UNIVERSITY

ANNUAL REPORT

2023-2024

संस्था गीत

जय जय भारती
जय जय भारती
मा भारती की आरती
तमसो मा ज्योतिर्गमय है
अमृतमय अभीयान
असतो मा सद्गमय है
उच्च उचित संधान
मृत्योर्मा अमृतं गमय
अलोकित सोपान
गंगा यमुना से बहते हैं, यहां ज्ञान विज्ञान
संस्कारों की सरस्वती जहां, उमड़े सुबह शाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
पावन वातावरण यहां का, परिसर है पावन पावन
सुरचित पूर्ण है हर एक सुविधा, कुशल प्रबंध प्रशासन
कण कण में है ज्ञान की खुशबू, पग पग पर अनुशासन
प्रतिभाव को मिले यहां पर, सम बल और प्रोत्साहन
सब जन हिताय, सब जन सुखाय, है जिसका पैगाम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती
सुप्त शक्तियां जाग उठे यहां, आत्म विकास के अवसर पर
ज्ञान प्राप्त हो ऐसा यहां जो, काम आये हमें जीवनभर
पुरुषार्थ यहां, पवन में घुले मिले है
सात्य सात्य पर राष्ट्रभक्ति के, यहां फूल खिलते हैं
शिक्षा का यह, तीर्थ बना है, सुरत में अभीराम
भगवान महावीर युनिवर्सिटी है नाम
जय जय भारती
जय जय भारती
मा भारती की आरती

Preamble - Our Guiding Principle

Vision

To emerge as a “Centre for Excellence” offering high-quality technical education and research opportunities of quality standards to students and to serve the society by educating young and budding students with latest technological advancements for dynamic and global careers.

Mission

1. Design curricula that align with international standards, address industry and civil society needs, and inculcate creative thinking, critical analysis, and ethical values.
2. Offer programs and courses that follow national policies and vision to build the nation, enhance skills, foster self-reliance, encourage start-ups, and tackle global challenges.
3. Provide state-of-the-art infrastructure, engage renowned academicians, and foster an environment conducive to researching, innovating, consulting, and entrepreneuring for societal benefit.
4. Establish strategic partnerships and collaborate with industry, government, R&D institutes, and international allies to achieve global excellence.
5. Delight students by fulfilling their aspirations through blended learning, corporate mentoring, professional grooming, flexible curricula, and a vibrant atmosphere supported by co- and extra-curricular activities.
6. Contribute to building a healthy, vibrant, and sustainable society by engaging in Institutional Social Responsibility (ISR) activities.
7. Develop future-ready human resources and responsible citizens for “Vikshit Bharat 2047.”

Objectives

1. Establish an effective and efficient governance and administrative framework.
2. Develop state-of-the-art infrastructure to encourage and promote quality education, teaching, learning, research, innovation, and holistic student development.
3. Achieve excellence in education, teaching, learning, impactful research, and innovation through modern techniques and pedagogy.
4. Provide high-quality education in alignment with the National Education Policy and framework.
5. Contribute to national development by adopting and supporting initiatives such as “Skill India,” “Atmanirbhar Bharat,” and “Start-up India.”
6. Foster strategic relationships and collaborations with government bodies, private institutions, corporates, industries, NGOs, national and international universities, and R&D centres to enhance education, research, and innovation.
7. Focus on multifaceted student development and lifelong learning to nurture future leaders for the global community.
8. Create an inspiring and stimulating environment that fosters knowledge acquisition and positions the institute as a preferred destination for learners.
9. Promote community development through impactful Institutional Social Responsibility (ISR) initiatives including women empowerment, environmental awareness and protection, hygiene awareness, and rural development.

We Pursue Distinction!

Message from the Chairman

Welcome to BHAGWAN MAHAVIR EDUCATION FOUNDATION. It is my privilege to introduce you to BMEF-The fastest growing Educational Organization of Gujarat. By building people, we build society. By building leaders, we build the nation's technology and economy. Education is, in effect, a nation's service. At BMEF, we believe only a well-disciplined, value-added students to become the high profiled professionals who can achieve the avowed objective of our former president Honourable Abdul Kalam to make our country "Super Power". Our institutions vision rests on worldly realities and bears a peaceful and harmonial atmosphere that enables you to experience wisdom and knowledge you achieve in a jubilant way. As you pursue your studies, please do recall that a college education is not entirely academic. It extends beyond the classrooms, Laboratories and workshops to seminars, meetings, cultural, social activities and athletic events. I firmly believe that you will become involved in BMEF campus life and that you will also make some commitment to serve your community. Besides being a cause for campus and community development, the effort can be educationally rewarding and personally fulfilling. I am pleased to acknowledge your interest in BMEF Group of Institutions. At BMEF foster the growth of innovative professionals, scientists and engineers who firmly hold the trust and confidence of the community at large. I want BMEF Group to be the dream of every soul that wants to experience true enlightenment & exposure excellence.

Shri Jagdish Jain

Chairman

Bhagwan Mahavir Education Foundation

Message from the Founder and Managing Trustee

We at Bhagwan Mahavir Education Foundation ensure that students acquire knowledge and hone their skills to shine bright in the world by their significant contribution to industry and academia. Apart from regular classroom teaching we emphasize on project work, research activities, real-life case studies and industrial hands-on training. Our foundation also works towards the continual improvement of our service quality through training and development. I am sure that BMEF will have a pivotal role in the development of shining India.

Shri Anil Jain

Founder & Managing Trustee

Bhagwan Mahavir Education Foundation

Message from the President

It is rightly said by Dr. A.P.J. Abdul Kalam that ‘You have to dream, before your dreams can come true’. Bhagwan Mahavir Education Foundation (BMEF) strives hard to become the platform for these dreamers. Bhagwan Mahavir Education Foundation is emerging as a leader in providing quality higher education, especially in Gujarat and Haryana region. We at BMEF constantly explore the best possible ways of providing world class education and amenities to the students. We also believe in imbibing modern technical skills as well as traditional Bhartiya values in the students. I welcome students to BMEF for holistic academic and personal growth.

Dr. Sanjay Jain
President
Bhagwan Mahavir University

Message from the Provost

As a Provost of Bhagwan Mahavir University, I take this opportunity of welcoming students coming from all parts of the country and abroad, joining the university in Diploma, Undergraduate, Postgraduate and Doctoral programmes. The mission of the university is to transform and empower young Student's talent through cutting edge education in Science, Engineering, Pharmacy, Commerce, Arts & Humanities, Computer Application, Physical Education, Vocational courses, Skill based courses, education and management amalgamated with spiritual rejuvenation for their holistic development to serve the mankind with compassion and love. The university is also dedicated to impart quality and value based education in the true sense. To do so, the curriculum is updated regularly and rectified by the Industry experts and external experts from the leading national and international universities as well as regulatory authorities. Students can have the subjects of their choice keeping in view of their interest in Research, Placement opportunities and continue for higher studies in their chosen field. I am optimistic that the serenity of the campus along with a complex structure of curricular, co-curricular and extra-curricular activities will shape your physical, mental and intellectual growth during your stay here.

Bhagwan Mahavir University was established under the Private Universities Act, in the year 2019. It is one of the few universities in the world committed to value based higher scientific and technical education, also by adopting NEP – 2020, FYUGP etc.

I feel privileged and honoured in penning down this covering note for the Annual report of BMU for the Academic year 2023-24, which bears testimony to our pious goals.

Dr. Manoj Kumar
Provost
Bhagwan Mahavir University

CHAPTER – I

CURRICULAR ASPECTS

In accordance with Bhagwan Mahavir University Guidelines the curricula developed/adopted for each course has relevance to the regional/national/global developmental needs.

1. Depending on global developmental needs and industry trends, the Program Objectives are to achieve these Program Objectives, detailed Program Outcomes and Program Specific Outcomes are outlined in the syllabus. The syllabus of each subject lists the Course Objectives and Course Outcomes. Further, the Course Outcomes of each course are mapped with Program Outcomes and program-specific Outcomes of the department.
2. The contents of the syllabus are developed in accordance with standards of relevant statutory, regulatory/ accreditation bodies, and benchmarking with reputed national/international institutions/Universities.
3. Curriculum development and approval include deliberations at various levels through relevant committees to reach the intended outcomes.
4. Curriculum revision workshops are scheduled in these workshops, the faculty members, along with the experts from academia, industry and alumni come together to carry out a detailed review of the syllabus. The proposed revision in the contents is incorporated into the syllabus and further presented for the recommendations and approval of the Board of Studies (BOS).
5. Structured feedback from students, alumni, employers, parents and faculty are taken. The feedback is analysed and reviewed and the suggestions are incorporated.
6. The ethics-based mandatory course is also included in the syllabus.
7. Seminars, participation in idea competitions, paper presentations, hands-on practical exposure and group discussions develop communication skills and team spirit among students.

To make students industry-ready, industry-institute interaction is ensured through internships, invited talks and students working on projects from industry.

CURRICULAR PLANNING AND IMPLEMENTATION:

The Institution ensures effective curriculum delivery through a well-planned and documented process. Academic Council prepares the academic calendar of the college and also the concerned departments prepare their departmental academic calendars. The academic calendar specifies suitable available dates for significant academic and other activities. The faculty members are briefed on the academic activities

of the college on the first meeting of the commencement of every academic year. Meetings are held in each department to discuss about the course distribution for the academic sessions every year. Based on the expertise of individual teacher, the syllabus is allotted to them by the Head of the Department. Every department prepares teaching plan, allotting term-wise topics to be taught. Syllabus of each subject for the academic session is provided to the students. Faculty members prepare semester-wise teaching plan for theory and practical at the beginning of every academic year/semester. Dean of student welfare prepares a general time-table and HOD of concerned departments prepare departmental timetable. Teachers conduct classes according to the timetable. Departmental meetings are held periodically to review the syllabus completed. For the effective transmission and delivery of curricula, departments integrate classroom teaching with various ICT tools, laboratory practicals, field projects, students seminars, tutorials, question papers solving, research projects, field survey, etc. For the effective curriculum delivery teachers also use participative, problem solving, cooperative and student-centric learning methods. Classroom teaching is supplemented with seminars, workshops, special lectures, group discussions, Tutorials, Use of monitors, Departmental Quiz, paper presentation by the students, projects, group assignments, term-papers, educational tours, field trips and industrial visits for effective delivery of curriculum, which are done in a planned manner. Records are maintained by each department. For the up-gradation of subject-related knowledge, college organizes seminars, conferences, and workshops. This activity provides a platform to the faculty and the students to participate and interact with experts in various fields and enrich and update their subject knowledge. Faculties effectively and creatively use PPTs, models, charts, and various educational software for delivering the subject knowledge. The university and constituent colleges organizes guest lectures, expert lectures of eminent academicians, for the effective curriculum delivery. Constituent colleges also provides special guidance to the slow learners under the Special Guidance Scheme of remedial classes. Besides this, the college has a mentoring system for academic-related issues. All constituent colleges library are digitalised. Library provides INFLIBNET, e-journals, OPEC, Book Bank facility etc. Moreover libraries are much enriched having a good collection of books. Some departments also have a departmental library. Reading facility is also available for teachers and students to facilitate the teaching learning process. All constituent colleges provides internet connectivity with campus Wi-Fi facility to the teachers for effective teaching-learning. All Internal Examinations and Class tests are conducted to check whether the students have acquired knowledge as outlined in the objectives of the curriculum. All examinations are conducted according to the Academic Calendar. Tutorials are held regularly to monitor the progress of the students. Remedial/ Special/classes/Deprived are conducted for low achievers. Advance learners are made to solve University Question papers and efforts are made by professors to improve their performance. Record of the regular attendance, mark lists and progress of the students are maintained and preserved by the respective departments.

The constituent colleges encourages faculty members to attend Orientation/Refresher courses, workshops and present papers in seminars conducted by the other Universities for acquiring necessary skills for effective delivery of the curriculum. Photo copies of the Certificates of the above courses are provided by faculty members to IQAC for documentation.

ACADEMIC CALENDAR

The institution adheres to the academic calendar for the conduct of Continuous Internal Evaluation. The university and constituent colleges strongly trusts on transparency in its functioning. The college has a well-defined standard operating procedure to develop the academic teaching plans and it follows a well-defined academic calendar. Preparation of the academic calendar immensely contributes to achieving this. The Academic Calendar helps as a source of information and planner for students, faculty, staff, and other stakeholders of the constituent colleges and university. It encompasses all the processes of the constituent colleges and university such as, the Student section, Administrative, Academic, co-curricular and extracurricular activities. The university prepares the Academic Calendar by understanding the Programme Outcomes and Course Outcomes so that the activities are planned accordingly. Academic Calendar lays down a very strong foundation of academic delivery. It further propagates the vision and mission of the university. Academic calendar and takes into consideration the holidays and vacations. The Dean of the faculties while preparing the academic calendar in consultation with the senior faculty members takes into consideration feedback of previous year activities. The academic calendar is communicated to the teachers and also to the students by displaying it on a website and notice boards. The academic calendar shows the start and end of each semester stating various activities to be conducted, the internal evaluation schedule and the tentative schedule of external evaluation. The academic calendar includes the dates of commencement and completion of syllabus, schedules of internal exams etc. It specifies the dates of term end examination. Tentative dates of practical exams and viva-voce and theory examinations are also given in the academic calendar. The time-tables are prepared and implemented accordingly. The academic calendar gives a particular period to conduct extracurricular and social activity such as: Celebration of birth and death anniversaries of the national icons. Celebration of various national and international days, Tree plantation to keep campus areas green and to make the students aware about various environment related issues, blood donation camp and various other social activities to be conducted by NSS at the university campus and at nearby villages.

Internal examination of each course is done according to the pattern prescribed by the university, which includes Practicals, Group discussions, Seminar, Presentations, and Projects etc. As per the academic calendar, internal evaluation is conducted on the dates scheduled by the College Administration. The schedule of external examinations is fixed by the University and the same is displayed on notice boards for students. In case of any change in the University schedule, some changes are required to be made in

internal evaluation as well. These changes are communicated to the students well in advance. All the constituent colleges have built in mechanisms to ensure syllabus completion and conduct of Continuous Internal Evaluation within the time frame and accordingly the various measures are taken. Remedial classes are also conducted. The Academic Council balances the trade-off between strict adherence to the Academic calendar and conduct of Continuous Internal Evaluation. The Academic Council ensures the strict implementation of the Academic Calendar by monitoring activities. Implementing gaps are reviewed periodically. The status of checkpoints and gaps identified in monitoring are conveyed to the Principal for the necessary implementation. The university also conducts curricular and extra-curricular review meetings on a regular basis to check the implementation and progress of all the activities in the academic calendar. Based on these review meetings, some changes in schedules of activities are made if required. Further, extra lectures are scheduled to complete the syllabus before university examination.

ACADEMIC FLEXIBILITY:

Faculties of the constituent colleges participate in following activities related to curriculum development and assessment of the affiliating University and/or are represented on the following academic bodies during the last five years

- Academic council/BoS of Affiliating university
- Setting of question papers for UG/PG programs
- Design and Development of Curriculum for Add on/ certificate/ Diploma Courses
- Assessment /evaluation process of the University Examination

CURRICULAM ENRICHMENT

University integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the curriculum. These issues are addressed by the curriculum itself and they are effectively transacted to the students both in the classroom and outside.

Gender Issues:

At the undergraduate and postgraduate level, the areas covered in Core Courses are Law of Women and Child, Population Geography, Gender, School and Society, Sociological Foundations of Education, Nutrition during infancy, preschool age, Child Rights and Gender Justice; Sociology of Working with Families and Communities. Course as Gender, School and Society includes themes as gender issues, gender inequalities, women in Indian society, gender, sexuality, sexual harassment and abuse etc. Different departments also offer courses as Inequality of Caste and Gender, Women Empowerment and Status of Women. The transaction of various courses has a strong focus on Gender differentials in the

socialization of students. Also, various days and rallies related to gender issues are celebrated and organized by NSS and different departments of the university.

Environmental and Sustainability:

Curriculum at UG and PG level includes various papers related to Environmental and Sustainability issues like Ecological Degradation, Climate change, Sustainable Development, Global Warming, Pollution and Ecological Imbalance, Environmental Law, Economic Geography, Environmental Geography, Natural Resources, Climatology, Agricultural Geography, Environmental Chemistry, Business Environment, Physical Geology and Applied Geology, Poverty Alleviation Programme, Unnat Bharat Abhiyan, Pollution Agriculture etc. The students are made aware of the concept of sustainability. NSS promote environmental awareness through tree plantation, water conservation, blood donation, village cleanliness, plastic-free drives and rallies on other environmental issues. The constituent colleges have taken initiatives in organic waste management through various demonstrations.

Human values and Professional Ethics:

Human values and Professional ethics are taught and developed among students as these are the part of syllabus. Different papers and topics related to Human values and Professional ethics at UG and PG level are:- Values, Sources of values, Education for peace, National integration, Role of celebration of Indian Festivals; Moral Degradation, Code of ethics for teachers, Professional Ethics, Accountability and Bar-Bench Relationship, Human Rights. The cross-cutting issues are also an intrinsic part of the students' co-curricular activities. Students are encouraged to develop healthy competition to inculcate practices of fair play and equity. These issues find a collective space in numerous co-curricular and cultural activities. The college also has conducted various activities/programs on cross-cutting issues to supplement the university curriculum. The university integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values and Environment and Sustainability into the curriculum. These issues are addressed by the curriculum itself and they are effectively transacted to the students both in the classroom and outside.

At the undergraduate and post graduate level, the areas covered in Core Courses are Law of Women and Child, Population Geography, Gender, School and Society, Sociological Foundations of Education, Nutrition during infancy, pre-school age, Child Rights and Gender Justice, Sociology of Working with Families and Communities. Course as Gender, School and Society includes themes as gender issues, gender inequalities, women in Indian society, gender, sexuality, sexual harassment and abuse etc. Different departments also offers courses as Inequality of Caste and Gender, Women Empowerment and Status of Women. The transaction of various courses has a strong focus on

Gender differentials in the socialization of children. Also, various days and rallies related to gender issues are celebrated and organized by different departments and NSS.

Human values and Professional ethics are taught and developed among students as these are the part of syllabus. Different papers and topics related to Human values and Professional ethics at UG and PG level are Values, Sources of values, Education for peace, National integration, Role of celebration of Indian Festivals; Moral Degradation, Code of ethics for teachers, Professional Ethics, Accountability and Bar-Bench Relationship, Human Rights. The constituent colleges organizes various extension activities through NSS, NCC and Rovers Rangers for the inculcation of the values like national integrity, patriotism, equality, peace, brotherhood, etc. Blood donation, Medical checkup Camps, are periodically organized. Special emphasis is laid on inculcating ethical practices among the students. The cross-cutting issues are also an intrinsic part of the students' co-curricular activities. Students are encouraged to develop healthy competition to inculcate practices of fair play and equity. These issues find a collective space in numerous co-curricular and cultural activities. The college also has conducted various activities/programs on cross-cutting issues to supplement the university curriculum.

FEEDBACK SYSTEM

At the end of every academic year, feedback from teachers, students, non-teaching staff and guardian is collected by IQAC in coordination with feedback committee, it is then analysed and analysis report is communicated to the administration of the students.

1	Post Graduate Diploma (PGDMLT)	2019-20	120
2	Post Graduate Diploma (Data Science)	2019-20	30
3	Post Graduate Diploma (PGDCA-General)	2019-20	30
4	Post Graduate Diploma (AI & ML)	2019-20	30
5	Post Graduate Diploma (Human Resource Management)	2023-24	30

Courses for Skill Development:

Bhagwan Mahavir University Surat will start Centre of Skill Development with the Vision that “The structured skill development model will contribute to improve the performance of the people and organizations which will result in the increase in employability skills, facilitate the entrepreneur culture, Develop and facilitate skilling and re-skilling solutions, Develop R&D centre supporting industrial innovation, exchange national and international best practices, Provide the skilling framework that keeps people aligned to current and future skill requirements of the market, Provide skills that enable people to become job ready and pursue their career aspirations through various career opportunities.”

Sr. No	Programmes	Year of Introduction	Intake (Seats)
Certificate Course			
1	Welding and Quality Technician	2020-21	25
2	Attendant Sub-Station (66/11, 33/11 kV) -Power Distribution	2020-21	25
3	Junior Engineer- Power Distribution	2020-21	25
4	Solar PV Installer	2020-21	25
5	Block chain	2020-21	25
6	Certificate In Java	2020-21	25
7	Computer Aided Software Design	2020-21	25

Sr. No	Programmes	Year of Introduction	Intake (Seats)
8	Welding Assistant	2020-21	25
9	Welding Technician	2020-21	25
10	Computer Aided Software Design- Civil Engineering	2020-21	25
11	Automotive Repair Welder	2020-21	25
12	Machining and Quality Technician	2020-21	25
13	Attendant Operator (Chemical Plant)	2020-21	25
14	Data Entry Operator	2020-21	25
15	Biometric Data Entry Operator	2020-21	25
16	Nursing Assistant	2020-21	25
17	Mobile Phone Hardware Repair Technician	2020-21	25
18	Pre- Primary Teachers Training Montessori	2020-21	25
19	Solar Panel Installation Technician	2020-21	25
20	Architectural Drafting and Basic 3D Design	2020-21	25
21	CNC Operator	2020-21	25
22	Surveyor	2020-21	25
Diploma Courses			
23	Fire Technology and Industrial Safety Management	2020-21	60
24	Health Sanitary Inspector	2020-21	60
25	Pre- Primary Teachers Training Montessori	2020-21	60
26	Early Childhood Educator	2020-21	60

1.2 UNIVERSITY COLLEGES / DEPARTMENT AT A GLANCE

1.2.1 Engineering & Technology

1. Bhagwan Mahavir College of Engineering & Technology
2. Mahavir Swami College of Engineering & Technology
3. Bhagwan Arihant Institute of Technology
4. Bhagawan Mahavir Polytechnic
5. Mahavir Swami College of Polytechnic

Dean: Dr. Vineet Goel

Program Offered:

Diploma Engineering

Bachelor of Technology

Master of Technology

Ph.D.

