBAS	12/10/21	Seminar on Cyber Crime	BMCBAS Seminar Hall	Mr. Ankur Patel
BMCBAS	23/04/22	Career guidance and career counselling session	BMCBAS Seminar Hall	Mr. Rahil Shaikh
BMCCMS	05/08/21	Expert Lecture on "Contemporary Issues in Research"	BMS Classroom	Dr. Chintan Shah
BMCCMS	13/09/2021	Offline Educational Visit to "WEAVE KNITT EXIBITION 2021"	Platinum hall Sarsana Dome	Mr. Hitesh Patel
BMCCMS	12/12/2021	Industrial Visit to Aaiswarya Mills	Aaiswarya Mills	Ms. Srishti Jain
BMCCMS	17/12/2021	Educational visit to Hunar Haat	Vanita Vishram ground	Mr. Krishna Doctor
BMCCMS	17/02/2022	Industrial Visit at Tapi Fruit Processing Pvt Ltd	Tapi fruit processing pvt. Ltd.	Ms. Srishti Jain, Mr. Pratik Kudiyanawala
BMCCMS	23/04/2022	Guest Lecture at Nursing Seminar Hall on Communication by Prathana Naiyyer	Nursing Seminar Hall	Ms. Simran Chhabra
SBCE	25/01/2021 To 20/03/2021	School Internship sem-4 Lesson Observation by all faculties	In Different Schools	All Staff

SBCE	15/09/2021	B.Ed. Semester – 1 Prvesh Uthsav	SBCE seminar Hall	All Staff
SBCE	11/09/2021	Farewell of Batch-2018 to 2020	SBCE seminar Hall	All Staff
SBCE	18/09/2021	Farewell of Batch-2019 to 2021	SBCE seminar Hall	All Staff
SBCE	04/12/2021	Guest Lecture: - Dr. Anil Sing Topic: - Realism Philosophy	SBCE seminar Hall	Prof. Hemant Patel Prof. Jayshree Parmar
SBCE	17/12/2021	Guest Lecture: - Career Guidance in Competitive Exam by Vishnu Bram bhatt	SBCE seminar Hall	Dr. Bhavina. R. Desai
SBCE	01/2/2022	Action Research Lecture Guidance	SBCE seminar Hall	Dr. Dilip. M. Patel Dr. Bhavina. R. Desai
SBCE	07/03/2022	Demonstration Lessons	SBCE seminar Hall	All Staff with Trainees
SBCE	19/03/2022	Annual Lessons Guidance Lecture: - Sem - 4	SBCE seminar Hall	Dr. Dilip Patel Dr. Bhavina Desai
SBCE	21/03/2022 to 26/03/2022	Sem – 2 Macro lessons in school	In Different Schools	All Staff

Table 2.6: Extra-Curricular Activities Organized by Department / Institute

CHAPTER-III

RESEARCH, CONSULTANCY AND EXTENSION

The hunger for search of new knowledge is made vibrant by promoting basic and interdisciplinary research activities with focus on emerging societal needs and innovation. A well-defined research policy of the university ensures smooth conduct of research activities. For this, university creates an enabling environment to foster interdisciplinary research culture while providing for required research infrastructure and support. As part of infrastructural push, BMU has established Central Research Cell and procured cutting edge equipments for research in various domains. Research projects at UG and PG levels, variety of enrichment and elective courses, research fellowship programmes, emphasis on applied research and industry projects by faculty, Industry Academia sessions are some of the tools designed, implemented and practiced by the university. The University also promotes and provides incentives to faculty engaged in top publications, authoring books and innovative research leading to patents. For start-ups the University also provides an Innovation Incubator, to support entrepreneurs to start their own ventures. The research and innovation efforts have yielded extensive network of national and international collaborations, leading to joint projects and quality publications and research students' exchanges.

3.1 RESEARCH AND PUBLICATION

Sr. No.	Name of the Principal Investigator / Co-Investigator	Title of the Project	Department	Funding Agency	Amount of research Grant Sanctioned (Rs.)
1	Jariwala Maitri Bhaumik	Begin With Flowers	Bhagwan Arihant Institute of Technology	SSIP cell, Gov. of Gujarat	77000/-
2	Vaghela Mansi	MICROTECH	Bhagwan Mahavir College of Basic & Applied Sciences	SSIP cell, Gov. of Gujarat	77500/-
3	Das Varsha Arunbhai	Biologics: A Biological Initiative	Bhagwan Mahavir College of Basic & Applied Sciences	SSIP cell, Gov. of Gujarat	71000/-
4	Alfiya Shaikh	Chitinase Production	Bhagwan Mahavir College of Basic & Applied Sciences	SSIP cell, Gov. of Gujarat	76000/-
5	Harish Varma	DACS	Mahavir Swami College of Engineering and Technology	SSIP cell, Gov. of Gujarat	50000/-

6	Aniket Bhaiya	CoolieFi	Bhagwan Mahavir College of Management	SSIP cell, Gov. of Gujarat	50000/-
7	Yash Umesh Patel	Shivastha Medtech	Bhagwan Mahavir College of Science & Technology	SSIP cell, Gov. of Gujarat	100000/-
8	Payal Dhanwani	Skytech	Bhagwan Arihant Institute of Technology	SSIP cell, Gov. of Gujarat	188000/-
9	Sheth Kunj	Advanced Building Glass Washer	Bhagwan Mahavir College of Engineering & Technology	SSIP cell, Gov. of Gujarat	100000/-
10	Amish Hirpara	Fuel Electric Vehicle	Bhagwan Mahavir College of Engineering & Technology	SSIP cell, Gov. of Gujarat	70000/-

3.3 Ph.D. PROGRAMME

To enhance the research activity, BMU has developed Centre of Advanced Research. The vision of the centre is to provide quality & social-oriented research that may bring out the potentiality of the researchers. Besides the specific visions of the center are as follows: The center is planning to lead Bhagwan Mahavir University (BMU) to a new height.

