2022-2023

संस्था गीत

जय जय भारती
जय जय भारती
मा भारती की आरती
तमसो मा ज्योतिर्गमय है
अमृतमय अभीयान
असतो मा सद्गमय है
उच्च उचित संधान
मृत्योर्मा अमृतं गमय
अलोकित सोपान
गंगा यमुना से बहते हैं, यहां ज्ञान विज्ञान
संस्कारों की सरस्वती जहां, उमड़े सुबह शाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
पावन वातावरण यहां का, परिसर है पावन पावन
सुरचित पूर्ण है हर एक सुविधा, कुशल प्रबंध प्रशासन
कण कण में है ज्ञान की खुशबू, पग पग पर अनुशासन
प्रतिभाव को मिले यहां पर, सम बल और प्रोत्साहन
सब जन हिताय, सब जन सुखाय, है जिसका पैगाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
सुप्त शक्तियां जाग उठे यहां, आत्म विकास के अवसर पर
ज्ञान प्राप्त हो ऐसा यहां जो, काम आये हमें जीवनभर
पुररूपार्थ यहां, पवन में घुले मिले हैं
सात्य सात्य पर राष्ट्रभक्ति के, यहां फूल खिलते हैं
शिक्षा का यह, तीर्थ बना है, सुरत में अभीराम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती

Message from the Chairman

Welcome to BHAGWAN MAHAVIR EDUCATION FOUNDATION. It is my privilege to introduce you to BMEF-The fastest growing Educational Organization of Gujarat. By building people, we build society. By building leaders, we build the nation's technology and economy. Education is, in effect, a nation's service. At BMEF, we believe only a well-disciplined, value-added students to become the high profiled professionals who can achieve the avowed objective of our former president Honourable Abdul Kalam to make our country "Super Power". Our institutions vision rests on worldly realities and bears a peaceful and harmonial atmosphere that enables you to experience wisdom and knowledge you achieve in a jubilant way. As you pursue your studies, please do recall that a college education is not entirely academic. It extends beyond the classrooms, Laboratories and workshops to seminars, meetings, cultural, social activities and athletic events. I firmly believe that you will become involved in BMEF campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling. I am pleased to acknowledge your interest in BMEF Group of Institutions. At BMEF foster the growth of innovative professionals, scientists and engineers who firmly hold the trust and confidence of the community at large. I want BMEF Group to be the dream of every soul that wants to experience true enlightenment & exposure excellence.

Shri Jagdish Jain

Chairman

Bhagwan Mahavir Education Foundation

Message from the Founder and Managing Trustee

We at Bhagwan Mahavir Education Foundation ensure that students acquire knowledge and hone their skills to shine bright in the world by their significant contribution to industry and academia. Apart from regular classroom teaching we emphasize on project work, research activities, real-life case studies and industrial hands-on training. Our foundation also works towards the continual improvement of our service quality through training and development. I am sure that BMEF will have a pivotal role in the development of shining India.

Shri Anil Jain

Founder & Managing Trustee

Bhagwan Mahavir Education Foundation

Message from the President

It is rightly said by Dr. A.P.J. Abdul Kalam that ‘You have to dream, before your dreams can come true’. Bhagwan Mahavir Education Foundation (BMEF) strives hard to become the platform for these dreamers. Bhagwan Mahavir Education Foundation is emerging as a leader in providing quality higher education, especially in Gujarat and Haryana region. We at BMEF constantly explore the best possible ways of providing world class education and amenities to the students. We also believe in imbibing modern technical skills as well as traditional Bhartiya values in the students. I welcome students to BMEF for holistic academic and personal growth.

Dr. Sanjay Jain
President
Bhagwan Mahavir University

Message from the Provost

To survive and thrive in today's cut-throat business world, it is mandatory to implement quality education programs & bring innovative changes in the higher & technical education system with the sole aim of delivering a qualitative edge in productivity, profitability and efficiency, the base of which is qualitative technical & management educational system. As the information transfer technology, worldwide, has been undergoing transformation, pressure is sometimes applied on universities & educational establishment to become more 'business like' in their way of doing things. Within the changing paradigm of what constitutes an educational establishments & universities, the position and role of the academic staff have also come under pressure. This paradigm shift has impacted on Higher education institutions in which there is an increased emphasis on productivity, quality and accountability. One of the consequences of increased 'Managerialism' and 'Corporatization' in higher & management education institutions is an attempt to develop quality management and appraisal systems along with the basic course of action.

To a remarkable degree BMEF is in the growth path of imparting high-quality education with the understanding that quality failures in higher education, in professional & general life can and do result in serious human inconvenience, economic waste and sometimes loss of life because of the poor technical & managerial educational background. The implementation of the skill-based training system in BMEF has brought significant change in the employability & preparedness of entrepreneurship.

Dr. Nirmal Sharma
Provost
Bhagwan Mahavir University

CHAPTER – I

CURRICULAR ASPECTS

Bhagwan Mahavir University, in line with its Vision, Mission and Quality Policy, provides value-based quality education and outcome-based learning to the students with the aim to serve the local, national and global community. The Institute offers a variety of under-graduate, post-graduate and research programmes. The curriculum and syllabi of these programmes are dynamically revised based on the guidelines of AICTE, PCI, NCTE, Council of Architecture, Nursing Council, Bar Council, Professional Societies and with suggestions received from stakeholders. In order to provide a holistic education, the curriculum is framed with courses under various categories such as Humanities and Social Sciences, Basic Science, Engineering Science, Professional Core, Professional Elective, Open Elective and Employability Enhancement Courses. A flexible system allows students to choose elective courses of their interest across disciplines. A well-established feedback system is in place which helps to enrich the curriculum and syllabi, which is then reviewed and approved by the Boards of Studies and the Academic Council. In addition, value added courses and professional skills training courses are provided to enhance the multidisciplinary skills of the students and to bridge the gap between the curriculum and industry. The National Education Policy 2020 envisions a nation-centric education system that contributes directly to transforming our nation sustainably into an equitable, vibrant, and knowledge-based society by providing high quality education to all the citizens. Bhagwan Mahavir University (BMU) is committed to implement NEP 2020 for reshaping its educational eco system to ensure that holistic, qualitative and student centric approach is developed.

1. Multidisciplinary Education

To promote and encourage Multidisciplinary education within the University, BMU has taken concrete actions. BMU has established framework to support multi-disciplinary education. BMU has reviewed the complete academic structure of all programmes running under constituent Colleges. BMU is multi-disciplinary institution and having more than 125 programs running. Within BMU students have the option to opt for multi-disciplinary subject in elective form. BMU has multiple disciplines like Liberal Arts, Science, Education, Engineering, Pharmacy, Management, Commerce, Computer Application, Information Technology, Architecture and Finishing School. BMU has Implemented provision for Two-degree, Dual Degree, Joint degree and Twinning Program as per the guidelines of NEP2020. The possible areas of Multidisciplinary education have been identified and are being implemented.

2. Academic Bank of Credit

An Academic Bank of Credit (ABC) would digitally store the academic credits earned from various recognized HEIs so that the degrees from an HEI can be awarded taking into account credits earned. BMU has registered for opening the account for Academic Bank of Credit and NAD-Digi locker. The ABC credentials have been received. BMU has uploaded the degrees and related documents of all the students passed out so far to Digi locker.

3. Multiple Entry and Multiple Exit

Multiple Entry Exit System removes rigid boundaries of diploma/degree completion years and provide the solution towards reducing the dropout rates with considerable improvement of Gross Enrolment Ratio (GER) to ensure no-loss to students in the case of exiting in between. The BMU reviewed all Diploma, UG, and PG programmes for exploring to provide the multiple entry and exit option. Each constituent college is directed to propose the steps for implementing the Multiple Entry and Multiple Exit options along with the possible changes/restructuring in the processes.

4. Choice Based Credit System (CBCS)

CBCS aims to redefine the curriculum keeping pace with the liberalisation and globalisation in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students. The credit framework for Four Year Under Graduate Program (FYUGP) has been approved by the Academic Council of BMU with facility of graduation Honours Degree and Honours with Research.

5. SWAYAM MOOCs

MOOCs integrate social networking, accessible online resources, and are facilitated by leading practitioners in the field of study. The BMU is having MOOCs (SWAYAM) provisions in the regulations. All Board of Studies (BOS) have to implement MOOCs (SWAYAM) in their colleges. Students as well as Faculties members have been sensitized about the SWAYAM/MOOCs and its benefits. Students Registration for MOOCs has been also initiated and getting good response.

6. Apprenticeship Embedded Degree Programme

To improve the employability of students pursuing undergraduate level general degree Programme, outcome-based learning programmes in degree program is implemented including active linkage between the higher education system and industry non-commercial and commercial enterprises/organisations. The Diploma in engineering students have registered under the apprenticeship scheme of Board of Apprenticeship and undertaken the apprenticeship. BMU has

introduced the embedded Internship programmes in the courses running under Engineering, Nursing, Computer Application, Information Technology, Management and Education colleges as a part of the curriculum. BMU has established tie-up with many industries of IT, Management, Engineering, Pharma and Management. BMU has made suitable provisions in degree and diploma courses and restructure its curriculum after complying all academic processes.

7. Academic Collaboration between Indian and foreign HEIs

As per NEP, an International Students Office at each HEI hosting foreign students will be set up to coordinate all matters relating to welcoming and supporting students arriving from abroad. BMU has established the office of International Affairs. Head of International Affairs is officiating and facilitating the collaboration with Foreign HEIs and successfully started the program with Louisiana State University-Shreveport.

8. Courses in Indian Languages

To promote and encourage to learn and adopt the Indian Languages and the culture of India, BMU has introduced the various courses in Indian Languages. Such courses are Diploma Engineering (Gujarati), BA (Hindi, Gujarati, Sanskrit), M. Com (Gujarati), B Com (Gujarati), B Ed (Option has been given for Gujarati Language), BSc Chemistry (Option for Gujarati or English). BMU is exploring the Usage of Indian Language in teaching, learning material and textbooks in other domain like Management, Science, Pharmacy, Computer Application, Information Technology, etc. Education and Liberal Arts Institute have adopted the Indian Languages. The University Library has been directed to translate the literature in Indian Languages.

9. Indian Knowledge System (IKS)

BMU sensitize the students about the Indian Knowledge Systems and its contributors by celebrating Independence Day, Republic Day, Environment Day, and International Yoga Day on every year. The students are mentored to present ancient heritage and role of contributors during the cultural programs. BMU has introduced Yoga and Hindus Studies in the Curriculum. The other subjects like Bhagwan Geeta, Ramayana, Mahabharat, Vedic Mathematics, Vastu Sastra, and Management by Mahabharat are under exploration for introduction in curriculum.

10. Industry – Institute Linkage

BMU has established the Industry Institute Interaction Cell (III Cell) under the direct supervision of Provost headed by the director of III Cell. BMU has signed more than 45 MOUs with the reputed Industries. BMU has established the linkages with more than 500 industries/companies spanning

across the different domains/areas. Every Year the BMU organizes the industries – Academia meets under the “Industry-Academia” linkage initiative. The industry-Academia linkages are used effectively for Internship, Training, Skill Development and providing an employment opportunity to students. BMU organizes the Mega Job Fair on every year and providing opportunities to BMU Students as well as the student’s community of Gujarat state.

1.1 ACADEMIC PROGRAMMES OFFERED AT BMU

Sr. No	Programmes	Year of Introduction	Intake (Seats)
Diploma			
1	Diploma in Engineering (Automobile)	2020-21	180
2	Diploma in Engineering (Civil)	2020-21	300
3	Diploma in Engineering (Computer)	2020-21	480
4	Diploma in Engineering (Electrical)	2020-21	180

55	Master of Science (M.Sc. Environmental Science)	2020-21	30
56	Master of Science (M.Sc. Physics)	2020-21	30
57	Master of Science (M.Sc. Mathematics)	2020-21	30
58	Master of Science (M.Sc. Applied Statistics)	2020-21	30
59	Masters in Planning (M. Plan.)	2020-21	30
60	Master of Education (M.Ed.)	2020-21	50
61	Master of Physical Education (M.P. Ed.)	2020-21	50
62	Master of Science in Informatics (M.Sc. Informatics)	2021-22	30
63	Master of Science in Medical Laboratory Technology (M.Sc. MLT)	2021-22	30
64	Master of Arts (M.A. Yoga)	2022-23	30
65	Master of Arts (M.A. Hindu studies)	2022-23	30
66	Master of Technology (M. Tech. Real Estate Valuation.)	2022-23	18
Integrated			
1	Master of Science M.Sc. IT (Integrated)	2019-20	180
2	Master of Business Administration (iMBA)	2020-21	60
3	Master of Computer Application (iMCA)	2020-21	60
4	Integrated Bachelor of Science (iMLT)	2020-21	240
5	Integrated Bachelor of law (BBA+LLB)	2022-23	180

PG Diploma			
1	Post Graduate Diploma (PGDMLT)	2019-20	120
2	Post Graduate Diploma (Data Science)	2019-20	30
3	Post Graduate Diploma (PGDCA-General)	2019-20	30
4	Post Graduation Diploma (AI & ML)	2019-20	30

Courses for Skill Development:

Bhagwan Mahavir University Surat will start Centre of Skill Development with the Vision that “The structured skill development model will contribute to improve the performance of the people and organizations which will result in the increase in employability skills, facilitate the entrepreneur culture, Develop and facilitate skilling and re-skilling solutions, Develop R&D centre supporting industrial innovation, exchange national and international best practices, Provide the skilling framework that keeps people aligned to current and future skill requirements of the market, Provide skills that enable people to become job ready and pursue their career aspirations through various career opportunities.”

Sr. No.	Programmes	Year of Introduction	Intake (Seats)
Certificate Course			
1	Welding and Quality Technician	2020-21	25
2	Attendant Sub-Station (66/11, 33/11 kV) -Power Distribution	2020-21	25
3	Junior Engineer- Power Distribution	2020-21	25
4	Solar PV Installer	2020-21	25
5	Block chain	2020-21	25
6	Certificate In Java	2020-21	25
7	Computer Aided Software Design	2020-21	25
8	Welding Assistant	2020-21	25
9	Welding Technician	2020-21	25
10	Computer Aided Software Design- Civil Engineering	2020-21	25
11	Automotive Repair Welder	2020-21	25
12	Machining and Quality Technician	2020-21	25
13	Attendant Operator (Chemical Plant)	2020-21	25
14	Data Entry Operator	2020-21	25
15	Biometric Data Entry Operator	2020-21	25

1.2 UNIVERSITY COLLEGES / DEPARTMENT AT A GLANCE

1.2.1 Engineering & Technology

- 1. Bhagwan Mahavir College of Engineering & Technology**
- 2. Mahavir Swami College of Engineering & Technology**
- 3. Bhagwan Arihant Institute of Technology**
- 4. Bhagawan Mahavir Polytechnic**
- 5. Mahavir Swami College of Polytechnic**

Dean: Dr. Hitesh Joshi

Program Offered:

Diploma Engineering

Bachelor of Technology

Master of Technology

Ph.D.

ABOUT COLLEGES:

The Engineering & Technology department of BMU (Bhagwan Mahavir University) is running three-degree engineering colleges viz. BMCET, BAIT and MSCET and two polytechnic BMPoly and MSPoly. All the colleges are approved by All India Council for Technical Education (AICTE), and Directorate of Technical Education, Govt. of Gujarat and constituent institute of the Bhagwan Mahavir University. BMCET is established in 2008, MSCET is established in 2012 and BAIT established in 2017 under the aegis of BMEF.

The faculty offers graduate programmes in Automobile, Mechanical, Civil, Electrical, Computer, Electronics, Electronics & Communication, Chemical, Robotics & Automation, and Nanotechnology, Aeronautical engineering, Environmental engineering, pharmaceutical engineering and Information Technology. It offers MTech. Programmes in Civil, Electrical, Computer, Mechanical and Electronics engineering. It offers PhD (Doctor of Philosophy) Programmes in Civil, Electrical, Computer, Mechanical and Aeronautical engineering. BM Poly was established in 2008 and MS Poly was established in 2012. The faculty offers diploma courses in Automobile, Mechanical, Civil, Electrical, Computer, Information Technology, Chemical, Aeronautical, Robotics & Automation, Architecture Assistantship and Electronics engineering. All the departments have their own identity.