About the Faculty of Engineering

As we reflect on the achievements of the Faculty of Engineering and Technology over the past years, we are proud of the strides we have made in academics, research, student development, and industry collaborations. With our dedicated faculty and bright students, we continue to make a significant impact in the field of Engineering and Technology. Our vision remains focused on fostering an environment of innovation, excellence, and leadership, preparing our students for the challenges of tomorrow's rapidly evolving tech landscape. Bhagwan Mahavir University (BMU) has established constituent degree engineering and polytechnic colleges over the years to cater to different engineering and technical fields. The **Faculty of Engineering and Technology** at Bhagwan Mahavir University (BMU) offers a comprehensive range of departments providing **Diploma, Undergraduate (UG), and Postgraduate (PG)** courses. Here's an overview of the key departments:

- Computer Science and Engineering
- Information Technology
- Civil Engineering
- Mechanical Engineering
- Automobile Engineering
- Aeronautical engineering
- Electrical Engineering
- Electronics and Communication Engineering
- Chemical Engineering

- Robotics & Automation Engineering
- Nanotechnology
- Pharmaceutical Engineering

Each department is designed to provide students with specialized knowledge and practical skills in their respective fields, preparing them for careers in engineering, technology, and our AICTE-approved programs align with industry standards.

Faculty Achievements

The faculty members at Faculty of Engineering and Technology have been integral in fostering academic excellence and driving innovation across various disciplines. Continuous focus on research has enhanced the university's reputation for academic excellence and innovation faculty published more than 24 papers in renowned journals and conferences, contributing significantly to the academic community.

Professional Development

Several faculty members have attended 13 national and international conferences, workshops, and seminars to stay updated with the latest trends in their fields. These professional development activities have enabled faculty to incorporate modern teaching methodologies and research techniques into their work. The continued achievements of the faculty play a critical role in shaping the quality of education at Faculty of Engineering and Technology and contribute to the academic and professional growth of its students.

Student Achievements

The students at Faculty of Engineering and Technology continue to excel in various arenas, demonstrating their innovative spirit, leadership, and academic success, some key highlights are as *Competitions and HACKATHONS*.

Internship and Placement

Significant number of students secured internships with leading companies and gaining valuable industry exposure and hands-on experience. A strong placement record, with students securing internships and employment. The placement rate for our graduates reached 62 % with students employed at top tech firms, manufacturing giants as opportunities at leading companies, innovative STARTUPS, ensuring that our academic training translates directly into career opportunities.

Academic Programs & Curriculum Development

In line with the rapidly evolving trends in the global job market and technology sectors, Faculty of Engineering and Technology as proactively introduced and enhanced several programs to provide students with the most relevant and up-to-date skills.

To align with emerging industry needs, we have introduced new programs in the fields of *Artificial Intelligence (AI)*, *Machine Learning (ML)*, *Renewable Energy* and *Data Science* etc.

The curriculum across various programs has been updated to include more practical learning experiences, ensuring that students gain hands-on exposure to industry tools and technologies. We have integrated project-based learning, industry case studies, and internships to bridge the gap between theoretical knowledge and real-world application.

Infrastructure and Facilities

Faculty of Engineering and Technology is committed to providing a world-class learning environment with state-of-the-art infrastructure that supports both academic learning and research. Providing State-of art center of excellence supported by SAP for technical trainings.

The Faculty of Engineering and Technology is equipped with **smart classrooms** that integrate advanced audio-visual tools and digital resources.

Industry Partnerships and Collaborations

At Faculty of Engineering and Technology, actively **build partnerships with leading universities**, industries, and research organizations, ensuring that our students and faculty benefit from exposure to global best practices. We have **signed 8 MoUs with Industry** to facilitate **joint research, internship, and placement opportunities** for our students. We have organized several **industry-academic meet-ups**, providing students with opportunities to network with industry leaders, professionals, and alumni.

Events and Conferences

We hosted and participated in various events aimed at expanding knowledge, fostering collaboration, and enhancing professional development. We hosted **hands-on workshops**, giving students practical exposure to the latest tools and technologies shaping their fields of study. We have organised more than 22 Guest Lectures by professionals from academia and industry provided students with an opportunity to learn from industry leaders and experts. We have organised more than 20 industrial visits.

The Faculty of Engineering and Technology envisions a forward-looking strategy to ensure excellence in education, research, and societal impact. The key goals include:

- **Advancing Research and Innovation**
 - Promote innovative and interdisciplinary research projects that address real-world challenges.

- Enhance research funding through collaborations with government, industry, and international partners.
- Establish centers of excellence focused on emerging fields.
- **Strengthening Industry and Community Engagement**
 - Develop joint projects that facilitate knowledge exchange between academia and industry.
 - Build robust partnerships with industries to provide real-world exposure, internships, and employment opportunities for students.
- **Modernizing Infrastructure and Resources**
 - Upgrade laboratories, classrooms, and digital tools to meet the demands of advanced learning and research.
 - Establish state-of-the-art facilities that support innovation and entrepreneurship.
 - Enhance digital capabilities to support remote and hybrid learning models.
- **Enhancing Academic Programs and Curriculum**
 - Introducing the new AICTE approved courses such as BBA, BCA, BMS, B.Tech in AI/ML, Data Science, renewable energy systems, and Environmental Engineering etc.
 - Regularly update the curriculum to reflect advancements in technology and industry needs.
 - Emphasize hands-on learning, problem-solving, and global perspectives in engineering education.
- **Promoting Global Collaboration and Recognition**
 - Strengthen international partnerships with leading universities and research institutions.
 - Encourage student and faculty exchange programs to promote cross-cultural learning.

These goals are designed to empower the faculty to lead in innovation, prepare students for future challenges, equipping students with future-ready skills, and contribute significantly to technological and societal progress.

1.2.2 Bhagwan Mahavir College of Pharmacy (BMCP)

Director: Dr. Vineet C Jain

Program Offered:

Diploma in Pharmacy (D. Pharm)

Bachelor of Pharmacy (B. Pharm)

Master of Pharmacy (M. Pharm)

Ph. D

ABOUT DEPARTMENT / COLLEGE

Bhagwan Mahavir College of Pharmacy offers D. Pharm., B. Pharm, M. Pharm (Pharmaceutics, Pharmaceutical Quality Assurance & Pharmaceutical Regulatory Affairs) and Ph. D programmes. Bhagwan Mahavir College of Pharmacy is affiliated to PCI and constituent college of BMU. The college is established in the year 2007 under the aegis of BMEF. BMCP consistently delivers exceptional academic standards and value-based education, addressing societal needs. Our esteemed faculty provide expert mentorship and guidance, foster holistic personal growth and prepare students for challenges in pharmaceutical education, research, and development. Through dedicated support, we empower students to excel in academic achievements, research and innovation, professional development and social responsibility.

The vision is to emerge as India's premier pharmacy institution, driving excellence in education, research, and innovation. We strive to cultivate a vibrant scientific community that harnesses cutting-edge technologies, pursues groundbreaking discoveries, and translates knowledge into transformative healthcare solutions for the betterment of humanity.

Our primary objective is to provide comprehensive support and guidance to students, enabling them to overcome challenges, achieve their academic and personal goals, and make informed decisions about their future careers. We are committed to fostering a nurturing environment that equips students with the knowledge, skills, and confidence to succeed in their chosen paths and thrive in life.

At BMCP, we prioritize academic excellence and beyond. Our comprehensive approach fosters intellectual growth, social skills, and emotional intelligence through: intercollegiate events, extracurricular activities, vibrant campus life. Our commitments are quality education, competent pharmacists with high moral values, blend of professionalism and social responsibility, cultivating dutiful citizens.

BMCP boasts cutting-edge facilities to foster hands-on learning and research excellence:

- Advanced laboratories for practical training
- Modernized analytical laboratory with latest equipment
- Machine room for industrial pharmacy experiences
- Vast collection of books, journals, and digital resources
- Online access to leading pharmacy publications

Highlights

- Around 23 Research Paper Publications in Elsevier, SCOPUS, Web of Science, UGC approved National and International journals
- 3 patents
- 1 book and 1 book chapters
- 100 % Placement in Postgraduate Program
- Organised Experts session on soft skill and technical training
- Active participation of students and faculty in cultural, social activities i.e. Environment Cell, One Week for Nation, Spandan etc.
- Organised and celebrated World Pharmacist Day, Pharmaphilic 2023

1.2.3 Bhagwan Mahavir College of Management - MBA & MCA

Principal: Ms. Neelima Kamjula

Program Offered:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (iMBA)
- Master of Computer Application (MCA)
- Integrated Master of Computer Application (iMCA)
- PhD (Management)

About Bhagwan Mahavir College of Management

Our Vision

“Bhagwan Mahavir College of Management is spreading of indianisation to Vishwanisation through excellence in value based education and transformation young people in to better human being”.

Our Mission

“Bhagwan Mahavir College of Management’s mission is to fulfill your (Corporate) dream by providing knowledgeable, well trained, dedicated, result oriented and professional achiever, executives through knowledge transfer partnership, who can translate your vision into reality”.

Quality Objectives of BMCM

- Deliver high-quality education that meets industry standards.
- Creating a supportive environment for startups and aspiring entrepreneurs.
- Offering top-notch placement opportunities for job seekers.
- Curriculum that is aligned with industry standards
- Foster holistic student development in terms of leadership, communication, and critical thinking.
- Ensure students are ready to meet the demands of the industry and business world.
- Provide global perspectives on management and technology education.
- Instill values of ethics, sustainability, and social responsibility in students.
- Strengthen community and alumni relations for better student support and networking.

In a world where competition is growing rapidly, and new institutes are emerging every day, it is essential for management institutes to cater to societal needs while distinguishing themselves with unparalleled excellence. Established in 2007, Bhagwan Mahavir College of Management (BMCM), approved by The All India Council of Technical Education (AICTE), New Delhi and under the prestigious Bhagwan Mahavir University (BMU), is dedicated to providing top-notch education and professional training to students, preparing them to thrive in today's dynamic business environment.

At BMCM, we firmly believe that following the crowd may be easy, but creating a path of your own and standing for what you believe in is what inspires others and sets you apart. Our institution's top priority is to ensure that our students develop the talent, confidence, and skills to not just participate in the global competition but to lead and excel.

BMCM offers a variety of programs designed to help students develop a deep understanding of the multifaceted world of business. The curriculum covers crucial business management functions, including planning, organizing, administering, controlling, producing, marketing, and distributing goods and services. These concepts are applicable across all business activities, whether in the public or private sector.

BMCM of BMU Conducts four master's degree programmes:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (IMBA)
- Master of Computer Applications (MCA)
- Integrated Master of Computer Applications (IMCA)

All of the above courses have been approved by the All-India Council for Technical Education (AICTE) and are a part of Bhagwan Mahavir University. BMCM was founded in 2007 under the auspices of Bhagwan Mahavir Educational Foundation (BMEF). The institute has had previous affiliations with Veer Narmad South Gujarat University, Surat and Gujarat Technological University, Ahmedabad. In today's increasingly competitive and regulated business environment, having a strong grasp of business principles and processes is more critical than ever. With businesses growing larger and more complex, BMCM ensures that its students are well-equipped with the knowledge and hands-on experience needed to navigate these challenges with ease.

At BMCM, we don't just prepare students for their careers; we prepare them to lead, innovate, and make meaningful contributions to the global economy. Our commitment is not only to impart

education but to shape professionals who will inspire others, uphold strong values, and leave a lasting impact on the world.

At Bhagwan Mahavir College of Management (BMCM), we take a holistic approach to education, ensuring our students are well-prepared for the ever-evolving business landscape. Our curriculum is designed not only to impart theoretical knowledge but also to provide hands-on experience, bridging the gap between academic learning and the corporate world.

Our curriculum includes mandatory summer internships and project report writing, giving students direct exposure to the working environment of industries. Through these internships, students can apply classroom knowledge to real-world problems, gaining invaluable insights and corporate experience.

Additionally, guest lectures from industry professionals and industrial trips are integral parts of our program. These initiatives ensure that students are constantly interacting with leaders in the business world, learning about the latest industry trends, and understanding how theoretical concepts are applied in practice. For those who seek international exposure, foreign educational excursions offer a global perspective on business practices, broadening their horizons.

Campus life at BMCM

- **Diverse Academic Programs:** BMCM offers a wide range of Graduate, Postgraduate, and Research Programs in Management and Computer Applications, catering to students at various stages of their academic and professional journey.
- **Quality Education with Ethical Foundations:** At BMCM, we emphasize not just on academic excellence but also on instilling ethical values in our students. Our curriculum is designed to ensure that students graduate with a strong moral compass, ready to lead with integrity in their respective industries.
- **Hands-on Experience:** BMCM strongly believes in learning through doing. We offer students practical knowledge through live projects, internships, and industrial visits, ensuring they experience real-world applications of their education. These practices are a mandatory part of the curriculum, equipping students with a deep understanding of dynamic business situations.
- **Workshops and Case Studies:** Student workshops, the case study methodology, and industry-institute interactions are integral to our teaching approach. These activities develop analytical thinking, helping students tackle complex problems and make decisions in challenging environments.

- **Annual Fests and Competitions:** BMCM encourages students to take charge by organizing XPERIA, our Annual Business Management and Technical Fests, which feature intercollegiate competitions. These events provide students with leadership opportunities while fostering creativity and collaboration. To foster holistic development, we organize Devotional and Cultural fests along with SPANDAN, the Student's Annual Youth Festival, which encourages artistic and cultural expression among students.
- **Student-Teacher-Parent Interaction:** We value open communication between students, teachers, and parents. This interaction is a key aspect of our approach, ensuring that students receive comprehensive support in their academic and personal growth.
- **National Service Scheme (NSS) Activities:** To nurture a sense of social responsibility, BMCM encourages students to participate in NSS activities, fostering a commitment to community service and contributing to society.
- **Student Incubation Center and Entrepreneurship Support:** For aspiring entrepreneurs, BMCM's Student Incubation Center helps students develop and refine their start-up ideas.
- **Research and Publication Excellence:** Our faculty, comprising experienced academicians, are deeply committed to contributing to the academic community. They regularly publish research papers, case studies, and conceptual papers in journals with International Standard Book Numbers (ISBN) and International Standard Serial Numbers (ISSN). This reflects BMCM's commitment to advancing knowledge and maintaining high academic standards.
- **Dynamic, Collaborative Environment:** BMCM fosters a multitasking environment, where every individual is recognized as a valuable resource in the overall development of the student community and society at large. The college encourages innovation, critical thinking, and personal growth, ensuring students are well-rounded individuals ready to make a positive impact.

Highlights at BMCM

Industry-Specific Workshops and Seminars:

Regular workshops and seminars are organized in collaboration with industry leaders to provide insights into emerging trends, cutting-edge technologies, and industry best practices. These sessions help students stay current with industry demands and enhance their employability.

Real-World Case Studies and Problem-Solving:

Students are encouraged to engage with real-world case studies and industry-specific challenges. These practical exercises foster critical thinking and problem-solving skills, allowing students to apply theoretical knowledge to practical scenarios.

Internship Opportunities and Live Projects:

The institution facilitates internships and live projects with leading companies, giving students hands-on experience in real-time business environments. This not only strengthens their practical skills but also helps build a professional network for future career opportunities.

Cross-Disciplinary Learning:

Students are exposed to interdisciplinary learning opportunities that combine technology, management, and social sciences. This holistic approach ensures that students develop versatile skills applicable across various sectors and industries.

Alumni Networking and Industry Engagement:

Alumni who have excelled in their professional careers frequently engage with current students through guest lectures, panel discussions, and networking events. This helps students gain insights from industry veterans and stay connected with the latest market trends.

Soft Skills Development:

In addition to technical and management skills, a significant emphasis is placed on developing essential soft skills such as adaptability, emotional intelligence, and resilience. These skills are vital for thriving in today's dynamic and ever-changing work environment.

Student Mentoring:

A continuous mentoring process assigns each student a faculty mentor who provides guidance, offering a safe space to discuss challenges. This ongoing support builds trust, confidence, and personal development throughout the academic journey.

MOUs with International Institutions and Industry:

In response to globalization and increased competition, the institution prioritizes partnerships with top industries and academic research institutes. These collaborations are designed to prepare students for careers in multinational companies by exposing them to cutting-edge technologies and management practices. Special sessions for final-year students focus on preparing them for industry needs and corporate culture through training in:

- ✓ Time management, planning, and prioritization
- ✓ Verbal and nonverbal communication skills
- ✓ Group discussions, teamwork, and leadership
- ✓ Corporate etiquette and interview techniques
- ✓ Project-based learning, practical industry sessions, and site visits

Research Training and Incubation:

The BMCM Student Incubation Centre promotes innovation, research, and entrepreneurship in technology-based fields. It provides a supportive environment for start-ups, offering training sessions that cover all stages of product or service development, from idea validation and pitching to patenting and commercialization.

1.2.4 Nursing:

Principal: Mrs. Priyanka Bhatt, (Bhagwan Mahavir College of Nursing)

Mrs. Dharmistha R Patel (Bhagwan Mahavir School of Nursing)

Courses offered:

- General Nursing & Midwifery (BMSN)
- Basic B. Sc Nursing (BMCN)
- Post Basic B. Sc Nursing (BMCN)

Affiliation and Reorganizations:

- Indian Nursing Council, Delhi (I.N.C.)
- Gujarat nursing council, Ahmedabad (G.N.C.)
- Government of Gujarat, Gandhinagar.
- Bhagwan Mahavir University, Surat

ABOUT DEPARTMENT / COLLEGE

The Bhagwan Mahavir School of Nursing, established in 2009 under the Bhagwan Mahavir Education Foundation, began offering the General Nursing and Midwifery (GNM) programme, with an annual intake of 40 students. The Basic B.Sc. Nursing programme was introduced in the academic year 2020-21, with an annual intake of 60 students, and the Post Basic B.Sc. Nursing programme commenced in the academic year 2021-22, with an annual intake of 40 students. The School of Nursing is recognized by the Indian Nursing Council (INC), New Delhi, and the Gujarat Nursing Council (GNC), Ahmedabad, and is affiliated with Bhagwan Mahavir University, Surat.

Bhagwan Mahavir School of Nursing boasts a highly qualified faculty, state-of-the-art infrastructure, and excellent affiliations with renowned hospitals, providing students with a comprehensive and enriching nursing education experience. The college building features spacious classrooms with ample ventilation and natural light, equipped with teacher platforms. Additional facilities include a Multipurpose Hall with comfortable seating arrangements, a sophisticated Library with internet access, printing and photocopying services, a fully furnished Computer Lab with internet facilities, and specialized laboratories such as the Pre-clinical Lab, Anatomy Lab, Fundamentals of Nursing Lab, Nutrition Lab, Maternal and Child Health Lab, Community Health Nursing Lab, and an Examination Hall. An Audio-Visual Lab supports the teaching and learning process.

The college's library is well-stocked with a large collection of essential periodicals and reference materials, offering nursing students the resources they need for research and academic work. Beyond academics, the college encourages the development of cultural and sports talents by providing ample

opportunities and facilities in these areas. The nursing faculty consists of highly qualified, experienced, and dedicated professionals who give personal care and attention to the overall development of each student.

Students receive extensive clinical training at New Civil Hospital, Surat, a 1200-bed facility that offers a wide range of specialties and super-specialties, ensuring comprehensive clinical exposure under one roof. Clinical experience is available in areas such as Medical-Surgical Nursing, Obstetrics and Gynaecology Nursing, Mental Health Nursing, Child Health Nursing, and Community Health Nursing. The institute also has affiliations with the Primary Health Centre in Sachin and the Public Health Centre in Althan for Community Health Nursing field training.

To enhance learning, the college uses a laboratory-assisted teaching approach, providing students with practical, hands-on experience in various specialized labs.

LABORATORY FACILITIES:

Pre-Clinical Science Lab

Pre-Clinical Science Lab is well-equipped with models & specimens, all the bones, skeleton & subject related charts etc. This Laboratory is designed to help students understand the structure and function of the human body, as well as the biochemical composition and changes in body systems. It also gives students the chance to identify microorganisms and practice infection control methods. In this lab, students observe human cadaver dissections and study various specimens, skeletons, and disarticulated bones. They also learn how to use a microscope and examine the shape and structure of microbial pathogens.

Advance Nursing Lab:

The Advanced Nursing Practice Lab offers students scheduled time for skill practice and patient-specific preparation across specialties. Equipped with advanced instruments, the lab supports skill development, critical thinking, and hands-on learning aligned with the nursing curriculum. It fosters independent learning and prepares students for high-acuity cases. Students practice essential nursing skills on mannequins, with clear learning outcomes for each activity. Instructors provide one-on-one guidance to help students improve their skills and reinforce their knowledge.

Fundamentals of Nursing Lab:

The Nursing Foundation Lab is designed to help students develop expertise in basic nursing procedures. It is equipped with advanced tools, including CPR dummies, manikins, suction

apparatus, oxygen cylinders, and emergency equipment for demonstrating various nursing procedures. The lab provides a realistic environment for students to practice nursing procedures before clinical exposure. It is well-furnished and ventilated, with patient beds, mattresses, linens, wheelchairs, stretchers, critical care units, and other essential instruments, offering a flexible space to meet the educational needs of nursing students.

Nutrition Lab:

The Nutrition Lab is well-equipped and furnished with utensils and nutritional charts. It is well-ventilated, well-lit, and has adequate water facilities. In this lab, students can assess the nutritional needs and caloric requirements of different age groups.

Maternal and Child Health Nursing Lab (MCH)

The M.C.H Lab is equipped to provide students with essential tools and resources for mastering maternity and child health nursing. The Lab features birthing simulators, pelvic models, fetal skulls, and obstetrical instruments to demonstrate labour stages and maternal-new-born care. The M.C.H Lab is well-ventilated and furnished with manikins, including a new-born, CPR child, and foetus delivery model. It also contains models for various developmental stages and conditions, such as embryo growth, placenta Previa, and types of presentations. Additionally, the lab has instruments such as Cusco's speculum, cord-cutting scissors, and fetal scope, providing students with a comprehensive, hands-on learning experience.