Research is the only tool of advanced study in the concern area of interest. “Research is a systematic inquiry to describe, explain, predict and control the observed phenomenon. Ph. D. is one of the tools to sharpen the knowledge. The Ph. D. is the process of the systematic investigation into and study of materials and sources in order to establish facts and reach new conclusions. A literature review is a scholarly paper, which includes the current knowledge including substantive findings, as well as theoretical and methodological contributions to a particular topic. Literature reviews are secondary sources, and do not report new or original experimental work.

Research activities in the centre would be strengthened. To this end, the centre is planning to emphasis on research activities with the support from the head of the university. The faculty members will undertake Minor/Major research projects with financial assistance from BMU. For this, we would make the maximum use of the computers in the teaching and research activities. The centre library will start functioning from next academic year and the centre plans to subscribe the referred journals relevant to the subject. Audio-visual teaching aids and internet would be used liberally for class room instruction. The centre is planning to sign MoUs with Indian Universities/Institutions to establish cooperation in the areas of teaching, research and training. The centre is planning to publish a book of PhD dissertations abstract.

CHAPTER-IV

STUDENT SUPPORT AND PROGRESSION

The Student Support Services are available to assist students with a wide-range of issues and concerns that might arise during their time at BMU and to adjust with the environment of the university. The Dean of Student affairs (DOSA) provides 24-hour crisis services for all the students of the university with personal or family emergencies, and are available by appointment to consult with individual students about their personal questions/concerns, thus allowing students to succeed and thrive in their academic pursuit. Following sub-committees and cells are there to help students:

BMU is committed to providing a safe, fair and harmonious learning and work environment. Grievance Redressal Cell is established at university in accordance with the University Grants Commission regulations. It ensures a fair, impartial and consistent mechanism for redressal of varied issues faced by the students and staff.

Students' Welfare Committee: Students, who are meritorious, but financially weaker, may apply to this committee for financial aid from the Students' Aid Fund or may apply for Free-studentship for exemption of Tuition Fees. The notice for the same will be put up on the Students' Notice Board.

Internal Complaints Committee: The University has set up an Internal Complaints Committee (ICC) under the Sexual Harassment Act. The goal of the Sexual harassment policy is to end the problem faced by the student/employee through an internal system of relief that is easy to access, and thereby provides an effective remedy to the aggrieved complainant as quickly as possible so that she can continue to study and develop without further impediments. Moreover, any grievance of students may be written to the members of this cell. Students may write their grievances in a letter, even without their names, and drop it in a box placed in front of the principal's chamber.

Student Counselling: Keeping the academic, social-psychological, and emotional needs of its students in mind, the University has a dedicated Counselling Centre on its campus. The counsellor systematically studies and discusses a student's problems and facilitates the student to find an appropriate solution. The counsellor helps the student address his problems positively by helping him clarify the issues, explore options, develop strategies and increase self-awareness. To create awareness among the students, the counsellor also conducts group sessions on topics of general importance, like stress management, prevention of drug addiction, etc.

Placement-cell: This cell to train final year students for ENTRY IN SERVICE and organizing CAREER COUNSELING so that they may face the job market well prepared. So far, almost fifty students have been directly placed through this cell.

Remedial Coaching Cell: This cell to make the socially backward students at par with the others. Special coaching classes are organized outside of the regular classes where the students can clinch-out any doubt and study informally, so that the curricula may be more interesting.

In the university campus, the coaching classes for competitive exams like UPSC / GATE / NET / TET / CTET are available for students.

BMU has signed the MOU with renowned universities like ARIZONA-USA to provide international exposure to the students. They can learn partially at BMU and partially at ARIZONA.

4.1 STUDENT START-UP AND INNOVATION POLICY (SSIP) CELL

BMU has been at forefront in the sphere of student innovation start-up ecosystem development. To carry forward the efforts for the above and by taking early insights from interventions at Government of Gujarat has developed a Student Start-up & Innovation Policy, SSIP at State level with a commitment of 100 Crore INR grant for student innovators and start-ups.

This will primarily facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. The Broad objective is to harness creative potential of young students across universities and educational institutions. As a part of the Memorandum of Understanding (MOU) made between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP) and BMU (University with effective implementation potential), BMU will extend support for the below by this academic year.

Support up-to **25,000 INR** for filing IPR & Support up-to **2,00,000 INR** for Prototyping support for Student Innovators/Start-ups at POC stage.

The MOU between BMU and GKS is made on 20th January, 2021 at Gandhinagar, Gujarat having grant of 4000000 INR (per year) for 2 years.

4.1.1 University level SSIP committee

With the approval of Honourable President Bhagwan Mahavir University, the University Level SSIP Committee is constituted. The constitution of committee is as follows:

Sr. No	Name	Designation	Nomination
1	Dr. Nirmal Sharma	Provost	Chairperson
2	Dr. Vineet Goel	Dean Academics, SSIP-Coordinator	Coordinators
3	Dr. Ronak Dedania	Associate Prof, BMCP	Member
4	Mrs. Jigna Patel	Assistant Prof, BAIT	Member
5	Mr. Siddharth Shah	Assistant Prof, BMCET	Member
6	Mrs. Hetal Modi	Assistant Prof, BMCCA	Member
7	Mrs. Ankita Valera	Assistant Prof, BMMBA	Member
8	Mr. Dhaval Shah	Assistant Prof, BMMCA	Member
9	Mr. Naisarg Bhanvadiya	Assistant Prof, BMCA	Member
10	Dr. Vijay Matawala	Director, MSCET	Member Secretary

Table 4.2 Webinar organized under the banner of SSIP Cell

4.2 TRAINING AND PLACEMENT CELL (T&P)

BMU has started an in-house skill development & knowledge-based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonal, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & level of programs is increased with each semester progress keeping in mind to prepare students as per present industry scenario.

BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start up or entrepreneurship in today's world. Organisations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

Vision: The Central Training and Placement Cell is committed to the professional progress of Bhagwan Mahavir University students through integrating the career issues within an academic environment for realizing their best possible career path.

Mission: The Central Training and Placement Cell will help the undergraduate, postgraduate and Ph.D Bhagwan Mahavir University through counselling, instructions and training for development of desired skills essential for suitable job profile/ higher education/ self employment and inviting the Corporate Industries/Research or Academic Institutes/Commercial Organizations/Public Sector Undertakings for campus placement.

Objectives of Training & Placement Cell:

- To provide career guidance about avenues open after graduation. ie. Higher education, placements or entrepreneurship.
- To provide recruitment to students.
- Finding, informing and managing Pool Placements drives.
- Providing Training & Placement process awareness to first year students.
- Managing Recruiters correspondence and feedbacks.

- Act as a bridge between students, alumni and employers.
- Identify suitable potential employers and help them achieve their hiring goals.

Roles and Responsibilities of Training & Placement Cell:

- Arrange off-campus and campus recruitment process.
- Separate cell has been established with one full time faculty.
- Corporate recruitments data update.
- Keep interacting with corporate people.
- Providing Guide-line to students to approach companies.
- Survey on recruiters' expectations from students.
- Feedback from employers of past batches.
- Alumni networking (Conducting Alumni meet at every year).
- Organizing training sessions on soft skill development.
- Conducting Technical Workshop for all our students.
- To invite prospective companies/ organizations to campus for recruitment.
- To register students for the jobs with prescribed qualifications.
- To arrange for various facilities required on the date of interview.
- To collect appointment letters and distribute them to selected students.
- To provide in-plant training at companies/ organizations.

Activities under Training & Placement Cell are:

- Soft Skill Trainings (Mock Interview /Test)
- CEO, Experts & HR Talk Seminars/Webinars Series
- Internships
- Industry/Organisational/Industrial Exhibitions Visits
- Campus Placements
- Job Fair

Training & Placement Team (Academic Year-202-2022)

Table 4.6 Training On Technical Skills

Career Guidance and Higher Studies

Career guidance is the guidance given to individuals to help them acquire the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout. BMU, Training and Placement Cell also organizes “Career Guidance and Higher Studies” Seminars for students to assist them to unveil various career paths.

College name	Course	Date	Details	No. of Students

Table 4.7 Career Guidance Programmes

GUEST LECTURES BY EXPERTS FROM INDUSTRY, RESEARCH AND ACADEMIC INSTITUTES

Guest lectures help students improve their learning in a more interactive, topic specific way. These can be very helpful not only for the students, but can also contribute to the teacher's knowledge and practices. Guest lectures can be used to make classes more approachable and appealing to students. BMU, Training and Placement Cell also organizes Guest Lectures for students to assist them to unveil various career paths.

1. International Yoga Day – 21/06/2021

In the modern fast and stressful life, most of the people do not find time for their health maintenance and face lot of health and fitness issues. To get void of such of problems, people should have to look after their health and fitness. And for that regular food, restricted diet and Yoga are the key points.

Yoga is the best remedy, as it is cost free and time saving remedy. NSS Unit of Bhagwan Mahavir University has organized a Yoga Camp on 21st of June 2022 at School Auditorium.

Glimpses of Yoga Day Celebration at BMU

2. Independence Day – 15/08/2021

Independence Day is celebrated throughout India and every corner of the country on 15th August every year. Independence Day is celebrated by every citizen of India irrespective of caste, creed and religion. NSS Unit of Bhagwan Mahavir University, Surat organized a huge celebration on 15th August 2021 on the occasion of Independence Day.

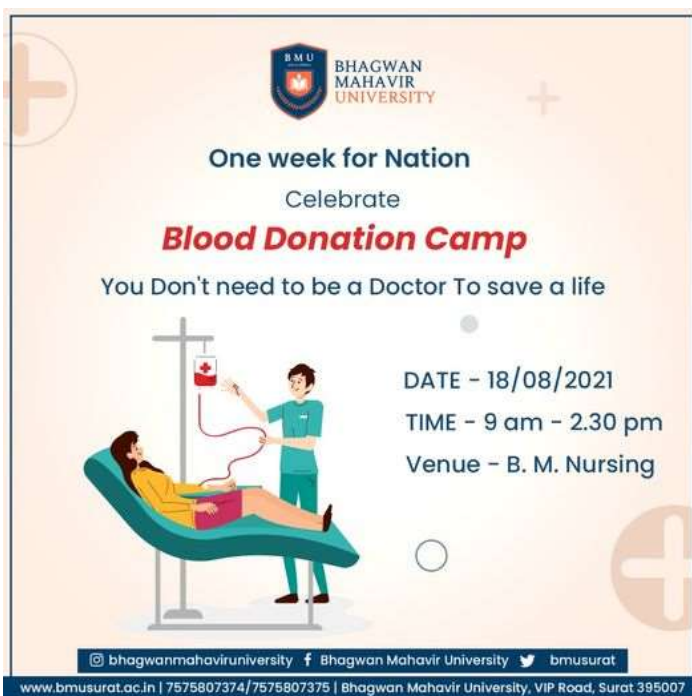

75th Independence Day was celebrated at Bhagwan Mahavir Education Foundation Campus on 15th Aug. 2021. We are thankful to our Chief Guest Shri Ketan C. Zota and Hon'ble Guest Shri. Rajendra Lumkar for their valuable presence and motivation to our youth. A huge number of BMEF staff members and the students participated in the program.