AERONAUTICAL ENGINEERING:

BMU's Aeronautical Engineering program is dedicated to the design, development and operation of aircraft and spacecraft. Students gain in-depth knowledge in aerodynamics, aircraft structures,

propulsion systems, flight dynamics and controls. They also gain experience with advanced technologies and simulations to analyze aircraft performance. Graduates are well prepared for careers in aerospace research and development, aircraft design, maintenance and roles in the aviation and space industries. With the aerospace sector growing rapidly, this program offers exciting opportunities for those passionate about aviation and space exploration.

AUTOMOBILE ENGINEERING:

In the field of Automobile Engineering, BMU places a strong emphasis on the design, manufacturing, and maintenance of vehicles. Students can opt for specializations such as Automotive Electronics (focusing on vehicle electronics systems), Vehicle Dynamics (concentrating on the performance and handling of vehicles), and Alternative Fuels (exploring sustainable and alternative propulsion methods). Our well-equipped automotive labs provide hands-on experience with the latest vehicle technologies, allowing students to gain real-world insights into the automotive industry.

CIVIL ENGINEERING:

BMU's Civil engineering deals with the design, construction, and maintenance of the physical and naturally built environment, including public works such as roads, bridges, canals, dams, airports, sewerage systems, pipelines, structural components of buildings, and railways. The department offers flexible syllabus for the students for their post-graduation in specializations like Structural Engineering, Construction Project Management, Water Resource Engineering Town & Country Planning and Real Estate Valuation. The department of civil engineering has well equipped laboratories in all areas.

CHEMICAL ENGINEERING:

Within the Chemical Engineering department, BMU offers a comprehensive program that delves into the science and processes behind chemical reactions and materials. Students have the opportunity to specialize in areas such as Process Engineering (designing and optimizing chemical processes), Materials Science (studying the properties and applications of materials), and Environmental Engineering (addressing environmental sustainability and pollution control). Our advanced chemical labs are equipped with specialized equipment for experiments in chemical synthesis, analysis, and testing. Graduates from this program find career opportunities in diverse sectors, including pharmaceuticals, petrochemicals, environmental management, and more.

COMPUTER SCIENCE ENGINEERING:

BMU's Computer Science program offers an extensive curriculum that covers a wide spectrum of computing disciplines. Students can specialize in areas like Artificial Intelligence (exploring machine learning, robotics, and AI applications), Software Engineering (learning software development methodologies and practices), and Data Science (analyzing and interpreting complex data sets). Our computer science labs are equipped with the latest hardware and software tools for software development, data analysis, and AI research. Graduates from this program are in high demand across industries such as technology, finance, healthcare, and more.

ELECTRICAL ENGINEERING:

BMU's Electrical Engineering program encompasses a wide spectrum of electrical systems, electronics, and power generation. Students can choose from specialized areas like Power Systems (concentrating on the generation and distribution of electrical power), Control Systems (centred on automation and control processes), and Renewable Energy (exploring sustainable power sources). Our modern laboratories are equipped with advanced equipment, offering students the opportunity to work with emerging technologies in the field.

ELECTRONICS ENGINEERING:

BMU's Electronics Engineering program is tailored to meet the demands of the rapidly evolving electronics industry. Students can choose from various specializations such as Digital Electronics (focusing on digital circuitry and logic design), Analog Electronics (exploring analog circuit design and signal processing), and Embedded Systems (developing computer systems integrated into devices and machinery). Our state-of-the-art electronics labs provide students with hands-on experience in designing and building electronic circuits and systems. Graduates are well-prepared for careers in industries ranging from consumer electronics to telecommunications and automation.

INFORMATION TECHNOLOGY:

BMU's Information Technology program focuses on the management and utilization of information systems and technology. Students can specialize in areas such as Network Security (ensuring the security of computer networks), Cloud Computing (exploring cloud-based technologies), and Database Management (managing data storage and retrieval systems). Our well-equipped IT labs provide hands-on experience with networking hardware, cybersecurity tools, and database management systems.

MECHANICAL ENGINEERING:

Within the Mechanical Engineering department, BMU focuses on the study of mechanical systems, their design, analysis, and development. Students have the opportunity to specialize in various areas, including Thermal Engineering (dealing with heat and energy), Manufacturing Technology (exploring the production processes), and Machine Design (focusing on creating efficient mechanical systems). Our state-of-the-art laboratories are equipped with cutting-edge machinery and tools, facilitating hands-on learning and enabling students to gain practical experience in their chosen field.

ROBOTICS AND AUTOMATION:

BMU's Robotics and Automation program immerses students in the exciting realm of autonomous systems and artificial intelligence. Specializations include Autonomous Robots (concerned with self-driving and self-operating machines), Human-Robot Interaction (exploring how humans and robots interact in various settings), and Robotics Vision (focusing on computer vision and perception for robots). Our cutting-edge robotics labs feature the latest hardware and software, providing students with the ideal environment for experimentation, research, and innovation in robotics technology.

Library Details AY 2022-23:

No. of Books Available: **33,668**

No. of Title available: **5569**

No. of Journals subscribed during: **9- (DELNET – E Journal)**

No. of magazines subscribed during: **00**

Highlights:

- Well-equipped laboratories are established for all running courses.
- 15+ research/review papers published in reputed journals by faculty members
- Organized Workshop Learning on Arduino, Arduino IDE and Arduino Syntax, Installing Arduino and Interfacing with LCD, SSD on 6th-7th October 2022.
- Organized a FDP on ‘Redefine Yourself’ in polytechnic college on 8th November 2022.

- Organized an awareness program on Laws against Crime in Engineering on 9th December 2022.
- Organized an AAYAM Tech-fest in Faculty of engineering on 27th-28th February 2023.
- Organized an Alumni meet 2023 in Faculty of engineering on 17th March 2023.

1.2.2 Pharmacy

Bhagwan Mahavir College of Pharmacy (BMCP)

Director: Dr. Vineet C Jain

Program Offered:

Diploma in Pharmacy (D. Pharm)

Bachelor of Pharmacy (B. Pharm)

Master of Pharmacy (M. Pharm)

Ph. D

ABOUT DEPARTMENT / COLLEGE

Bhagwan Mahavir College of Pharmacy offers D. Pharm., B. Pharm, M. Pharm (Pharmaceutics, Pharmaceutical Quality Assurance & Pharmaceutical Regulatory Affairs) and Ph. D programmes. Bhagwan Mahavir College of Pharmacy is affiliated to PCI and constituent college of BMU. The college is established in the year 2007 under the aegis of BMEF. The college has been successful in maintaining a high level of academic standards and value-based education to meet society needs. The highly qualified and dedicated faculty provides continuous mentorship and counselling to bring out students to meet the diversified challenges in the area of pharmaceutical education, research and development, to ensure holistic personal growth of students.

The vision is to become a pioneer pharmacy college in India, through superior delivery of the pharmacy education and foster pharmaceutical research activities through invention of a scientific research community pursuing leading, emerging synthesis in science and utilizing latest technologies, for the betterment of mankind.

Our main objective is to support students in meeting the challenges they face, and to help them reach their goals. Students who select this college can have confidence that we will strive to guide the students in making wise decision so that, after graduation, they can choose a right field for their livelihood and become successful in life.

We believe not only in academic excellence but also in the overall development of our students. We encourage our students to participate in the intercollegiate events and lot of extra-curricular activities throughout the year. Students will find lively, captivated and friendly ambiance at our college. Right from its inception BMCP has striven to provide quality education and develop competent pharmacist with high moral values, blend professionalism and a sense of social responsibility so as to be recognized as dutiful citizens of the country.

In order to provide best possible pharmacy education, the college has full-fledged laboratories. It boasts of a well-equipped modernized analytical laboratory, machine room and a well-maintained animal house. The college also has an excellent digitalized library facility with sufficient number of books and renowned national and international journals.

Highlights

- 100 % Placement in Postgraduate Program
- Around 14 Research Paper Publications in UGC approved, SCOPUS, Web of Science, National and International journals
- Submitted 3 projects by student for SSIP grants.
- Organised Experts session on soft skill and technical training
- Active participation of students and faculty in cultural, social activities i.e. Environment Cell, One Week for Nation, Spandan etc.
- Organised and celebrated World Pharmacist Day

1.2.3 Management

Bhagwan Mahavir College of Management - MBA & MCA

Principal: Ms. Neelima Kamjula

Program Offered:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (iMBA)
- Master of Computer Application (MCA)
- Integrated Master of Computer Application (iMCA)
- PhD (Management)

ABOUT DEPARTMENT / COLLEGE

Our Vision

“Bhagwan Mahavir College of Management is spreading of indianisation to Vishwanisation through excellence in value-based education and transformation young people in to better human being”.

Our Mission

“Bhagwan Mahavir College of Management’s mission is to fulfill your (Corporate) dream by providing knowledgeable, well trained, dedicated, result oriented and professional achiever, executives through knowledge transfer partnership, who can translate your vision into reality”.

Quality Objectives of BMCM

- Apply best practices to solve managerial issues
- Integrate theories and practice to perform strategic analysis
- Demonstrate effective written forms of communication and oral business Presentations
- Implement leadership skills to work effectively within diverse teams
- Identify and analyze ethical responsibilities of businesses
- Apply decision-making techniques, both quantitative and qualitative analysis, to management issues

About BMCM

With the growing competition like anything and emerging competitors like mushrooms, it is important for management institute to cater the needs of society and stand out with par excellence. Under the aegis of Bhagwan Mahavir University (BMU), Bhagwan Mahavir College of Management (BMCM) established in the year 2007 and is committed to deliver excellent

education and training to our students. At BMCM, we believe that it is easy to go with the crowd and follow others in their footsteps but carving a niche for oneself and standing for what you believe in makes others proud and emulate you. Hence BMCM's first priority is to always ensure that our students compete in the world with their best of talent and confidence.

BMU's Faculty of Management Studies (FMS) provides a variety of programs geared to help students gain an in-depth knowledge of the various aspects of business, understanding business management functions of planning, organizing, administering, controlling, producing, marketing, and distributing goods and services are used in all business and economic activities, whether in the private or public sector. In today's increasingly competitive business environment, the ideas and procedures of business are more important than ever before, as organizations grow larger, more complicated, and more regulated.

BMCM of BMU Conducts four master's degree programmes:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (IMBA)
- Master of Computer Applications (MCA)
- Integrated Master of Computer Applications (IMCA)

All of the above courses have been approved by the All-India Council for Technical Education (AICTE) and the Directorate of Technical Education and are a part of Bhagwan Mahavir University. BMCM was founded in 2007 under the auspices of Bhagwan Mahavir Educational Foundation (BMEF). Today there is a huge requirement for management institutes to meet the demands of society while also standing out from the crowd in an environment where competition is exploding like a forest fire. Bhagwan Mahavir College of Management (BMCM) is dedicated to providing top-notch education and training to its students. We believe that carving out a space for yourself and speaking up for what you believe in inspires others to follow in your footsteps. Our primary aim is to ensure that our students are prepared to compete in the global marketplace with their potential to the fullest.

BMCM Curriculum includes summer internship and project report writing to ensure corporate interface. Guest lecturers and industrial trips are a part of our curriculum and apart from it those who want international exposure can go on foreign educational excursions. The way our students work together and talk to each other is amazing. We can tell that the spirit is growing stronger as time goes on. We would love to work as a team to reach students and the business world for the constant growth and progress in the system.

The ideas and applications of management are taught by a pool of experienced and competent teachers through classroom instructions, discussion groups, demonstrations and case studies. Professionals in the sector provide additional sessions to align the students' education with the latest developments. Students are encouraged to handle projects and perform a variety of roles in organizing the formal and informal events to ensure the confidence in students. Further, we organize to ensure the academic knowledge and communication skills. This resulted in obtaining high test scores and lucrative professional possibilities by displaying their fiery personalities in students.

Campus life at BMCM

- BMCM offers Graduate, Post Graduate and Research Programs in Management and Computer Application. The Campus is located at the heart of Surat city, Vesu. It is accessible to all kind of students and from all the locations. We are unique in our culture to ensure quality education with ethical foundations.
- We offer students to experience practical knowledge through live projects, internships and practical learning through industrial visits/sight tours which is a mandatory practice. Student workshops, Case study methodology, Industry-Institute interactions are a part of syllabus to impart analytical thinking and make student learn from Dynamic situations.
- We encourage students to organize INSPIRA & MIND-SPARK, the Annual Business Management and Technical fests where they conduct intercollegiate competitions. Extra-Curricular Activities include Devotional and Cultural fests, Student's Annual Youth festival called SPANDAN.
- Student-Teacher-Parent interaction is an important activity of BMCM and we encourage students to take part in National Service Scheme (NSS) activities which develops their responsibility towards the Society. Quarterly news-letters of BMU detail our campus activities. Individual priorities and start-up ideas are welcomed and Student Incubation Center helps to develop the same and best ideas are funded by various funding agencies. We encourage students to develop Best Business Ideas, Rural Women Business development activities are a part of it.
- Experienced Academicians of BMCM developed a culture of contributing their research, conceptual, cases study papers with International Standard Book Number (ISBN) and International Standard Serial Number (ISSN) journals. It is a multi-tasking environment where every individual is treated as a valuable resource for the development of student community and the society.

Highlights at BMCM

Institute Industry Project IIP: The objective of the IIP Cell is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry to attain a symbiosis.

Value added certifications: In addition to the above students are exposed and certified through blended learning mode of online lectures of faculties of international universities / industries curated by in class tutorials and workshops.

International Immersion: University aims to develop global awareness and knowledge on competitive skills that can be well-matched to the international jobs. Also practical assignments to learn the same are encouraged. The prime focus to bring internationalization will be by fostering globally connected research and scholarship.

Focus on Personality training till the course completion: Personality Development programs play a crucial role to make students understand individual differences in behavior. Further interest is also developed in understanding the ways individuals develop their unique patterns of responding to the environment based on genetic endowments and social histories.

Research Training and Incubation: Student Incubation Centre at BMCM fosters innovation, research and entrepreneurial activities in technology-based areas. It provides a platform for start-

ups. Training and separate sessions are conducted which helps the various stages of new product/service development like pitch their ideas, validate the ideas and implementing the same. It also provides services related to patenting and commercialization.

MOUs with International Academic Institutions and Industry Bodies: With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their engineering problems, they look up now to management institutions. Similarly, there is an urgent need to prepare management students for jobs in multinational companies, by exposing them to newer technologies and management methodologies. Hence MOUS with top industries and academic research institutes is given priority. Sessions are organized for final year students specifically to prepare them ready for industry needs and also to sensitize them the corporate culture. This includes:

- Time Management, Planning and Prioritization
- Attitude, Verbal and Nonverbal Skills
- Effective Communication Skills
- Group Discussion and Team Building Skills
- Etiquette and Interview Skills
- Project based learning aspects
- Practical sessions in industries
- Industry visits as a part of learning program

Students mentoring: it is a continuous process where a set of students are allocated with a faculty mentor or facilitator. Mentors give students an opportunity to share the difficulties & problems and guide them to build trust and confidence.

1.2.4 Nursing:

Bhagwan Mahavir College of Nursing

Principal Mrs. Priyanka Bhatt, (Bhagwan Mahavir College of Nursing)
Mrs. Dharmistha R Patel (Bhagwan Mahavir School of Nursing)

Courses offered:

- General Nursing & Midwifery (BMSN)
- Basic B. Sc Nursing (BMCN)
- Post Basic B. Sc Nursing (BMCN)

Affiliation and Reorganizations:

- Indian Nursing Council, Delhi (I.N.C.)
- Gujarat nursing council, Ahmedabad (G.N.C.)
- Government of Gujarat, Gandhinagar.
- Bhagwan Mahavir University, Surat

ABOUT DEPARTMENT / COLLEGE

The Bhagwan Mahavir School of Nursing under Bhagwan Mahavir Education Foundation offering GNM programme was founded in 2009. Bhagwan Mahavir College of Nursing under Bhagwan Mahavir University offering Basic B. Sc Nursing & Post Basic B. Sc Nursing programme was started in the year 2020. Bhagwan Mahavir College of Nursing is recognized by Indian Nursing Council, New Delhi & Gujarat Nursing Council, Ahmadabad and affiliated to Bhagwan Mahavir University, Surat.