Community Health Nursing Lab

The college has a dedicated Community Health Nursing Lab equipped with all necessary tools for students to learn and practice nursing skills in community settings. The lab provides a hands-on experience to familiarize students with community health situations, helping students to practice basic nursing procedures essential for family and community care. It features ample audiovisual aids to enhance learning and stimulate student engagement. Before their community placements, students participate in demonstrations and re-demonstrations of various procedures, which improve their problem-solving and decision-making skills. The lab also focuses on techniques like the home visiting bag method, allowing students to practice family healthcare using modified kits for home visits. With models of ideal homes, villages, and water purification methods, the lab helps students develop the knowledge, attitude, and skills required to provide comprehensive care. The department prepares students to serve both rural and urban communities, emphasizing the importance of health promotion, disease prevention, and overall well-being.

Computer Lab:

The computer lab is well-furnished, well-ventilated, and equipped with numerous computers, sufficient seating, and an air conditioning system. It provides internet access, Wi-Fi, and printers. Both students and faculty use the lab for reference purposes, and students regularly improve their computer skills. The lab also helps students enhance their knowledge of hospital management systems by practicing with advanced software, which is widely used in modern healthcare settings.

AV aids Lab:

Audio-Visual Aids, also known as instructional materials, enhance the learning experience by engaging both hearing and seeing senses. These aids make the teaching process more concrete, dynamic, and effective. The objectives include improving teaching skills, encouraging student observation, creating easy-to-understand learning materials, and fostering interest across different learning groups. The AV Aids room is fully equipped with various electronic devices such as LCD projectors, overhead projectors, TVs, VCRs, CD players, tape recorders, charts, models, posters, and different types of boards, all of which support effective teaching, learning, and practical classes.

LIBRARY DETAILS:

To support the knowledge acquisition process, Bhagwan Mahavir School of Nursing has a spacious, well-stocked library. It offers a wide range of books covering various healthcare subjects, along with specialized journals to help students stay updated on advancements in medicine. The library provides ample, separate reading spaces for both students and faculty, with comfortable seating arrangements. It is equipped with standard textbooks, reference materials, and offers access to 2500 books and 500 titles, along with 20 journals (10 national and 10 international).

The library is open on all working days and provides additional facilities such as reading rooms and photocopying services. It also features a digital library, where students can access the internet to research topics and stay informed about the latest developments in medical science. The library aims to enrich the knowledge base of students and faculty, encouraging continuous learning and research. With its comprehensive collection of books, journals, magazines, and newspapers, the library helps students expand their knowledge and stay current with advancements in healthcare.

HOSTEL AND MESS FACILITY:

Separate Hostel facility available for Boys and Girls in the institution premises with well spacious and proper ventilated rooms. Mess facilities available with a well-maintained seating set up adjacent to the hostel. These hostel blocks together can house about 300 plus students who stay on campus.

Hostel and Mess committee is responsible for the smooth functioning of the hostel. Mess facilities at Bhagwan Mahavir School of Nursing is under the supervision of BMEF.

TRANSPORTATION FACILITY:

The College has its own transport infrastructure to provide convenient transportation to clinical and community area. There are 2 buses with a seating capacity of 50 to cater the transportation needs of faculty and students.

SPORTS & RECREATION:

The College Provides Sports & Recreation Facilities for the students through the Department of Physical Education. The sports facilities include outdoor games like volleyball, Basketball, Tennis, Shuttle, Badminton and indoor games like Table Tennis, Carrom and Chess.

PROGRAMMES OFFERED:

Sr. No.	Name of Course	Duration	Sanctioned Seat
1	GENERAL NURSING AND MIDWIFERY (GNM)	3 years	40

HIGHLIGHTS:

- Institution with excellent infrastructure
- **Established in 2009** under the Bhagwan Mahavir Education Foundation.
- Affiliated with **Bhagwan Mahavir University, Surat** Recognized by **Indian Nursing Council(INC), New Delhi & Gujarat Nursing Council (GNC), Ahmedabad**
- **Classrooms:** Spacious, well-ventilated, with natural light and teacher platforms.
- **Multipurpose Hall:** Comfortable seating arrangements for events and activities.
- **Library:** Well-stocked with books, periodicals, and reference materials. Internet access, printing, and photocopying services.
- **Computer Lab:** Fully furnished with internet facilities for academic use

- Specialized Laboratories: Pre-clinical Lab, Anatomy Lab, Fundamentals of Nursing Lab, Nutrition Lab, Maternal and Child Health Lab, Community Health Nursing Lab, Examination Hall
- **Audio-Visual Lab:** Enhances teaching and learning through multimedia tools.
- **Hostels& Mess:** Separate mess & accommodation for girls and boys
- **Playground:** Common for all campus students.
- **Wi-Fi Campus:** Ensures connectivity for academic and research activities.
- Clinical Training at New Civil Hospital, Surat: 1200-bed hospital offering a broad range of specialties and super-specialties. Areas of clinical exposure: Medical-Surgical Nursing, Obstetrics and Gynaecology Nursing, Mental Health Nursing, Child Health Nursing, Community Health Nursing.
- Community Field Training Locations- Primary Health Centre, Sachin , Public Health Centre, Althan
- **Qualified Faculty:** Experienced and dedicated professionals providing personalized attention to students.
- **Ragging-Free Campus:** Ensures a safe and supportive environment for students.
- **Cultural & Sports Development:** Encourages participation in extracurricular activities.
- **Scholarships:** Study scholarships available for eligible students.
- **SNA/NSS Units:** Active involvement in nursing associations and social service programs.
- A total of 450 students of GNM completed their course.
- 100% result of GNM students from last 14 sessions
- 100% placement provided to the final year students of GNM
- **Alumni Success:** 35 alumni selected by the **Health and Family Welfare Department, Gujarat.**

These highlights showcase Bhagwan Mahavir School of Nursing as an institution committed to academic excellence, comprehensive clinical training, and holistic student development.

1.2.5 Bhagwan Mahavir College of Basic and Applied sciences

Principal: Dr. S. K. Tank

Courses Offered:

Bhagwan Mahavir College of Basic and Applied Sciences offers following programmes in the mentioned disciplines:

- Bachelor of Science (B.Sc.) (Microbiology, Medical Laboratory Technology, Chemistry, Biotechnology, Mathematics, & Physics).
- Integrated Bachelor of Science (iB.Sc. Medical Laboratory Technology).
- Master of Science (Microbiology, Medical Laboratory Technology, Organic Chemistry, Biotechnology, Mathematics & Botany).
- Post Graduate Diploma in Medical Laboratory Technology.
- PhD (Microbiology, Chemistry, Biotechnology).

Following the government's adoption of the New Education Policy (NEP), from the academic year 2023–2024 we offer following four-year undergraduate programmes in the mentioned disciplines:

- Bachelor of Science in Chemistry.
- Bachelor of Science in Microbiology.
- Bachelor of Science in Biotechnology.
- Bachelor of Science in Medical Laboratory Technology.

Institute Details:

Bhagwan Mahavir College of Basic and Applied Sciences (BMCBAS) offers bachelor's, master's, and doctoral programs under several disciplines. The institution upholds high academic standards and delivers quality education through a team of highly qualified and dedicated subject experts. These faculty members not only impart knowledge but also provide mentorship, counselling, and innovative ideas that impact students' lives in meaningful ways. BMCBAS is committed to the holistic development of its students, focusing on cognitive, affective, and psychomotor skills. Students are encouraged to participate in intercollegiate events, as well as co-curricular and extracurricular activities throughout the academic year. The primary goal is to equip students to overcome challenges and achieve their aspirations. The teaching-learning process at BMCBAS is supported by 16 classrooms, 16 laboratories for subjects such as Physics, Chemistry, Botany, Zoology, Microbiology, Biotechnology and Medical Laboratory Technology. Along with a seminar room, conference room, and a well-stocked library containing over 1,000 books and several journals per subject are also available. The auditorium, which seats 200 people and is equipped with an

audiovisual system, hosts various academic and cultural events. It also provides a platform for renowned cultural troupes to perform, benefiting both students and the community.

Well Equipped Laboratories:

- The biotechnology laboratory is well-equipped with essential instruments such as a centrifuge, autoclave, incubator, platform shaker, microscopes, and plant tissue culture equipment. The animal cell culture laboratory features advanced equipment, including a laminar hood, CO₂ incubator, binocular microscopes, and a phase contrast microscope. Additionally, the molecular biology laboratory houses sophisticated instruments like a gel documentation system, thermal cycler (PCR), and both horizontal and vertical electrophoresis units.
- The chemistry laboratory is stocked with the necessary chemicals and glassware for conducting a wide range of chemistry-based practical experiments. The M.Sc. chemistry laboratory, with a capacity to accommodate 40 students, is designed for advanced experiments, including the synthesis, analysis, and screening of novel compounds. Additionally, the physical chemistry laboratory is equipped with specialized instruments such as potentiometers, pH meters, colorimeters, and conductivity meters to facilitate various experimental procedures.
- Microbiology Laboratory-I is equipped with essential instruments such as microscopes, a digital centrifuge, laminar air flow, electrophoresis units, a dark field and phase contrast microscope, an autoclave, incubators, a hot air oven, and a platform shaker. Microbiology Laboratory-II features a range of advanced equipment, including microscopes, digital, tabletop, COD apparatus and cooling centrifuges, a water bath, electrophoresis units, an autoclave, incubators with shakers, a hot air oven, filtration assembly, and a vacuum pump.
- Medical Laboratory Technology is equipped with an auto-analyzer, microscopes, digital/tabletop centrifuge, water bath, autoclave, incubators, and micropipettes. The instrumentation laboratory houses instruments like a vortex mixer, centrifuge, electrophoresis units, trinocular/binocular microscope, and high speed centrifuge.
- Physics, botany, and zoology laboratories are equipped with all basic instruments and devices as per the current syllabus.

Awards/ Recognitions received at the National and International level by Faculty and students.

Sr. No.	Date of Award	Name	Designation	Title	Level
1	06 th April, 2024	Dr. Ankur Patel	Assistant Professor	Awarded the degree of Ph.D. in the subject of BIOSCIENCE (BIOTECHNOLOGY) under the faculty of SCIENCE with the thesis title “BIOSYNTHESIS OF METALLIC NANOPARTICLES USING PLANT DERIVATIVES AND THEIR APPLICATIONS”	International
2	29 th May – 10 th June	Dr. Murtaza Hajoori	Assistant Professor	Participated in the refresher course in Life sciences and obtained grade A	National
3	October 2023	Ms. Reena Gajera (PG) & Dhruvi Sharma (UG)	Student of Microbiology Department	Awarded best student of Microbiology by “MICROBIOLOGIST SOCIETY INDIA”	National

Sr. No.	Date of Award	Name	Designation	Title	Level
4	October 2023	Mr. Vrajat Sukhadia (UG) & Mr. Shreyansh Parikh (PG)	Student of Biotechnology Department	Awarded best student of Microbiology by "MICROBIOLOGIST SOCIETY INDIA"	National
5	24 February	Trupti Pandya	Assistant Professor	Secured 1 st Rank in Oral Presentation in a national conference entitled "BioSustain-2024: Synchronizing Nature's symphony for sustainable progress" on 24 th February 2024	National
6	18 th February 2024	Agarwal Prachi	Student (FY B.Sc Microbiology)	Second rank in poster presentation at 34 th Gujarat Integrated Bio Network Competition	State
7	18 th February 2024	Gupta Pratik	Student (FY B.Sc Microbiology)	Second runner up position in Scientoon competition at 34 th Gujarat Integrated Bio Network Competition	State
8	January 2024	Ms. Ruksar Ansari	Adhoc. Assistant professor	Successfully cleared GSET Examination	State
9	Dec 2023	Dr. Sumita Dasgupta	Assistant Professor	Invited as resource person in "Fifteen Days Intensive Crash Course" for several national level competitive examinations, Organized by Veer Narmad South Gujarat University	District
10	21 st September	Dr. Sumita Dasgupta	Assistant Professor	The award of Best teacher from "The southern Gujarat Chamber of Commerce and Industry" at "Shresth Guruvar Pratibhashali award Samaroh"	District

Highlights

- **Industrial visits were organized for student welfare.**
- **Faculties have also explored their knowledge by expert lectures.**

The microbiology department BMCBAS, BMU, organized an expert lecture series on 10th August 2023 under the guidance of Dr. S. K. Tank (Dean, BMCBAS). The program was coordinated by Head of Department of Microbiology department Dr. Murtaza Hajoori. Two expert microbiologists Dr. Rakesh Patel and Dr. Piyush Desai was the chief guest of the event, and had taken lectures on “Horizontal gene transfer in bacteria” and Microbiology in the 21st century respectively. More than 150 participants attended the event and made the event successful. Dr. Rakesh Patel delivered a lecture on the topic Horizontal gene transfer, which aimed to provide insights into possible mechanism for transfer DNA from one cell to another cell within the same generation. Dr. Piyush Desai delivered lecture on “Microbiology in 21st Century” providing insights into current trends and application of microbiology in recent times

- **Institute was honoured to conduct the student centric academic event “UGAM”**

On 4th February, the Microbiology Department at BMCBAS, BMU organized a yearly event of Undergraduate association of Microbiologist “UGAM- 2024-Microquest Carnival” under the guidance of Dean of BMCBAS Dr. S. K. Tank and program was coordinated by HoD of Microbiology department Dr. Murtaza Hajoori. BMU hosted the much-anticipated Microquest Carnival In which total 03 universities, 20 colleges, more than 1000 participants and 2000 attendees were there and made that event bigger. The whole idea of UGAM is students centric and willing to make every young budding microbiologist to show their knowledge of microbiology innovatively. Event structure constitutes several competitions for UG students who are having Microbiology as a principal subject such as, Microbe on Stage, Poster/Collage Presentation, Practical Vlog, My Microbial Delicacy, Staining Master and Quiz Competition The event fostered a spirit of healthy competition, camaraderie, and learning among participants, reaffirming the university's commitment to academic excellence and holistic development.

- **National Conference for practical growth of students was organized.**

On 24th February 2024, BMCBAS, BMU, organized a national conference entitled “BioSustain-2024: Synchronizing Nature’s symphony for sustainable progress” under the guidance of Dean of Sciences, Dr. S. K. Tank and program was coordinated by Head of Department of Microbiology, Dr. Murtaza Hajoori. In total, 170 participants were registered for the event. Presence of the Chief Guest of the event Dr. Dineshkumar N. Rabari, Deputy conservator of forest, Dang, along with the keynote speaker Dr. Anasuya Bhadalkar Joint Director of Human resource development cells, Gandhinagar and expert lecture of the event Dr. Devang Gandhi, project director of Pollucon laboratories Pvt. Ltd. gave their valuable insights on the theme of the conference and facilitated knowledge regarding sustainability development. Poster presentation and Oral presentation competitions were also organized for the participants in the different categories like Life sciences, Chemical sciences and environmental science. The event successfully facilitated knowledge sharing and networking among individuals passionate about Bio sustainability. Overall, the conference contributed significantly to the academic and practical growth of the attendees in the field of science. Experience by participants, and prize distribution for oral and poster presentations in all categories were also a part of the program.

ABOUT DEPARTMENT / COLLEGE

BMCCMS is a dynamic academic department offering a variety of undergraduate and postgraduate courses designed to equip students with essential skills for the global economy. The department offers undergraduate programs such as Bachelor of Business Administration, Bachelor of Commerce, Bachelor of Management Studies, Bachelor of Commerce Professional, as well as postgraduate courses including a Master of Commerce and a PhD in Commerce & Management.

With a commitment to cutting-edge curricula, state-of-the-art facilities, and a highly dedicated faculty, BMCCMS aims to thoroughly prepare students for the modern business world. This commitment to excellence is demonstrated in the caliber of both its students and faculty, and its culture fosters a strong sense of community. The college provides a safe, welcoming environment, allowing students to reach their full potential while enjoying an unpretentious and friendly atmosphere where students and staff interact exceptionally well.

BMCCMS is dedicated to nurturing future leaders by offering a curriculum enriched with practical learning experiences and extracurricular activities that enhance managerial skills. One of the cornerstones of the BMCCMS experience is its strong emphasis on internships and industry exposure. Through partnerships with renowned businesses and organizations, BMCCMS provides students with valuable internship opportunities that bring classroom theory to life.

In addition to internships, BMCCMS hosts a range of annual fests and events designed to build leadership and organizational skills. These fests, organized and managed by the students themselves, offer a platform for hands-on learning in event planning, marketing, teamwork, and project management. Through its comprehensive approach, BMCCMS integrates academic learning with real-world application, offering a transformative education that shapes confident, capable leaders equipped to make a meaningful impact in the world of commerce and management.

Ingenious Propositions:

BMCCMS has a list of ingenious propositions which has been the epicenter of luring most of the students as well as the institutions. Some these propositions are-

- i) ***Industry-Integrated Curriculum:*** The curriculum at BMCCMS goes beyond traditional lectures, incorporating real-world industry knowledge through partnerships with leading companies. This ensures that students are constantly learning the latest trends, skills, and technologies, preparing them for modern business challenges.
- ii) ***Hands-On Learning through Internships and Projects:*** BMCCMS emphasizes experiential learning by mandating internships and projects that provide hands-on experience in real business environments. These experiences develop essential problem-solving, analytical, and interpersonal skills, transforming students into dynamic, ready-to-hire professionals.
- iii) ***Annual Management Fest:*** ‘Protsahan’ Annual Management Fest, held Annually is a catchphrase of BMCCMS, where students are inspired to create and gain opportunities from the market. It is a ladder to be leader which leave an impression as an opportunist.
- iv) ***Centre for Leadership Excellence:*** BMCCMS believes that leadership is a skill that can be cultivated. Through its Centre for Leadership Excellence, the college offers leadership development workshops, group discussions, and personality development sessions, enabling students to grow into self-aware, empathetic, and effective leaders.

1.2.8 Physical Education

Principal: Mr. Dinesh Sarang

Saririk Sikshan Mahavidhyalaya (B.P. Ed)

Bhagwan Mahavir College of Physical Education (M.P. Ed)

Program Offered:

- Bachelor of Physical Education (B.P.Ed.)
- Master of Physical Education (M.P.Ed.)

ABOUT DEPARTMENT / COLLEGE

Physical education is defined as “education through the physical”. It aims to develop one’s physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and overall healthy lifestyle. Games and sports play a prominent role in all round development of a student’s life. Along with traditional academic pursuit, students should spend time engaging in games and sports too. A curriculum which reflects physical education as a subject would be an additional benefit to the student in student’s future endeavours.

Physical Education department of BMU is running two-degree Sports colleges.

- 1) Saririk Sikshan Mahavidhyalaya.
- 2) Bhagwan Mahavir College of Physical Education (BMCPE).

Both the colleges are approved by National Council for Teachers Education (NCTE), and Directorate of Physical Education, Govt. of Gujarat and constituent institute of the Bhagwan Mahavir University. Saririk Sikshan Mahavidhyalaya is established in 2004 and BMCPE (Bhagwan Mahavir College of Physical Education) is established in 2007. Since inception in short span; both the degree colleges have created impact in the minds of budding & aspiring School, Colleges and Sports Academy. Physical Education Department focuses on a strategic plan of overall mentally and physically development of its students. The strategic plan includes curricular, co-curricular, extracurricular and social development of its students. Organizing expert lectures in Sports and soft skills topics, workshops, seminars, project competition, Conferences and providing platform for innovations is the key feature at the Sports Department. All the faculty members are very much dedicated in implementing its strategic plan for overall development of students.

According to National Plan of Physical Education and Recreation. "The aim of Physical Education must, be to make every student physically, mentally and emotionally fit and also to develop in him such personal and social qualities as will help him to live happily with others and build him up as a good citizen." We arrange lab and make classes on this basis. The faculty offers graduate programmes in Indoor games, Outdoor games, Gymnastics, Yoga teacher, Athletics, Sports Teachers, Sports Coach, and all over sports activities. Physical Education Department are dedicated to providing students with quality sports education. Work-integrated learning gives students the opportunity to apply the practical skills they learn at BMU in a sports environment and to bring Sports ground skills back to the classroom. Programs are developed and designed in consultation with Academic experts keeping in mind the skill requirement of students' skill.

Sports and games have now days become an integral part of students in our College. We could arrange a series of activities to our students for the promotion of sports as well as their overall development. A well-equipped Physical Education Lab with all sports, health and for yoga-meditation items is the proud of this institution.

Department Highlights

- The department is having highly qualified staff members in the field of Cricket, Football, Kabaddi, Volleyball and Athletics.

- The department conducts selection trials to identify talented players during the months of August and September every year.
- The selected players were trained, coached and sent for participation in the All India Inter University games and sports.
- The prize winners and the participants are awarded with certificates which is very useful for the students to get appointments in Central and State Government jobs and uniformed service jobs.
- With the objective of providing chances for mass participation, Inter Departmental Tournaments and Sports comprising of Engineering and Technology, Architecture, Nursing, Management, Arts and Science Students are conducted every year during February and March.
- The department provides opportunities for the students and the staff to participate in the open and invitational tournaments organised by reputed educational institutions.

1.2.9 Architecture, Interior Designing & Planning

Bhagwan Mahavir College of Architecture

Bhagwan Mahavir College of Design & Planning

Principal: Ar. Chaitali Shroff

Vice Principal: Ar. Pooja Dhariawala

Program Offered:

- Diploma Architectural Assistantship
- Bachelor of Architecture.
- Bachelor of Interior design.
- Bachelor of Planning.
- Master of Planning.
- Bachelor of Fine Arts (Applied Arts)
- Bachelor of Fashion Designing.

ABOUT DEPARTMENT / COLLEGE

In 2013, BMCA was founded with 40 Council of Architecture (COA)-affiliated students. Gujarat Technological University's five-year **Bachelor of Architecture** program has been authorised. The institute has risen to prominence in the southwest Surat, Gujarat, area in just a year by pursuing pupils ranked among the top 10 universities. The institute gradually increased enrollment to 80 seats starting in April 2014. In addition to its flagship Bachelor of Architecture program, BMCA expanded its academic offerings by introducing the **Diploma in Architecture Assistantship** program in the academic year 2022-23. This three-year diploma course is designed to equip students with foundational knowledge and technical skills in architectural design, drafting, and construction.

