SUPPORTERS

WHAT IS BMU CAREER EXPO?

BMU has always believed in redefining while being true to its roots, and with the same approach, BMU is redefining a career expo with its associates and supporters. The BMU Career Expo will be the first of its type in the South Gujarat region. An event that will keep all stakeholders at its centre viz- Employers, community partners, budding entrepreneurs, professionals, students, investors, motivational speakers, career guidance specialists, job seekers, parents, study abroad career specialists, and anyone else who is directly or indirectly associated with CAREER will all be available under one roof at this event. Surat will be witnessing an Expo for the first time that is for the people, by the people, and of the people.

Objectives of Career Expo:

BMU under the single umbrella in the collaboration with various Government, Semi-government, Corporate and autonomous associations planned to organize the Career Expo at BMU campus with following objectives:

- To provide the road map about the various career opportunities and latest trend for India and abroad.
- To motivate and inspire the students of school as well as Colleges to become better citizen and lifelong asset of India
- To provide employment opportunities to the youth of Gujarat by inviting various employers across India.
- To showcase the capabilities of School Children, College Students, Entrepreneurs, Women actively engaged in NGOs and Local community by inviting their projects/products
- To assess the Psychology and mental status of schools as well as college students for understanding their fitness related to career path.
- To interact with HR Professional to strengthen the Institute – Industries interactions.
- To get motivated and learn from failures by listening to the motivational speakers.