Bhagwan Mahavir College of Nursing has highly qualified faculty, excellent infrastructure and good affiliated hospitals, which provide a wholesome experience in nursing education. The college building has spacious classroom with adequate ventilation and light with Teacher flat form, Multipurpose Hall with attractive seating arrangement, Sophisticated Library with internet, Printing, copier facilities, fully furnished computer lab with internet facility, pre-clinical lab, Anatomy Lab, Fundamentals of Nursing Lab, Nutrition lab, Maternal and child health lab, Community Health Nursing lab, Examination Hall, Audiovisual lab to help in teaching learning process.

Students are provided with wide area of clinical practices at New Civil Hospital, Surat, which is having 1200 beds with all specialties & Super specialties providing the student clinical experience under one roof. Students will have the opportunity to get hands on experience in Medical Surgical Nursing, Obstetrics and Gynaecology Nursing, Mental Health Nursing, Child Health Nursing,

Community Health Nursing etc. Institute has affiliations with Primary Health Centre, Sachin and Public Health centre, Althan for Community Health Nursing field training.

Laboratory-assisted teaching method is used to enhance learning experiences. The following are some of the laboratories.

Pre-Clinical Science Lab

Pre-Clinical Science Lab is well-equipped with models & specimens, all the bones, skeleton & subject related charts etc.

Anatomy Lab:

Anatomy Lab helps students in deeper understanding of Human Body. Understanding of students about Human Anatomy & Physiology is done with the help of articulated skeletons, torso, various bones, models of different organs & charts.

Fundamentals of Nursing Lab:

The lab is well furnished and well ventilated with all the necessary equipments like patient beds, mattresses, bed sheets, bedside locker, linens & blankets, napkins and towels, bed cradle, cardiac table, wheel chair, stretcher, critical care unit, O₂ cylinder with flow meter, CPR dummy and Suction apparatus, different sizes procedure trays, and other instruments.

Nutrition Lab:

Nutrition lab is equipped and well furnished with utensils and nutritional charts. It is well ventilated with adequate lighting and water facilities.

Maternal and Child Health Nursing Lab:

The lab is equipped with manikins, models of pelvis, fetal skull, placenta and spongy fetus to practice different mechanism of labour. It is also equipped with variety of instruments and labour kits.

Community Health Nursing Lab

Community Health Nursing Lab is equipped with adequate community lab instruments, community bags, AV Aids & family folders.

Computer Lab:

Computers are an integral part of hospital and thus of the nursing profession. Computer systems are used for Patient Administration, Electronic Medical Records, and Inter office communication and in other applications. We have a well-equipped computer lab with 40 numbers of computers with internet facilities.

AV aids Lab:

A well-equipped audio-visual aids lab with OHP, public address system, flannel boards. DVD player, stereo player, slide projector, portable LCD projectors and Screens, slides, flannel boards, etc

Hostel and Mess Facility:

Separate Hostel facility available for Boys and Girls in the institution premises with well spacious and proper ventilated rooms. Mess facilities available with a well-maintained seating set up adjacent to the hostel.

Transportation Facility:

The College has its own transport infrastructure to provide convenient transportation to clinical and community area. There are 2 buses with a seating capacity of 50 to cater the transportation needs of faculty and students.

Sports & Recreation:

The College Provides Sports & Recreation Facilities for the students through the Department of Physical Education.

Highlights:

- Institution with excellent infrastructure
- Provision of hostel for Girls and boys.
- Playground facility common for all Campus students
- Quality Clinical experience at various reputed hospitals
- Qualified teaching faculty as per the norms
- Well-equipped laboratories
- Ragging free campus
- Study Scholarship

- SNA / NSS Units
- Wifi campus.
- A total of 250 students of GNM completed their course.
- 100% result of GNM students from last 12 sessions
- 100% placement provided to the final year students of GNM

Bhagwan Mahavir School of nursing feels proud to share that thirty of our alumni students have been selected by Health and Family Welfare Department, Gujarat.

1.2.5 Science & Technology

Bhagwan Mahavir College of Basic and Applied sciences

Principal: Dr. BHS Thimappa

Courses Offered:

- Bachelor of Science
- Master of Science
- Integrated Master of Science
- Post Graduate Diploma
- PhD

ABOUT DEPARTMENT / COLLEGE

Bhagwan Mahavir College of Basic and Applied Sciences (BMCBAS) has several bachelor's and master's degree programs viz., M.Sc. in integrated biotechnology, B. Sc.in chemistry/microbiology/mathematics, M.Sc. in organic chemistry/botany/mathematics, P.G.D.M.L.T. and Ph.D. programs. BMCBAS maintains a high level of academic standards and provides value education by highly qualified and dedicated subject experts in each of the above fields. Faculty provide students with innovative ideas, mentorship, and counselling, and make changes in the life of individuals with their knowledge being put into action.

The institute aims for total personality development of the student including cognitive, affective, and psychomotor aspects. We encourage our students to participate in intercollegiate events, co-curricular and extra-curricular activities throughout the year. Our main objective is to support students in meeting the challenges they face and to help them reach their goals. The teaching-learning process is facilitated in 15 classrooms, 9 specialized laboratories for physics, chemistry, botany, zoology, microbiology, biotechnology, a PGDMLT laboratory, a computer laboratory with high-speed internet connectivity, a seminar room, a conference room, an auditorium and library with more than 1K books & a few journals for each subject. BMCBAS auditorium has a seating capacity of 200, equipped with audiovisual system. The auditorium hosts various academic and cultural events of the college. It also encourages well-known cultural troupes to hold their programs for the benefit of students and the community.

Biotechnology Laboratory

The biotechnology laboratory is equipped with a centrifuge, autoclave, incubator, platform shaker, microscopes, and plant tissue culture equipment. The animal cell culture laboratory is equipped with a laminar hood, CO₂ incubator, binocular microscopes, and phase contrast microscope. Molecular

biology laboratory equipped with sophisticated instruments like gel doc system, thermal cycler (PCR), and horizontal & vertical electrophoresis unit.

Chemistry Laboratory

The chemistry laboratory is equipped with chemicals and glassware required for performing chemistry-based practicals. M.Sc. chemistry laboratory with a capacity of 40 students is equipped with chemicals and glassware required for performing advanced chemistry-based experiments such as the synthesis of novel compounds, analysis, and screening of compounds. The physical chemistry laboratory is equipped with instruments like a potentiometer, pH meter, colorimeter, and conductivity meter.

Microbiology Laboratory

Microbiology laboratory-I is equipped with microscopes, a digital centrifuge, laminar air flow, electrophoresis units, a dark field and phase contrast microscope, an autoclave, incubators, a hot air oven, and a platform shaker. Microbiology laboratory-II is equipped with microscopes, digital/tabletop/cooling centrifuge, water bath, electrophoresis units, autoclave, incubators with shaker, hot air oven, filtration assembly, and vacuum pump.

P.G.D.M.L.T. Laboratory

P.G.D.M.L.T. laboratory is equipped with an auto-analyzer, microscopes, digital/tabletop centrifuge, water bath, autoclave, incubators, and micropipettes. The instrumentation laboratory houses instruments like a vortex mixer, CoD apparatus, centrifuge, electrophoresis units, trinocular/binocular microscope, and cooling centrifuge.

Physics, botany, and zoology laboratories are equipped with all basic instruments and devices as per the current syllabus.

ABOUT DEPARTMENT / COLLEGE

BMCCMS is a dynamic academic department which offers a diverse range of Under graduate courses like Bachelor of Business Administration, Bachelor of Commerce, Bachelor of Management Studies and Bachelor of Commerce Professional and Post Graduate course like Master of Commerce and Doctorate of Philosophy in Commerce & Management.

The BMCCMS is dedicated to empowering students with the knowledge, skills, and values necessary to succeed in the dynamic global economy. Through cutting-edge curriculum, state-of-the-art facilities, and a team of dedicated faculty, we ensure that our students are well-prepared for the challenges of the modern business world. The Institute has established itself as a pre-eminent institution of learning. Its prestige and strengths are best demonstrated by the calibre of the applicants accepted into various programs and the highly competent faculties. We think that the appeal of our college comes from its strong sense of community. Students can challenge themselves and take chances that will help them reach their greatest potential in such a safe environment. You will, more importantly, discover a college with a welcoming environment and culture. We assure that BMCCMS students and their parents will find themselves as a part of an extraordinarily friendly community, a college that is welcoming, warm and unpretentious and one where the students and the staff get on exceptionally well together.

Although we maintain the traditional values, we are keenly aware of the kind of knowledge and find openness to adopting new teaching ideas. It is this combination of tradition and innovation that will prepare our students for continued success in their life. Students are exposed to real-world scenarios through internships and hands-on projects, enabling them to develop problem-solving abilities and managerial skills. BMCCMS has established strong ties with prominent businesses and

organizations, providing students with opportunities for internships, guest lectures, and industrial visits. These interactions facilitate a better understanding of real-world business operations.

BMCCMS addresses the intellectual, social and ethical needs of the college students in a supportive atmosphere. Priority for us is welfare of the students. We strongly believe, like me you would also love to enjoy the proud privilege of becoming a part of this Institute.

Ingenious Propositions:

BMCCMS has a list of ingenious propositions which has been the epicenter of luring most of the students as well as the institutions. Some these propositions are-

- i) **Implementation of New Education Policy (NEP)*** – BMCCMS has implemented New Education Policy from the new academic year 2023-2024. It has inculcated various curriculums keeping Indianness as its vital principle.
- ii) **Project Based Learning*** - Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems.
- iii) **Introduction to Indian Knowledge System*** – In sync with the syllabus formulated under the New Education Policy, Indian Knowledge System binds the students with their roots of Indian mythology.
- iv) **Women Empowerment*** – Women Development Cell of Bhagwan Mahavir University is led by I/C Director of BMCCMS, Dr. Cheta Desai as its Chairperson. Many programs, workshops and seminars are conducted in order to boost the self-confidence, motivate and empower women of the society.
- v) **Annual Management Fest*** – ‘Protsahan’ Annual Management Fest, held Annually is a catchphrase of BMCCMS, where students are inspired to create and gain opportunities from the market. It is a ladder to be leader which leave an impression as an opportunist.

1.2.8 Physical Education

Principal: Mr. Dinesh Sarang

Saririk Sikshan Mahavidhyalaya (B.P. Ed)

Bhagwan Mahavir College of Physical Education (M.P. Ed)

Program Offered:

- Bachelor of Physical Education (B.P.Ed.)
- Master of Physical Education (M.P.Ed.)

ABOUT DEPARTMENT / COLLEGE

Physical education is defined as “education through the physical”. It aims to develop one’s physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and overall healthy lifestyle. Games and sports play a prominent role in all round development of a student’s life. Along with traditional academic pursuit, students should spend time engaging in games and sports too. A curriculum which reflects physical education as a subject would be an additional benefit to the student in student’s future endeavours.

Physical Education department of BMU is running two-degree Sports colleges.

- 1) Saririk Sikshan Mahavidhyalaya.
- 2) Bhagwan Mahavir College of Physical Education (BMCPE).

Both the colleges are approved by National Council for Teachers Education (NCTE), and Directorate of Physical Education, Govt. of Gujarat and constituent institute of the Bhagwan Mahavir University. Saririk Sikshan Mahavidhyalaya is established in 2004 and BMCPE (Bhagwan Mahavir College of Physical Education) is established in 2007. Since inception in short span; both the degree colleges have created impact in the minds of budding & aspiring School, Colleges and Sports Academy. Physical Education Department focuses on a strategic plan of overall mentally and physically development of its students. The strategic plan includes curricular, co-curricular, extracurricular and social development of its students. Organizing expert lectures in Sports and soft skills topics, workshops, seminars, project competition, Conferences and providing platform for innovations is the key feature at the Sports Department. All the faculty members are very much dedicated in implementing its strategic plan for overall development of students.

According to National Plan of Physical Education and Recreation. "The aim of Physical Education must, be to make every student physically, mentally and emotionally fit and also to develop in him such personal and social qualities as will help him to live happily with others and build him up as a good citizen." We arrange lab and make classes on this basis. The faculty offers graduate programmes in Indoor games, Outdoor games, Gymnastics, Yoga teacher, Athletics, Sports Teachers, Sports Coach, and all over sports activities. Physical Education Department are dedicated to providing students with quality sports education. Work-integrated learning gives students the opportunity to apply the practical skills they learn at BMU in a sports environment and to bring Sports ground skills back to the classroom. Programs are developed and designed in consultation with Academic experts keeping in mind the skill requirement of students' skill.

Sports and games have now days become an integral part of students in our College. We could arrange a series of activities to our students for the promotion of sports as well as their overall development. A well-equipped Physical Education Lab with all sports, health and for yoga-meditation items are the proud of this institution.

- The department is having highly qualified staff members in the field of Cricket, Football, Kabaddi, Volleyball and Athletics.
- The department conducts selection trials to identify talented players during the months of August and September every year.
- The selected players were trained, coached and sent for participation in the All India Inter University games and sports.
- The prize winners and the participants are awarded with certificates which is very useful for the students to get appointments in Central and State Government jobs and uniformed service jobs.
- With the objective of providing chances for mass participation, Inter Departmental Tournaments and Sports comprising of Engineering and Technology, Architecture, Nursing, Management, Arts and Science Students are conducted every year during February and March.
- The department provides opportunities for the students and the staff to participate in the open and invitational tournaments organised by reputed educational institutions.

1.2.9 Architecture, Interior Designing & Planning

Bhagwan Mahavir College of Architecture

Principal: Ar. Chaitali Shroff

Program Offered:

- Bachelor of Architecture.
- Bachelor of Interior Designing.
- Bachelor of Planning.
- Master of Planning.
- Bachelors of Fine Arts (Applied Arts)
- Bachelor of Fashion Designing.

ABOUT DEPARTMENT / COLLEGE

BMCA was established in 2013 with intake of 40 students affiliated with Council of Architecture (COA). The course was approved under Gujarat Technological University, as 5-year Bachelor of Architecture Degree Course. The institute has grown to one of the Premier Institute in a year in south-west zone of Surat, Gujarat by seeking students in top 10 position of university. Institute has gradually increased its intake to 80 seats from 2014 onwards.

Architectural course needs hands on learning, exploring different materials, converting imagination to reality through various workshops, design studios, industry visits, guests' lectures, Seminars. Institute also provide various sports activities, event celebrations with student body, NASA participation, Study tours, Relative Study Tour with Documentation, International Tours, Academic Exhibitions, Expert Juries, Design Competitions, to provide enthusiastic, Leadership, Team work learning under guidance of expert faculties. Currently 4 batches have passed successfully. The Alumina of institute have successfully established private practices as architect, interior designer, photography, 3D visualizer, artist and other related various field.

Interior Designing Course was of 4 years and the commencement of the course was in the year 2017 under Gujarat Technological University. Which, in the year 2019-2020, affiliated to Bhagwan Mahavir University for 3-year bachelor Degree Course. The expert faculty provides innovative learning environment through various teaching methodologies, in which students are encouraged to learn office management and professional practice to standout differently in current competitive market. The Course also comprises of, interior landscape which is the need of hour, Furniture design, Product Design, Graphic Design, Textile Design give students complete idea about today's Industry demand and requirement.

Institute has also started Bachelors in planning, 4years degree course in the year 2014 with intake of 60 seats, with aim of creating good town-planners for better cities. India needs about 3 lakhs town planners as rural areas are getting converted to smart cities.

To enhance, the present requirement of the upcoming smart cities and to encourage the students to opt into field of Urban Planning with ITPI (Institute of Town Planning India), we BMCA Department has commence a new course name Master in Planning (Urban Planning) with ITPI. The course is offered to help the candidates design, formulate and execute plans for sustainable urban, environment at city, region and village level settlements.

We are thrilled to introduce our new Bachelor of Fine Arts (BFA) program, designed to unleash creativity and artistic. This innovative course offers aspiring artists a dynamic curriculum, expert guidance, and state-of-the-art facilities to nurture their talents in painting, sculpture, digital art, and applied arts. Thus, institute provides transformative journey to refine students' skill in craft and pave the way for a successful career in the world of art and design.