Through numerous workshops, design studios, industrial visits, guest lectures, and seminars, architectural courses necessitate hands-on experience, material research, and the realisation of concepts. The institute provides academic exhibitions, expert juries, design competitions, NASA participation, student-led celebrations, study tours, relative study tours with documentation, international tours, a range of sports events, and leadership and teamwork training under the guidance of knowledgeable faculty members. So far, four batches have been completed. The institute's alums have founded prosperous private businesses in various allied industries, including interior design, photography, 3D visualisation, architecture, and the arts.

Students are encouraged to acquire office administration and professional practices to differentiate themselves in a competitive market. The knowledgeable staff offers a creative learning environment through various instructional approaches. In addition to furniture design, product design, graphic design, textile design, and interior landscape design—all of which are urgently needed—the course gives students a comprehensive understanding of the needs and demands of the modern industry.

In 2014, BMCA introduced a **Bachelor's in Planning**, a four-year degree program with an intake of 60 seats, aimed at nurturing skilled town planners to contribute to the development of better cities. Recognising the growing need for urban planning professionals, India requires approximately 3 lakh town planners to support transforming rural areas into smart cities. BMCA has taken a step further in addressing this demand. To meet the evolving requirements of intelligent cities and inspire students to pursue careers in urban planning, the institute launched the **Master in Planning (Urban Planning)** program in collaboration with the Institute of Town Planners, India (ITPI). This advanced course equips candidates with the skills to design, develop, and implement sustainable plans for urban, regional, and village-level settlements. BMCA strengthens its commitment to creating visionary planners capable of shaping a sustainable future through this initiative.

We are excited to announce the launch of our **Bachelor of Fine Arts (BFA)** program, crafted to inspire creativity and foster artistic expression. This comprehensive course offers aspiring artists a vibrant curriculum, expert mentorship, and cutting-edge facilities, enabling them to excel in painting, sculpture, digital art, and applied arts. With a focus on nurturing talent and honing craft, the program promises a transformative journey that equips students with the skills and confidence needed for a thriving career in art and design.

We are excited to offer our **Bachelor in Interior Design** program, a four-year course designed to cultivate the next generation of innovative interior designers. The curriculum covers essential topics like space planning, furniture and lighting design, materials, finishes, and sustainable practices. Students gain hands-on experience through studio projects, workshops, and internships, all while mastering modern design technologies and software. This program prepares graduates for diverse residential, commercial, and institutional design careers, empowering them to create functional and inspiring spaces.

Introducing our **Bachelor of Fashion Design** program, designed to spark creativity and equip students for a successful career in fashion. This four-year course covers textile design, garment construction, fashion illustration, and sustainable practices, merging creativity with technology. With hands-on projects and industry exposure, students gain practical experience for roles as designers, stylists, or entrepreneurs, transforming their artistic vision into career success in the dynamic fashion industry.

Graduates with an **M.Tech in Real Estate Valuation** gain specialised expertise to meet the diverse needs of financial institutions, corporate entities, and government agencies. The program equips them to operate as registered valuers under the real estate and plant machinery categories, offering professional avenues in critical areas such as mergers and acquisitions, tax assessments, and stamp duty advisory services. This comprehensive course also opens doors to roles in property appraisal, asset valuation, and strategic consulting, ensuring students are well-prepared to excel in the dynamic field of valuation and its allied sectors.

- In-house Technical Manager
- Assistant Valuer
- Independent Professional as Valuer
- Corporate Estate Manager
- Secured Future Under Valuation Bill / Act

No. of Books Available: **1828**

No. of Periodical Journals: **06**

No. of Magazine: **02**

Highlights:

- The college comprises a fully equipped Computer Lab and Survey Lab so that students can have experience in the practical fields.
- Library and E-Library, Tools for pottery, P.O.P carving and many such types of data and equipment are also available at the college and are regularly updated and maintained.
- All Faculties have attended various training development programmes so that students can get the best knowledge.
- Every year, we plan national and international study tours and site visits to gain practical knowledge.
- Our students are making “Eco-Bricks” to spread awareness about reusing Plastic Waste. By doing so, we are taking one step towards saving our environment, from which we have designed sculptures, furniture, and art forms, such as dolls, chandeliers, sofas, etc.

- BMCA, in collaboration with Project Surat, organised an event to reduce plastic usage, where the students' works of plastic waste sculptures were displayed, and all the citizens praised them. As an industry Institute working on promotion of Reuse, Reduce and Recycle.
- Field experts conducted workshops like Parametric Architecture and Fountain Pen, where students learned to conceptualise the design and their execution Process through the prototypes.
- Our student's works have been published in the form of a Magazine named 'Vrutant', where the designing, formulation, editing and printing of the Magazine was done by the students itself and was launched by one of the famous architects named Hiren Patel from Ahmedabad. It was a very successful launch event.
- Students have worked for Live Project – Stage design in the Spandan part of the university fest, to understand imagination to reality and much more.
- On 8 January 2023, BMCA organised a visit and creatively took the initiative to spread awareness to the citizens of Surat regarding taking suitable steps towards "GREEN SURAT" under the guidance of Dr Snehal Patel and SSRT (Sustainable Surat Round Table) for that 12-garden survey was carried out by students of B. Arch and B.I.D and Green Cover Mapping was carried out by M. Plan students.
- The students of BMCA have taken the initiative to collect E-waste from different centres of our institute as well as part of our city
- BMCA have arranged a compact, interactive, fun-filled Zoom meeting for our Alumni. Many of our Alumni joined from Australia, Germany, and Canada and have been a part of online games, which we had arranged for Alumni.
- BMCA conducted an Elocution Competition in which the students were given topics on G20. Students actively participated in this competition and understood how it plays a vital role in shaping and strengthening global architecture and governance on all major international economic issues.
- Students of BMCA, Design and Planning painted a wall in Bhagwan Mahavir International School on the topics related to "Green India", "Save Water", "Save Energy", Prevent Global Warming", and "Swachh Bharat Abhiyaan"
- BMCA organised a seminar with Prof. Dr Shrikant Rakhe, a fine artist from MS University, PhD achiever in Techno Creativity in Advertising, and MBA holder in Advertising Marketing.
- BMCA organised an expert lecture with Dr Rajesh J. Pandya, who has been working with SMC for the last 3+ years in different capacities, with special mention in a tenure of 13 years as Town Planner and Town Development Officer.

- Students of masters in urban planning and faculty attended expert lectures on salient features of the town planning scheme (concept, design & practice) organised by ITPI Gujarat regional, Surat chapter on 25 March 2023 of Saturday.
- The "NSS Special Camp - Art and Craft Based Activities," including the "Decoupage Workshop by Fevicyl" and a related study program to Goa, held from 5th to 11th January 2024, were organised by the faculty and attended by students, providing valuable opportunities for creative learning and skill development.

1.2.10 Bhagwan Mahavir College of Computer Application

Dean: Dr. Sanjay H. Buch

Academic Head: Ms. Hetal Modi

Programs Offered:

1. BCA–Bachelor of Computer Application
2. B.Sc.-Cyber Security
3. B.Sc.-Data Science
4. M.Sc.-Cyber Security
5. M.Sc Information Technology (PG)
6. M.Sc.-Information Technology (Integrated)
7. Ph.D.

ABOUT DEPARTMENT/COLLEGE

Bhagwan Mahavir College of Computer Application (BMCCA) was established in year 2008 and managed by Bhagwan Mahavir Education Foundation (BMEF). Now it is working as a constituent college of Bhagwan Mahavir University since 2019.

The BMCCA is a composite and comprehensive educational hub providing quality education which offers students friendly environment for nurturing them as real citizen of country along with market ready IT professionals. The curriculum of Programs running under BMCCA aligned as per the recent market trends and with inputs obtained from industries on continuous basis to stay aligned with current trends, relevant and updated with market requirements. The College is surrounded with lush green and pleasant environment, which provides a conducive learning atmosphere. The College is equipped with spacious classrooms with excellent ventilation, which makes students learning effective. The library of college is acting as knowledge dissemination hub and equipped with diversified domain specific books, Magazines, journals and online resources. Library is upgraded on year-o-year basis with the latest books. The Seminar Hall of college is equipped with state-of-art multimedia capabilities, which add makes knowledge sharing initiatives highly effective and outcome oriented. The Computer Laboratories are well equipped with the latest computing technology to support practical learning and skills development. Approximately 2500 students' strengths make BMCCA highly vibrant and dynamic. The student's community of BMCCA active, dynamics and leaders in cultural, extra-curricular, sports as well as other initiative related to state/national importance. The BMCCA having more than 45 team members comprising teaching, non-teaching, and technical staff, providing a range of student support and education. BMCCA is

focusing on holistic development of students' career. Bhagwan Mahavir College of Computer Application (BMCCA) is well-structured and forward-thinking in its approach to IT education.

Educational Offerings

Undergraduate Programs:

1. **Bachelor of Computer Application (BCA):** A foundational degree in computer applications.
2. **Bachelor of Science (B.Sc.) in Cyber Security:** Focuses on protecting systems and data from cyber threats.
3. **Bachelor of Science (B.Sc.) in Data Science:** Covers data analysis, statistical methods, and data-driven decision-making.
4. **Bachelor of Science Information Technology (B.Sc. I.T.) in Information Management Services**

Integrated Programs:

1. **Master of Science (M.Sc.) in Information Technology:** A 5-year integrated program combining undergraduate and postgraduate studies, providing an in-depth understanding of IT.

Postgraduate Programs:

1. **Master of Science (M.Sc.) in Cyber Security:** Advanced study in protecting systems, networks, and data.
2. **Master of Science (M.Sc.) in Information Technology (PG):** Offers advanced knowledge in various IT domains.

Doctoral Studies:

- **PhD Mentorship:** The college supports and mentors students pursuing doctoral research in various advanced areas, including:
 - Machine Learning
 - Image Processing
 - Artificial Intelligence
 - Data Mining
 - Cyber Security

Research and Development

BMCCA emphasizes research with more than 6 research scholars engaged in PhD studies whereas 6 Research scholars have archived degree of doctorate. This indicates a robust research culture and a commitment to advancing knowledge in cutting-edge fields.

BMCCA is believes in the holistic development of its students. The college organizes a wide range of curricular, co-curricular, extracurricular, and social development programs. BMCCA students consistently excel in various academic, extracurricular, and cultural activities, bringing pride and recognition to the institution.

BMCCA actively adopts and implements key government initiatives, such as the Students Start-up and Innovation Policy (SSIP) and Entrepreneurship Development programs. The college is dedicated to keeping students' skills and knowledge up-to-date with market trends by hosting expert seminars and technical workshops. To offer strong support and mentorship, BMCCA has established a Career Development Cell under the guidance of senior faculty. Moreover, to address skill gaps and foster connections between students and industry professionals, BMCCA has signed Memorandums of Understanding (MoUs) with over 10 leading IT companies. BMCCA also emphasizes raising awareness on important topics such as Yoga, Environment, Climate Change, and Intellectual Property Rights and many others which helps students to educate themselves about Indian Knowledge System (IKS). The curriculum, Teaching, earning and assessment are aligned with the provisions of NEP 2020. The Faculties of BMCCA continuously thriving excellence in Research, Innovation and Patents. Total 3 faculties have achieved the Doctorate degree. They are providing Mentorship to junior faculties in research paper writing. BMCCA has played pivotal role in ISBN Book publishing for BMU.

Highlights:

Exclusive Focus on Liberal Arts Education: Bhagwan Mahavir College of Liberal Arts and Humanities (BMCLAH) stand out as a premier institution in Surat, offering a unique and valuable educational experience with a specific emphasis on liberal arts education.

Pioneering Major in Political Science: BMCLAH is unique in that it is the only institution to offer Political Science as a major. This distinguishes it as a center for all-encompassing liberal arts education and gives students a clear academic focus.

Commitment to Values: The College takes pride in its dedication to principles like honesty, loyalty, and integrity, creating an atmosphere that promotes moral behavior and the growth of students' character.

Broad Selection of B.A. and M.A. Programs: BMCLAH provides a wide selection of B.A. and M.A. degree programs in Hindi, Sanskrit, Gujarati, Economics, History, Political Science, Public Administration, English, Sociology, Psychology, and more. The college's dedication to provide a wide range of educational opportunities is reflected in its vast array of courses.

Specializing Programs: BMCLAH offers specializing programs including BSW & BLW, M.A., and MSW in addition to traditional B.A. courses, demonstrating its commitment to providing a well-rounded education that accommodates a range of academic interests and career prospects.

Holistic Approach to Education: By taking a multidimensional approach to education, BMCLAH transcends conventional academic limits. The institution prepares students for the demands of the global market by integrating academic, cultural, extracurricular, and administrative expertise.

Positive Effect on Students: Students' lives are significantly and favorably impacted by the college. By emphasizing the development of holistic talents, BMCLAH seeks to equip students with a wide range of abilities that transcend the classroom.

Beacon for Well-Rounded Individuals: BMCLAH stands as a beacon for fostering well-rounded individuals capable of navigating the complexities of the contemporary world. The college aims to produce graduates who are not only academically proficient but also possess a diverse skill set and a global perspective.

Enriching Environment for Growth: Choosing BMCLAH means engaging in a robust academic curriculum while benefiting from an enriching environment that encourages both personal and professional growth. The college provides a supportive atmosphere for students to thrive academically and personally.

Emphasis on Comprehensive Liberal Arts Education: The College's emphasis on diverse subjects, including the unique inclusion of Political Science as a major, reflects its commitment to providing a well-rounded and comprehensive liberal arts education that prepares students for a wide range of careers and challenges.

1.2.12 Bhagwan Mahavir College of Legal Education (BMCLE)

I/C Principal: Mrs. Sapna Pathakji

Program Offered:

- BBA LL.B 5Year Course
- LL.B 3Year Course

About Department / College

Bhagwan Mahavir College of Legal Education is a prestigious renowned Legal Education situated in Surat. Established in 2022-2023 it is approved by the Bar Council of India (BCI) the institute has been a pioneer in Legal Research and education in Surat. It has been instrumental in the process of legal reform and has significantly contributed to the evolution of law and legal principles. We create a dynamic and creative learning environment of Justice Education at the Institute. The curriculum is constantly updated according to the changing legal and professional demands. All the pedagogical initiatives illustrate our commitment to students' professional success and development as responsible legal professionals and citizens.

The college offers BBA LL.B 5Years course and LL.B 3Year Course.

Our College has significantly and positively influenced the life of its students in many ways and always strives to empower its students with academic, cultural, co-curricular and administrative knowledge to develop all kind of skills to compete the challenges of global demand.

Eligibility Criteria

- Eligibility Criteria for candidates seeking admission in the First Year of five year integrated law programmes under the Faculty of Law, Bhagwan Mahavir College of Legal Education Bhagwan Mahavir University - HSC Examination/Intermediate Exam (10+2) or its equivalent with minimum percentage of marks as prescribed by Bar Council of India (BCI) from time to time.
- Eligibility Criteria for candidates seeking admission in the First Year of Three Law programmes under the Faculty of Law, Bhagwan Mahavir College of Legal Education Bhagwan Mahavir University students should complete Gradation Examination or its equivalent with minimum percentage of marks as prescribed by Bar Council of India (BCI) from time to time.

Vision:

We aspire to promote multi-disciplinary inquiry and create in our students the practical appreciation of the socio-legal problems facing the country.

To develop Legal, Logical and Ethical Youth for the benefit of the Society.

Objectives and Mission:

- To promote legal and ethical values and foster the rule of law and the objectives enshrined in the Constitution of India.
- To advance and disseminate knowledge of Law and to inculcate strong research attitude in the students with a view to ensure its proper role in National Development.
- To prepare lawyers of tomorrow for handling legal issues not only restricted to the national boundaries but globally as well, by developing legal skills in core areas such as Business Laws, Intellectual Property Rights, Cyber Laws and Trade Laws etc.
- To increase Legal awareness in the community and further the cause of social justice by providing Legal aid to the sections of the society
- To develop in students and research scholars a sense of responsibility to serve the society by developing skills in advocacy, Judicial and other Legal Services.

ACADEMIC PROGRAMMES**Five Years Integrated BBALL.B Programme**

The Bhagwan Mahavir College of Legal Education envisions academic excellence which enables individuals to their skills with a sense of social responsibility and leadership. Ethics, value orientation with a keen understanding of contemporary challenges and being the best in one's capacity are integral part of the learning environment at the Institute. This foundation is achieved by our under graduate programmes; which are offered in two streams BBALL.B Programme. This Five year integrated programme, spread over ten semesters, is approved by the Bar Council of India.

LL.B 3 Year Programme

The Bhagwan Mahavir College of Legal Education envisions academic excellence which enables individuals to hone their skills with a sense of social responsibility and leadership. Ethics, value orientation with a keen understanding of contemporary challenges and being the best in one's capacity are integral part of the learning environment at the Institute. This foundation is achieved by our graduate programmes; which are offered in LL.B Programme. This three year programme, spread over six semesters, is approved by the Bar Council of India.

Programme Educational Objectives:

Graduates of five year integrated law degree programme will

- Be able to integrate theory, doctrine and practice
- Have sense of commitment for scholarly engagement and societal reform
- Ensure professional preparation

- Be able to develop Ethical social and professional understanding

Programme Learning Outcomes:

After completion of Five year integrated Law degree under graduate programme and LL.B three year, the students will be able to:

- Understand the principles of law, its processes, procedures and relevant application in the legal world.
- Develop subject knowledge and functional skills
- Demonstrate adequate legal skills.
- Conduct legal research using analytical and critical thinking.
- Develop awareness about the socioeconomic. Political and the cultural environment and become a socially responsible citizen
- Develop a global perspective towards various legal issues
- Develop ethical reasoning, and professional behaviour.

Law Student's activity Association

Bhagwan Mahavir college of Legal Education encourages student's initiatives in organizing and conducting various activities. Bhagwan Mahavir college of Legal Education Student's framed different Clubs and which is one of the unique features of the Institute. College undertakes a large number of activities guest lecture series. Events like Annual Sports Competition, Cultural Festivals, Ras Garba, Independence Day and Republic Day, constitution day Celebration are a regular feature of the events organised in the college. The activities carried out by the clubs are in academic, legal, social, cultural and sports area.

Following are some major function of Bhagwan Mahavir college of Legal Education:

- To engage and organise various curricular, co-curricular, extra-curricular and extension activities
- To make all necessary arrangements for the purpose of the organization of the activities under the association vis necessary permissions for the use of the building and its facilities, seeking exemptions for members of the various committees, clubs and societies and for such other functions in consonance with this Constitution.
- To promote and encourage the students to contribute to the development of the Institute as well as themselves through participation in the events organized.

The details of the Committees working under BMCLE for conducting various co-curricular and extra-curricular activities are as follow:

Co-curricular Activity Committees:

- Legal Aid Club
- Environment club

- Moot court club
- Sports club
- Legal literacy club

Process for Participating in Extra-Curricular and Co-Curricular Activities:

- Student can participate in events or visit outside the campus with the consent of the concerned student and Faculty Coordinator.
- In case a large number of students apply for participation in an event, a selection procedure will be setup by the Students Activity Committee.

Attendance in Extra and Co-Curricular Activities:

- Participation in Co-Curricular Activities like seminar, conclave, conference, lecture-series etc helps not only in enhancing knowledge of students related to contemporary developments but also enables holistic development of student's personality. We sincerely solicit active presence of students in all such activities for overall wellbeing of students including placements. These activities also result in augmenting Institute's brand. Attendance in these activities as well as co-curricular activities such as conference, seminar, moot court, debating etc. is mandatory.

Internship(s):

All students shall undergo internship(s) with NGOs/Trial Court/ High Court/Supreme Court/law firms/Professional Bodies etc as prescribed by the Bar Council of India.

- Organised Experts Guest lecture series every alternative Saturday
- Student Centric Approach
- Well-Equipped Library with Online and Offline Databases
- Legal Aid & Legal Awareness Programmes
- Mentorship Programme
- Training Programmes& Bridge Courses
- Sports
- NSS

CHAPTER – II

TEACHING- LEARNING AND EVALUATION

Student Centric Methods

Experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences. The teaching-learning process is one major objective and the strength of Bhagwan Mahavir University. Students are given a right blend of traditional and modern methods to make learning student-centric and a rewarding experience. Experiential learning, participative learning and problem-solving methodologies are well adopted to ensure the holistic development of students and facilitate life-long learning and knowledge management.

Participative learning

Design/Development of solutions: Students attempt to develop solutions for complex problems and design system components/processes that meet the specified needs of real-time cases through group analysis, brainstorming etc.

Mind Maps for creativity: Teachers create a central node on a Mind Map and provide students the freedom to expand and develop novel ideas. Flipped Classes, blended learning and model making methods are introduced for selected topics to enhance participative learning.

Digital Platform: Students are encouraged and presently made mandatory to take (Massive Open Online Courses) MOOCs offered by premier institutions of the country. They include online lectures, demonstrations and interaction through skype sessions.

Advanced Software: Project works involving latest technologies and use of advanced soft-wares are encouraged. On an average, 40 to 50 different problems are investigated to a reasonable level by final year students under the supervision of project guides, within the constraints of time and resources in each department. Proficiency in soft and communication skills through lab sessions.

Industry interaction and summer training

Industrial / field visits, Practical training / internship at Industry and/or renowned institutions like TCS, Infosys, ONGC, IISc etc. are mandatory at present. Industry projects and collaborations are undertaken to enrich students with pre-employment training. Periodical Guest lectures on topics relevant to employment skills by personnel from respective organizations / industry.

Experiential learning

Practical courses (laboratory) including virtual labs (spoken tutorials etc.) are made compulsory in the curriculum. Technical know - how regarding maintenance and repairing activities of various lab equipment. Different learning methods viz. problem-based, case-based, project-based, inquiry

based, computation-based, co-operative (work- or community-based) are implemented wherever feasible. Students are encouraged to take up innovative projects and mini projects. Organization of exhibitions and open houses projecting senior students' achievements on regular basis are a source of motivation for younger students of the college. Conducting investigations for solving complex problems. Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions. Studio performances are practised to facilitate learners understand the deficiencies, leading to improvement in further endeavours. These sessions remove fear, tension, and deterring emotions.