Glimpses of Independence Day Celebration at BMU

3. Blood Donation Camp – 18/08/2022

"Nobody can do everything, but everyone can do something-BLOOD DONATION"

Glimpses of Blood Donation Camp at BMU

The blood donation camp was organized on 18th August 2021 as a part of “ONE WEEK FOR NATION - 2021” under the banner of National Service Scheme (NSS) in association with Terapanth Bhavan Surat. A team of 12 doctors and nurses of ‘SMIMER’ Blood bank came for collection of blood.

The activity of blood donation was started by felicitation program thereafter donors joined the event. There was an overwhelming response from students and faculties, a total of 125 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp.

A certificate of appreciation, donation card, and refreshment was given to each donor as a token of gratitude.

4. Say No to Drugs – 23/08/2022

Addiction of harmful substances can cause a person to delve into deep depression and loneliness. Today's youth is getting addicted to drugs, which can be detrimental to the future of our country.

I, _____, promise to abstain from alcohol, tobacco and all types of drugs. I solemnly affirm not to smoke or use any tobacco products now and forever. In addition, I will always stay away from second hand drugs, which is a danger to my health. I will never sell alcohol, tobacco, cigarette or any type of intoxication. I will never involve myself in direct or indirect advertising or promotion of tobacco, alcohol, cigarette and any type of drug products. I will spread more awareness about harmful effects and long-term health impact of drugs, alcohol and tobacco use amongst the students, teachers, workers, and officials of BMEF campus. I will make my college, campus and country tobacco, alcohol and drug free. I will do my best to encourage people who want to quit smoking, alcohol and tobacco products, and will do my best to support them as they try to quit.

Glimpses of Say No to Drug Campaign at BMU

To ensure that our young generation do not indulge into consumption of harmful substances, we at BMU, are organising an awareness event - 'SAY NO TO DRUGS' under 'ONE WEEK FOR NATION - 2021' on Date: 24th August, 2021, Time: 10:00 AM to 12:00 PM.

As a part of the event, our students will visit the 'Nasha Mukti Kendra' and spread awareness amongst the school students about the harm caused by consumption of drugs. We will collectively also pledge to "SAY NO TO DRUGS".

5. Fit India Clean India – 23/08/2022

Good fortune comes where the health and cleanliness is maintained. On occasion of National Sports Day “Fit India Movement” was launched by honourable Prime Minister Narendra Modi at 10 am from Indira Gandhi Indoor Stadium in New Delhi. The Fit India Movement aims to encourage people of India to adopt a fit and healthy lifestyle.

Be it our body or the nature's surface both needs care. Care of good food and exercise.

NSS unit of Bhagwan Mahavir University has organized Fit India Clean India under our campaign of One Week for Nation on Date: - 23/08/2021, Time: - 10:30 am on-wards

Let's come together and make new India.

Bhagwan Mahavir University

Bhagwan Arihant Institute of Technology & Shikshan Bharti College of Education

6. Donate to Needy Camp Dang – 24/08/2022

To add value to life, one must learn to donate. As every small contribution goes a long way when accounted for. Taking this thought further into action, we at BMU did an event to amplify the feeling of donation, where in the team of students went to meet people of Dang and served their part of duty towards the society.

Have a glimpse of the event that gave us eternal happiness and new learnings.

7. Vaccination Camp - 07/09/2021

Every 100 years or so, humanity witnesses and endures nature's curveballs which claim millions of lives. Pandemics such as plague, cholera, Spanish flu have laughed in the face of our medical advancements and struck the weakest section of the population the hardest. The situation is no different this time with coronavirus, maybe worse. COVID-19 has created unique challenges for different segments of the population and struck at the very heart of the machinery designed to protect people from such calamities.

Glimpses of Vaccination Camp at BMU

In context to this NSS Unit of Bhagwan Mahavir University, Surat has organized Vaccination Camp for combating the spread of “CORONA VIRUS” on 7th September 2021. NSS Members & Volunteers actively took part in this campaign. BMU raises awareness about the day and the significance of great health and body.

8. Constitution Day Celebration – 26/11/2021

Constitution Day (Samvidhan Divas/National Law Day) is celebrated on 26 November, every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent assembly of India adapted to the Constitution of India, and it came into effect on 26 January 1950.

In India, 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of shri. Dr. B. R. Ambedkar Ji.

Glimpses of Constitution Day Celebration at BMU

BMU marked the "Constitution Day of India" by taking the oath of the Constitution. Constitution Day also known as "National Law Day". This year, staff of BMU gathered in different seminar hall of BMU premises to take oath on this occasion by keeping social distancing and following all other protocols of corona to celebrate this day.

9. National Youth Day – 18/01/2022

The 155th Birth Anniversary of Swami Vivekananda is celebrated as “**National Youth Day**” all over the country giving a message to the youth the way of life and ideals that will make India a better country.

NSS Unit of Bhagwan Mahavir University, Surat observed the “**National Youth Day**” on **18th January 2022** with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda.

On the occasion of **National Youth Day**, Group Discussion Competition was organized at university level by Virtual Online mode with the theme of **Sustainable development & green planet**. Chief Guest for the event were **Shri Gopal Arya**, National Convener of Paryavaran Sanrakshan Gatividhi, Guest of honor **Shri Puneet Nayyar**, IFS, DCF Surat & OSD Surat Municipal Corporation, Guest of Honor, **Mrs. Jui P. Sahastrabuddhe**, Lecturer.

The students were motivated to be good citizens of India, thus contributing to the development of the country by Conservation and protecting the environment. The event was ended by virtually giving Memento to all the Guest with the hands of Respected Trustees of BMU.

The event was attended by Respected Trustees, Campus Director, Directors of all colleges, Faculties, Staff and around 400 students.