The scope of the course is very wide. The students passing with the M. Tech degree in Valuation of Real Estate are expected to have opportunity to work as Registered Valuers under the respective category - viz. Real Estate, Plant Machinery for various financial institution purposes. The other scope includes valuation for taxation, stamp duty, merger & acquisition etc. The student will have Following Opportunities after completing course.

- In-house Technical Manager
- Assistant Valuer
- Independent Professional as Valuer
- Corporate Estate Manager
- Secured Future Under Valuation Bill / Act

- BMCA, organised an expert lecture with Dr. Rajesh J. Pandya, who has been working with SMC since last 3+ years with different capacities with special mention in tenure of 13 years as Town Planner and Town Development Officer.
- Students of masters in urban planning and faculty all together attended expert lectures on salient features of town planning scheme (concept, design & practice) organised by ITPI Gujarat regional, Surat chapter on 25th of March 2023 of Saturday.

1.2.10 Computer Application

Bhagwan Mahavir College of Computer Application

Dean: Dr. Sanjay H. Buch

Academic Head: Ms. Hetal Modi

Programs Offered:

- BCA–Bachelor of Computer Application
- B.Sc.-Cyber Security, Data Science
- M.Sc. Cyber Security, Information Technology
- M.Sc.-Information Technology (Integrated)
- Ph.D.

ABOUT DEPARTMENT/COLLEGE

Bhagwan Mahavir College of Computer Application (BMCCA) is established in year 2008 and managed by Bhagwan Mahavir Education Foundation (BMEF). Later in 2019 becomes the constituent college under the umbrella of Bhagwan Mahavir University.

The College has excelled itself in many IT Programs which are catering the requirements of Industries and align with the latest Industries Trend. The college building surrounded by green fields and contains spacious classrooms, well documented library, a multipurpose hall, modern computer lab. The Institute has about 2700 students and 45 teaching, Non-Teaching and Technical staff.

The BMCCA, is a composite and comprehensive educational hub providing quality education by offering programs at Under graduate (UG) and Post Graduate (PG) level. The Programs portfolio of BMCCA is addressing the industries requirements and market trend. The Programs offered by BMCCA includes Bachelor of Computer Application (BCA), Master of Science (M.Sc.) in Information Technology (Integrated 5 years program) B.Sc. (Cyber Security), and B. Sc (Data Science) . The Post Graduate portfolio includes M. Sc (Cyber Security) and M. Sc (IT) (PG). The BMCCA is mentoring and guiding the students for their doctoral studies (PhD). Present BMCCA is having more than 10 research scholars pursuing their PhD studies under the various areas like Machine Learning, Image Processing, Artificial Intelligence, Data Mining, and Cyber Security.

The BMCCA is consistently maintaining the student's enrolment and enrolled around 1100 students under BMU in academic year 2022-23.

Besides the academic excellence BMCCA focus on holistic development of students by organizing curricular, co-curricular, extra-curricular and social development programs. BMCCA students

excelled in the various curricular, extra-curricular and cultural activities and becomes the glory of college.

Holistic Approach to Education: BMCLAH goes beyond traditional academic boundaries by adopting a multifaceted approach to education. The institution integrates academic, cultural, co-curricular, and administrative knowledge to prepare students for the challenges of the global demand.

Positive Impact on Students: The College has a significant and positive impact on the lives of its students. By focusing on holistic skill development, BMCLAH aims to empower students with a comprehensive set of skills that go beyond the confines of the classroom.

Beacon for Well-Rounded Individuals: BMCLAH stands as a beacon for fostering well-rounded individuals capable of navigating the complexities of the contemporary world. The college aims to produce graduates who are not only academically proficient but also possess a diverse skill set and a global perspective.

Enriching Environment for Growth: Choosing BMCLAH means engaging in a robust academic curriculum while benefiting from an enriching environment that encourages both personal and professional growth. The college provides a supportive atmosphere for students to thrive academically and personally.

Emphasis on Comprehensive Liberal Arts Education: The College's emphasis on diverse subjects, including the unique inclusion of Political Science as a major, reflects its commitment to providing a well-rounded and comprehensive liberal arts education that prepares students for a wide range of careers and challenges.

CHAPTER – II

TEACHING- LEARNING AND EVALUATION

Teaching-learning and Evaluation

BMU has adapted Outcome Based Education (OBE) model for its Teaching, Learning and Evaluation (TLE) activities in order to promote the knowledge and skills of the learners. Continuous upgradation ensures the quality and makes the learners equipped. The academic process caters to the diverse range of learners and maintains equity. Slow and advanced learners are identified based on their performance. Slow learners are supported with additional inputs through remedial classes, open book and tutorial tests. Advanced learners are encouraged to attain higher level of excellence through special training programmes and motivated to succeed in competitive examinations and overseas studies in addition to earning credits through NPTEL/Swayam online courses and Internship through fast-track system. BMU continuously evolves the student centric methods, such as Experiential Learning (field and industrial visits and industry involved courses), Activity Based Learning (interactive session/model and video based/concept mapping/flipped classroom strategy, etc.) and Participative Learning (practical assignments/course related projects/virtual laboratory/quiz/exhibition/hackathon etc.) to enhance the learning experiences and to supplement classroom teaching. ICT enabled tools are used for effective teaching and learning. As a university, BMU has flexibility in course design, development and conduct of examinations. A well-defined assessment and evaluation procedure is put in place. The institute uses ERP software to support these activities which ensure transparency and efficiency. The performance of the students can be accessed both by students and parents through institute portal. Online-student feedback on course and faculty, course monitoring committee feedback, faculty self-appraisal and academic audits are in operation which ensure the quality of teaching, learning and evaluation processes.

Research, Innovations and Extension

BMU has established a Centre for Advanced Research and a Research & Development cell. BMU primarily promote and monitor research and innovation activities among faculty and students of the institute. A contingency is sanctioned by BMU to provide Research Performance Incentive to Research Scholar based on their research outcomes every year. A required fund is granted every year by the management to extend support to organize Open House Exhibition on Science and Engineering to display innovative projects done by the students. As a part of promoting research activities, financial assistance is being provided to the members of faculty to attend conferences and seminars. BMU has a well-defined Technology Business Incubator (TBI) in the campus. Industry sponsored laboratories have been established at the institution for fostering research activities. The

NCC, NSS and other society-oriented clubs of the institute have conducted a number of programmes to create and promote the sense of societal responsibility among students and faculty with help of grant provided by the government.

Infrastructure and Learning Resources

Physical facilities

BMU has adequate infrastructural facilities like well-developed laboratories, library, projector enabled classrooms, playground, gym, indoor stadium and Wi-Fi enabled campus. BMU campus spread over 20 acres of land richly endowed with beautiful greeneries. It has 250 class rooms, 15 conference rooms and 1 auditorium inside the campus. The classrooms are provided with 100% ICT facilities. The institution has 10 academic buildings, 1 gents' hostel, 1 ladies' hostel, amenity centres with a total built up area 56000 sq. m.

Sporting Facilities

BMU provides games and sports facilities within the premises. An indoor stadium of 1000 sq.m. housing 3 shuttle courts and 6 table tennis boards are available. The playground spreads over 8 acres with 8 lane 400 m standard track and field. It has well- equipped gym and fitness facilities for Gents (16 stations) and Ladies (6stations) separately. It also features a clay tennis court, rifle shooting range, two yoga and meditation centers, basketball, volley ball and acupuncture walk path.

IT Infrastructure

The campus provides 512 Mbps leased line internet connectivity. 477 Wi-Fi access points are installed across academic buildings and hostels. All academic blocks, campus gates and hostels are under 276 CCTV surveillance cameras. The college offers 2281 computer systems for students to access internet.

Maintenance of Infrastructure

A separate building and electrical maintenance crew is available at the campus. An exclusive web portal is created to redress the grievances regarding the maintenance of plumbing and Transport depot to monitor and control the maintenance processes.

Student Support and Progression

BMU provides excellent learning ambience at the campus and helps to attain holistic development and progression. The student progress is continuously monitored and facilitated by the university. It operates various cells/clubs/forums and student chapters to tap innate talents of the students to participate in professional activities. The institution also has an active Student Council that addresses the grievances of the students, considers their suggestions and plan for further improvement. The most important feature of the student support system is that the university has an organized guidance and counselling system in the campus. Faculty advisors and counsellors take care of the academic and personal issues of the students. A total of 101 medal and awards were received by the students

from various activities/cultural programmes and sports. Further, many events conducted to develop soft skills, Language and Communication skills, Life skills like Yoga, physical fitness, health and hygiene.

Placement and Training cell of the college provides meticulous training to enhance employability skills of the students. The student chapters of various national and international professional bodies provide enough scope for students to hone their professional skills. The Technical Association in each department acts as an additional platform for the students to enhance the technical and organizational skills. The Institution also conducts coaching classes for GATE, CAT, GRE/IELTS in collaboration with leading vendors every year for those who wish to do their higher studies. A separate scholarship section is functioning to assist the students to apply for various scholarships and schemes provided for the students by the government and private agencies. Alumni play significant role in the academic support and progression. BMU has an active Alumni Association that contributes significantly to the benefit and progress of its Alma Mater.

Governance, Leadership and Management

BMU assures a healthy and decentralized organizational structure towards attaining its Vision through effective leadership, participative decision-making process and transparency in the system. The enhancement of the overall quality of education in the university results from the formulation of strategic plan and guidelines with specific goals by the coordination of academic and administrative activities. A highly motivating environment prevails in the institution for both faculty and staff. The faculty receive constant encouragement to participate in professional development and outside interactions. The performance appraisal and the rewards for the deserving faculty members are part of the proven system with an evolved mechanism. The institute takes immense measures in attracting and retaining faculty. Besides, the faculty and staff are provided with a number of welfare schemes.

A well-established procedure and process mechanism has been adopted for planning and allocating financial resources. The university always aims at a continuous quality improvement and achievement in academic excellence through the Internal Quality Assurance Cell (IQAC), a self-regulating mechanism. The university also aims at constantly improving the quality of educational programs through the continuous monitoring of academic processes, feedback system and the other follow up activities. The university has a well-designed mechanism for both internal and third party academic audit. With the aid of IQAC, participatory approach is made effective on a regular basis in order to monitor and ensure the quality of academic processes.

Institutional Values and Best Practices

The value systems at BMU have been upheld through good teaching-learning process and ethical practices. BMU is constantly working towards attaining gender equity through sufficient facilitation and exclusive awareness programs regularly. Right from its inception, the institute has been conscious towards environmental impact, which are realized through lush green environment on which campus is poised. As a responsible entity, the institute has taken various steps to transform itself into a self-sustaining unit by installing rain water harvesting systems in all its buildings. The university provides barrier free environment with ramps, washrooms, lifts, wheel chairs, display boards and assistive technologies for disabled people. The institute provides an inclusive environment to ensure tolerance and harmony through various structured activities. The inmates of the institute are groomed to uphold values, rights, duties and responsibilities and lead life as responsible Indian citizens. Two best practices followed by institute are: industry oriented curriculum design & teaching-learning process and Clean and Green Practices for Sustainable Environment. These practices ensure that the graduates of the institute are industry-ready engineers helping the nation and beyond. The institution distinct quality is embedded in its commitment to provide a platform for transforming the rural students into technically competent, ethically strong and quality professionals through value-based education, research and consultancy activities.

2.1 ACADEMIC CALENDAR (2022-23)

Academic Term 2022-23 for 3 rd Semester (Diploma)	
Details	Date
Academic Term	1 st Sep 2022 – 7 th Jan 2023
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	16 th January 2023 Onwards
Academic Term 2022-23 for 5 th Semester (Diploma)	
Details	Date
Academic Term	18 th Sep 2022 – 25 th Nov 2022
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	05 th Dec 2022 Onwards
Academic Term 2022-23 for 3 rd Semester (UG & PG)	
Details	Date
Academic Term	22 nd Aug 2022 – 31 st Dec 2022
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	09 th Jan 2023 Onwards
Academic Term 2022-23 for 5 th Semester (UG & PG)	
Details	Date
Academic Term	1 st Aug 2022 – 10 th Dec 2022
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	19 th Dec 2022 Onwards
Academic Term 2022-23 for Even Semester (Except 2 nd Semester)	
Details	Date
Academic Term	13 th Feb 2023 - 3 rd June 2023
Exam Date	12 th June 2023 Onwards
Academic Term 2022-23 for 1 st Semester (Diploma and UG)	
Details	Date
Academic Term	15 th Sept 2022 – 21 st Jan 2023
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	30 th Jan 2023 onwards
Academic Term 2022-23 for 2 nd Semester (Diploma and UG)	
Details	Date
Academic Term	6 th March 2023 - 24 th June 2023
Exam Date	3 rd July 2023 Onwards
Academic Term 2022-23 for 1 st Semester for PG	
Details	Date
Academic Term	15 th Sept 2022 – 21 st Jan 2023
Diwali Vacation	22 nd Oct 2022 – 5 th Nov 2022
Exam Date	30 th Jan 2023 onwards
Academic Term 2022-23 for 2 nd Semester for PG	
Details	Date
Academic Term	6 th March 2023 - 24 th June 2023
Exam Date	3 rd July 2023 Onwards

2.2 ADMISSION

To facilitate the students and parents, BMU has formed active admission cell at institute level and University level also. The members of admission cell are always ready to help the admission seeker. BMU provide scholarship for newly admitted outstanding student. For that BMU is conducting Scholarship test for the scholar students every year at various school. We are promoting BMU through social media, awareness programs, career guidance seminar and social activities. BMU has started free career guidance centre across city.

2.2.1 Application for Admission

Admission of students shall be made on all-India basis and 50% on the base of ACPC and remaining at university level as and where required. Admissions of students shall be made on merit, either through common entrance tests/competitive examinations conducted by National bodies, like JEE, GATE, CAT, GMAT, NET, GRE, NMAT, CSAT, CMAT, ATMA, etc. or any other as may be decided by the management or individually by the University and /or interviews for students having scholarships/fellowships like CSIR etc., the details of which shall be published in advance in the brochure of the University. For the purpose of admission on NRI Seats, the University will prepare the merit list of the candidates who have applied for admission on NRI Seats at BMU in the manner prescribed by the University, within the prescribed time limit and who are found eligible (subject to verification) at the time of counselling for admission under these rules. The first allotment of NRI Seats will be made to eligible NRI candidates, and then the remaining seats will be offered to eligible NRI sponsored candidates.

2.2.2 Eligibility for admission of students

No student shall be eligible for admission to a course of study, a degree or diploma unless he possesses such qualifications as may be prescribed by the University for the said Course of study, from time to time. The University will publish an admission advertisement in national/local newspapers and/or other media and also upload a detailed admission notification on the University website. The admission notification shall clearly specify the admission/enrolment criteria for each program as prescribed by the University. All the admissions shall be made by the Registrar/an Admission Committee constituted for the said purpose, as per the eligibility conditions prescribed for the courses offered by the University. The criterion, if any, prescribed by respective Regulatory Bodies/Statutory Councils shall be followed in admissions to council based programmes. The registration of the provisionally admitted and continuing students shall be done by the College(s) on dates notified in Academic calendar each year.

2.2.3 Admission Review Committee

The case of a candidate seeking admission to a regular course other than research and part-time courses in languages, who has given up his studies for three or more academic years after passing an eligibility degree/ diploma/certificate examinations may be considered for admission by the Admission Review Committee.

2.2.4 Enrolment/Registration of Students

No person shall be admitted to any examination of the University, unless he has been duly enrolled/ registered as a student of the University. The Registrar/Controller of Examination shall maintain a record of all enrolled students studying in the various Colleges/Centres of the University or carrying on research work in the University. The student shall be given unique and permanent enrolment number and issued with an identity card bearing enrolment number, and same must be quoted by the student in all communications with the University and in subsequent applications for admission to an examination of the University.

2.2.5 Processing Fee

A processing fee as decided and approved by the University from time to time to be submitted with the duly completed application form. The processing fee shall not be refunded under any circumstances whatsoever.

2.2.6 Procedure of Withdrawal

Students may withdraw their admission by the date of registrations as specified by the University or before the same. In compliance with instructions of MHRD/UGC, the University will refund his deposited amount after deducting processing fee, as prescribed from time to time.

2.2.7 PhD admission

Ph.D. Programme is having following categories: Full time students and students under the external registration programme recognized by the University and sponsored by and employed in the Organization/Industry/University/other institutions, who will normally carry out their research in the Organization/Industry/University/ other institutions of their employment are pursuing part-time Ph.D.

