### **3.0 KEY INITIATIVES UNDERTAKEN IN 2024–25:**

During the academic year 2024–25, the Training & Placement Cell of Bhagwan Mahavir University undertook a comprehensive range of training and placement initiatives aimed at enhancing students' employability and career readiness. These included industry and organizational visits and participation in industrial exhibitions to provide practical exposure beyond classroom learning. Guest lectures by experts from industry, research organizations, and academic institutions were organized in online and offline modes to familiarize students with current trends and professional expectations. Career guidance programs and higher studies awareness sessions supported students in informed career planning. Personality development and soft skill training, including mock aptitude tests and interviews, strengthened students' communication, confidence, and professional competencies. Technical skill training and structured internships offered hands-on experience aligned with industry needs. The institution also strengthened industry–academia collaboration through MoUs. On-campus placement drives and a job fair provided students with direct interaction with recruiters and access to diverse employment opportunities, collectively contributing to improved placement outcomes and holistic student development.

## **5. Mega Job Fair Events:**

Bhagwan Mahavir University (BMU), Surat, hosts an annual *Mega Job Fair* as part of its broader career development and placement initiatives to connect students and job seekers with employers from diverse industries every year. In 2024-25, Training & Placement cell of Bhagwan Mahavir University organizes Job Fair 2 times; viz Tech Job Fair 2K24 for students of Engineering & IT domain and Pre-placement training & Mega Job fair common for job seeker from all discipline.

### **5.1 About Tech Job Fair 2K24:**

Bhagwan Mahavir University (BMU), Surat, successfully organized Tech Job Fair 2k24 during the academic year 2024–25 as part of its ongoing commitment to enhancing student employability and strengthening industry–academia collaboration. The event was coordinated by the University’s Training & Placement Cell and served as a common recruitment platform for students across engineering, diploma, computer applications, and allied disciplines.

Held on 23rd December 2024 at the BMU campus, the job fair witnessed active participation from 20 reputed companies representing sectors such as IT, software development, engineering services, manufacturing, and automobile industries. A total of 137 students attended the event, engaging in interactions, interviews, and skill assessments conducted by participating recruiters.

As a key outcome of the initiative, 16 students received confirmed job offers and 7 students secured internship opportunities, reflecting the effectiveness of the university’s placement-oriented initiatives. The event provided valuable exposure to real-world recruitment processes while facilitating meaningful connections between students and employers.

## 5.2 Pre-Placement Training & Mega Job Fair 2024-25:

Bhagwan Mahavir University, through its Training & Placement Cell, organized a two-day Pre-Placement Training Program on 3rd and 4th June 2025 to prepare students for the BMU Job Fair scheduled on 6th June 2025. The program aimed to enhance students' employability by bridging the gap between academic learning and industry expectations. The training covered key areas such as resume building, personal branding, digital presence, communication skills, interview preparedness, and understanding recruiter expectations.

### **6. Future Plan of Action (2025-26):**

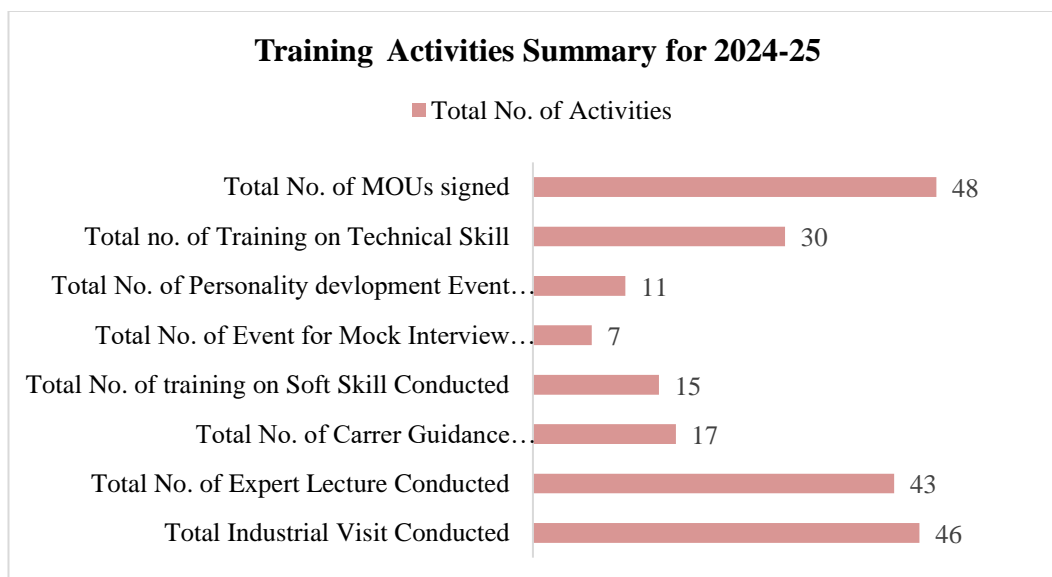

- To Prepare Training & Placement Calender for each constituent colleges of Bhagwan Mahavir University and conduct various activity in align with proposed Training & Placement Calender.
- To strengthen industry–academia linkages through MoUs, expert lectures, industrial visits, and collaborative activities.
- To enhance students’ employability by organizing structured pre-placement training programs focusing on aptitude, soft skills, technical competencies, and interview readiness.
- To expand internship opportunities and experiential learning through industry, research, hospital, NGO, and start-up collaborations.
- To increase placement opportunities by organizing on-campus, off-campus, and pooled campus recruitment drives.
- To provide career guidance and mentoring for higher education, competitive examinations, entrepreneurship, and self-employment.
- To promote skill development and value-added courses aligned with industry requirements and emerging technologies.
- To strengthen alumni engagement for mentoring, career guidance, and placement facilitation.

## 7. Conclusion:

The Training and Placement Cell of Bhagwan Mahavir University demonstrated sustained commitment towards student employability and career development during the academic year 2024–25. Through a well-planned and systematically executed framework, the Cell successfully conducted industry visits, expert lectures, career guidance programs, personality development sessions, technical skill trainings, internships, MoUs, campus placements, and a Mega Job Fair, engaging students across all constituent colleges.

A substantial number of students benefited from discipline-specific internships offered by industries, research laboratories, hospitals, educational institutions, NGOs, banks, manufacturing units, and start-ups, ensuring meaningful experiential learning aligned with curriculum objectives. Pre-placement training, aptitude tests, mock interviews, and soft-skill development initiatives contributed to enhanced confidence, communication abilities, and professional readiness among students.

The organization of on-campus and pooled campus recruitment drives, along with strong industry–academia collaboration, resulted in improved placement opportunities and wider exposure to diverse career pathways.

Overall, the initiatives undertaken during 2024–25 significantly strengthened the employability ecosystem at the University and laid a strong foundation for further enhancement of training, internship, and placement activities in the coming academic years.