On the occasion of National Youth Day

PRESENTS

10. Republic Day Celebration – 26/01/2022

73rd Republic Day was celebrated on 26th January 2022 with a spirit of patriotism and great enthusiasm at BMU Campus organized by NSS Unit. The students & Staff of BMU assembled on the school ground at 7:30 am. After some time, the Trustees and other distinguished persons arrived. The flag was hoisted by the Honorable Chief Guest Shri Jagdeep Dhankarji who is the Honorable Governor of West Bengal along with K.G Balakrishnan sir, honorable former Chief Justice of India, spreading the message of love for the country. This was followed by our National Anthem 'Jan Gan Man' sung by a team of students. Then the series of speeches started.

The event was digitally attended by Respected Trustees, Campus Director, Directors of all colleges, Faculties, Staff and around 300 students

Glimpses of Republic Day Celebration at BMU

As well as students of different colleges of BMU presented cultural programme, patriotic drama and patriotic song. Some students also presented group dance and skits.

11. NSS Camp 2021 – 03/03/2022 to 08/03/2022

NSS Unit of Bhagwan Mahavir University, Surat organized N.S.S Special Camp 2021 at Ahawa (DANG) from 03/03/2022 to 08/03/2022. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

Glimpses of NSS Camp at DANG

The volunteers participated enthusiastically in the camp under the supervision of Mr. Vijay Kothari (Program Officer), Mr. Nilesh Vasawala (NSS Committee Member) and Mr. Himesh Gohil (NSS – Committee Member). A week-long plan for the Special Camp was arranged:

N.S.S Volunteers conducted a Rally by making POSTER'S for the awareness among rural people regarding the ill effects of Plastic on the environment. Then they distributed cloth bag to villagers for reducing the use of plastic in their village.

They took the initiative to clean the village, distributed water pots to the villagers for the birds. BMU professors gave awareness session on the importance of Education to the students of primary school of Dang village.

Around 30 students of village took part in this session. They also visited different types of Vegetation, learnt various new techniques to grow trees, Observed Rain water Harvesting system, Ground Water Recharge technique, etc. At vlast distributed stationery items (Pen, Pencil, Rubber, Sharpner, Scale) to tribal people & encouraged them to send their children to the school to get education and arranged sports acivities for volunteers and vilage peoples.

12. Women's Day Celebration – 09/03/2022

NSS Unit of Bhagwan Mahavir University, Surat has organized a Seminar on “**WOMEN'S DAY CELEBRATION**” on 09th MARCH 2022 at School Auditorium. The Seminar was well attended by Trustees, Director, faculty members, NSS Member and around 100 students.

“Women are the real architects of the society.” This was the theme of the International Women's Day at MSCET. The event was inaugurated by Lighting Lamp with the hands of Mrs Harshita Jain (Trustee). She was the Guest for the event who with his speech made the day really noteworthy.

Glimpses of Women Day Celebration at BMU

Women's Day is dedicated to celebrating women's achievements in the social, economic, cultural, and political spheres. The day, collectively founded by women, also brings attention to gender parity and women's rights.

Of course, the global celebration of International Women's Day is a time for reflection of how far women have come, advocacy for what is still needed, and action to continue breaking down barriers.

Major Outcomes of Event:

- Students made aware about the importance of women in the society.
- Women's Day is all about ensuring that the society is just & fair to all the members including women.
- The celebration includes awards for those women who have achieved in various domains.

13. World Water Day - 22/03/2022

PRESENTATION CONDUCTED ON
THE OCCASION OF "JAL DIWAS"

Glimpses of Water Day at BMU

The climatic changes in India are showing predominant effort on a water crisis Catastrophe. It is a perennial challenge and a spectrum of conscious steps are required to be taken in this regard. This issue needs to be addressed collectively by society.

Aligned with the Jal Shakti Abhiyan initiative of Government of India, the NSS unit of MSCET celebrated "Jal Shakti Diwas" on **22nd March 2022** to make our students aware about their responsibility towards the society.

As a part of "Jal shakti Diwas" celebration, NSS volunteers conducted awareness sessions on **"Water Conservation and Water Harvesting"** in our college. We organised various competition

for students on theme “Save Water”. Students enthusiastically participated in Elocution, Poetry writing and Poster making competitions.

Around 50 students have participated actively in various competition and was successfully completed with fruitful discussion. At the end of the program Prizes were given to top three groups in each category & the session were ended by giving vote of thanks to the speaker, students, participants, etc.

The awareness about the climatic change in India required predominant effort to control water crisis catastrophe. The above celebration has spread awareness about perennial challenge and a spectrum of conscious steps for conservation of water among our engineering students.

Major Outcomes of Event

1. Sharing of ideas amongst the students to save water.
2. Reduce, Reuse & Recycle concept explained.
3. Students were encouraged to participate in various activities of “*Jal Shakti Abhiyan*”.
4. Awareness for Global warming.

Students Participated in Poster Making Competition

4.4 Youth Festival- SPANDAN-2021-22

Every year BMU celebrates youth festival “Spandan - Connecting Heartbeats of BMU” during the month of Jan/FEB in the form of Sports, In-house event and Cultural programs.

BMU organised a three-day Annual Cultural Program where students of all 13 colleges, perform on two Days of Annual Cultural Program. Which gives an opportunity for students to present their talents in music, dance, fashion show, singing and drama. Students get an opportunity to present themselves before parents, guests and the remaining students. They learn about backstage work and team work and the importance of coordination. The energised and motivated students showcase colour filled and theme-oriented performance.

BMU celebrated Spandan-2022 from 1st April, 2022 to 2nd April, 2022 at BMU Sports Ground. It was presided by the Guest of Honour and Chief Guest. Among other dignitaries present were Shri. Jagdish Jain (Chairman, BMEF), Dr. Sanjay Jain (President, BMU), Shri. Anil Jain (Secretary, BMEF), Mrs. Leena Jain (Trustee, BMU), Dr. Harshita Jain (Trustee, BMU), Dr. Nirmal Sharma (Provost, BMU), all Directors and Principals of all affiliated colleges.