Students	Number of students admitted
Ph. D. Students	35
Postgraduate Students	559
Integrated Students	390
Undergraduate Students	3264
Diploma Students	865
PG Diploma	8
Total	5121

2.4 EXAMINATION PROCEDURE

Bhagwan Mahavir University (BMU) has maintained growth in the quality education since its inception.

The Examination department of BMU offers examination service with meticulous planning, in a transparent manner and with specific time frame. Every module is evaluated by internal as well as external examiners. Students Redressal Committee is setup to respond to the difficulties or complaints of students regarding examination.

The Examination Department offers high quality examination services in all its activities. The Department administers secured processes and systems and work in close collaboration with colleges and external subject experts/examiners. The Examination department intended to support colleges, faculty and students in the best possible manner within the provisions of University Ordinances and Examination Manual. The entire process of assessment and evaluation including the conduction of examinations are as per the provisions of the University Ordinances and Examination Manual. The University has adopted continuous and progressive evaluation system to determine whether the students have achieved the learning outcomes and fulfilled the academic requirements of the course/program. Beside this, the university also emphasize to develop students' analytical skills and decision- making power and ability to use the acquired knowledge in their professional life.

Apart from that, the objective of the Examination Department is to implement high quality and legally secure system of evaluation in addition to offering services to students' instructions and administrations related to exam. Exams improve the students' overall personality, memory, cognition and revision skills. Examinations are a form of learning activity. They can enable students to see the material from a different perspective. They also provide feedback that students can then use to improve their understanding.

The objective of the examination is to assess the extent to which the student has achieved the academic objectives stipulated for the subjects/subject elements of the programme in the curriculum.

The broad objective of the Examination Department are as follows: -

- To use orientation programs to inform faculty and students about the university's evaluation procedures and process.
- To manage and process exams in accordance with the University's policies and the academic calendar, as well as in compliance with legislative and various regulatory authorities.

- Coordinate with constituent colleges and carry out department-specific evaluations that ensure privacy and security in accordance with university regulations.
- To make sure that the Exam Timetables and university requirements are followed in the process of conferring degrees for different programs.
- To continuously improve assessment procedures by involving stakeholders and implementing creative projects that will raise the standard of the university's teaching and learning process.
- To evaluate the student's performance by the conduction of examinations.
- Bringing more transparency in the examination and evaluation system.
- To bring reputation to the organization.
- To create responsible and knowledgeable citizens to the society.

Examination System

Exams are important tools for evaluating how well the university's teaching and learning system is working. It is more than just a marking scheme; it looks at how well faculty members have disseminated their knowledge and abilities as well as how much the students have assimilated. Exams can also be used to evaluate a person's strengths and shortcomings as well. When instructing a particular subject, the faculty will be able to recognize which areas in the class may require further attention. In order to prepare for the exam, this will allow faculty members and students to identify any potential areas of weakness. Students will improve and show gradual improvement as a result of this. Assessment of performance is an integral part of process of learning and teaching. As part of sound educational strategy, examinations are employed to bring about qualitative improvement in education.

Salient Features of the Examination system: -

The salient features of the examination system are listed below:

- The evaluation of the final semester examination would be done through Table Marking at the University. Question wise evaluation will be done to maintain uniformity.
- The evaluated answer script shall be shown to the students (on demand with prescribed fee). The student will see & sign the answer script for having agreed to the evaluation.
- In case a student disagrees with the evaluation, he/she can get the answer sheet reviewed by the evaluator other than evaluator who has done evaluation earlier assigned for the same purpose, on payment of prescribed fee. The decision of revaluation shall be taken by the Controller of Examinations.

- The total marks obtained in Internal and External Examination shall be submitted to the portal. Grade shall be awarded to the obtained marks in each paper using Normal Distribution, without any subjectivity.
- The final grades of the semester will be displayed along with SGPA (Semester Grade Point Average) at the time of declaration of results.

Practices to Assist the Students:

The Examination Department has introduced a number of practices for a smooth functioning of exams and to assist the students with any requirement:

- Special provisions for Differently-abled students have been created for their benefits. They are given separate rooms with adequate facilities for writing the exam and also additional time. Scribe assistants are offered individually (on demand) for all the exams written by the Differently Abled.
- A separate exam portal is maintained through which teaching staff can feed the internal marks.
- With the help of the student login in the exam portal, maintained by the university by which students can file their exam applications and pay exam fees and access their marks 24x7.
- Centralised examination and valuation system for end semester examinations.
- Accumulation of more Credits through extra Credit Courses and Transfer of credits from SWAYAM/ NPTEL are all allowed and due entries for the same are made in the Grade Sheets.

Green Practices adopted by the Examination Department:

- In an attempt to make the Examination Department as a paperless one, the below mentioned green practices have been adopted by the Examination Department:
- All notices are sent through online, thereby reducing use of papers
- Single page used sheets are reused for printing purposes
- The number of sheets in the answer booklet has been restricted thereby minimizing the damage to the nature.
- All examination applications are made only online.

2.5 TEACHING LEARNING AVENUES

A classroom is a hub for exploring, analysing and imbibing all that surrounds young and eager mind. Apart from those, Seminars, workshops and conferences hold great importance of life of a student. They are platforms not only to learn new aspects, others perspectives and latest information, but also a good way of networking.

Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education and produce promising outcomes in the learning and teaching practices. Guest lecturers is improving their learning in a more interactive topic specific way. It makes classes more approachable appealing to students.

In addition to this, to bridge the gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. Ensuring a proper flow of knowledge Seminars and Workshops assist in passionate interaction and active participation boosting the skills and expertise of students. So, the seminars and workshops are an innovative and welcomed step towards modern education. BMU is committed for quality education to the students; it has organized numbers of seminars, workshops, guest lecturers for students and motivated all the faculties for FDP to meet the requirements of current era.

Co- Curricular Activities Organized by Department / Institute

Institute/ Department	Level	Nature of Activity	Activity Date	No. of Partici pants	Title	Sponsor
BMCP	Department	Conference	01/07/2023	150	Emerging Trends and Innovation in Pharmaceutical Technology	BMU
BMCP	Department	Workshop	25/11/2022 to 10/12/2022	72	Awareness Program on Discrimination Against Women	BMU
BMCP	Institute	Seminar	04/08/2023	126	Breast Cancer Awareness Program	BMU
BMCP	BMCP Hall	Technical fest	06/03/2023	BMU	Pharmaphilic 2k23	BMU
BMCN	Nursing	Ayurveda Seminar	14/05/2022	110	A Review of Ancient Dincharya	BMU

BMCN	Nursing	Awareness Session	24/12/2022	130	Breast Cancer Symptoms, risk factors and early detection methods	BMU
BMCN	Nursing	Health Talk	01/03/2023	150	Menstruation and Menstrual Hygiene	Orkid Hospital, Surat
BMCN	Nursing	Awareness Programme	27/03/2023	170	Advancement in eye care and computer vision syndrome	BMU
BMCN	Nursing	Seminar	06/04/2023	130	Importance of Fitness and Nutrition	BMU
BMCET/ MSCET/ Mech/Auto/ Civil	Department	Webinar	18/07/2022	85	Tata Consultancy Services as Pre-Placement Talk	BMU
BMCET/ MSCET/ Computer	Department	Seminar	21/09/2022	50	Python Programming	BMU
BAIT/ Computer/IT	Department	Workshop	23/09/2022	65	Data-Structures and their applications	BMU
BMCET/ MSCET/ Electrical/EC	Department	Workshop	06/10/2022 to 07/10/2022	20	Arduino Basics Workshop	BMU
BAIT/ Aeronautical	Department	Event	07/10/2022	25	Aeromodelling Competition	BMU
BMCET/ MSCET/ Civil	Department	Campus Placement	22/11/2022	20	Marvel Informatics Pvt Ltd	BMU
BMCET/ MSCET/ BAIT	Department	FDP	09/02/2023 to 10/02/2023	80	Recent Trends in Engineering & Technology	BMU
BMCET/ MSCET/ Computer	Department	Seminar	14/03/2023	25	Advanced Java Programming	BMU
BMCET/ MSCET/ BAIT/ Computer	Department	Seminar	05/04/2023	100	Career in Cloud Computing and Full Stack Development	BMU

BMCET/ MSCET/ Mech/Auto	Department	Seminar	11/04/2023	100	3D Printing and Solid Works	BMU
BMCET/ MSCET/ Computer	Department	Seminar	18/04/2023	60	Machine Learning	BMU
BMCET/ MSCET/ Mech/Auto	Department	Industrial Visit	20/04/2023	30	Gadiya Foundry, Pandesara GIDC, SURAT	BMU
BMCET/ MSCET/ CIVIL	Department	Industrial Visit	26/04/2023	30	The Archaeological Survey of India at GOA	BMU
BMCET/ MSCET/ Electrical/EC	Department	Industrial Visit	28/04/2023	40	Sardar Sarovar Hydro Power Plant	BMU
BAIT/ Computer/IT	Department	Seminar	06/05/2023	45	Python Programming	BMU
BMCET/ MSCET/ BAIT/ Mech/Chemical	Department	Campus Placement	24/05/2023	23	Bharat Rasayan Pvt. Ltd,	BMU
BMCCMS	Department	Guest lecture	23/04/2022	50+	Communication Skill	BMU
BMCCMS	Department	Seminar	24-06-2022	75+	Seminar on Income tax	BMU
BMCCMS	Department	Seminar	14/07/2022	30+	Interview skill seminar	BMU
BMCCMS	Department	Seminar	29/08/2022	75+	Seminar on Job Opportunities by Banking Sector	BMU
BMCCMS	Department	Seminar	03/09/2022	75+	Seminar on Career in IT for non-IT student	BMU
BMCCMS	Department	Industrial Visit	14/09/2022	20	Industrial Visit at Surties Digital Platform	BMU
BMCCMS	Department	Industrial Visit	30/09/2022	50+	Industrial Visit to Balaji	BMU

					Waffers	
BMCCMS	Department	FDP	15/10/2022	25	Seminar on innovation in teaching to become a 360-degree academician.	BMU
BMCCMS	Department	Seminar	15/11/2022	50+	Seminar on Intellectual Property Rights	BMU
BMCCMS	Department	Seminar	25/11/2022	50+	Seminar on export import	BMU
BMCCMS	Department	Workshop	02/12/2022	100+	Workshop on Dance	BMU
BMCCMS	Department	Guest lecture	21/12/2022	100	Guest Lecture by Dr. Daneshwar Pandey on Financial Accounting	BMU
BMCCMS	Department	FDP	21/12/2022	25	Faculty Development Program – Wellness Talk	BMU
BMCCMS	Department	Seminar	31/01/2023	75+	Seminar on Entrepreneurship development	BMU
BMCCMS	Department	Industrial Visit	09/02/2023	30	Industrial visit TOPS technology	BMU
BMCCMS	Department	Seminar	10/02/2023	50+	Seminar on technical analysis for stock market investing and career building	BMU
BMCCMS	Department	Seminar	24/02/2023	50+	Seminar on Accounting for entrepreneurs	BMU
BMCCMS	Department	Seminar	03/03/2023	50+	A seminar on digital marketing	BMU
BMCCMS	Department	FDP	13/03/2023	25	FDP- using	BMU

					Mendeley software for systematic referencing	
BMCCMS and BMCLA	Department	Seminar	17/03/2023	75+	Empowering consumers through clean energy transition	BMU

CHAPTER-III

RESEARCH, CONSULTANCY AND EXTENSION

The hunger for search of new knowledge is made vibrant by promoting basic and interdisciplinary research activities with focus on emerging societal needs and innovation. A well-defined research policy of the university ensures smooth conduct of research activities. For this, university creates an enabling environment to foster interdisciplinary research culture while providing for required research infrastructure and support. As part of infrastructural push, BMU has established Central Research Cell and procured cutting edge equipments for research in various domains. Research projects at UG and PG levels, variety of enrichment and elective courses, research fellowship programmes, emphasis on applied research and industry projects by faculty, Industry Academia sessions are some of the tools designed, implemented and practiced by the university. The University also promotes and provides incentives to faculty engaged in top publications, authoring books and innovative research leading to patents. For start-ups the University also provides an Innovation Incubator, to support entrepreneurs to start their own ventures. The research and innovation efforts have yielded extensive network of national and international collaborations, leading to joint projects and quality publications and research students' exchanges.

BMU has been at forefront in the sphere of student innovation start-up eco system development. To carry forward the efforts for the above and by taking early insights from interventions at Government of Gujarat has developed a Student Start-up & Innovation Policy, SSIP at State level with a commitment of 100 Crore INR grant for student innovators and start-ups.

This will primarily facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. The Broad objective is to harness creative potential of young students across universities and educational institutions. As a part of the Memorandum of Understanding (MOU) made between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP) and BMU (University with effective implementation potential), BMU will extend support for the below by this academic year.

Support up-to **75000 INR** for filing IPR (IP Support) & support up-to **250000 INR** for Prototyping support for Student Innovators/Start-ups at Proof of Concept (POC) stage.

3.2 Ph.D. PROGRAMME

To enhance the research activity, BMU has developed Centre of Advanced Research. The vision of the center is to provide quality & socials-oriented research that may bring out the potentiality of the researchers. Besides the specific visions of the center are as follows: The center is planning to lead Bhagwan Mahavir University (BMU) to a new height.

The Ph. D. is the process of the systematic investigation into and study of materials and sources in order to establish facts and reach new conclusions. A literature review is a scholarly paper, which includes the current knowledge including substantive findings, as well as theoretical and methodological contributions to a particular topic. Literature reviews are secondary sources, and do not report new or original experimental work. Research activities in the centre would be strengthened. To this end, the centre is planning to emphasis on research activities with the support from the head of the university. The faculty members will undertake Minor/Major research projects with financial assistance from BMU.

From an individual point of view, the benefits of research and development programs extend beyond having an impressive degree certificate. Through the detailed research, students would be able to develop critical thinking expertise along with effective analytical, research and communication skills that are global necessity and incredibly beneficial.

Research is the only tool of advanced study in the concern area of interest. “Research is a systematic inquiry to describe, explain, predict and control the observed phenomenon. Ph. D. is one of the tools to sharpen the knowledge

CHAPTER-IV

STUDENT SUPPORT AND PROGRESSION

The Student Support Services are available to assist students with a wide-range of issues and concerns that might arise during their time at BMU and to adjust with the environment of the university. The Dean of Student affairs (DOSA) provide 24-hour crisis services for all the students of the university with personal or family emergencies, and are available by appointment to consult with individual students about their personal questions/concerns, thus allowing students to succeed and thrive in their academic pursuit. Following sub-committees and cells are there to help students:

Grievance Redressal Cell: BMU is committed to providing a safe, fair and harmonious learning and work environment. Grievance Redressal Cell is established at university in accordance with the University Grants Commission regulations. It ensures a fair, impartial and consistent mechanism for redressal of varied issues faced by the students and staff.

Students' Welfare Committee: Students, who are meritorious, but financially weaker, may apply to this committee for financial aid from the Students' Aid Fund or may apply for Free-studentship for exemption of Tuition Fees. The notice for the same will be put up on the Students' Notice Board.

Internal Complaints Committee: The University has set up an Internal Complaints Committee (ICC) under the Sexual Harassment Act. The goal of the Sexual harassment policy is to end the problem faced by the student/employee through an internal system of relief that is easy to access, and thereby provides an effective remedy to the aggrieved complainant as quickly as possible so that she can continue to study and develop without further impediments. Moreover, any grievance of students may be written to the members of this cell. Students may write their grievances in a letter, even without their names, and drop it in a box placed in front of the principal's chamber.

Anti-Ragging Cell: The Anti-Ragging Cell is an important part of BMU. The main objectives of this cell are to ensure overall disciplined environment in the university. It initiates timely action against erring students. The cell sensitises the students about the evils of ragging and its prevention in the university campus by organizing talks/ programmes etc. It regularly address complaints about ragging as per the Govt. and University procedures as suggested by UGC. It aware the students of dehumanizing effect of ragging inherent in its perversity.

Sports Club: Sports and clubs are beneficial to students in various ways. They can help students build a healthy body and mind, improve their academic performance, learn life skills such as discipline, teamwork, and dealing with setbacks, and enhance their career prospects by developing

soft and technical skills. Sports and clubs can also provide students with fun, relaxation, and a sense of achievement.