Problem solving methodologies

Giving assignments and quizzes at the end of instruction of each unit. Case Study Analysis and Discussion. Product Design and development. All academic activities are aimed at elevating the students' knowledge, skills and build confidence in them.

ICT TOOLS

Teachers use ICT enabled tools including online resources for effective teaching and learning process. Effective content delivery by using ICT tools in the class room for better understanding and reinforcement of the concepts and problem-solving is adopted by all the faculty of the institution. ICT tools complement the traditional teaching-learning methods, and the institute is highly interested in providing innovative methods for enriching the learning experience. The institution has the needed resources which include wide availability of computers library, high speed internet access and general ICT knowhow among the students and the faculty. The faculty are trained for the efficient use of tools through training sessions at the institute and/or faculty development programmes conducted by various premier institutes of the country and abroad. Teaching/Learning methodologies include the use of ICT tools for illustrations and special lectures, field study, case-studies, project-based-methods, experimental methods, flipped class room sessions etc.

The conventional lecture method facilitates the teacher to interpret, explain and revise the content of a topic, only for better understanding of the subject by the learners. At the end of instruction of each unit, the students are given specific assignment which enriches their learning. To enhance the effectiveness, lectures are presented as 'learning dialogues' including short intermissions facilitating the students to recapitulate the acquired knowledge by way of answering a few questions or a brief peer group discussion or a think-pair-share activity or any other relevant interactive session. Thus, the blended mode of learning which combines direct tutor-taught interaction with the online learning is largely implemented.

ICT components are embedded in the course contents of all relevant engineering disciplines which include free / commercial software used for computation / simulation such as the use of MATLAB for solving linear or differential equations and statistical analysis of experimental results in project works. ICT for course delivery includes power point presentation, video conferencing or educational websites. On GNWebsoft, tool for learning process and resource management is developed, and it also enables monitoring of students' learning process through online quizzes, submission of online assignments etc. It helps our students in blended learning, flipped classroom and other e-learning projects. ICT enabled Teaching-Learning Process is supported with Regular Practical Sessions, access to Digital Library, Online Courses (MOOCS, NPTEL etc.), online journals, Online tests, Use of LCD projectors for seminars and workshops, productive use of educational videos, and accessibility of non-print material for students of different disciplines. Communication skills training facility is enriched with ICT tools to make the students acquire proficiency in listening, speaking, reading and writing skills.

The case study and the project-based learning methods, which are participatory, discussion/demonstration based ways of learning, enable students gain the skills in critical thinking, communication, and group dynamics and reflect appropriate integration of direct and online interaction of the participating members. As engineering courses are of quantitative nature, embedded with step by step solving of innumerable problems, hands-on sessions in the labs and internships at work places, faculty and students find ICT tools indispensable.

CATERING TO STUDENT DIVERSITY

The university assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners. All the colleges have great concern for differently abled students. The faculty, library staff and other allies have been made aware of and are sensitized to the needs of these students. Necessary arrangements and assistance are made available to them during examinations. The building is equipped with ramp, wider doors to accommodate wheelchairs to facilitate the differently-abled students. The college has always followed a student-friendly policy and the faculty has been mentoring students in an informal way.

Remedial Measures: Learning takes place from simple to complex. In case the student has not learnt the basics, it is futile to teach him/her the advanced topics. Remedial teaching is not revising the topics taught repeatedly but carefully analysing the student's performance in the tests conducted and diagnosing the areas of difficulty. All are key aspects in remedial teaching. Once the difficult areas are identified the next task is to plan the learning experience as to teach the basics to understand the given topic. The departments run short term guest lectures, personal counselling to cater the emotional, academic and behavioural problem of the learners.

Advanced Learners: The institution provides additional learning materials such as books & reviews. Each department inspires students to participate in quiz competition, debate competition, problem solving and other decision-making exercises. Institution also provides various web-based materials. Researches inspire extensive participation in project work based on theoretical data, practical work & survey data. Advanced learners are motivated and encouraged to participate in various inter college, inter- university and national level programmes. Each department also organizes student seminars on various topics.

2.2 ADMISSION

Admission Procedure

At Bhagwan Mahavir University (BMU), the admission process is designed to be student-centric, ensuring transparency, fairness, and accessibility. The university has established robust Admission Cells at both the university and institute levels. These cells serve as centralized hubs where students and parents can receive prompt assistance, ensuring that all queries related to admissions are addressed efficiently. BMU also provides personalized counselling to guide students through the application, admission, and enrolment stages.

To further enhance accessibility, BMU promotes its programs through multiple avenues:

- Social media platforms, leveraging targeted campaigns to reach a broad audience.
- Career guidance seminars in schools and colleges to help students make informed decisions.
- Awareness campaigns conducted in local communities to ensure that higher education is accessible to all.
- The establishment of free career guidance centres across the city, offering professional advice on educational opportunities and career paths.

BMU is committed to rewarding academic excellence. To this end, it offers scholarships to outstanding students who perform well in the annual scholarship test conducted across various schools.

2.2.1 Application for Admission

BMU admits students from across India and abroad, offering a range of programs. The university follows a merit-based admission process, ensuring equal opportunity for all applicants. Admissions are divided as follows:

- 50% of seats are filled through the Admission Committee for Professional Courses (ACPC), a state-governed body that regulates admissions to professional courses in Gujarat.
- The remaining 50% of seats are filled by the university at the institutional level, based on merit.

The university welcomes applications from candidates who have appeared in recognized national-level entrance exams, such as:

- JEE (Joint Entrance Examination) for engineering and technical courses.
- GATE (Graduate Aptitude Test in Engineering) for postgraduate technical programs.
- CAT (Common Admission Test) for management programs.
- GMAT (Graduate Management Admission Test), NET (National Eligibility Test), GRE (Graduate Record Examinations), NMAT, CSAT, CMAT, ATMA, and other relevant exams.

In addition to these, BMU conducts its own university-level entrance exams when necessary, allowing the management to maintain flexibility in the admission process.

Scholarships and Fellowships: Students who qualify for scholarships or fellowships through recognized bodies such as CSIR (Council of Scientific and Industrial Research) or other funding agencies will be considered based on separate admission criteria. The specific details will be published in the university's brochure and website.

NRI Admissions: For students applying under the NRI quota, a merit list will be prepared based on the applications received. The university will prioritize NRI candidates during counseling after verifying eligibility. In the event that seats remain vacant after NRI admissions, they will be offered to NRI-sponsored candidates, provided they meet the eligibility criteria.

2.2.2 Eligibility for Admission

Eligibility criteria for each program at BMU are clearly defined in accordance with both university standards and regulatory body requirements. These criteria will be detailed in the admission notifications, which are published through:

- National and local newspapers
- The university website and other digital platforms.

The BMU Admission Committee is responsible for ensuring that the admission process aligns with the regulatory standards set by bodies such as AICTE, UGC, and other relevant authorities. Admissions are subject to the eligibility conditions specified for each course, and students are required to meet the academic qualifications for the respective program they are applying to.

Once admitted, students (both provisionally admitted and continuing students) must register for the academic year according to the university's academic calendar. This registration process is mandatory and includes updating personal details, academic information, and completing fee payments.

2.2.3 Admission Review Committee

For candidates who have experienced a gap of three or more academic years since completing their qualifying degree, diploma, or certificate, BMU has established a dedicated Admission Review Committee. This committee is tasked with reviewing such cases to ensure that the candidate's qualifications remain valid and relevant for admission. The committee may request additional documents, explanations, or interviews with the candidate before finalizing the admission decision.

2.2.4 Enrollment and Registration of Students

All admitted students are required to complete their enrollment and registration processes to officially become part of BMU. Without enrollment, a student is not eligible for university

examinations, class attendance, or any academic activities. The enrollment process is managed by the Registrar's Office or the Controller of Examinations.

Each student will be issued a unique enrollment number, which is permanent and will be used throughout their academic journey at BMU. This number must be quoted in all official communications with the university and during exam registration. Additionally, each student will be provided with an identity card displaying this enrollment number.

The registration process must be completed according to the academic calendar, and students who fail to do so may face penalties or risk losing their admission offer.

2.2.5 Processing Fee

A non-refundable processing fee is required to be submitted along with the completed application form. This fee covers the administrative costs of processing the application and is non-refundable under any circumstances. The fee amount is determined by the university and is announced in the annual admission guidelines.

2.2.6 Withdrawal Procedure

Students who wish to withdraw their admission must submit a formal request before the final registration date specified by the university. BMU follows the Ministry of Education and UGC (University Grants Commission) guidelines regarding fee refunds. If the withdrawal is processed before the final registration date, BMU will refund any tuition or course fees already paid, with the exception of the non-refundable processing fee.

The university may require students to attend a counseling session to discuss the reasons for withdrawal and ensure that the decision is in the student's best interest.

2.2.7 Ph.D. Admissions

BMU offers a Doctor of Philosophy (Ph.D.) program under two categories:

1. Full-time Ph.D. students who are dedicated to full-time research at BMU.
2. Part-time Ph.D. students under the external registration scheme. This option is available to individuals employed by organizations, industries, universities, or other institutions where they will conduct their research.

Part-time Ph.D. candidates are required to balance their research with their professional responsibilities at the sponsoring organization. BMU's Ph.D. admissions process is conducted in strict accordance with the guidelines set by the Research Council and the respective academic departments.

Applicants for the Ph.D. program must undergo a university-level entrance exam (if required) and an interview with the Research Committee. Selection is based on academic performance, research proposal quality, and the candidate's potential for contributing to the field of study.

2.4 EXAMINATION PROCEDURE

Bhagwan Mahavir University (BMU) has maintained growth in the quality education since its inception. The Examination department of BMU offers examination service with meticulous planning, in a transparent manner and with specific time frame. Every module is evaluated by internal as well as external examiners. Students Redressal Committee is setup to respond to the difficulties or complaints of students regarding examination.

The Examination Department offers high quality examination services in all its activities. The Department administers secured processes and systems and work in close collaboration with colleges and external subject experts/examiners. The Examination department intended to support colleges, faculty and students in the best possible manner within the provisions of University Ordinances and Examination Manual. The entire process of assessment and evaluation including the conduction of examinations are as per the provisions of the University Ordinances and Examination Manual. The University has adopted continuous and progressive evaluation system to determine whether the students have achieved the learning outcomes and fulfilled the academic requirements of the course/program. Beside this, the university also emphasize to develop students' analytical skills and decision- making power and ability to use the acquired knowledge in their professional life.

Apart from that, the objective of the Examination Department is to implement high quality and legally secure system of evaluation in addition to offering services to students' instructions and administrations related to exam. Exams improve the students' overall personality, memory, cognition and revision skills. Examinations are a form of learning activity. They can enable students to see the material from a different perspective. They also provide feedback that students can then use to improve their understanding.

The objective of the examination is to assess the extent to which the student has achieved the academic objectives stipulated for the subjects/subject elements of the programme in the curriculum.

The broad objective of the Examination Department are as follows: -

- To use orientation programs to inform faculty and students about the university's evaluation procedures and process.
- To manage and process exams in accordance with the University's policies and the academic calendar, as well as in compliance with legislative and various regulatory authorities.

- Coordinate with constituent colleges and carry out department-specific evaluations that ensure privacy and security in accordance with university regulations.
- To make sure that the Exam Timetables and university requirements are followed in the process of conferring degrees for different programs.
- To continuously improve assessment procedures by involving stakeholders and implementing creative projects that will raise the standard of the university's teaching and learning process.
- To evaluate the student's performance by the conduction of examinations.
- Bringing more transparency in the examination and evaluation system.
- To bring reputation to the organization.
- To provide continue training and skill enhancement of the examination staff.
- To create responsible and knowledgeable citizens to the society.

Examination System

Exams are important tools for evaluating how well the university's teaching and learning system is working. It is more than just a marking scheme; it looks at how well faculty members have disseminated their knowledge and abilities as well as how much the students have assimilated. Exams can also be used to evaluate a person's strengths and shortcomings as well. When instructing a particular subject, the faculty will be able to recognize which areas in the class may require further attention. In order to prepare for the exam, this will allow faculty members and students to identify any potential areas of weakness. Students will improve and show gradual improvement as a result of this. Assessment of performance is an integral part of process of learning and teaching. As part of sound educational strategy, examinations are employed to bring about qualitative improvement in education.

Salient Features of the Examination system: -

The salient features of the examination system are listed below:

- The evaluation of the final semester examination would be done through Table Marking at the University. Question wise evaluation will be done to maintain uniformity.
- The evaluated answer script shall be shown to the students (on demand with prescribed fee). The student will see & sign the answer script for having agreed to the evaluation.
- In case a student disagrees with the evaluation, he/she can get the answer sheet reviewed by the evaluator other than evaluator who has done evaluation earlier assigned for the

same purpose, on payment of prescribed fee. The decision of revaluation shall be taken by the Controller of Examinations.

- The total marks obtained in Internal and External Examination shall be submitted to the portal. Grade shall be awarded to the obtained marks in each paper using Normal Distribution, without any subjectivity.
- The final grades of the semester will be displayed along with SGPA (Semester Grade Point Average) at the time of declaration of results.

Practices to Assist the Students: The Examination Department has introduced a number of practices for a smooth functioning of exams and to assist the students with any requirement:

- Special provisions for Differently-abled students have been created for their benefits. They are given separate rooms with adequate facilities for writing the exam and also additional time. Scribe assistants are offered individually (on demand) for all the exams written by the Differently Abled.
- A separate exam portal is maintained through which teaching staff can feed the internal marks.
- With the help of the student login in the exam portal, maintained by the university by which students can file their exam applications and pay exam fees and access their marks 24x7.
- Centralised examination and valuation system for end semester examinations.
- Accumulation of more Credits through extra Credit Courses and Transfer of credits from SWAYAM/ NPTEL are all allowed and due entries for the same are made in the Grade Sheets.

Green Practices adopted by the Examination Department:

- In an attempt to make the Examination Department as a paperless one, the below mentioned green practices have been adopted by the Examination Department:
- All notices are sent through online, thereby reducing use of papers
- Single page used sheets are reused for printing purposes
- The number of sheets in the answer booklet has been restricted thereby minimizing the damage to the nature.
- All examination applications are made only online.

2.5 TEACHING LEARNING AVENUES

A classroom is a hub for exploring, analysing and imbibing all that surrounds young and eager mind. Apart from those, Seminars, workshops and conferences hold great importance of life of a student. They are platforms not only to learn new aspects, others perspectives and latest information, but also a good way of networking.

Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education and produce promising outcomes in the learning and teaching practices. Guest lecturers is improving their learning in a more interactive topic specific way. It makes classes more approachable appealing to students.

In addition to this, to bridge the gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. Ensuring a proper flow of knowledge Seminars and Workshops assist in passionate interaction and active participation boosting the skills and expertise of students. So, the seminars and workshops are an innovative and welcomed step towards modern education. BMU is committed for quality education to the students; it has organized numbers of seminars, workshops, guest lecturers for students and motivated all the faculties for FDP to meet the requirements of current era.

CHAPTER-III

RESEARCH, CONSULTANCY AND EXTENSION

3.1 RESEARCH AND PUBLICATION

The Research & Development (R&D) Cell at Bhagwan Mahavir University plays a pivotal role in advancing the university's vision of fostering academic excellence, innovation, and societal impact. Through strategic initiatives, the R&D Cell encourages faculty, students, and researchers to engage in high-quality research that is both groundbreaking and relevant to contemporary global challenges. The overview of the R&D Cell's achievements and initiatives over the past year, highlighting its contribution to research, innovation, and institutional growth are mentioned herewith:

Objectives of the R&D Cell:

The primary objectives of the R & D Cell at Bhagwan Mahavir University are:

- To foster a culture of innovation and research across all disciplines.
- To facilitate and manage research funding from external agencies.
- To promote interdisciplinary research and collaborations with industry and academic institutions.
- To support faculty and students in publishing high-quality research and securing patents.
- To encourage the application of research outcomes to address societal needs and challenges.

Key Achievements

1. Research Publications:

The R&D Cell has facilitated the publication of numerous research papers in high-impact national and international journals. Faculty members and students have contributed to diverse fields, including engineering, science, healthcare, social sciences, education and management. These publications have enhanced the visibility of the university's research contributions.

- ##### 2. Number of Publications:
- Over 129 research papers published in peer-reviewed journals across various discipline including basic & applied sciences, computer science, engineering, social science, education and management.

Research Projects and Funding:

The R&D Cell has successfully secured funding for several research projects, both from government bodies and private sector organizations. These funded projects focus on critical areas such as renewable energy, artificial intelligence, sustainable agriculture, healthcare technology, and smart cities.

- **Total Funding Secured:** 05
- **Major Funding Agencies:** SHODH Scholarship
- **Notable Projects:** Projects related to healthcare innovations, synthetic chemistry, microbiology, biotechnology, artificial intelligence, novel drug delivery formulations and QbD approach for analytical method development and validation

Research Collaborations

The university's R & D Cell has fostered meaningful collaborations with academic institutions, industries, and government agencies. These partnerships have led to joint research initiatives, exchange programs, and capacity-building workshops, further enhancing the quality and impact of research at Bhagwan Mahavir University.

- **Academic Partnerships:** Collaborations with universities in India and abroad, leading to joint research publications and conferences.
- **Industry Linkages:** Partnerships with industry leaders for applied research and technology transfer, enabling students to work on real-world problems and gain hands-on experience.

Patents and Innovations

The R&D Cell has actively supported faculty and students in the process of patenting innovative ideas and technologies. Several patents have been filed this year, contributing to the university's reputation as a hub for innovation and entrepreneurship.

- **Patents Filed:** 02 patents filed in areas such as science.
- **Patent granted:** 03 patents filed in areas such as science and pharmaceuticals

Workshops, Seminars, and Conferences

The R&D Cell facilitates constituent college for organizing a wide range of academic events, including workshops, seminars, and conferences, aimed at enhancing research skills, sharing knowledge, and promoting interdisciplinary research.

- **International and National Conferences:** The University hosted one national conferences, bringing together leading researchers, scholars, and industry experts.
- **Capacity-Building Workshops:** Many workshops have been conducted to train faculty and students on advanced research techniques, data analysis, research ethics, and grant writing.

Student Research and Innovation

The R & D Cell has provided strong support for student-driven research initiatives. By creating a conducive environment for innovation, the R&D Cell has helped students transform their ideas into research projects, prototypes, and products.

- **Student Research Projects:** Students were promoted to carry out the research projects as a part of their curriculum and provide necessary facilities in term of infrastructure, collaboration and mentorship.
- **Innovations and Start-ups:** In SSIP cell, student innovations have been incubated, with some forming the foundation for start-up ventures, particularly in science, technology and engineering fields.

Infrastructure and Facilities

To support research activities, Bhagwan Mahavir University has continually enhanced its research infrastructure in constituent colleges. The university boasts state-of-the-art laboratories, research facilities, and computing resources that facilitate high-quality, cutting-edge research.

- **Research Laboratories:** Well-equipped labs in areas such as Microbiology, Biotechnology, Chemistry, Engineering and Computer Science.
- **Computing Resources:** Access to high-performance computing (HPC) facilities, software tools, and databases to support data-driven research.
- **Library Resources:** Extensive digital and physical library resources, including access to international research journals, publications, and e-books.

The Research & Development Cell at Bhagwan Mahavir University has made significant progress over the past year in promoting a culture of research, innovation, and collaboration. Through its initiatives, the R & D Cell has not only advanced academic knowledge but also contributed to the social, economic, and technological development of society. As we continue to invest in research excellence, the R & D Cell remains committed to supporting faculty, students, and researchers in achieving their full potential and addressing some of the world's most pressing challenges.

3.2 Ph.D. PROGRAMME

Bhagwan Mahavir University's (BMU) Centre of Advanced Research fosters innovative, socially relevant research, empowering researchers to reach their full potential.

The vision is to promote high-impact, interdisciplinary research that address pressing societal challenges and elevate BMU's research profile globally. The objectives are to provide cutting-edge research infrastructure, foster collaboration among academics, industry, and government, develop research capacity and expertise and translate research into tangible societal benefits. The strategic goals include establish BMU as a leading research institution, increase research output and publication quality, attract renowned researchers and partnerships and drive innovation and entrepreneurship.

The PhD program at BMU's Centre of Advanced Research involves systematic investigation and study of existing knowledge to uncover new insights and conclusions. A literature review enables comprehensive, scholarly analysis of current knowledge on a specific topic, encompassing substantive findings, theoretical frameworks as well as methodological contributions. From an individual point of view, the benefits of research and development programs extend beyond having an impressive degree certificate. Through the detailed research, students would be able to develop critical thinking expertise along with effective analytical, research and communication skills that are global necessity and incredibly beneficial. Research initiatives include Minor and Major research projects, financial support from BMU for contingency, collaboration, and knowledge sharing.

Research expands existing knowledge and understanding in various fields. Research promotes critical thinking, analysis, and problem-solving skills. It fosters specialized knowledge and expertise. Research drives innovation, leading to new theories, models, and methodologies. Research excellence boosts institutional reputation along with it promote grants, funding, and sponsorships. Research fosters interdisciplinary and inter-institutional collaborations. Research informs teaching, ensuring curriculum relevance.

Research is a systematic investigation that enables the description, explanation, prediction, and control of phenomena within a specific area of interest. Pursuing a PhD is a key means of refining knowledge and expertise.

Members of Research Board

Sr. No.	Name	Designation	Position
1.	Dr. Vineet Jain	Director, Bhagwan Mahavir College of Pharmacy (Nominee of Provost)	Chairperson
2.	Director/ Principal/ Dean of concern college		Member
3.	Dean Academic (Nominated by Provost)		Member
4.	Director Admission (Nominated by Provost)		Member
5.	Dr. Zarna Dedania	Professor, Bhagwan Mahavir College of Pharmacy (One member nominated by BoM)	Member
6.	Dr. Hemant B Mehta	Associate Professor, Sardar Vallabhbhai National Institute of Technology, Surat (External Member – nominated by Provost)	Member
7.	Dr. Dhiren P Shah	Principal, CK Pithawalla Institute of Pharmaceutical Science & Research, Surat (External Member – nominated by Provost)	Member

CHAPTER-IV

STUDENT SUPPORT AND PROGRESSION

The Student Support Services are available to assist students with a wide-range of issues and concerns that might arise during their time at BMU and to adjust with the environment of the university. The Dean of Student affairs (DOSA) provides 24-hour crisis services for all the students of the university with personal or family emergencies, and are available by appointment to consult with individual students about their personal questions/concerns, thus allowing students to succeed and thrive in their academic pursuit. Following sub-committees and cells are there to help students:

Grievance Redressal Cell: BMU is committed to providing a safe, fair and harmonious learning and work environment. Grievance Redressal Cell is established at university in accordance with the University Grants Commission regulations. It ensures a fair, impartial and consistent mechanism for redressal of varied issues faced by the students and staff.

