Training and Placement Cell (T&P)

BMU has started an in-house skill development & knowledge based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonal, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & level of programs is increased with each semester progress keeping in mind to prepare students as per present industry scenario.

BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start up or entrepreneurship in today's world. Organisations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

Activities under Training & Placement Cell are :

- Soft Skill Trainings (Mock Interview /Test)
- CEO, Experts & HR Talk Seminars/Webinars Series
- Internships
- Industry/Organisational/Industrial Exhibitions Visits
- Campus Placements
- Job Fair and Career Expo