Student Counselling: Keeping the academic, social-psychological, and emotional needs of its students in mind, the University has a dedicated Counselling Centre on its campus. The counsellor systematically studies and discusses a student's problems and facilitates the student to find an appropriate solution. The counsellor helps the student address his problems positively by helping him clarify the issues, explore options, develop strategies and increase self-awareness. To create awareness among the students, the counsellor also conducts group sessions on topics of general importance, like stress management, prevention of drug addiction, etc.

Placement-cell: This cell to train final year students for ENTRY IN SERVICE and organizing CAREER COUNSELING so that they may face the job market well prepared. So far, almost fifty students have been directly placed through this cell.

Remedial Coaching Cell: This cell to make the socially backward students at par with the others. Special coaching classes are organized outside of the regular classes where the students can clinch-out any doubt and study informally, so that the curricula may be more interesting.

In the university campus, the coaching classes for competitive exams like UPSC / GATE / NET / TET / CTET are available for students.

4.1 STUDENT START-UP AND INNOVATION POLICY (SSIP) CELL

Startups in an economy's technology sectors is an important indicator of technological performance for several reasons. Government of Gujarat has developed a policy for providing assistance to Startups/ Innovation. As a part of this scheme, Memorandum of Understanding (MOU) signed between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP) and BMU. The SSIP has been a significant success in BMU, and it has helped create a culture of innovation and entrepreneurship among the BMU students. The program has not only created job opportunities but has also contributed to the economic growth of the state.

Financial Support 2022-23

Screening Committee Meeting	Date	Proposal Applied	Proposal Approved	Total Approved Amount (Rs.)

6	Sensitization And Startup Journey of The Students	Seminar	Bhagwan Mahavir University Auditorium, BMU campus	07/10/2022	Dr. Vineet Goel	465
7	Workshop On Patent Design	Workshop	Bhagwan Mahavir College of Enigineering & Technology Seminar Hall	24/11/2022 to 25/11/2022	Mrs. Rauki Yadav	450

PoC/Prototype/ IP Support

Sr. No.	Name of the Principal Investigator / Co-Investigator	Title of the Project	Department	Amount of research Grant Sanctioned (Rs.)
PoC/Prototype PHASE-1 on 28th and 29th December 2022.				
1	Sapna Khandelwal	Green Approach for Sugar Free Formulation of Iced Popsicles	Bhagwan Mahavir College of Basic & Applied Sciences	130000/-
2	Ms. Dhvani Goti	Isolation Of Bioactive Compounds from Leaf Extracts of <i>Argyrea Nervosa</i> (Burm. F.) Bojer Effective Against Skin Infecting Bacterial Strains.	Bhagwan Mahavir College of Basic & Applied Sciences	160000/-
3	Garasiya Rahul Shankarbhai	Isolation Of Gibrellic Acid Producing Microorganisms and Optimization Of Gibrellic Acid Production	Bhagwan Mahavir College of Basic & Applied Sciences	100000/-
4	Akshar Pithawala	Smart Flusher	Bhagwan Mahavir College of Basic & Applied Sciences	125000/-
5	Akshar Pithawala	Smart Do Meter	Bhagwan Mahavir College of Basic & Applied Sciences	175000/-
6	Manthan Pithawala	Smart Motor Vibration	Bhagwan Mahavir College of Basic & Applied Sciences	100000/-
PoC/Prototype PHASE-2 on 10th February 2023.				
7	Yash Patel / Mentor- Dr. Pooja Desai	Formulation of <i>Tylophora indica</i> for Asthma & post covid care (Folk medicine to commercial medicine)	Bhagwan Mahavir College of Basic & Applied Sciences	200000/-
8	Senila Kashmani Mentor- Dr. Murtaza	Extraction of active compound from mushroom and it's formulation for Cosmeticual products	Bhagwan Mahavir College of Basic & Applied Sciences	100000/-
9	Yogesh Baldaniya Mentor- Dr. Murtaza	Microbial production of papain enzyme	Bhagwan Mahavir College of Basic & Applied Sciences	100000/-

10	Ayushi Agrawal Mentor- Dr. Tiyaasha Sarkar	To establish therapeutic drug for Schizophrenia using active isolates of Withania somnifera	Bhagwan Mahavir College of Basic & Applied Sciences	150000/-
11	Mr. Hitesh Gupta Mentor- Mss. Rukhsar M. Ansari	Biodegradation of agricultural waste by using xylanase producing microorganisms	Bhagwan Mahavir College of Basic & Applied Sciences	120000/-
IP Support PHASE-1 on 28th and 29th December 2022				
12	Vaghela Mansi Vijaybhai	Microemulsion formulation of various extract of Piper betle and assessment of its antimicrobial activity.	Bhagwan Mahavir College of Basic & Applied Sciences	75000/-
13	Vaghela Mansi Vijaybhai	Emulsion formulation of various extract of Piper betle and assessment of its antimicrobial activity.	Bhagwan Mahavir College of Basic & Applied Sciences	75000
14	Das Varsha Arun	Biologics: A Biological Initiative	Bhagwan Mahavir College of Basic & Applied Sciences	75000/-
IP Support PHASE-2 on 10th February 2023				
15	Shruti Bajrang Sharma Krupali V. Barad	“Formulation and evaluation of microemulsion for mosquito repellency”	Bhagwan Mahavir College of Basic & Applied Sciences	75000/-
16	Aviral Shah Dr. Ankit Shah	Synthesis of novel fluorinated heterocyclic compounds	Bhagwan Mahavir College of Basic & Applied Sciences	75000/-

SSIP Scrutiny and IP Support Committee

Sr. No	Name	Designation		Nomination
1	Dr. Nirmal Sharma	Provost	Head of the University	Chairperson
2	Mr. Mohinder Kamboj	Sr. Deputy General Manager, L & T- MHI Turbine Generators, SURAT	Industry Expert	Member
3	Mr. Kirti Kumar M. Patel	Director, IP-Calculus, Surat	IPR Expert	Member

4	Mr. Pancham Baraiya	Regional Co-ordinator & Research Assistant at GTU Innovation and Startup Center, Surat	Alumni and Start-up Eco system Expert	Member
5	Ms. Kirti Khatanani	CA/CS	Finance Expert	Member
6	Dr. Hitesh Joshi	Director- BAIT Surat Academic Expert	Academic Expert	Member
7	Dr. Vineet Jain	Director- BMCP Surat Academic Expert	Academic Expert	Member
8	Dr. Vineet Kumar Goel	Director- BMCET Surat	University SSIP Coordinator	Members Secretary

4.2 TRAINING AND PLACEMENT CELL (T&P)

Bhagwan Mahavir University is committed to inclusion and innovation in education through philanthropy and pioneering initiatives. As the world of business and jobs changes rapidly, we are evolving to make our students not just job ready but also life ready, to help them see learning as a continuous process and to become future- ready professionals.

Bhagwan Mahavir University is also a pioneer in ushering innovative learning practices that build skills, develop inventive thinking, enhance employability as well as foster an entrepreneurial mindset. Our university promotes interdisciplinary studies, with a focus on industry-relevant and skills-oriented curriculum. The University is offering Under Graduate, Post Graduate and Doctoral Programs in various streams like Engineering, Pharmacy, Applied and Basic Sciences, Business and Management, Computer Science & Applications, Paramedical, Physical education, Education, etc. In order to give a stimulating learning environment, the university provides excellent facilities on campus and a very creative approach to learning by engaging new practices that are revolutionizing educational delivery all over the world.

Vision: The Central Training and Placement Cell is committed to the professional progress of Bhagwan Mahavir University students through integrating the career issues within an academic environment for realizing their best possible career path.

Mission: The Central Training and Placement Cell will help the undergraduate, postgraduate and Ph. D. Bhagwan Mahavir University through counselling, instructions and training for development of desired skills essential for suitable job profile/ higher education/ self employment and inviting the Corporate Industries / Research or Academic Institutes/ Commercial Organizations/ Public Sector Undertakings for campus placement.

Training and Placement Cell (T&P)

BMU has started an in-house skill development & knowledge-based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonal, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & level of programs is increased with each semester progress keeping in mind to prepare students as per present industry scenario.

BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start up or entrepreneurship in today's world. Organisations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

Objectives of T & P Cell:

- To provide career guidance about avenues open after graduation. ie. Higher education, placements or entrepreneurship.
- To provide recruitment to students.
- Finding, informing and managing Pool Placements drives.
- Providing Training & Placement process awareness to first year students.
- Managing Recruiters correspondence and feedback's.
- Act as a bridge between students, alumni and employers.
- Identify suitable potential employers and help them achieve their hiring goals.

Roles and Responsibilities of T & P Cell:

- Arrange off-campus and campus recruitment process.
- Separate cell has been established with one full time faculty.
- Corporate recruitments data update.
- Keep interacting with corporate people.
- Providing Guide-line to students to approach companies.

- Survey on recruiters' expectations from students.
- Feedback from employers of past batches.
- Alumni networking (Conducting Alumni meet at every year).
- Organizing training sessions on soft skill development.
- Conducting Technical Workshop for all our students.
- To invite prospective companies/ organizations to campus for recruitment
- To register students for the jobs with prescribed qualifications.
- To arrange for various facilities required on the date of interview.
- To collect appointment letters and distribute them to selected students.
- To provide in-plant training at companies/ organizations.

Activities under Training & Placement Cell

- Soft Skill Trainings (Mock Interview /Test)
- CEO, Experts & HR Talk Seminars/Webinars Series
- Internships
- Industry/Organisational/Industrial Exhibitions Visits
- Campus Placements
- Job Fair and Career Expo

Training & Placement Team (Academic Year-2022-23)

Name of Coordinators	Designation	Department
Mr Varun Dhingra	Head- Training and Placement Cell	Bhagwan Mahavir University, Surat
Mr Babu Patel	TPO-Head	Bhagwan Mahavir college of engineering & technology. Bhagwan Arihant institute of technology Mahavir Swami College of Engineering and Technology
Ms Sushama Kanyadil	TPO-Head	Bhagwan Mahavir college of management-MBA
Ms Neha Pandya	TPO-Head	Bhagwan Mahavir college of Commerce & Management Studies.
Ms Kruti Patel	TPO-Head	Bhagwan Mahavir Polytechnic
Mr Suresh Sapariya	TPO-Head	Mahavir Swami College of Polytechnic
Mr Sanket Trivedi	TPO-Head	Bhagwan Mahavir College Of Computer Application
Mr Ganesh kulariya	TPO-Head	Bhagwan Mahavir College of Management-MCA
Dr Zarna Dedania	TPO-Head	Bhagwan Mahavir College of Pharmacy
Ms Khushbu Verma	TPO-Head	Bhagvan Mahavir College of Basic and applied Sciences.
Mr Sagar Desai	TPO-Head	Bhagwan Mahavir College of Architecture.
Ms Pinal patel	TPO-Head	Bhagwan Mahavir School of Nursing

Highlights of the training and placement activities.

- Industrial Visits
- Guest Lectures by experts from Industry, Research and Academic Institutes
- Career Guidance and Higher Studies.
- Personality Development Classes
- Training on Technical Skills.
- Mock Aptitude Tests and Interviews
- MOU's.

Guest Lectures by experts from Industry, Research and Academic Institutes

Guest lectures help students improve their learning in a more interactive, topic specific way. These can be very helpful not only for the students, but can also contribute to the teacher's knowledge and practices. Guest lectures can be used to make classes more approachable and appealing to students.

BMU, Training and Placement Cell also organizes Guest Lectures for students to assist them to unveil various career paths.

Career Guidance and Higher Studies

Career guidance is the guidance given to individuals to help them acquire the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout. BMU, Training and Placement Cell also organized “Career Guidance and Higher Studies” Seminars for students to assist them to unveil various career paths.

College	Course	Date	Details	No. of Students

4.3.1 Tree Plantation – 09/06/2022

NSS unit of Bhagwan Mahavir University organized Tree Plantation Drive on 09th June 2022 at BMPoly ground. As everyone knows that Tree plantation is good for the environment and trees are the source of oxygen. They inhale carbon dioxide and exhale oxygen without which the survival of living beings is not possible on earth.

We have identified various places at our college premises for tree plantation and planted various trees along with students. Students as well as faculty members of the college participated very actively for this event.

4.3.2 International Yoga Day – 21/06/2022

In the modern fast and stressful life, most of the people do not find time for their health maintenance and face lot of health and fitness issues. To get void of such of problems, people should have to look after their health and fitness. And for that regular food, restricted diet and Yoga are the key points. Yoga is the best remedy, as it is cost free and time saving remedy. NSS Unit of Bhagwan Mahavir University has organized a Yoga Camp on 21st of June 2022 at School Auditorium.

4.3.3 Tiranga Yatra – 13/08/2022

On the occasion of Azadi Ka Amrit Mahotsav, BMU organized “Tiranga Yatra” on 13th August-2022. The purpose of Tiranga Yatra was to spark the patriotism in the students of BMU. In the Tiranga Yatra, about 15000 people with 4500 two wheelers participated including students and faculty members of the university. About 1000 Students of Bhagwan Mahavir International School also joined the Tiranga Yatra.

Cabinet Minister Mr. Purnesh Modi inaugurated the Tiranga Yatra. Apart from him, Mrs Zankhnaben Patel, MLA of Choryasi Constituency, Mr. Vivek Patel, MLA Udhna constituency, Mr. Paresh Patel, Chairman Standing Committee SMC also remained present. Mr. Jagdish Jain,

Chairman BMEF, Mr. Anil Jain, Treasurer BMEF, Dr Sanjay Jain, President BMU, Dr Nirmal Sharma Provost BMU, Dr Vijay Matawala Registrar BMU also joined the Tiranga Yatra.

The Yatra followed the path of city light road, Kargil chowk, Y Junction and returned from VIP road.

4.3.4 Independence Day Celebration – 15/08/2022

Bhagwan Mahavir University celebrated “75th Independence Day”, which is themed as 75th Azadi Ka Amrit Mahotsav with great enthusiasm on 15th August-2022.

The programme started at 8.00 AM followed by a prayer. After prayer the dignitaries hoisted the Flag and all sang Flag Song and National Anthem together. Students gave inspiring speeches. After that there was an inauguration for “One Week for Nation” by chief guest Shri Ashok Kanungo sir, guest of honors Mahendra Gang sir, founder and Managing trustee Shri Anil Jain sir, President Dr. Sanjay Jain sir and Shri Jagdish Jain sir.

Some students performed a patriotic song, some performed a patriotic dance, and some dressed up

as freedom fighters and played their roles. The programme ended by 10.30AM.

4.3.5 Best Out of Waste Competition – 22/08/2022

As a part of One Week for Nation, BMU organized “Best out of Waste” activity on 22nd August 2022. Its responsibility was taken by B M Polytechnic. About 250 students from various colleges participated in this activity to make some new things from waste materials. Students were eagerly participated on waste to best and try their best in competition.

In this event guest was Dr. Bhavina Desai, Professor, Shikshan Bharti College of Education. (B.Ed.) and Ar. Heli Desai, H.O.D, Bhagwan Mahavir College of architecture. A team of Nimrit Shah, Bhoya Karina and Thorat Saloni from Bhagwan Arihant Institute of Technology won the first prize. Alfiyan Monsuri and Amanchi Saikiran from Bhagwan Mahavir polytechnic won the 2nd prize while Desai Malay from Bhagwan Mahavir College of Pharmacy won the third prize.

4.3.6 NSS Health checkup Camp – 23/08/2022

“A Free Health Check-Up Camp” was organized by BMU as a part of One Week for Nation event on 23rd August 2022 at Bhimrad Village, Surat.

Its responsibility was taken by Bhagwan Mahavir College of Nursing. The camp was exclusively organized for poor people who hardly can afford treatment for their physical issues.

Health check-up camp was inaugurated by Mr. Balvantbhai Patel, Sarpanch, Bhimrad Village, in the presence of Mr. Hitesh Joshi, Director Admissions and Mrs. Snehal Vaghela, Principal,

Bhagwan Mahavir College of Liberal arts and humanities.