Students' Welfare Committee: Students, who are meritorious, but financially weaker, may apply to this committee for financial aid from the Students' Aid Fund or may apply for Free-studentship for exemption of Tuition Fees. The notice for the same will be put up on the Students' Notice Board.

Internal Complaints Committee: The University has set up an Internal Complaints Committee (ICC) under the Sexual Harassment Act. The goal of the Sexual harassment policy is to end the problem faced by the student/employee through an internal system of relief that is easy to access, and thereby provides an effective remedy to the aggrieved complainant as quickly as possible so that she can continue to study and develop without further impediments. Moreover, any grievance of students may be written to the members of this cell. Students may write their grievances in a letter, even without their names, and drop it in a box placed in front of the principal's chamber.

Anti-Ragging Cell: The Anti-Ragging Cell is an important part of BMU. The main objectives of this cell are to ensure overall disciplined environment in the university. It initiate timely action against erring students. The cell eensitises the students about the evils of ragging and its prevention in the university campus by organizing talks/ programmes etc. It regularly address complaints about ragging as per the Govt. and University procedures as suggested by UGC. It aware the students of dehumanizing effect of ragging inherent in its perversity.

Sports Club: Sports and clubs are beneficial to students in various ways. They can help students build a healthy body and mind, improve their academic performance, learn life skills such as discipline, teamwork, and dealing with setbacks, and enhance their career prospects by developing

soft and technical skills. Sports and clubs can also provide students with fun, relaxation, and a sense of achievement.

Student Counselling: Keeping the academic, social-psychological, and emotional needs of its students in mind, the University has a dedicated Counselling Centre on its campus. The counsellor systematically studies and discusses a student's problems and facilitates the student to find an appropriate solution. The counsellor helps the student address his problems positively by helping him clarify the issues, explore options, develop strategies and increase self-awareness. To create awareness among the students, the counsellor also conducts group sessions on topics of general importance, like stress management, prevention of drug addiction, etc.

Placement-cell: This cell to train final year students for ENTRY IN SERVICE and organizing CAREER COUNSELING so that they may face the job market well prepared. So far, almost fifty students have been directly placed through this cell.

Remedial Coaching Cell: This cell to make the socially backward students at par with the others. Special coaching classes are organized outside of the regular classes where the students can clinch-out any doubt and study informally, so that the curricula may be more interesting.

In the university campus, the coaching classes for competitive exams like UPSC / GATE / NET / TET / CTET are available for students.

4.1 STUDENT START-UP AND INNOVATION POLICY (SSIP) CELL

Startups in an economy's technology sectors is an important indicator of technological performance for several reasons. Government of Gujarat has developed a policy for providing assistance to Startups/ Innovation. As a part of this scheme, Memorandum of Understanding (MOU) signed between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP) and BMU. The SSIP has been a significant success in BMU, and it has helped create a culture of innovation and entrepreneurship among the BMU students. The program has not only created job opportunities but has also contributed to the economic growth of the state.

4.2 TRAINING AND PLACEMENT CELL (T&P)

Bhagwan Mahavir University, Surat is a leading educational trust of south Gujarat, which was established in 2002. The trust is committed to provide quality education to its students while contributing significantly to industrial and societal growth. To accomplish the vision the foundation, Bhagwan Mahavir University was established in 2019 as per Gujarat Private University Act 19 of 2019 (Amendment) in continuation with Gujarat Act. No. 8 of 2009 which runs 25 reputed institutions, which are built in 20 acres of state-of-the-art campus located in the prime area of Surat city.

We are dedicated to philanthropy and pioneering projects that promote educational inclusivity and creativity. As the business and labor markets evolve swiftly, we are adapting to prepare our students not just for jobs but also for life, to help them perceive learning as a continuous process, and to become future-ready professionals.

BMU is also a pioneer in ushering innovative learning practices that build skills, develop inventive thinking, enhance employability as well as foster an entrepreneurial mindset. Our university promotes interdisciplinary studies, with a focus on industry-relevant and skills-oriented curriculum. The University is offering Under Graduate, Post Graduate and Doctoral Programs in various streams like Engineering, Pharmacy, Applied and Basic Sciences, Business and Management, Computer Science & Applications, Paramedical, Physical Education, etc. In order to give a stimulating learning environment, the university provides excellent facilities on campus and a very creative approach to learning by engaging new practices that are revolutionizing educational delivery all over the world.

Vision: The Central Training and Placement Cell is committed to the professional progress of Bhagwan Mahavir University students through integrating the career issues within an academic environment for realizing their best possible career path.

Mission: The Central Training and Placement Cell will help the undergraduate, postgraduate and Ph. D. Bhagwan Mahavir University through counseling, instructions and training for development of desired skills essential for suitable job profile/ higher education/ self employment and inviting the Corporate Industries / Research or Academic Institutes/ Commercial Organizations/ Public Sector Undertakings for campus placement.

Introduction - Training and Placement Cell (T&P)

BMU has started an in-house skill development & knowledge-based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonal, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & level of programs is increased with each semester progress keeping in mind to prepare students as per present industry scenario. BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start up or entrepreneurship in today's world. Organisations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

Objectives of T & P Cell:

- To provide career guidance about avenues open after graduation. ie. Higher education, placements or entrepreneurship.
- To provide recruitment to students.
- Finding, informing and managing Pool Placements drives.
- Providing Training & Placement process awareness to first year students.
- Managing Recruiters correspondence and feedback's.

- Act as a bridge between students, alumni and employers.
- Identify suitable potential employers and help them achieve their hiring goals.

Roles and Responsibilities of T & P Cell:

- Arrange off-campus and campus recruitment process.
- Separate cell has been established with one full time faculty.
- Corporate recruitments data update.
- Keep interacting with corporate people.
- Providing Guide-line to students to approach companies.
- Survey on recruiters' expectations from students.
- Feedback from employers of past batches.
- Alumni networking (Conducting Alumni meet at every year).
- Organizing training sessions on soft skill development.
- Conducting Technical Workshop for all our students.
- To invite prospective companies/ organizations to campus for recruitment
- To register students for the jobs with prescribed qualifications.
- To arrange for various facilities required on the date of interview.
- To collect appointment letters and distribute them to selected students.
- To provide in-plant training at companies/ organizations.

Activities under Training & Placement Cell

- Soft Skill Trainings (Mock Interview /Test)
- CEO, Experts & HR Talk Seminars/Webinars Series
- Internships
- Industry/Organisational/Industrial Exhibitions Visits
- Campus Placements
- Job Fair and Career Expo

B. Career Guidance and Higher Studies

Career guidance is the guidance given to individuals to help them acquire the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout.

BMU, Training and Placement Cell also organizes “Career Guidance and Higher Studies” Seminars for students to assist them to unveil various career paths.

E. MOU's

A Memorandum of Understanding (MOU) between BMU and a company can offer numerous benefits to both parties. Here are some key ways an MOU can help a university:

- Industry Collaboration and Partnerships
- Curriculum Development
- Internships and Job Placements
- Skill Development
- Innovation and Entrepreneurship
- Academic and Professional Networking
- Enhanced Reputation

Overall, an MOU with a company helps bridge the gap between academia and industry, creating a symbiotic relationship that benefits students, faculty, and the corporate partner.

4.3.1 Artificial Nest Box Installation Project at UGAT, Surat - 14/05/2023

On 14th May 2023, Bhagwan Mahavir University, successfully organized the event of Artificial Nest Box Project under the National Service Scheme at *Botanical Garden, UGAT, Surat* in co-ordination with *Nature club, Surat* with intention to provide nesting spaces for birds like sparrows, parrot, crow.

Around 80 NSS volunteers & Program Officers participated enthusiastically in the event under the leadership of Dr. Snehal Vaghela (NSS Co-ordinator, BMU) & under the guidance of Dr. Chaitali Shroff (Director, Architecture College, BMU). Program was well supported by all Principals/Directors.

Glimpses of Artificial Nest Installation at Ugat Botanical Garden

4.3.2 Awareness Camp on Dengue & Malaria – 01/06/2023

Dengue & Malaria Awareness Camp 2023 was organized by NSS unit of Bhagwan Mahavir University in co-ordination with *Surat Municipal Corporation Team* on 01st June 2023 at *Nursing Seminar Hall, BMU*. A rally was organized by NSS team with posters and placards for the awareness of people in the campus. The rally started with slogan's given by the SMC team members on cleaning and preventing Dengue and Malaria & ended with students taking vow to keep their surroundings clean & prevent the breeding of mosquitoes.

After the rally, a mini demo of various types of live breeds of mosquitoes were displayed by the health and sanitary department of SMC. At the end blood samples of all the participants were collected by the SMC team to check the spread of various diseases so as to curb the diseases with proper treatment & precaution. Around 220 faculties, volunteers and Principals of various colleges enthusiastically participated in the program under the guidance of Dr. Snehal Vaghela, NSS Co-ordinator, BMU & Dr. Dharmishta Ma'm, Principal of Nursing College, BMU.

Glimpses of Awareness Program at BMU

4.3.3 World Environment Day – 05/06/2023

Environment Cell and NSS cell of Bhagwan Mahavir University jointly celebrates World Environment Day 2023, Theme: Beat Plastic Pollution. As a Part of celebration various student activities held like 1. Workshop for plastic pollution, 2. Video/Reels/Short film making Competition, 3. Beat out of Plastic Waste A) Working Model and B) Spot making, 4. Jeev Sanrakshan (Nest formation from waste Plastic), 5. Oral Presentation, 6. Essay writing. 7. Drawing Competition.

More than 300 Students of Bhagwan Mahavir University participated in various activities and win the events. With the warm welcome of our chief guest Er. Nimesh Mehta inaugurates the function with lamp lighting and gave presentation on Save Water. He gave wonderful ideas to Save Environment and Water. 4.4 Youth Festival- SPANDAN-2022-23

SPANDAN – Connecting Heartbeat

Bhagwan Mahavir University (BMU) organized a remarkable two-day youth festival, "*Spandan – Connecting Heartbeat*" on 4th and 5th April 2024. The event aimed to create an engaging platform for students to exhibit their talents and unleash their creativity. Spandan featured a diverse range of activities, including a fashion show, singing performances, group dances, folk dance showcases, and talent shows. This report provides a comprehensive overview of the festival's highlights and accomplishments.

Key Events:

Fashion Show:

The festival kicked off with an enthralling fashion show that captivated the audience with the latest fashion trends and designs. Students confidently walked the runway, showcasing their style, elegance, and innovative fashion sense. The fashion show set the tone for the rest of the festival, showcasing the students' impeccable fashion sensibilities.

Singing Performances:

The melodious performances by talented students left the audience mesmerized. The singing competition witnessed a display of exceptional vocal abilities, showcasing the participants' passion and dedication to music. The diverse range of musical genres presented created a delightful experience for all attendees.

Group Dances:

The stage came alive with vibrant and synchronized movements during the group dance performances. Participants showcased their creativity, rhythm, and storytelling through captivating choreographies. The energy and enthusiasm displayed by the dancers enthralled the audience, leaving a lasting impression.

Folk Dance Performances:

Spandan paid homage to the rich cultural heritage of India through captivating folk dance performances. Students expertly portrayed the traditional dance forms from various regions of the country, showcasing the diversity and beauty of our cultural roots. The folk-dance performances immersed the audience in a cultural extravaganza.

Talent Shows:

The talent shows were a highlight of the festival, providing a platform for participants to showcase their unique abilities. The talent showcased ranged from stand-up comedy acts to magical performances and other extraordinary skills. The audience was astounded by the display of hidden talents and applauded the participants' remarkable performances.

Achievements and Impact:

Spandan provided a nurturing and inclusive environment for students to express their talents and creativity, boosting their self-confidence and self-expression abilities.

Participants gained valuable experience in showcasing their skills before a large audience, fostering personal growth and development.

The festival promoted cultural diversity and unity by incorporating various dance forms and showcasing the vibrant traditions of India.

This annual festival not only allows students to showcase their talents but also serves as an opportunity for personal growth and development. Spandan encourages students to explore their passions and celebrates the vibrant spirit of youth within the university.

The event fostered a sense of community and camaraderie among students, faculty members, and attendees, strengthening the university's overall campus spirit.

BMU extends heartfelt appreciation to all the participants for their exceptional performances, dedication, and enthusiasm. The festival's success would not have been possible without the support of the faculty members, volunteers, and sponsors who contributed their time, resources, and expertise.

4.4.2 Sports Meet - 2024

Games and sports are an integral part of a student's life. A student should study hard to be successful in academics. At the same time, students should also play games and sports to enjoy good health and for a joyful life.

The benefits of playing sports are multiple: Participation in Games and Sports leads to balanced mental and physical growth. It teaches us life skills like teamwork, leadership, patience. It inculcates discipline and playing within the rules. It builds sportsmanship, which is to play within the spirit of the game and to deal with both winning and losing with grace. Playing and excelling in sports also teaches students the importance of hard work, perseverance, learning from failure, and importance of grasping opportunities. All these experiences and habits will stand students in good stead in their adult life.

If there is one field of life which teaches us the most valuable lessons about perseverance, patience in fact what constitutes a perfect character, it is sports. BMU organized one of its most signature events.

Bhagwan Mahavir University, Department of Physical Education organized a Sports Meet-2024 from 27th February 2024 to 6th March 2024. The most anticipated event of the year commenced with the arrival of the highly distinguished chief guest Shree Dr. Ashok Shah (SPB English Medium College Physical Education Lecturer) and Mr. Akshay Rajput (Surat District Shooting Coach).

No programme worth its salt can ever take place without seeking the blessings of God. The sports day event was inaugurated through the flame lighting ceremony, in which, the torch was carried by students who have best performed in the sports competitions at different levels at BMU Sports ground and was attended by all the students and faculty members.

The sports day began with a March Past. Shree Dr. Ashok Shah gave speech to motivate the students to participate in sports followed by the instructions to be followed in order to take precautions throughout the event.

Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff.

This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competitions also offer a break from the daily

routine tasks and recreate or re-energetic them. All the Undergraduates, Graduates, Post-Graduates and Faculties took part in various sports events.

Students took part in various competitive sports activities & made this Sports Week interesting. Without students this would not have been possible. Every student took part in the Sports Week and made this event successful. Total **1000+** participants were there in this whole event which lasted for more than one week, is really great response from students.

On 6th March 2024 BMU organize closing ceremony for the felicitate students with medals and trophies. On this day Mr. Ketan Patel (VNSGU Cricket Coach) presented as a special guest to encourage student with providing them trophies and medals.

The following events have been organized for the inter-college sports tournaments for students and Staffs.

Indoor Games:

Traffic Awareness Program

On the first day, 17th August, a traffic awareness program was conducted in collaboration with Polytechnic College, Engineering College, and B.Ed. College, with support from Surat Textile organization FOSTTA. Students and faculty members of BMU actively participated in creating awareness about traffic rules on Ring Road, Surat. The participants utilized banners and slogans to convey important messages to the public. Student team, together with the actual traffic control team, explained the basic traffic rules that must be observed when driving on the motorway. Our students also hand out I-follow stickers to civilians if they obey all traffic rules.

Quiz Competition

A Quiz competition was organized by education department in association with NSS under the theme of One Week for Nation. Mr. Suresh Sapariya and Ms. Madhu Verma served as judges. In Quiz Competition Students attended different level of Questions in competition with specified time limit. For Quiz competition total 51 students participated from which Patel Manali (BMCE), Padvi Vandana (SBCE) and Pandey Anchal (SBCE) secured the ranks.

Elocution competition

Elocution competition was organized by education department in association with NSS under the theme of One Week for Nation Dr. Snehal Vaghela Principal-BMCLAH and Dr. Rima Patel from MSCP served as judges. In Elocution Competition, students were give speech regarding environment theme Hariyali Purva. Total 47 students actively participated won the prize. 1st, 2nd and 3rd rank

secured by Kritika Rajpurohit (BMCCA), Suman Jha (BMCLAH) and Radhika Kukarni (SBCE) respectively.

Safai Abhyan

On 18th August-2023 “Safai Abhiyan–One Step towards Clean India” was organized by B.M College of Architecture where MCA Students of Bhagwan Mahavir College of Management have participated. A creative corner was set up where participants could express their thoughts on cleanliness and environmental protection through art, paintings, and posters. Numerous cleanliness drives were organized within the college campus.

Drawing/Sketch Competition

The responsibility of Drawing/Sketch Competition was taken by Bhagwan Mahavir College of Liberal Arts & Humanities. In Drawing/Sketch competition students draw environment related drawing to shows their talent in drawing/sketch. For these Competition 49 students registered, out of them 3 students got the prize, 1. Kalsariya Mansi (BIMCA), 2. Vaghasiya Zeel (Bsc IT), 3. Harshit Thakkar (BMCA).

Health & Hygiene Awareness and First Aid Training

As a part of ONE WEEK FOR NATION Programme, **Health & Hygiene Awareness and First Aid Training** was organized by Bhagwan Mahavir College of Nursing on 19th August-2023 at Panas Urban Health Center, Surat to make a better awareness and training regarding Health & Hygiene and First Aid. The training was upon First AID and its remedial measures which are going to help the trainees to support the victim in times of need. Students presented posters on first aid training for Fracture, Bleeding, Road traffic accidents and foreign body aspiration. They demonstrated Cardiac Pulmonary Resuscitation for the public. Different methods/ approaches like Demonstration, discussion, question answer and simulation exercise were used to make the training process effective. More than 100 participants benefited from the Programme.

Plant Monograph Competition

On 19th August-2023, the event Plant Monograph Competition was held at BMCBAS. Under the campaign “One Week For Nation” entitled “Hariyali Parv” “Ek Paudha, Ek Sankalp” organized by Environment Cell & NSS team of BMU. Around 10 Staff members and 60 students in total participated in the event. The Provost of BMU Dr. Nirmal Sharma along with, Dr. Vineet Jain (Director BMCP) and Dr Snehal Vaghela (Principal, BMCLAH) also attended the event and addressed attendees. By scientific research the event demonstrated the power of knowledge dissemination to inspire a greater appreciation for the plant kingdom and its vital role in sustaining life on Earth. For these competition 1. Samya Seth (BMCP), 2. Ekta Tiwari (BMCP), 3. Yashshavi Upadhyay (BMCM) declared winners.

Soil Sculpture Competition

The soil Sculpture activity was organized by Bhagwan Mahavir College of Basic & Applied Science under the banner of One Week for Nation. In Soil Sculptures event, students made eco-friendly sculptures using natural soil in given time limit and also in their sculpture they put seeds of plant so after completion of activity they planting this in to land for growing of this seeds. For this competition 1st prize goes to Hery Patel and team (BMCN), 2nd Prize goes to Sejal Raut and team (BMCN) and 3rd prize goes to Riddhi Patel and team (BMCBAS).

Happy Help

On 21st August-2023, Happy Help was organized by Bhagwan Mahavir College of Management with the slogan Joy of Giving. Faculty team of BMCM, BMCLAH, BMCP, and Education Department along with forty seven students met Jivan Vikas Trust for mentally challenged kids. Every student could spend quality time with those mentally challenged kids. Our students taught them colouring, made them laugh, played with them and gave them drawing books, crayons, notebooks, stationery kits, and some whole grain wheat, although our faculties spend some quality time with those small kids and their trustees. It helped our students feel overwhelmed and they promised us that they spend more time with these mentally challenged kids in the future. The same was conveyed to Jivan Vikas Trust. Further, they promised us that they would allow our students to do internships as well.

‘Green art’ and Craft and Nature Snap’

On 21st August-2023, BMU enjoyed Eco Friendly Fun projects to do with Natural Materials for students and staff that are green including Beach Crafts, Rock Crafts, Tree Crafts, Flower Crafts etc. as a part of One Week for Nation under the campaign ‘Hariyali Parv’ at Bhagwan Mahavir College of Commerce & Management Studies as event ‘Green art’ and ‘Craft and Nature Snap’. By Green Art & Craft students shows their talent to make such an interesting models related to the theme using waste materials. Two best model was selected for appreciation: 1. Soheila Patrawala and team (BMCP) 2. Singh Himanshu and team (BMCP). One more activity i.e. Nature Snap in that students captured beautiful picture of nature by showing their talent on Snapping. Best two Snap awarded with prize: 1. Venus Suthar (BMP), 2. Hetvi (BMP).

Program on self-defense

Defence involves three things courage, energy and intelligence. To preach the mantra of self-defense, the most renowned personality of the world, Vispy Kharadi Sir has agreed to share his techniques of self-defense at Bhagwan Mahavir University on 22nd August-2023 to adorn the event of One Week for Nation. He holds 13 Guinness World Records in the dangerous stunts category. He

is a certified Karv Maga (Israel Martial) trainer. He is a prolific self-defense trainer and runs actor Akshay Kumar's Women self-defense center in Surat. His contribution to the nation is limitless as he provides armed and unarmed training to Border Security Forces. We are extremely obliged to have such an eminent personality with us!

Reuse of Dry Plant

Reuse of Dry Plant Parts activity was organized by BMCCMS under the banner of One Week of nation. In the event, student were given information about what to be done when plants or tree become dry or dead. For this competition students have been awarded by 3 ranks. 1. Anjali Patel & Himani Patel (BMCN) 2. Samya Seth (BMCP) and 3. Kritika Rajpurohit (BMCCA).