The programme commenced with the BMU anthem with feeling of inspiration and togetherness. Then programme was started with Ganesh Vandana. Our student anchors and faculties of BMU extended a warm welcome to the gathering. After some performance, the Chief Guest, Guests of honour and other dignitaries on dice were felicitated by Management.

After blessing from our guests, all departments' ranker students in academic were awarded.

The best student awarded to all department's student according to their overall performances in the curricular, co-curricular, achievements. The formal function of annual day ended by vote of thanks given by Dr. Nirmal Sharma sir, PROVOST of BMU. The performances opened with a group dance. Various events in the field of drama, fashion show, talent show, dance, and singing were performed by students. Finally, results were announced by our invitee Jury- Mr. Diptesh Shah, Ms. Reshma Nagar and Mr. Sagar Gohil. All winners awarded and by trustees and all directors according to their overall performance in their talent. Success of this event couldn't possible without commendable effort and meticulous planning of students with cultural committee of Bhagwan Mahavir University.

4.5 One Week for Nation

4.5.1 By Bhagwan Mahavir University

A "*One Week for Nation*" is one of the most successful initiatives among the programs organized by Bhagwan Mahavir Education Foundation (BMEF) since 2016. BMU organized "*One Week for Nation*" activity every year to contribute in nation building through social activities and awareness programs. The main purpose of this program is to dedicate a week for a nation by through social activities and make a possible contribution to serve the nation and as well as to develop a strong feeling of the same among the students and staff members. Under this programme, various activities like Blood donation camp, tree plantation, traffic awareness activity, women and child empowerment activity, save water awareness, say no to drugs and tobacco activity, Swachh Bharat and health and hygiene awareness activity, donate to needy and many other activities are done to fulfil the commitment towards social responsibility since 2016.

This year BMU organized One Week for Nation and parrallay Environment Cell-BMU also organized One Week for Nation keeping theme of service to the Nature. In academic year 2021-22, BMU organised activities from 15th August, 2021 to 25th August, 2021. The activities performed are listed below.

 BHAGWAN MAHAVIR UNIVERSITY

Traffic Awareness Program by BMU (Date: 17/08/2021)

To raise awareness of road safety the community police and BMU ran “*Traffic Awareness*” program under “*One Week for the Nation – 2021*”. Its responsibility was taken by Mahavir Swami Polytechnic and Bhagwan Mahavir Polytechnic. BMU student team, together with the traffic control team, explained the basic traffic rules that must be observed when driving on the motorway. Students also hand out I-follow stickers to civilians if they obey all traffic rules. Students went for actual application under the guidance of the Deputy Commissioner, Shree Prashant Sumbe sir (IPS) and traffic control officers on 7th August and 15th August. Students distribute No Helmet Champion stickers to civilians on the subject of road safety.

Blood Donation Camp by BMU (Date: 18/08/2021)

MSCET and BMCET jointly organized blood donation camp on behalf of BMU as a part of “*One week for Nation*” in collaboration with Raktadan Kendra-Surat and NGO named Social Group Surat Chowpati on 18th August-2021. Students and faculty members participated with full enthusiasm. The team work and quality of leadership shown by the students was appreciable. Total 256 units blood collected in the camp.

Feel to Donate at Dang district by BMU (Date: 19/08/2021)

Bhagwan Mahavir University organized Feel to Donate at Dang district during “*One Week for Nation*” on 20th August-2021. Its responsibility was taken by Bhagwan Mahavir College of Commerce & Management Studies, Bhagwan Mahavir College of Computer Application, Bhagwan Mahavir College of Liberal Arts, and Bhagwan Mahavir College of Basic & Applied Science.

Students and faculties of BMU collected some used materials for poor peoples like foods, grains, clothes, bags, books, etc and all these materials were donated to poor people of Dang district, Gujarat.

Fit & Clean India Mission by BMU (Date: 23/08/2021)

Fit & Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets. Bhagwan Mahavir College of Computer Application (BMCCA) Students executed the mission as a part of One Week of Nation at Dumas Sea beach and collected all solid waste material and clean the bank of Dumas Sea on 23rd October-2021.

Fit India Movement is a nation-wide movement in India to encourage people to remain healthy and fit by including physical activities and sports in their daily lives. BMU Student also celebrated this event on 23rd October-2021.

“Say No to Drugs” Event by BMU (24/08/2021)

On 24th August 2021 Bhagwan Mahavir College of Management and Bhagwan Mahavir International School organized event for students of BMU on the said topic and visited the “*Nasha Mukti Kendra*” as a part of *One Week for Nation*. Moreover visited 10 school and aware the students of schools about harm of drugs and also take the pledge of “*Say no to Drug*” from citizens. Around 500 people had taken pledge during the event.

4.5.2 One week for nation by Environment Cell-BMU

Environment Cell of Bhagwan Mahavir University also organized many events from 15th August to 25th August-2021 as a part of celebration of “*One Week for Nation*” for Students to give the opportunity to remaining students.

More than 500 Students of Bhagwan Mahavir University participated in various activities and won the various prizes. On the last day of event, prize distribution ceremony was held on Bhagwan Mahavir International School Auditorium to felicitate various jury members and winners of the various events. Shri. Gopal Arya (National Convenor, Paryavaran Sanrakshan Gatividhi) was the Chief Guest and Shri Puneet Nayyar (IFS, DCF Surat and OSD Surat Municipal Corporation) was the Guest of Honors of the event.

Some Glimpses of the Events....

4.7 PROTSAHAN 2021-22

Protsahan is an Annual fest of BMCCMS. Many competitions and events were organized under the head of Protsahan during 31st may-2022 to 1st June-2022. Many colleges from Surat city participated in the event. About 500+ people participated.