4.3.7 Safai Abhiyan – 25/08/2023

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. BMU have taken a step for being a part of this campaign as a part of *One Week for Nation*. It was coordinated by BMCCA and BMCCMS. On 25th August-2022, students along with faculties went to Dumas beach to clean it and put up the cleanliness campaign on the top.

Many students from the different streams took part of this campaign and spread awareness for Clean India, Green India.

4.3.8 Fit India Cyclothon – 26/08/2023

As a part of “*One Week for Nation*” activity, BMU organized “*Marathon and Cyclothon*” event. Department of engineering (BMCET, MSCET and BAIT) arranged event on 26th August-2022. The event started with Zumba session, in the presence of Provost of BMU, Dr. Nirmal Sharma sir. It was joined by the students of all colleges of BMU and took one step towards healthy India.

4.3.9 E-Poster & Fabric Painting Competition – 27/08/2023

As a part of Independence Day Celebration 2022, on India's Freedom Fighter and Contribution of Freedom Fighters in India's Independence, BMU organized “*E-Poster and Fabric Painting competition*”. Its responsibility was given to Bhagwan Mahavir College of Architecture.

It had a theme of 75th Azadi Ka Amrit Mahotsav where t- shirts were painted with colors and students showed their tribute towards nation and posters were made to show their interpretation of Azadi in creative form and winner were announced on the basis of rules and proper justification of theme of Azadi.

4.3.10 Blood Donation Camp – 17/09/2022

Blood Donation is the humblest act towards kindness. This opportunity was taken by a joint effort of Terapanth Yuvak Parishad, New civil hospital, surat and Bhagwan Mahavir University, Dr. Snehal Vaghela and all NSS coordinators.

On the occasion of the birthday of our Honorable Prime Minister Shree. Narendra Modiji, on 17th September, we made a remarkable effort towards doing our bit and empowering the nation by organizing the Blood Donation drive.

4.3.11 Climate Change Youth outreach program – 27/09/2022 to 30/09/2022

The government of India organises “*Climate change Youth Outreach Programme*” for youth to make them aware of the environmental situation. To inform and motivate the youth, Bhagwan Mahavir University also participated in those activities and organised a “*Climate Change Youth Outreach Program*” for communities.

NSS Cell of BMU and Bhagwan Mahavir College of Pharmacy took the responsibility for the same. Various activities, such as Slogan competition, innovative ideas for combating climate change, group discussion, essay writing, Elocution competition organized from 27th September to 30th September-2022.

More than 250 students of Bhagwan Mahavir University participated in various activities. Prize Distribution Ceremony was held at Bhagwan Mahavir College of Pharmacy, Seminar Hall to felicitate various event coordinators, jury members, winners, and Runners- up in a Variety of Activities Dr. Vijay Matawala, Registrar, BMU, and Dr. Snehal Vaghela, Head of NSS cells were the guests at the ceremony.

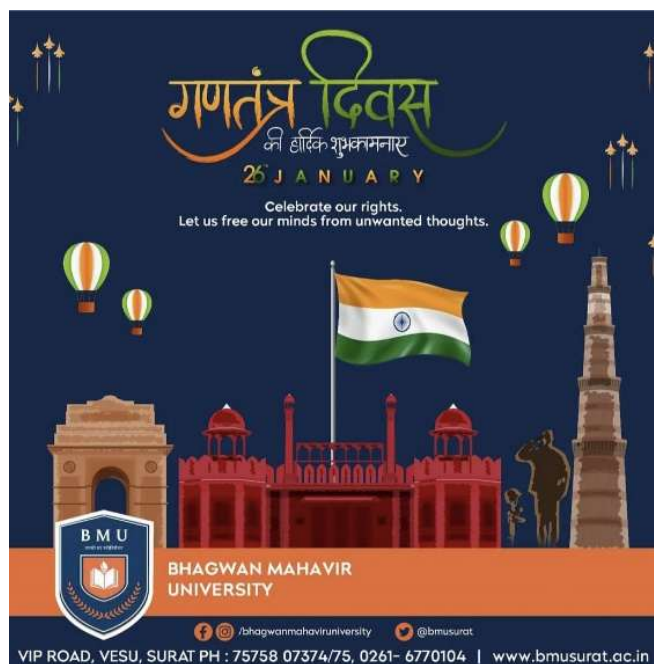

4.3.12 Republic Day Celebration – 26/01/2023

74th Republic Day was celebrated on 26th January 2023 with a spirit of patriotism and great enthusiasm at BMU Campus organized by NSS Unit. The students & Staff of BMU assembled on the school ground at 7:30 am.

Dr. Nirmal Choraria, Pediatrician & Chairman at Nirmal Hospital was the chief guest for the event. After some time, the Trustees and other distinguished persons arrived. This was followed by our National Anthem ‘Jan Gan Man’ sung by a team of students.

Some students performed a patriotic song, some performed a patriotic dance, and some dressed up as freedom fighters and played their roles. The programme ended by 10.30 AM.

4.3.13 NSS Village Camp at Kada, Mehsana – 14/02/2023 to 19/02/2023

NSS Unit of Bhagwan Mahavir University has taken part at 7 Days Nation Integration Camp (NIC) at Kada Village, Mehsana from 14-02-2023 to 19-02-2023.

During the camp, education sessions, cleanliness drives, Nukkad nataks & music activities were conducted. BMU is proud and appreciates the contributions of our students & program officers who devote their time for the advancement of the village.

Around 14 students & 2 Program officers have enthusiastically taken part in the camp & were provided with certificates & awards for their contribution.

4.3.14 NSS Orientation program - 02/03/2023

NSS Induction programme was inaugurated on 02/03/2023 in the presence of Dr. Nirmal Sharma, Provost, Bhagwan Mahavir University, Dr. Snehal Vaghela - Principal, Liberal Arts.

Around 250 students have attended the program with 10 NSS program officer.

4.3.15 NSS Special Camp at Saroli, Olpad – 15/03/2023 to 21/03/2023

NSS Unit of Bhagwan Mahavir University, Surat has organized N.S.S Special Camp 2023 at Saroli village (Olpad) from 15th March to 21st March 2023. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. The volunteers participated enthusiastically in the camp under the leadership of Mrs. Snehal Vaghela (NSS Co-ordinator, BMU) & under the guidance of Dr. Nirmal Sharma, Provost, BMU. Program was well supported by all Principals/Directors.

Various activities like cleanliness drive, Nukkad Natak, donate to needy, cultural activities, distribution of stationary kits to school kids, etc were performed in the camp.

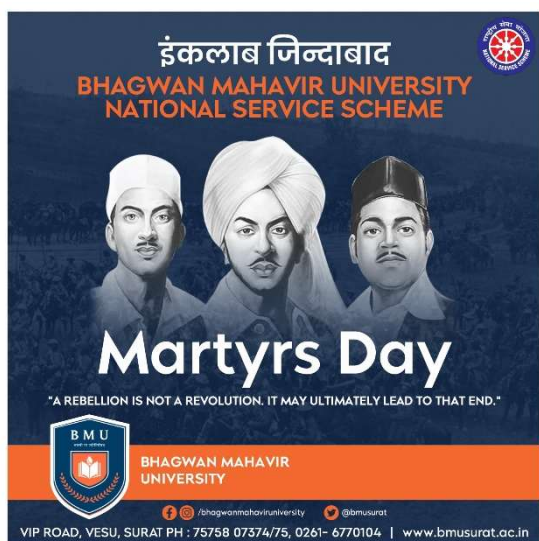

4.3.16 Martyrs Day Celebration – 31/03/2023

Martyrs' Day was celebrated by NSS unit of Bhagwan Mahavir University to salute the martyrdom of Freedom Fighters who lost their lives defending the sovereignty of the nation. Our nation mark

23rd March as Shahid Divas in the memory of Bhagat Singh, Raj guru & Sukhdev following the memory of all patriotic persons who shed their breath for nation.

Dr. Nirmal Sharma, Provost, BMU & Dr. Vijay Matawala, Registrar, BMU paid homage to the Martyrs on the eve of Martyr's Day. This was followed by his inaugural address. The session received full attendance from faculty, staff and students.

4.4 Youth Festival- SPANDAN-2022-23

SPANDAN – Connecting Heartbeat

Bhagwan Mahavir University (BMU) organized a remarkable two-day youth festival, "*Spandan – Connecting Heartbeat*" on 23rd and 24th March 2023. The event aimed to create an engaging platform for students to exhibit their talents and unleash their creativity. Spandan featured a diverse range of activities, including a fashion show, singing performances, group dances, folk dance showcases, and talent shows. This report provides a comprehensive overview of the festival's highlights and accomplishments.

Key Events:

Fashion Show:

The festival kicked off with an enthralling fashion show that captivated the audience with the latest fashion trends and designs. Students confidently walked the runway, showcasing their style, elegance, and innovative fashion sense. The fashion show set the tone for the rest of the festival, showcasing the students' impeccable fashion sensibilities.

Singing Performances:

The melodious performances by talented students left the audience mesmerized. The singing competition witnessed a display of exceptional vocal abilities, showcasing the participants' passion and dedication to music. The diverse range of musical genres presented created a delightful experience for all attendees.

Group Dances:

The stage came alive with vibrant and synchronized movements during the group dance performances. Participants showcased their creativity, rhythm, and storytelling through captivating choreographies. The energy and enthusiasm displayed by the dancers enthralled the audience, leaving a lasting impression.

Folk Dance Performances:

Spandan paid homage to the rich cultural heritage of India through captivating folk dance performances. Students expertly portrayed the traditional dance forms from various regions of the country, showcasing the diversity and beauty of our cultural roots. The folk-dance performances immersed the audience in a cultural extravaganza.

Talent Shows:

The talent shows were a highlight of the festival, providing a platform for participants to showcase their unique abilities. The talent showcased ranged from stand-up comedy acts to magical performances and other extraordinary skills. The audience was astounded by the display of hidden talents and applauded the participants' remarkable performances.

Achievements and Impact:

Spandan provided a nurturing and inclusive environment for students to express their talents and creativity, boosting their self-confidence and self-expression abilities.

Participants gained valuable experience in showcasing their skills before a large audience, fostering personal growth and development.

The festival promoted cultural diversity and unity by incorporating various dance forms and showcasing the vibrant traditions of India.

This annual festival not only allows students to showcase their talents but also serves as an opportunity for personal growth and development. Spandan encourages students to explore their passions and celebrates the vibrant spirit of youth within the university.

The event fostered a sense of community and camaraderie among students, faculty members, and attendees, strengthening the university's overall campus spirit.

BMU extends heartfelt appreciation to all the participants for their exceptional performances, dedication, and enthusiasm. The festival's success would not have been possible without the support of the faculty members, volunteers, and sponsors who contributed their time, resources, and expertise.

Glimpses of Spandan - 2023

In house Events as a part of SPANDAN – 2023

In-house events provide an opportunity for students to express their creativity through various competitions. These events can help students to explore their creative side, develop new skills, and discover their passions. In-house events also encourage teamwork, collaboration, and communication skills among students.

Bhagwan Mahavir University organised different types of In-House events from 20th to 24th February, 2023. This year we have planned our competition on G-20 theme.

The event schedule is as follows:

Date	Event	Organizing College
20/02/2023	Debate Competition on “Digital Economy”	BM CET
	Mehndi Competition	Liberal Arts
21/02/2023	Round table discussion on G20	BM Pharmacy
	Quiz Competition on Environment and Climate Sustainability	BM CBAS
22/02/2023	Drawing Competition on G20 theme	M.Ed.
	Street Play (Nukkad)	BM Poly
23/02/2023	Treasure Hunt	BMCCA BMCCMS
	Elocution Competition on G20 Working and Engagement Group	BM Arch.
24/02/2023	E-Poster on G-20 theme	BMCA
	Rangoli Competition on G20 and SDGs	B. Ed
	Poetry Recitation Competition	BM CBAS
	Mono Acting Competition	BM CBAS

In-House Evet under Youth Festival Spandan – 2023 by BMCET

As a part of SPANDAN-2023, Faculty of Engineering organized Debate on “Digital Economy” under the umbrella of G20 for the students of BMU. Total 48 students participated in the debate. Dr. Zarna Dedania (BMCP), Dr. Pooja Desai (BMCBAS) and Ms Ishani Chhoksi (BMCCMS) served as judges. In the event, Samya Sheth (BMCP), Aastha Solanki (BMCM) and Kritika Rajpurohit (BMCCA) declared as winners.

In-House Evet under Youth Festival Spandan – 2023 by BMCLAH

As a part of SPANDAN-2023, Bhagwan Mahavir College of Liberal Arts and Humanities organized Mehendi Competition for students of all constituent colleges of BMU on 20th February-2023. Students of BMU participated in the competition and displayed their skills. The competition was organized to seek and develop the traditional values among students. Irrespective of exposure and experience, they adorned their hands with Mehendi designs which will help them in boosting their confidence in the art. Rucita Nagresha (MBA), Maitri Vasoya (BMCN) and Patel Kinjal (BMCN) won the prize in the competition.

In-House Evet under Youth Festival Spandan – 2023 by BMCP

The Bhagwan Mahavir College of Pharmacy organized the "G20: Round Table Discussion Competition" as part of their in-house event, Spandan 2023, on February 21, 2023. The event, held

offline at the BMCP Seminar Hall, aimed to promote the values of inclusivity, respect, and harmony, inspired by the G20 theme of "Vasudhaiva Kutumbakam" or "One Earth · One Family · One Future."

The event commenced with a warm welcome extended to the guest speaker, Dr. Nirmal Sharma, along with the jury members, staff, and participants from various colleges. Dr. Vineet C. Jain emphasized the importance of the event and its relevance to the students. Dr. Nirmal Sharma delivered a speech highlighting the significance of the G20 and encouraged the youth to actively engage in upcoming challenges and stay informed about important events in the country.

The round table discussion competition revolved around two themes: "Life Style for Environment (LiFE)" and "Vasudhaiva Kutumbakam." The participants were divided into teams, and the competition proceeded with two rounds. Ms. Shoeila Patrawala (BMCP), Ms. Samya Seth (BMCP), and Mr. Shivam Rajput (BMCBAS) secured the first, second, and third ranks, respectively.

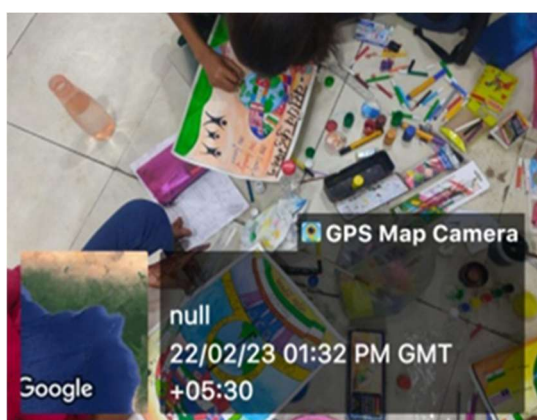

In-House Evet under Youth Festival Spandan – 2023 by BMCBAS

BMU celebrated in-house events under SPANDAN-2023, in which a number of programs were conducted by different colleges of the university. Students of BMCBAS organized in-house events mono acting and poetry recitation. Total 13 students all over BMU participated in the program. The jury members of the event were Mr. Akshay Kodyawala (Research Scholar at SVNIT) and Dr. Megha Chaudhri (Faculty at BMCE, BMU). In mono acting competition, Joshi Dhvani (BEd), Dhruv Patel (BMCBAS) and Sneha Mohite (BMCP) declared winners while Yogita Kaushik (BMCCA), Ayushi Agrawal (BMCBAS) and Zeel Rathi (BMCP) declared winners in Poetry Racitation competition. As a part of SPANDAN-2023, BMCBAS organized Quiz competition on "Environment and Climate Sustainability" on 21st February-2023. A total 9 teams with 3 members in each all over BMU participated in the event. In all competition was covered by 5 different rounds, which concluded with first three winning teams. Patrawala Soheila and Somya (BMCP) won the first prize. A team of Abhinav Yadav, Om Chauhan and Bambhaniya Harshad (BMCBAS) stood 2nd while a team of Subham Singh, Parth Ahir and Hitesh Gupta (BMCP) won the third prize.