Ayurvedic Home remedies

The event was organized by Bhagwan Mahavir College of Pharmacy under the banner of One Week for nation. In Ayurvedic Home remedies students prepared formulation using home materials which act as a remedies in the treatment of various disease. 1. Harsh Patel (BMCN) 2. Vishva Chavda (BMCP), 3. Dimpi Dixit (BMCE). Based on their formulation they are awarded by 1st, 2nd, and 3rd rank.

“SAVE WATER” Mission

On 21st August-2023 under One Week for Nation celebration a focused and impactful "Save Water" workshop was conducted at BMU. Its responsibility was taken by Bhagwan Mahavir College of Architecture. The week-long initiative aimed to raise awareness about the critical importance of

water conservation and inspire actionable steps among participants. Engaging seminars were conducted by water conservation experts, emphasizing the current water crisis, its environmental implications, and the role of individuals in mitigating the problem with hands on aerator installation at different branches in the university. Participants reflected on their water usage habits and pledged to adopt sustainable practices.

Valedictory Function

On Last day Prize Distribution ceremony was organized to felicitate the Winners and Runners ups with trophy and certificates. Jury members were also felicitated by memento for their wise evaluation. For prize Distribution ceremony Mini Joseph (ACP, Mahila Cell, Surat) was the Chief Guest of the ceremony. Ceremony was started with Lighting of Lamp and Prayer. Then Our Trustee Shri Anil Jain, **Founder** Member & Secretary, BMEF, Mrs. Leena Jain Felicitate our Chief guest. Dr. Vineet C. Jain coordinator of Environment Cell, BMU delivered a welcome note. Shri Anil Jain Congratulates the Winners and given Presidential address. Our Chief Guest Mini Joseph shared her knowledge and motivate the students. The Chief Guest, trustee members and directors of different department distributed the trophy to the winners of the respective activities. Then Jury Members of respective events were also felicitated by Chief Guest, Guest of Honor and Our Management Trustee members. We appreciated with loud cheers. The Ceremony was ended with National Anthem.

4.6 AAYAM 2023-24

AAYAM is annual national technical event which comprises of different technical events, workshops and many other attractions. AAYAM 2024 – a national level tech-fest was organized by BMU. The journey of AAYAM began since 2013. AAYAM 2024 was 10th successive tech-fest at BMU. The event started around 09.30 a.m. Dignitaries present for the event were Dr. Manoj kumar Sir , Campus Director, BMU, Dr.Vineet Goel Sir Director (BMCET), and the Faculty Conveners Mr. Rahul Gonawala, Ms Rauki Yadav, Ms. Megha Jogiya, Ms Preeti Namdeo with all the students are present there. Event was started with lamp lightning by chief guest along with the other dignitaries welcomed all the dignitaries and shared that these fests is organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit, so this time we are celebrating the fest in a very grand manner. The fest executed with 22 events on 22nd March-2024 planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene.

The poster for AAYAM 2024 is a comprehensive list of events organized by the Faculty of Engineering at BMU. It features a central graphic of a lightbulb composed of various engineering icons, with the text 'Aayam in association with IPCalculus' below it. The event is categorized into several sections:

- COMPUTER**: A.I. Champion, Graphic Glow, Codify, Debug Arena, Capture the Flag, Loop Heroes.
- RANG MANCH**
- Civil**: Drafting Dreams, Foundation Forge.
- ELECTRICAL**: Circuit Solver.
- CHEMICAL**: Chem-O-Car, Chem-O-Colour.
- MAIN**: Hackathon, Marketing Mavericks, Virtual Trading, Gully Cricket, Tug of War, Technical Hunt, Logical Ladder.
- OTHER**: Robo Maze, Autocraft, Rocketry, Junkyard.
- E-SPORTS**: Valorant, Need for Speed, Unfair Mario, Heavenly Bodies.

At the bottom, there are logos for partners: Beverage Partner (I&C), Bakery Partner (Bakery), Gaming Partner (BLACK BUNNY), and a QR code with the text 'Register now'.

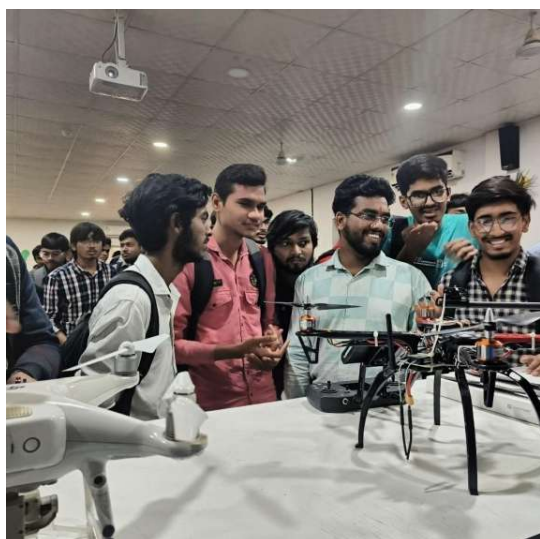

Schedule of events

AAYAM SCHEDULE

DATE: 22-03-2024

Branch	Event Name	Class/Lab Allotted	Time Start
Aeronautical	Rocketry	Degree 002	12:00 PM
Civil	Drafting Dreams	Degree 415	12:00 PM
	Foundation Forge	BMCET lobby	02:00 PM
Electrical	Circuit Solver	Diploma A-202	12:00 PM

Sports	Tug of War	Ground	12:00 PM
	Gully Cricket	BMCET Faculty Parking	12:00 PM
Rang Manch	Paper Presentation	Seminar Hall	02:00 AM

Some Glimpses of the Events....

4.7 PRO TSAHAN 2023-24

In the annual event PRO TSAHAN of Bhagwan Mahavir College of Commerce and Management studies on 24th April-2024, the theme of the entire event was Ramayana. The event was divided into 5 major segments Cultural competitions, Sports competitions, Management competitions, Arts competitions and Workshops. This grand event's launching was done by a rally and the closing of the event was done by a concert by famous singer and artist Saaj Bhatt. The Inauguration rally was based on the Ramayana Theme. The rally was conducted from the administration building to the BMIS auditorium. The major chief guests of the rally were Mr. Parth Kotecha, a motivational speaker and Mr. Daxesh Mavani, Mayer Surat City, who inaugurated the rally. The rally donned 18 feet high Rath which had students dressed up as Ram, Laxman and Sita. The rally was more pepped up with the DJ Systems, SFX and flower showers. A bike rally was also followed. As soon as the rally reached the auditorium. The skit where Ramji arrives back to Ayodhya was performed by the students and it was depicted as if this entire 4-day event was to celebrate the arrival of Ramji back to Ayodhya. Post the skit there was felicitation of all the sponsors of the fest. The entire rally was sponsored by IICL.

Protsahan 2024, a grand fest spanning from 25th to 27th April-2024. The event was a vibrant amalgamation of cultural, management, sports, art, and workshop activities, drawing enthusiastic participation from students and faculty alike. The cultural segment was a highlight, featuring captivating performances in singing, dance, a fashion show, and a talent show that showcased the diverse talents of the students. In the management category, innovative and competitive events like Shark Tank, Share Wars, Quiz Bee, Ad Mad, Aamna Saamna, and 50 Ka Funda were organized, stimulating business acumen and strategic thinking. Excitement peaked during the Treasure Hunt and Khatron Ke Khiladi, with participants navigating challenges and showcasing their bravery. The sports events were equally engaging, with Tug of War, Power Lifting, Badminton, Chess, Volleyball, Skating, and a Box Cricket Tournament fostering a spirit of teamwork and athleticism. Workshops enriched the fest, featuring a Coffee Tasting Workshop and a Fusion Garba Workshop, offering unique and engaging learning experiences. The art events were a creative explosion, with

competitions in Fireless Cooking, Makeup, E-Poster Making, Mehendi, Nail Art, and Best of Waste, celebrating ingenuity and artistic flair. Protsahan 2024 was a resounding success, leaving participants with unforgettable memories and a strengthened sense of community and collaboration.

4.8 XPERIA-2023-24

XPERIA-2024, the annual college fest organized by BMCM on 07-03-2024. The fest aimed to provide a platform for students to showcase their talents, participate in various competitions, and engage in cultural and recreational activities. Various events like Treasure Hunt, Reel making, Tug of war, Talent mania, Box cricket, Coding Ninja, Web0, Doodle for Google and many more. In conclusion during Xperia2024 carnival-like atmosphere was created with fun games and food stalls offering a variety of delicious snacks and refreshments. This added a recreational aspect to the fest, allowing students to unwind and enjoy themselves amidst the festivities.

4.9 WOMEN DEVELOPMENT CELL

The Women Development Cell was established in the University in the year 2019. It was done by the the hon. Vice Chancellor of the University. The establishment of the WDC is indeed a landmark achievement of the university in pursuance of the policies of women empowerment within the university ambit. The aim is to build a gender sensitive campus. The University has set up the WDC to address concerns of gender discrimination and recommend measures and policies for gender parity at the University. After the Sexual Harassment Act of 2013 and the UGC Guidelines of 2015, the University has set up the Campus Internal Committee to address complaints of Sexual Harassment. Further, the University has directed all its colleges/institutions to set up College Internal Committees. The University as per the Gujarat Private Universities Act is preparing a comprehensive Ordinance for Gender Discrimination and Sexual Harassment.

The aim and objective of the WDC is to prevent sexual harassment at workplace (colleges and university campuses) and to promote general wellbeing of female students teaching and non-teaching women staff on the university and colleges. The cell is also responsible to undertake the awareness programmes on gender sensitization, women rights and women empowerment in university campuses and colleges.

The Vice Chancellor Hon. Dr. Manoj Kumar is the ex-officio president of the WDC. The Chairperson Dr. Cheta Desai.

Women development cell activities organised by Institutes 2023-2024

Sr No.	Institute / Department	Theme of activity	Date of Activity	Coordinator
1	BMCP	Breast Cancer Awareness Program	04/08/2023	Dr. Zarna Dedania
2	WDC-BMU	Cooking workshop by SWAD cooking classes	17/10/2023	Dr. Cheta Desai
3	WDC-BMU	Women's Alpha awards	16/01/2024	Dr. Cheta Desai
4	WDC-BMU	Women's day Celebration	07/03/ 2024	Dr. Cheta Desai
5	WDC-BMU	Seminar on Empowering Financial Futures	11/03/2024	Dr. Zarna Dedania

Glimpse of Women Development Cell Activities

4.10 CONVOCATION OF THE UNIVERSITY

The third convocation of Bhagwan Mahavir University was organized on 4th April 2024 at 5:00 PM onward at BMU campus near Administrative Building. The atmosphere buzzed with anticipation as the Chief Guest and dignitaries graced the convocation venue, signalling the commencement of the ceremony.

A majestic academic procession, led by the university faculty, distinguished guests and accompanied by the rhythmic melodies of the band and the discipline of the NCC cadets proudly carrying the BMU flag, embarked from the entrance gate of the ground. With grace and solemnity, the academic procession entered the convocation venue, invoking a sense of reverence among the attendees who rose to their feet in respectful acknowledgment. As the Chief Guest and other dignitaries took their seats upon the grand stage, the convocation ceremony officially commenced, marking the beginning of a momentous occasion. The soul-stirring strains of the BMU GEET filled the air, captivating the hearts of all present, as they stood in unison, paying homage to the spirit of knowledge and enlightenment.

Amidst the aura of dignity and reverence, Chief Guest Honorable Governor of Assam, Shri. Gulab Chand Kataria, Guest of honour, Shri. Savjibhai Dholakiya, founder & Chairman Harikrishna exports, Guest of honour, Shri Suresh Jain, National Organising Secretary, Bharat Vikas Parishad were introduced and felicitated by esteemed members of the university, including Shri. Jagdish Jain, Shri. Anil Jain and Dr. Sanjay Jain.

With a formal request from the Convener Dr. Vineet Goel, the Chief Guest graciously declared the 3rd Convocation of BMU open, setting the stage for a celebration of academic excellence and achievement. Dr. Manoj Kumar, the Provost of BMU, delivered a warm and inspiring welcome address, offering insights into the university's remarkable journey and highlighting its notable achievements and milestones.

The Chief Operating Officer (COE), Shri. Kumar Kaushik presented compelling facts and figures about the graduating students, administering a solemn pledge of commitment and integrity, underscoring their dedication to excellence. In a poignant moment of honour and recognition, the Chief Guest was invited to present the prestigious Gold and Silver medals to the deserving candidates, acknowledging their exceptional academic accomplishments.

With great pride, BMU President, Dr. Sanjay Jain, affixed his signature to the convocation scroll, symbolizing the official recognition of the graduates' academic achievements and their induction into the scholarly community. In a stirring presidential speech, Dr. Sanjay Jain shared his visionary

insights and aspirations for the university's future, inspiring hope and excitement among the graduating students.

BMU President, Dr. Sanjay Jain, officially signed the convocation scroll, symbolizing the formal recognition of the graduates' academic achievements.

The Dean of Advanced Research, Dr. Vineet Jain sought the President's permission to confer PhD degrees upon deserving scholars, marking a significant milestone in their scholarly journey. Total 20 Ph.D. degrees are given to scholars.

With humility and reverence, Principals and Deans from various colleges sought the President's approval to confer degrees upon students from diverse disciplines, symbolizing their academic accomplishments and readiness to embrace new horizons. In 3rd Convocation of BMU, total 2061 students are conferred their degrees in different disciplines. Total 26 gold and silver medals are given to meritorious students.

Shri. Suresh Jain and Shri. Savajibhai Dholakiya delivered poignant addresses, offering words of wisdom and encouragement, igniting the flames of inspiration in the hearts of the audience.

In a culminating moment of significance, the Chief Guest Honourable Governor of Assam, Shri. Gulab Chand Kataria, delivered a stirring convocation address, imparting invaluable guidance and advice to the graduating students as they embarked on their future endeavours.

The Registrar, Dr. Vijay Matawala expressed heartfelt gratitude to all attendees for their invaluable contributions and unwavering support, underscoring their pivotal role in making the convocation a resounding success.

With solemnity and dignity, the Convener requested the Chief Guest to formally declare the convocation closed, a request that was graciously acknowledged and confirmed.

In a poignant display of unity and patriotism, the audience stood as one, their voices resonating with pride and reverence, as the national anthem filled the air, symbolizing their unwavering commitment to their alma mater and their nation.

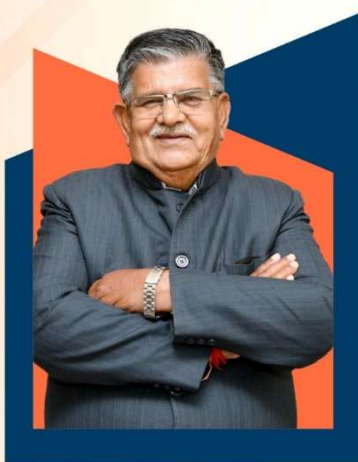

With hearts full of pride and minds brimming with aspirations, the Academic Procession bid adieu, marking the conclusion of a momentous and unforgettable evening of celebration and achievement.

CHAPTER - V

FUTURE PLAN

Future Plans of Expansion

The Bhagwan Mahavir University has an optimistic expansion plan for coming years; the aim is to add on few more branches in the existing faculties

Faculty of Engineering & Technology

- **Branches to be added at Post Graduate Level**

- a) Computer Engineering (Artificial Intelligence & Machine Learning)
- b) Electronics Engineering (VLSI Design & Technology)
- c) Information & Communication Technology
- d) Computer Engineering (Data Science)
- e) Mechanical Engineering (Electric Vehicles)
- f) Construction Engineering and Management

B. Tech program in Mechanical Engineering (Electric Vehicles) is a promising initiative. The growing demand for electric vehicle engineers, combined with the university's resources and strategic objectives, suggests that this program could enhance the institution's academic standing and make significant contributions to the electric vehicle industry.

B.Tech. program in Computer Engineering with a specialization in Artificial Intelligence & Machine Learning at Bhagwan Mahavir University has significant potential. The growing demand for AI and ML professionals, combined with the university's resources and strategic objectives, suggests that this program could enhance the university's academic offerings and contribute positively to the field of computer engineering.

B.Tech. program in Construction Engineering and Management has significant potential. The growing demand for construction professionals, combined with the university's resources and strategic goals, indicates that this program could enhance the university's academic offerings and positively impact the construction industry.

B.Tech. program in Computer Engineering with a specialization in Data Science at Bhagwan Mahavir University holds significant potential. The increasing demand for data science professionals, combined with the university's resources and strategic goals, indicates that this program could enhance the university's academic offerings and contribute positively to the field of data science. To ensure the program's success, it is recommended to continuously monitor industry trends, engage with stakeholders, and undertake detailed planning before finalizing the decision to launch the B.Tech. program.

B.Tech. program in Information and Communication Technology has significant potential. The

increasing demand for ICT professionals, combined with the university's resources and strategic objectives, suggests that this program could enhance the university's academic portfolio and contribute positively to the ICT sector.

B.Tech. program in Electronics Engineering with a specialization in VLSI Design & Technology at Bhagwan Mahavir University holds significant potential. The growing demand for VLSI design professionals, combined with the university's resources and strategic goals, indicates that this program could enhance the university's academic offerings and contribute to advancements in the electronics field.

Faculty of Design & Planning (Bhagwan Mahavir College of Design & Planning).

The Bachelor of Design and Master of Design courses with various specializations are proposed by BMU for the next Academic Year. These courses in Fashion Design, Interior Design and product Design equips graduates with essential creative, technical, intellectual, and communication skills needed for success in the competitive fashion industry. The curriculum emphasises designing and styling with sustainable and practical solutions, leveraging cutting-edge technology. With the fashion and apparel industry exponentially growing in India, graduates of this course can expect a diverse mix of job and business opportunities, including roles such as fashion designers, fashion illustrators, visual merchandisers, costume designers, textile designers, among others. The program further deepens students' understanding of fashion on both local and global levels. By studying fashion trends, design, and the latest technologies, students excel in a wide variety of projects, both in India and abroad. Additionally, under the School of Life, students will develop vital 21st Century skills such as emotional intelligence, critical thinking, and financial literacy, positioning them for success in this ever-evolving industry.

- **Branches to be added at Post Graduate Level**

- a) M. Design – UI/UX
- a) M. Design – Fashion Design

- **Branches to be added at Post Graduate Level**

- a) B. Design (Fashion & Life Style Accessories Design)
- b) B. Design (Interior & Furniture Design)
- c) B. Design – UI/UX
- d) B. Design – Visual Communication
- e) B. Design – Product Design

Faculty of Commerce & Management

In the modern corporate world, developing effective leaders is not just an option—it's a necessity. Management training equips leaders and managers with the necessary tools and skills to guide their

teams effectively toward achieving organizational goals. In today's fast-paced and ever-evolving business landscape, leaders must keep developing their management skills to keep pace with changes and steer their teams successfully. BMU proposed modern and advanced Management courses to increase the management skill of the students as per the requirement of corporate world.

- **Branches to be added at Diploma Level**
 - a) Diploma in Aviation, Hospitality & Travels Management
- **Branches to be added at Graduate Level (Industries Specific)**
 - a) BBA- Aviation, Hospitality & Travels Management
 - b) BBA -Tourism and Hospitality Management
 - c) BBA - Global Business Management
 - d) BBA- Banking and Financial Markets Analytics
 - e) BMS- Capital Market
- **Branches to be added at Post Graduate Level (Industries Specific)**
 - a) MBA- Aviation, Hospitality & Travels Management
 - b) MBA -Tourism and Hospitality Management
 - c) MBA - Global Business Management
- **Branches to be added at Post Graduate Diploma Level**
 - a) Post Graduate Diploma in Global Financial Markets
 - b) Post Graduate Diploma in Banking and Finance
 - c) Post Graduate Diploma in Equity Research
- **Branches to be added at Post Graduate Level**
 - a) Master of Management Studies (MMS)

Faculty of Computer Application

BMU proposed industry specific IT related courses which can offers numerous advantages that can positively impact student's professional growth and performance and increase employability. These courses will provide Enhanced Knowledge and Skills, Improved Job Performance, Increased Professional Credibility, Career Advancement Opportunities, Networking Opportunities, Adaptability to Change.

- **Branches to be added at Graduate Level (Industries Specific)**
 - a) B.Sc.-IT (Artificial Intelligence & Machine Learning)
 - b) B.Sc.-IT – Fintech (IT in Finance)
 - c) B.Sc.-IT (Animation & VFX)
 - d) B.Sc.-IT – Cloud and Application Development

e) B.Sc.-IT (Data Analytics)

- **Branches to be added at Post Graduate Level (Industries Specific)**

- a) M.Sc.–IT Fintech (IT in Finance)
- b) M.Sc.–IT Animation & VFX
- c) M.Sc.–IT Mobile application and UI Development
- d) M.Sc. –IT Business Intelligences and Analytics

- **Branches to be added at Post Graduate Diploma Level**

- a) Post Graduate Diploma in Financial Technologies
- b) Post Graduate Diploma in Cyber Security

Centre for Skill Development

BMU proposed B Voc or Bachelor of Vocation is a specialized 3-year undergraduate program designed to provide skill-based education. It focuses on practical training, industry exposure, and skill development in specific vocations. B.Voc will be mapped with job role descriptions as per National Skills Qualification Framework (NSQF). The curriculum will be made in such a way that it is work-integrated and to keep at par with the industry requirements with continued industry exposure. The course is different from traditional academic programmes as it deals more with application-based studies rather than focusing on only theoretical knowledge. The knowledge and skills acquired will be valued at every level and students will receive a suitable job according to the market requirements. Students can also be an entrepreneur in their area of expertise.