The events aforementioned was spread out into distinct categories namely Lifestyle, Literary, Dance, Sports, Music, Theatre, Arts as well as Photography. Each genre had a varied set of events where each of the participant had to measure his tenacity and will against a dominant competition. The Protsahan fest was followed by the concert of famous International Singer Zaeden on 1st June-2022. The concert began at 8:00 PM. About 500+ people gathered in the concert making it a memorable one. The concert was flooded with lots of songs and energy. Zaeden began his songs with lots of applaud.

4.8 INSPIRA 2021-22

INSPIRA is inter college event organised by MBA and iMBA department every year. *INSPIRA-2022* was organised for 2 days from 29th March to 30th March, 2022.

More than 150 students from different colleges participated in the event. Different games and programs were included in event like Dance, Talant Mania, Photography, Share wars, Ad Mania, Talant hunt, etc. Dr. Piyush Vyas, Guinness world record holder, Business & Life Growth Coach, was chief of inauguration program. The other esteem juries for different competitions were Mr. Jagdish Purohit a renowned folk artist and director of spandan, and Haremb Jha choreographer and owner of cyclone dance institute, Mayank Kapadia and Dipak Rajput for Talant mania, Mr. Anil Patel for Photography.

4.9 WOMEN DEVELOPMENT CELL

The Women Development Cell (WDC) is established in the University by the then honourable provost of the University. The establishment of the WDC is indeed a landmark achievement of the university in pursuance of the policies of women empowerment within the university campus. The University has set up the WDC to address concerns of gender discrimination and recommend measures and policies for gender parity at the University. The University has set up the Campus Internal Committee to address complaints of women Harassment. Further, the University has directed all its colleges/institutions to set up College Internal Committees also. The University is preparing a comprehensive Ordinance for Gender Discrimination and Sexual Harassment.

The Cell has both the faculty and students of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality in the society through College students.

Objectives:

- Helping female students live a balanced life where they neither lurk into depression nor take the abode of aggression.
- To stress upon the development of women in every sphere.
- To organize events and activities for women empowerment.
- To create an environment that will help women realize their full potential and give their best.

Women development activities organised by Institute 2020-2021

Sr no.	Institute/ Department	Theme of activity	Date of activity	Number of participants	Coordinator

- Doctoral Research Committee

CHAPTER V

INNOVATIVE PRACTICES

5.1 TECHNOLOGICAL INNOVATION

- **I-MCQ: Online Examination Web app:** “I-MCQ” is online examination system which consists of the admin, faculty, coordinator, principal and students. In this the faculties will generate the papers from the questions added by them. The students will login and select the subject of which they need to give exam after the faculty will give the password of the exam to the students. The admin will allocate subjects to the faculties for adding questions and generating papers. It is proctor-based System, so no one can cheat during online exam. During Covid-19 pandemic, it was very helpful to Students for taking final year exam online.
- **OES: Online Enrollment Application:** “OES” is desktop-based Application, which is useful to online admission procedure. Administration task efforts are reduced using system. Thousands of students can be managed easily. Quota based system help to generate merit list, institute wise. Easy to use, any non-technical person can operate this system. Students Enrollment generates automatically Course wise in individual Institute.
- **Implementation of ERP System:** We have Implemented ERP System on initial basis in Admission, Academic and Examination Department to transform with power of technology and reduce manual effort. Further we have planning to implement in Purchase, HR and Account department. ERP have both Application and Web view. It will beneficiary for Students as well as Faculty members. Students can view their Academic Performance, View Assignments, and Announcement on a single click.
- **NAD/ABC:** National Academic Depository (NAD), which is a 24x7 online storehouse of academic awards (degrees, diplomas, certificates, mark sheets etc.,) lodged by the boards/ academic institutions/ eligibility assessment bodies in a digital format. BMU has successfully implemented NAD to facilitate students for storage of documents. The credits earned by BMU students will be stored in Academic Bank Credit (ABC). Through this facility, BMU students can transfer credits for further study.

5.2 DEVELOPMENTAL INNOVATION

- **Soft skill training:** AS per the industry requirement, soft skill is equally important for any graduate. BMU has signed MoU with VIVDISTA-USA. It will conduct soft skill training and personality development training for the students of BMU.
- **Technical Skill:** To generate graduate ready to be absorbed by industry, additional skills are extremely important. BMU has signed MoU with various training institute to conduct technical training for the students. In this mission, Pandav Survey of Mapping, Dominat Infotech, Sofcon and others are participating with BMU.
- **Environment Audit lab:** BMU has planned to start Environmental Engineering Department next year. To generate technically skilled environment engineers, BMU has already developed Environment Audit Laboratory with all the advanced equipments. Students of the department will take full fledged training along with Environment Audit laboratory team. At the end of curriculum, technically skilled engineers can be handed over to the industries.
- **IICE Cell:** BMU encourages & supports research, innovation & entrepreneurship amongst the Faculty, Staff, Research Scholars, and Students. With this objective, BMU Surat has set up an Innovation & Incubation Centre for Entrepreneurship or IICE. IICE will be the hub of Research, Innovation and Entrepreneurship at BMU Surat. Through its Centre of Entrepreneurial Excellence or IICE, BMU Surat will directly and proactively support the ideation and incubation of Innovation and Technology driven Ventures at BMU Surat by its Faculty / Staff / Research / Students and contribute towards nation building.
- **Prodigy BMU:** This cell will identify few most talented students and will train them in the domain of their interest in different field so that they can perform at national and international level.

Community Engagement: Along with the contribution from education point of view, BMU is committed to contribute for society also.

- **Blood Donation Camp:** BMU organizes blood donation camp every year in collaboration with Raktadan Kendra-Surat and NGO named Social Group Surat Chowpati. Students and faculty members participated with full enthusiasm. The team work and quality of leadership shown by the students was appreciable. About 256 units blood collected in the camp.