In-House Event under Youth Festival Spandan – 2023 by SBCE and BMCE

BMCE organised Drawing Competition on 22nd February-2023 as a part of SPANDAN-2023. Principal Dr. Kinnary Patel gave a welcome speech while Dean Dr. Dilipbhai Patel delivered occasional speech regarding Drawing Competition with the theme of G20. In the event, Aayushi Prajapati (BMCCA), Harshit Thakkar (BMCA) and Vrajat Sukhadiya (BMCBAS) declared winners. Dr. Chaitali Shroff and Prof. Heliben Desai served as judges.

Shikshan Bharti College of Education (B.Ed.) organised Rangoli Competition as part of In House Event under Youth Festival ‘SPANDAN-2023’ on 24th February-2023. Dean of Education Department Dr. Dilipbhai Patel welcomed Dr. Nirmal Sharma (Provost- BMU) and delivered occasional speech regarding Rangoli Competition based on the theme of G20. A team of Vaghasiya Prushti S, Yadav Tanvi J Panchal Nidhi R and Tiwari Pratixa from BMCCA won the first prize. A team of Bhagat Zinal Pareshkumar, Mishra Kavita Vidhyaprasad, Patel Divya Amrutbhai and Patel Aayushi Anilbhai from SBCE (B.Ed) won the 2nd prize while a team of Dubey Mona S., Ezhava Resma R. and Bhavsar Shivani A. from BMCBAS won the third prize

In-House Event under Youth Festival Spandan–2023 by BMP

Bhagwan Mahavir Polytechnic organised in house events as a part of SPANDAN-2023 to showcase the different abilities of students. As a part of in-house event, Street play (Nukkad Natak) on topic of “influence of social media” was organized. Nukkad Natak is not just a word but an emotion. It is a form of theatrical performance and presentation of act in an open area in mostly large groups. It is

considered as the purest form of acting. This event was scheduled on 22nd February-2023 in the ground of B M Polytechnic. In the event, a team from four colleges BMCP, BMCBAS, SBCE and BMPoly, participated. Ms. Anamika Surti, Cultural head of BMCBAS served as judge. Each College has performed really nice. Their acting skills and performing skills were appreciable. Sidhdhi Shah and team from BMCP won the first prize. Shivnandan Tiwari and team from B M Poly stood 2nd while third prize was won by Sapna Khandelwal and team from BMCBAS.

In-House Evet under Youth Festival Spandan – 2023 by BMCCMS

In house event Treasure Hunt as a part of Spandan-2023 was organized by Bhagwan Mahavir College of Commerce & Management Studies. The event was organised on 22nd February-2023 at the various spots of the university. Around 120 students participated from various constituent colleges of Bhagwan Mahavir University. Malay Desai and team from BMCP won the competition. The event was very successful.

In-House Evet under Youth Festival Spandan–2023 by BMCA

BMCA conducted an Elocution Competition where the students were given topics on G20 on 23rd February-2023 as a part of SPANDAN-2023. Students actively participated in the competition and made understood on how it plays an important role in shaping and strengthening global architecture and governance on all major international economic issues. In the event, Kritika Rajpurohit (BMCCA), Samya Sheth (BMCP) and Priya Poddar (BMCA) declared as winners.

	Mono acting Competition	1) Joshi Dhvani (B.Ed.) 2) Dhruv Patel (BMCBAS) 3) Snehal Mohite (BMCP)

SPORTS MEET - 2023

If there is one field of life which teaches us the most valuable lessons about perseverance, patience in fact what constitutes a perfect character, it is sports. After a hiatus of two years due to the lingering fear of the COVID-19 pandemic, BMU organized one of its most signature events.

Bhagwan Mahavir University, Department of Physical Education organized a Sports Meet-2023 from 17th February to 28th February-2023. The most anticipated event of the year commenced with the arrival of the highly distinguished chief guest Mr. P G Narwdesir.

No programme worth its salt can ever take place without seeking the blessings of God. The sports day event was inaugurated through the flame lighting ceremony, in which, the torch was carried by students who have best performed in the sports competitions at different levels at BMU Sports ground and was attended by all the students and faculty members.

The sports day began with a March Past. Mr. P G Narwde sir gave speech to motivate the students to participate followed by the instructions to be followed in order to take precautions to be followed throughout the event.

Considering the concept of “SPORTS FOR ALL” throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff.

This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them. All the Undergraduates, Graduates, Post-Graduates and Faculties took part in various sports events.

Students took part in various competitive sports activities & made this Sports Week interesting. Without students this would not have been possible. Every student took part in the Sports Week and made this event successful. Total 900+ participants were there in this whole event which lasted for about 2 weeks, is really great response from students.

On 28th February-2023 BMU organize closing ceremony to felicitate the students with medals and trophies. On this day Mr. Bakul Sarang sir presented as a special guest to encourage student with providing them trophies and medals.

The following events have been organized for the inter-college sports tournaments for students and Staffs.

Indoor Games:

Sr no.	Event Name	No. of Participants	Best Player of the Event
1	CARROM	70	Rishi Trivedi (Boys), Sanya Sheth (Girls)

4.5.1 E-POSTER AND FABRIC PAINTING COMPETITION

As a part of Independence Day Celebration 2022, on India's Freedom Fighter and Contribution of Freedom Fighters in India's Independence, BMU organized "*E-Poster and Fabric Painting competition*" on 22nd August-2022. Its responsibility was given to Bhagwan Mahavir College of Architecture. It had a theme of 75th Azadi Ka Amirt Mohotsav where t-shirts were painted with colours and students showed their tribute towards nation and posters were made to show their interpretation of azadi in creative form and winner were announced on the basis of rules and proper justification of theme of azadi.

4.5.2 Best Out of Waste Activity

As a part of One Week for Nation, BMU organized organised “*Best out of Waste*” activity on 22nd August 2022. Its responsibility was taken by B M Polytechnic. About 250 students from various colleges participated in this activity to make some new things from waste materials. Students was eagerly participated on waste to best and try their best in competition.

4.5.3 Debate, Essay and Elocution Competition by BMCE

BMCE organized Debate, Essay and Elocution Competition a part of *One Week for Nation* on 22nd August-2022 to show the patriotic spirit by giving little support to the country.

4.5.4 SAFAI ABHIYAAN by BMU

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. BMU have taken a step for being a part of this campaign as a part of *One Week for Nation*. It was coordinated by BMCCA and BMCCMS. On 25th August-2022, students along with faculties went to Dumas beach to clean it and put up the cleanliness campaign on the top.

4.5.5 MARATHON and CYCLOTHON

As a part of “*One Week for Nation*” activity, BMU organized “*Marathon and Cyclothon*” event. Department of engineering (BMCET, MSCET and BAIT) arranged event on 26th August-2022. The event started with Zumba session, in the presence of Provost of BMU, Dr. Nirmal Sharma sir. It was joined by the students of all colleges of BMU and took one step towards healthy India.

4.5.6 HEALTH CHECK-UP CAMP

“*A Free Health Check-Up Camp*” was organized by BMU as a part of *One Week for Nation* event on 23rd August 2022 at Bhimrad Village, Surat. Its responsibility was taken by Bhagwan Mahavir College of Nursing. The camp was exclusively organised for poor people who hardly can afford treatment for their physical issues.

4.6 AAYAM 2022-23

AAYAM is annual national technical event which comprises of different technical events, workshops and many other attractions. AAYAM 2023 – a national level tech-fest was organized by BMU during 27th February-2023 to 28th February-2023. The journey of AAYAM began since 2013. AAYAM 2023 was 8th successive tech-fest at BMU.

Some Glimpses of the Events....

4.7 PROTSAHAN 2022-23

Bhagwan Mahavir College of Commerce & Management Studies organised the Inauguration Ceremony of the Management Event *PROTSAHAN-2023* on 15th February-2023 with the theme of MAHABHARATA.

PROTSAHAN-2023, annual function of the college was organised on 15th and 16th of April 2023 at the various spots in the Bhagwan Mahavir University campus. The event involved activities such as group discussions, quizzes, case studies, and role-playing exercises, all based on the principles and values of Mahabharata.

4.8 INSPIRA 2022-23

Bhagwan Mahavir College of Management (MBA Department) organized Inter-college Competition INSPIRA on 1st April-2023. It is an annual cultural fest. Competitions were divided into Formals and Informal Events. Various colleges from Surat city and Gujarat state participated in various competitions. The chief guest of the event was RJ Rajul Surana from Radio Mirchi Love. Events like Sharewars, The Business Idea Pitchers, Ad- Mania Ultimate Talent, Treasure Hunt, Photography and Box Cricket were conducted. More than 200+ students from different colleges participated in in different formal and informal events.

4.9 WOMEN DEVELOPMENT CELL

The Women Development Cell (WDC) is established in the University by the then honourable provost of the University. The establishment of the WDC is indeed a landmark achievement of the university in pursuance of the policies of women empowerment within the university campus. The University has set up the WDC to address concerns of gender discrimination and recommend measures and policies for gender parity at the University. The University has set up the Campus Internal Committee to address complaints of women Harassment. Further, the University has directed all its colleges/institutions to set up College Internal Committees also. The University is preparing a comprehensive Ordinance for Gender Discrimination and Sexual Harassment.

The Cell has both the faculty and students of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality in the society through College students.

Objectives:

- Helping female students live a balanced life where they neither lurk into depression nor take the abode of aggression.
- To stress upon the development of women in every sphere.
- To organize events and activities for women empowerment.
- To create an environment that will help women realize their full potential and give their best.

Women Development activities organised by Institutes 2022-2023

- Doctoral Progress Committee
- Doctoral Research Committee

CHAPTER V

INNOVATIVE PRACTICES

5.1 TECHNOLOGICAL INNOVATION

- **Customer Relationship Management (CRM) Software:** To Increase the counselor's efficiency by mapping the entire student journey with timely follow-ups. It makes easy to communicate with large mass of the students.
- **GNWEBSOFT ERP:** The new ERP platform has been evaluated and finalized to improve the overall governance of university and student support. It will make the system and functions like Examination Result, Marksheet, Transcript and many other smooth and efficient. Moreover, process of Admission, Academic and Examination Department to transform with power of technology and reduce manual effort. Further we have planning to implement in Purchase, HR and Account department. ERP have both Application and Web view. It will beneficiary for Students as well as Faculty members. Students can view their Academic Performance, View Assignments, and Announcement on a single click.
- **Innovation and Incubation centre of Entrepreneurship:**

BMU Surat encourages & supports research, innovation & entrepreneurship among the Faculty, Staff, Research Scholars, and Students. With this objective, BMU Surat has set up an Innovation & Incubation Centre for Entrepreneurship or IICE. The IICE will be the hub of Research, Innovation and Entrepreneurship at BMU Surat, Gujarat. The center was inaugurated by Lok Sabha Speaker Hon. Shri Om Prakash Birla Ji on 12th October 2022. Through its Centre of Entrepreneurial Excellence or IICE, BMU Surat will utilize the locally available systems to its full potential and promote entrepreneurship. IICE aims to directly and proactively support the ideation and incubation of Innovation and Technology driven Ventures at BMU Surat, Gujarat by its Faculty / Staff / Research / Students and contribute towards nation building. IICE Policy on incubation and innovation has also been approved and published by BMU Management. Under IICE, BMU has conducted several events and programs on entrepreneurship in collaboration with several institutions and networks including SSIP, MSME, TiE Surat, CED and STBI to name a few.

5.2 DEVELOPMENTAL INNOVATION

- **SANKALP program under IICE**

SANKALP is a series of sessions & workshops featuring a cohort of 10-15 top startups that come together to tackle specific technical or business challenges that can help grow their business through a mix of remote and in-person, 1-to-1, group learning sessions, and sprint projects. The program runs for a period of 12-weeks with workshops, programming, and mentorship taking place each week. Under Sankalp Incubation Program, selected founders outline the top technical and business challenges facing their startup, and are then paired with relevant experts from the industry to help solve those challenges. The program covers every facet that goes into building an enduring company—everything from mission and monetization to pricing and product-market fit. The first batch of Sankalp Incubation Program was kicked-off in the first week of April 2023. The cohort consisted of 10 startups, identified predominantly under SSIP rounds earlier. The batch started on 26th April 2023 and concluded with the D-Day held during BMU Startup Conclave on 27th October 2023 where some of the selected startups presented their business plan to a panel consisting of investors and esteemed entrepreneurs.

- **SAMHITA Multi-Disciplinary Research Journal**

Publishing a multi-disciplinary journal with an ISSN (International Standard Serial Number) holds importance for the Research and Development Cell (RDC) of BMU ensure Cross-disciplinary Collaboration by encouraging the convergence of ideas and methodologies from different domains, Comprehensive Knowledge Dissemination by providing a platform to disseminate a wide range of research outcomes, Addressing Complex Issues that often require insights from multiple perspectives and serves for the Academic Reputation of the University by accepting a commitment to academic diversity and excellence, attracting scholars and researchers interested in a broad spectrum of subjects. BMU launched online journal with the ISSN-010X (Online) and Title SAMHITA Multi-Disciplinary Research Journal.

- **ISBN Edited books**

The purpose of publishing edited books with ISBN in the context of a university's Research and Development Cell (RDC) efforts is multifaceted. Firstly, these publications serve as a tangible representation of the institution's commitment to encourage advance knowledge in specific domains. They contribute to the academic discourse by showcasing research findings, theories, and innovative perspectives. Moreover, edited books often bring together contributions from various experts, fostering collaboration both within and outside the

university. This collaborative approach can lead to interdisciplinary insights and the exchange of ideas, promoting a culture of research excellence. BMU successfully published four edited volumes under the common name SAMHITA during the academic year. All the chapters contributed by academicians and renowned industrialists' added value and boosted us to release the volumes back-to-back.

1. Volume – 1 published with the theme “Role of Management and Technology in today’s Business” with the ISBN no: ISBN: 9788119079162, Bharti Publishers, New-Delhi
2. Volume – 2 published with the theme “Role of Science, Technology, Management and Education in Current Scenario” – Lessons from Covid-19, ISBN: 978-93-95944-66-3, PPH-Paramount Publishing House, Kukatpally, Hyderabad
3. Volume – 3 published with the theme “A Book on Interdisciplinary Management and Business Practices” ISBN: 978-93-95944-93-9, Paramount Publishing House, Kukatpally, Hyderabad.
4. Volume – 4 published with the same theme “Role of Science, Technology, Management and Education in Current Scenario” ISBN:978-93-95944-25-0, PPH-Paramount Publishing House, Kukatpally, Hyderabad

CHAPTER - VI

FUTURE PLAN

Future Plans of Expansion

The Bhagwan Mahavir University has an optimistic expansion plan for coming years; the aim is to add on few more branches in the existing faculties

Faculty of Engineering & Technology

- **Branches to be added at Post Graduate Level**

- a. MTech-Civil Engineering (Geotechnical Engineering)

The introduction of an M. Tech program in Geotechnical Engineering aligns with our institution's mission to provide high-quality education and address the evolving needs of industries. By offering this program, we aim to produce graduates who are well-equipped to meet the increasing demand for geotechnical engineers and contribute to the advancement of this field.

Faculty of Management. (New courses proposed)

- a. Post Graduate Diploma in Management (PGDM)

PGDM is a two-year business management program that caters to industry requirements, and helps management aspirants develop relevant hard skills and soft skills to transform into an industry-ready management professional. Students will learn important contemporary business concepts while honing their problem-solving and analytical skills. Studying for a Graduate Diploma of Management is a great way to break into management roles, as well as lead and manage teams and projects.

Faculty of Design & Planning (New courses proposed)

- a. Bachelor of Design (B. Des)

- b. Master of Design (M. Des)

Bachelor of Design or BDes is a three-year professional undergraduate programme that aims to provide in-depth design knowledge to students. The BDes curriculum includes CAD, CAM, product development, marketing, specialisation-specific subjects, and personality development subjects. Students pursuing a BDes programme gain experience in the design business through internships, events, and exhibitions on a national and worldwide scale. Students with a BDes degree can begin their careers immediately after finishing the course. Students who are creative and wish to join the field of fashion can pursue this course.

M.Des graduates getting work placements and jobs after M. Des, as their education prepares them for the workplace and trains them how to successfully navigate their career path. Additionally, BMU

will give students the opportunity to apply for internships and work placements while studying. M.Des degree presents students with a large scope of employment opportunities in many industries including Retail Industry, E-Commerce Industry, Merchandising Industry, Interior Industry, Fashion and Beauty Industry etc.