- **Branches to be added at Graduate Level (Industries Specific)**

- a) B.Voc (Management & Entrepreneurship)
- b) B.Voc (Banking & Finance)
- c) B.Voc (Information Technology)

BOARD OF STUDIES

FACULTY OF ENGINEERING

First Year/Humanities & Social Science (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Mrs. Pooja Desai	Assistant professor Mathematics	Bhagwan Mahavir College of Engineering & Technology VIP Road, Vesu
2	External Member (Academics)	Dr. Niket Vijay Shastri	Associate professor Physics	Sarvajanik College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat – 395001,
3	External Member (Academics)	Dr. V. H. Pradhan	Prof.& Head Mathematics	SVNIT-Surat
4	External Member (Academics)	Dr. Hitesh Desai	Associate professor, Chemistry	Sarvajanik College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat – 395001,
5	External Member (Academics)	Dr. Chaitanya K. Desai	Associate Professor Mechanical	C.K. Pithawala College of Engineering and Technology, Near Malvan Mandir, Via Magdalla Port, Dumas Road, Surat-395007
6	External Member (Academics)	Dr. Keyur Rana	Professor Computer	Sarvajanik College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat – 395001
7	External Member (Academics)	Prof. P. G Agnihotri	Professor Civil	SVNIT-Surat
8	External Member (Academics)	Dr. Hitesh R. Jariwala	Professor Electrical	SVNIT-Surat
9	Member	Mr. Sunil Patel	Assistant Professor Chemistry	BhagwanMahavir Polytechnic VIP Road, Vesu
10	Member	Dr. Vanita Kapadia	Assistant Professor English	Bhagwan Arihant Institute of Technology VIP Road, Vesu
11	Member	Ms. Vaishali Patel	Assistant Professor Physics	BhagwanMahavir College of Engineering & Technology VIP Road, Vesu
12	Member	Mr. Dharmang Patel	Assistant Professor Mechanical	BhagwanMahavir College of Engineering & Technology VIP Road, Vesu

Sr. No	Head	Name	Designation	Address
13	Member	Dr. Deepti Patel	Assistant professor Civil	BhagwanMahavir College of Engineering & Technology VIP Road, Vesu
14	Member	Ms. Ridhdhi Naik	Assistant professor Computer	BhagwanMahavir College of Engineering & Technology VIP Road, Vesu

Mechanical Engineering and Automobile Engineering (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mr. Dharmang Patel	Assistant Professor (Mechanical Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
3	External Member (Academics)	Dr. Nitin Vibhakar	Prof & Head (Mechanical Dept.)	Sarvajanik College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat – 395001, Gujarat,
4	External Member (Academics)	Dr. H. J. Nagarseth	Professor	SVNIT Surat
5	External Member (Industry)	Mr. Vivek Patel	Sr. Manager	Power and Utilities Maintenance, Reliance industry ltd., Hazira, surat-394270
6	Internal Member	Mr. Himesh Gohil	Assistant Professor (Mechanical Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
7	Internal Member	Mr. Jignesh Soni	Assistant Professor (Automobile Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
8	Internal Member	Mr. Dharmesh Gotawala	Lecturer (Automobile Dept.)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu
9	Internal Member	Mr. Nitesh Patel	Lecturer (Mechanical Dept.)	Mahavir Swami Polytechnic, VIP Road, Vesu

Mechanical Engineering (PG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	External Member (Academics)	Dr. Nitin Vibhakar	Prof & Head (Mechanical Dept.)	Sarvajanik College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat – 395001, Gujarat,
3	External Member (Academics)	Dr. H. J. Nagarseth	Professor	SVNIT Surat
4	External Member (Industry)	Mr. Anand Mistry	Deputy General Manager, Head Quality Control	L & T Hazira, Surat, Gujarat-394510
5	Internal Member	Mr. Jignesh Soni	Assistant Professor (Automobile Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu

Electronics & Communication Engineering (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mr. Snehal Patel	Head (I/C)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu
3	External Member (Academics)	Dr. Niteen Patel	Associate Professor (Electronics & Communication Dept.)	Sarvajanik College of Engineering and Technology, Athwalines, Surat-395001
4	External Member (Industry)	Mr. Mrugesh Patel	Project manager	Transaction Network Services, C/o, Minesh Shah & Company, Suite C-12A/14, 3 rd Floor, Commerce center Building, 78 Taredo road, Mumbai City, MH 400034
5	Internal Member	Mr. Rahul Gonawala	Assistant Professor (Electronics & Communication Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu

Electronics & Communication Engineering (PG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	External Member (Academics)	Dr. Niteen Patel	Associate Professor & Dean Acad.	Sarvajanik College of Engineering and Technology, Athwalines, Surat – 395001
3	External Member (Industry)	Mr. Nikunj Patel	Senior Engineer	Madhusudan threads, Palsana
4	Member	Prof. Rahul Gonawala	HOD	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu

Electrical Engineering (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mr. Snehal Patel	Head (I/C)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu
3	External Member (Academics)	Dr. H. R. Jariwala	Associate Professor	SVNIT Surat
4	External Member (Industry)	Mr. Manan B. Shah	Partner	DSP Solar Technologies
5	Internal Member	Ms. Manisha Patel	Assistant Professor (Electrical Dept.)	Mahavir Swami College of Engineering & Technology, VIP Road, Vesu
6	Internal Member	Mr. Semi Panwala	Lecturer (Electrical Dept.)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu

Electrical Engineering (PG)

Sr. No	Head	Name	Designation	Address
1.	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2.	External Member (Academics)	Dr. H. R. Jariwala	Associate Professor	SVNIT, Surat

Sr. No	Head	Name	Designation	Address
3.	External Member (Industry)	Mr. Manan B. Shah	Partner	DSP Solar Technologies
4.	Member	Prof. Krupal Dhimar	HOD	Mahavir Swami College of Engineering & Technology, VIP Road, Vesu
5.	Member	Prof. Vivek Patel	Assistant Professor	Mahavir Swami College of Engineering & Technology, VIP Road, Vesu

Computer Engineering & Information Technology (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mrs. Ridhdi Naik	HOD (Computer Dept.)	Bhagwan Mahavir College of Engineering and Technology VIP Road, Vesu
3	External Member (Academics)	Dr. Keyur Rana	Professor	SVNIT Surat
4	External Member (Industry)	Mr. Hardik Desai	CEO	Melzo Pvt. Ltd. Shilp Maitri House, OPP. Shiv Dham Temple, Bhatar Char Rasta, Surat, Gujarat-395017
5	Internal Member	Ms. Nensi Panchal	Assistant Professor (Computer Dept.)	Bhagwan Mahavir College of Engineering and Technology VIP Road, Vesu
6	Internal Member	Ms. Purvi Patel	HOD (Computer Dept.)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu
7	Internal Member	Ms. Monali Panchal	HOD Computer/IT	Bhagwan Arihant Institute of Technology., VIP Road, Vesu
8	Internal Member	Ms. Geera Patel	HOD IT	Bhagwan Mahavir Polytechnic, VIP Road, Vesu

Computer Engineering (PG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	External Member (Academics)	Dr. Pariza Kamboj	Professor & Head	Sarvajanik College of engineering and technology, Surat-395001, Gujarat.
3	External Member (Academics)	Dr. Keyur Rana	Professor	Sarvajanik College of engineering and technology, Surat-395001, Gujarat.
4	External Member (Industry)	Mr. Hardik Desai	CEO	MelzoPvt.Ltd. Shilp Maitri House, OPP. Shiv Dham Temple, Bhatar Char Rasta, Surat, Gujarat-395017
5	Internal Member	Ms. Monali Panchal	HOD Computer/IT	Bhagwan Arihant Institute of Technology., VIP Road, Vesu

Civil Engineering (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Dr. Deepti Patel	Asst. Professor (Civil Eng. Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
3	External Member (Academics)	Dr. P.G Agnihotri	Professor	SVNIT Surat
4	External Member (Industry)	Mr. Piyush Tamakuwala	Chief Engineer Govt approved Valuer	Joban Desai & Associate Gr Floor, Bhavani Chamber, Ghoddod Road, Opposite Bank of Maharashtra, Surat, Gujarat 395007
5	Internal Member	Mr. Dixit Chauhan	HOD (Civil Eng. Dept.)	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
6	Internal Member	Mr. Hardik Prajapati	HOD (Civil Eng. Dept.)	Bhagwan Mahavir Polytechnic, VIP Road, Vesu

Civil Engineering (PG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	External Member (Academics)	Prof. P. G. Agnihotri	Professor	SVNIT, Surat
3	External Members (Industry)	Mr. Tejas Patel	CEO	AIC SURATiiLAB Foundation, Rayka Circle, Udhna, Surat
4		Mr. Nilesh Shah	Consultant in Structure	Shah Associates, Surat
5		Mr. Sandip Dhimar	Assistant Engineer SMC	B/304, Mile Stone Apartment, Palanpore-Canal Road, Jahangirbad, Surat
6		Mr. Minesh Patel	Deputy Engineer SMC	Surat Municipal Corporation Mughal Sarai, Surat
7	Member	Prof. Shyam Doshi	HOD Civil Engg. BMCET	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
8	Member	Prof. Vijay Kothari	Asst. Professor	Mahavir Swami College of Engineering & Technology, VIP Road, Vesu
9	Member	Prof. SagarNaik	Asst. Professor	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
10	Member	Prof. Siddharth Shah	Asst. Professor	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu

Real Estate Valuation (PG)

Sr. No.	Head	Name	Designation	Address
1	Chairman	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-chairman	Dr. Deepti Patel	Assistant Professor	Bhagwan Mahavir College of Engineering and Technology, VIP Road, Vesu
3	Internal Member	Ar. Chaitali Shroff	Principal	Bhagwan Mahavir College of Architecture, Surat
4	Internal Member	Mr. Manish Babariya	Assistant Professor	Bhagwan Mahavir College of Architecture, Surat
3	External Member (Industry)	Vr. Nimish Mehta	GAA, Expert	Registered Office BM-9 Shila Samarth Park, Adajan Char Rasta. Surat

4	External Member (Industry)	Vr. Vikesh Vimawala	GAA, Expert	Registered Office BM-9 Shila Samarth Park, Adajan Char Rasta. Surat
5	External Member (Academics)	Vr. Shirish Sharma	Professional Valuer	Registered Office BM-9 Shila Samarth Park, Adajan Char Rasta. Surat

Chemical Engineering (Diploma & UG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mrs. Urmila Chauhan	HOD (Chemical Dept.)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu
3	External Member (Industry)	Dr. Yogesh Rotliwala	Adviser, Unique Envitech	Unique Envitech, Consultant for Biofuel research & Environmental Pollution control, 33, sanskar park Raw house, Nr Pragati Nagar Apartment, Piplod –Surat- 395007
4	External Member (Academics)	Dr. Jigisha K. Parikh	Professor	SVNIT Surat
5	Internal Member	Mr. Hardik Sailor	Assistant Professor (Chemical Dept.)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu

Chemical Engineering (PG)

Sr. No	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	Co-Chairperson	Mrs. Urmila Chauhan	HOD (Chemical Dept.)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu
3	External Member (Industry)	Dr. Yogesh Rotliwala	Adviser, Unique Envitech	Unique Envitech, Consultant for Biofuel research & Environmental Pollution control, 33, sanskar park Raw house, Nr Pragati Nagar Apartment, Piplod –surat- 395007
4	External Member (Academics)	Dr. Jigisha K. Parikh	Professor	SVNIT Surat
5	Internal Member	Mr. Hardik Sailor	Assistant Professor (Chemical Dept.)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu

Aeronautical, Robotics & Automation UG & Diploma Automation & Robotics

Sr. No	Head	Name	Designation	Address
1	Chairman	Mr. Dhruv Patel (Aeronautical Eng. & Robotics)	Assistant Professor (Robotics & Automation)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu
2	External Member (Academics)	Dr. H. J. Nagarseth	Professor	SVNIT Surat
3	External Member (Academics)	Prof. Jignaesh Vala	Assistant Professor	SVNIT Surat.
4	External Member (Industry)	Mr. Anand Mistry	Deputy General Manager Head Quality Control	L & T, Hazira, Surat, Gujarat-394510
5	Internal Member	Mr. Gaurav Kumar Mehta	Assistant Professor (Aeronautical Engineering)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu

Aeronautical Engineering (PG)

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. Vineet Goel	Dean	Faculty of Engineering & Technology, VIP Road, Vesu, Surat, Gujarat-395017
2	External Member (Academics)	Dr. H. J. Nagarseth	Professor	SVNIT Surat
3	External Member (Academics)	Prof. Jignesh Vala	Assistant Professor (Aeronautical Eng. Dept.)	SVNIT Surat
4	External Member (Industry)	Mr. Anand Mistry	Deputy General Manager Head Quality Control	L & T, Hazira, Surat, Gujarat-394510
5	External Member (Academics)	Dr. Nitin Vibhakar	Prof. & Head (Mechanical Eng. Dept.)	Sarvajani College of Engineering and Technology, Opp. Mission Hospital, Athwalines, Surat-395007
6	Internal Member	Ms. Dharti Parmar	Assistant Professor (Aeronautical Eng. Dept.)	Bhagwan Arihant Institute of Technology, VIP Road, Vesu

Faculty of Pharmacy (Diploma, UG and PG)

Sr. No	Head	Name	Designation	Address
1	Chair person	Dr. Vineet C. Jain	Director	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
2	External Member (Industry)	Dr. Bhanubhai Vaghasia	Managing director	Globela Pharma, Sachin
3	External Member (Academics)	Dr. Dhiren Shah	Principal	C.K. Pithawalla College of Science and Research, Surat
4	External Member (Academics)	Dr. Hasumati A. Raj	Principal	Laxminarayan Dev College of Pharmacy, Bholav.
5	Member	Dr. Zarna Dedania	Professor, (Quality Assurance Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
6	Member	Dr. Ronak Dedania	Associate Professor, Pharmaceutics Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
7	Member	Dr. Rashmi Korat	Associate Professor, (Pharmacognosy Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
8	Member	Mr. Naishadh Solanki	Assistant Professor, (Chemistry Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
9	Member	Mrs. Sweta Desai	Assistant Professor, (Chemistry Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.
10	Member	Dr. Shailja Saparia	Assistant Professor, (Pharmacology Dept.)	Bhagwan Mahavir College of Pharmacy, Vesu, Surat.

Faculty of Education (UG & PG)

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. Dilip M. Patel	Principal & Dean Education Department	B-23, Khodiyar Nagar Soc., Adajan, Surat
2	External Member	Dr. Kishorsinh V. Desai	Ex. Principal Shishan Bharti College of Education	A-101, KPM Residency, New Citi light, Surat-395007

3	External Member	Dr. Narendrasinh P. Gohil	Assistant Professor	V.T. Choksi College of Education, Surat.
4	External Member	Dr. Japan P. Desai	Principal	Swami Narayan B.Ed. College, Ankleshwar
5	Member	Dr. Naynaben B. Chauhan	Assistant Professor Shikshan Bharti College Education	A/113, Suman Uday Apartment, LIG-8, Nr. Dimond Char Rasta, S.D. Jain College, Vesu, Surat-395007
6	Member	Dr. Bhavina R. Desai	Assistant Professor Shikshan Bharti College Education	A-1,204, Sarnam Residency, Opp. Sai Height, L.P. Savani Road, Pal, Surat
7	Member	Kalpanaben M. Patel	Assistant Professor Shikshan Bharti College Education	B Nandanvan Township, Navagam, Dindoli
8	Member	Ramsingbhai A. Gamit	Assistant Professor Shikshan Bharti College Education	AT-Vadadekhurd, po-chapti, Ta - Uchchhal, Dist-Tapi, pin-394375
9	Member	Nita D. Mohite	Assistant Professor Shikshan Bharti College Education	At Post Khergam Ta-Khergam Dist-Navsari

Faculty of Management (MBA & MCA)

MBA & Integrated MBA

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. Neelima Kamjula	Director Bhagwan Mahavir College of Management	Bhagwan Mahavir College of Management (MBA), Vesu-Surat.
2	External Member (Industry)	Mr. Nitin Oza	Managing Director (Marketing)	Prestech Ltd., Surat
3	Internal Member	Mr. Amit Shah	Assistant Professor (Marketing)	Bhagwan Mahavir College of Management (MBA)
4	External Member (Industry)	Mr. Tejas Jariwala	Research Head (Finance)	Jainam Broking Limited

5	External Member (Academic)	Dr. Govind M. Dhinaiya	Assistant Professor (Finance)	Shree J D Gabani Commerce and Shree Swami Atmanand Saraswati College of Management
6	Internal Member	Ms. Anam Natalwala	Assistant Professor (Finance)	Bhagwan Mahavir College of Management (MBA)
7	External Member (Industry)	Ms. Trupti Nilay Raj	Sr. Manager Human Capital Dept. (Human Resource Management)	Jainam Broking Limited Jainam House, Piplod Surat
8	External Member (Academic)	Dr. Mehrunisha Abhishek Sinha	Assistant Professor (Human Resource Management)	D. R. Patel & R.B.Patel Commerce College
9	Internal Member	Ms. Dimple Parmar	Assistant Professor (Human Resource Management)	Bhagwan Mahavir College of Management (MBA)
10	External Member (Industry)	Mr. Paresh Rathod	Marketing Manager (Marketing & International Business)	ATL-Oscarw in weaving Engineering, Sachin, Surat
11	External Member (Academic)	Dr. Sanjay Varma	RMO - (GPSC-2) (Management)	Shree O. H Nagar Ayurved College Shree Swami Atmanad Saraswati Ayurved Hospital
12	Internal Member	Mr. Lalit Tank	Assistant Professor (Marketing)	Bhagwan Mahavir College of Management (MBA), Vesu-Surat.

MCA & Integrated MCA

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. Neelima Kamjula	Director	Bhagwan Mahavir College of Management, Vesu Surat
2	Co-chairman	Ms. Upasana Mehta	HOD (MCA dept.)	Bhagwan Mahavir College of Management, Vesu Surat

5	Member	Ms. Neha Surti	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017

Sr. No.	Head	Name	Designation	Address
6	Member	Ms. Leena Chaudhari	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
7	Member	Ms. Anshika Yadav	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
8	Member	Ms. Charmi Patel	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
9	Member	Mr. Ganesh Kulariya	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
10	Member	Ms. Mahima Natali	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
11	Member	Ms. Twinkle Patel	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
12	Member	Ms. Khushbu Patel	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017
13	Member	Ms. Khushbu Sonwane	Assistant Professor	Bhagwan Mahavir College of Management (MCA), Vesu, Surat, Gujarat 395017

Faculty of Science

Chemistry (UG & PG)

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. B.H.S. Thimmappa	Principal	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
2	Co-Chairperson	Dr. Nomeshvar Yadav	HOD, Department of Chemistry	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
3	External Member (Industry)	Dr. Divyesh Joshi	General Manager	Megafine Pharma Pvt. Ltd., Vapi
4	External Member (Academics)	Dr. Faiyazalam Shaikh	I/C Principal	J. N. M. Patel Science College, Surat
5	Member	Dr. Hushen Hajiyani	Assistant Professor	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
6	Member	Mr. Rahil Shaikh	Assistant Professor	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat

Sr. No.	Head	Name	Designation	Address
7	Member	Ms. Bhumi Sachapara (Botany)	Assistant Professor	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
8	Member	Mr. Richa Singh (Zoology)	Teaching Assistant	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat

Microbiology (UG & PG)

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. B.H.S. Thimmappa	Principal	Bhagwan Mahavir College of Basic & Applied Sciences, Bhagwan Mahavir University, Surat
2	Co-Chairperson	Dr. Murtaza Hajoori	HoD [Microbiology]	Bhagwan Mahavir College of Basic & Applied Sciences, Bhagwan Mahavir University, Surat
3	External Member (Industry)	Dr. Maulin Shah	Chief Scientist & Head	Industrial Waste Water Research Lab, Division of Applied & Environmental Microbiology Lab, Enviro Technology Limited, Ankleshwar, Gujarat
4	External Member (Academics)	Dr. Naresh Butani	Assistant Professor	Shree Ramkrishna Institute of Computer Education and Applied Sciences, M.T.B College Campus, B/h P.T Science College, Opp. Chowpati, Athwalines, Surat.
5	Member	Dr. Piyush Desai	Dean of Sciences	Bhagwan Mahavir College of Basic & Applied Sciences, Bhagwan Mahavir University, Surat
6	Member	Ms. Dhvani Goti	Assistant Professor	Bhagwan Mahavir College of Basic & Applied Sciences, Bhagwan Mahavir University, Surat

Mathematics (UG & PG)

Sr. No.	Head	Name	Designation	Address
1	Chairperson	Dr. B.H.S. Thimmappa	Principal	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
2	Co-Chairperson	Dr. Kalindi J. Contractor	Teaching Assistant	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat

Sr. No.	Head	Name	Designation	Address
3	External Member	Dr. Kaushal B. Patel	Associate Professor	Department of Mathematics, VNSGU, Udhna Magdalla Road, Surat
4	External Member	Dr. Devbhadra V. Shah	Associate Professor	Department of Mathematics, VNSGU, Udhna Magdalla Road, Surat-395007
5	Member	Mr. Vinod P. Gajera	Teaching Assistant	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
6	Member	Ms. Priyanka D. Mistry	Teaching Assistant	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat

Physics (UG)

Sr. No.	Role	Name	Designation	Address
1	Chairperson	Dr. B.H.S. Thimmappa	Principal	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
2	Co-Chairperson	Dr. Krishna Soni	Assistant Professor	Bhagwan Mahavir College of Basic and Applied Sciences, Vesu, Surat
3	External Member (Industry)	Mr. Tejaskumar Dipaklal Bengali	Founder Director & CTO	STRUmedSolutions Private Limited, Hazira Road, Surat
4	External Member (Academics)	Dr. Mehul Kumar Mangrola	Associate Professor	R.N.G Patel Institute of Technology, Tajpore, Bardoli
5	Member	Dr. Nilesh Patel	Assistant Professor (Adhyapak Sahayak)	B.K.M. Science College, Valsad

Academic Session : 2023 - 24 Semester Exam - Summer 2024

The University organized its 3rd Convocation on 4th April-2024. The program wise and batch wise details of the number of students graduated from the University in academic sessions 2022-23 are given below:

Facts & figures

Sr. No.	Perticulars	Nos.
1	Total no. of Graduates	2091
2	Total no. of Male Graduates	1276
3	Total no. of Female Graduates	815
4	Highest CGPA	9.83
5	Lowest CGPA	5.09
6	Total Students got First Class with Distinction	455
7	Total Students got First Class	1468
8	Total Students got Second Class	142
9	Total Students got Pass Class	6
10	Total no. of Ph D	20
11	Total no. of Post Graduates	477
12	Total no. of Under Graduates	1294
13	Total no. of Diploma	278
14	Total no. of PG Diploma	22