- **Vaccination Camp:** BMU organized free vaccination centre for COVID-19 for staff and students. Majority staff of BMU took the advantage of the same by taking first and second dose of COVID-19 vaccine.
- **Green Environment Club:** To keep the campus green and eco-friendly, BMU has established Green Environment Club. The club regularly organizes tree plantation events on various occasions. The club has started mission to make BMU campus plastic free. For that student are collecting plastic bottles and other plastic waste and convert it in to eco-bricks and other useful things.

CHAPTER - VI

FUTURE PLAN

Future Plans of Expansion

The Bhagwan Mahavir University has an optimistic expansion plan for coming years; the aim is to add on few more branches in the existing faculties

Faculty of Engineering & Technology

- **Branches to be added at Post Graduate Level**
 - a. Master of Technology Civil Engineering (Real Estate Valuation)
 - b. Master of Technology Civil Engineering (Plant & machinery Valuation)

Master in Real Estate Valuation will provide a matured technical expertise in the process of valuation. The program which features under the Faculty of Engineering (Civil Engineering) develops the students' understanding in the various fundamental topics like real estate finance, valuation, development, market analysis and economics. The valuation work of real estate properties, it requires a completely different skillset which allows students to effectively develop their career competencies. This course is designed in such a way that the students can have an in-depth study of land & building valuation, financing, developmental strategies, market analysis, and economic study. It will create great job opportunities and entrepreneurship.

M.Tech Valuation (Plant & Machinery) is a postgraduate program with huge potential. The course deals with the evaluation of plant or machinery which is done by a valuation expert. A valuation expert possesses in-depth knowledge and skill in evaluating Plant or machinery which is based on various technical expertise and factors. The course is designed to give students an in-depth study of plant or machinery valuation, financing, developmental strategies, market analysis, and economic study. Ascertaining the current market value and potential value as well (both of which keep fluctuating as per market/economic condition) of plant & machinery is the objective of the study. It will create great job opportunities and entrepreneurship.

Faculty of Computer Application. (New courses proposed)

- a. BCA (AR&VR)
- b. BCA (Game development)

Globally, demand is increasing for skilled professionals proficient in immersive technologies such as virtual reality (VR) and augmented reality (AR). Three year Graduation course on Virtual Reality (VR) and Augmented Reality (AR) provides working professionals with the essential Unity3D skills / tools needed to build VR AR apps by better understanding of these emerging technologies. A distinguished faculty members and Industry leaders will help the students to acquire critical knowledge of perceptual engineering and AR VR system design principles. This program also offers participants a project development workflow to create a presentable prototype. Theoretical concepts will be supplemented with hands-on tutorials via demonstrations and (optional) assignments.

With gaming being an evergreen domain, and with consumers all over the world, there is immense scope and potential for students taking up BCA-Game Development. This programme, at BMU, is aimed at equipping students with the various nuances of developing games and mobile applications. As reported by Economic Times in February 2020, close to 23,000 gaming-based jobs are available in India with salary packages ranging from Rs 3 lakh to Rs 40 lakh. There is a demand for professionals in the Indian gaming industry at entry, mid and mid-to-senior level positions.

Faculty of Arts (New courses proposed)

- a. Bachelor of Arts in YOGA (3 years)
- b. Master of Arts in YOGA (2 years)
- c. Master of Arts Hindu Studies (2 years)

The B.A yoga or Bachelor of Arts in yoga is an undergraduate yoga study program in which one can learn what yoga is and how it is beneficial to our life, and how we can make a career in this field. Because of the advantages of Yoga, job prospects in this industry are expanding both in India and overseas. One can engage at fitness centers, yoga facilities, special needs centres, private gyms, and individual customers' homes after completing this course.

MA Yoga or Master of Arts in Yoga is a postgraduate Yoga course. The course aims to build physical, mental, and spiritual discipline in the students. The basic tenet of the program is to develop skills of Yoga therapy in order to serve the people of the society. The course prepares professionals in yoga science who can teach at colleges and universities. Moreover enable individuals to pursue research in yogic sciences and develop yoga and management skills to inspire employable Yoga entrepreneurs.

MA Hindu Studies offers multifaceted scope in exploring intriguing aspects of our lives and society. Answers to fundamental questions like 'How religion impacts humanity?' or the anthropological

origin of religion or exploring the history of the literature of religion can be discovered through the course of the program. In a more holistic term, the course of MA Hindu Studies won't be just limited to the studies of Vedas, Upanishads, Puranas, and Itihaas but will also pave a way for you to realize the importance of economics and culture, politics, geography, foreign policies, Law and jurisprudence, Media and the Psychology of the society that played a vital role in shaping our perception of Hinduism as a religion. A student with a MA degree in Sanatana Hindu Studies shall develop a good understanding of foundational principles underlying Hindu spiritual traditions and culture. With heightened strategic importance of India as a global power in terms of its diplomacy, strategic geo-political ties and consumer market, the inquisition related to Hindus Studies is pre-emptively analysed to grow significantly, offering lucrative career opportunities.

Faculty of Architecture (New courses proposed)

- a. Bachelor of Fashion Design (4 years)
- b. Bachelor of Fine Arts (Applied Arts)
- c. Bachelor of Fine Arts (Painting)
- d. Bachelor of Fine Arts (Sculpture)

Faculty of Law (New proposed faculty)

- a. Bachelor of Law (3 Years LLB)
- b. Integrated Bachelor of Law (5 Years BBA + LLB (Hons.))

LLB (Bachelor of Legislative Laws) is an undergraduate professional degree that is sought by students to get into a legal profession. The course covers legal procedures, legal principles, ideals of corporate governance, and laws and regulations of countries. There are ample career options after LLB in India. LLB graduates can enter three major organs of the Government— Legislature, Executive and Judiciary. The course provides bright career as Advocate Legal Advisor Judiciary Teaching Legal Outsourcing job in Private Companies as legal advisor Legal Analyst etc.
