BMU INTRODUCTION

Bhagwan Mahavir University (BMU), established by the **Bhagwan Mahavir Education Foundation**, is a premier institution committed to delivering **inclusive, innovative, and industry-relevant education**. With a vision rooted in **philanthropy and academic excellence**, the University aims to empower learners from all segments of society through transformative education and lifelong learning opportunities.

In today's dynamic world of business, technology, and societal change, BMU prepares its students to be not only **job-ready** but also **life-ready**—capable of adapting, growing, and leading in any environment. The University fosters a culture of continuous learning, creativity, and self-motivation, helping students become **future-ready professionals** and **responsible global citizens**.

BMU offers a wide array of **Undergraduate, Postgraduate, and Doctoral programs** across disciplines including **Engineering, Pharmacy, Life and Basic Sciences, Business and Management, Education**, and more. With a strong focus on **interdisciplinary learning and**

skills-based curricula, the University blends academic rigor with practical exposure to meet the evolving needs of industries and society.

Innovation is at the heart of Bhagwan Mahavir University's academic ecosystem. Our teaching practices integrate modern methodologies, cutting-edge infrastructure, and a stimulating learning environment. The University instills in students values such as **commitment, integrity, teamwork, sincerity, and perseverance**, which are essential for personal and professional growth.

Strong industry collaboration is another cornerstone of BMU's success. Through the **Central Placement Cell**, students and faculty engage directly with industry leaders, gaining real-world insights and opportunities to apply their knowledge meaningfully. This ensures our graduates are well-equipped to meet the demands of the global job market and make a positive impact from day one.

At Bhagwan Mahavir University, we believe **education is the foundation of social transformation**. We are proud to nurture **leaders of tomorrow**—individuals who are not only skilled and competent but also ethical, compassionate, and driven by purpose.

BMU VISION & MISSION

- To achieve overall excellence in education by continuously upgrading the teaching learning process that will enhance education level which in turn, will contribute to social and economical betterment of society.
- To focus on multifaceted development of students and make them to become leaders in the global community.
- To provide an inspiring and stimulating environment that encourages knowledge acquisition and makes this institute a preferred one for knowledge seekers.

BMCM INTRODUCTION

In a world where competition is growing rapidly, and new institutes are emerging every day, it is essential for management institutes to cater to societal needs while distinguishing themselves with unparalleled excellence. Established in 2007, Bhagwan Mahavir College of Management (BMCM), under the prestigious Bhagwan Mahavir University (BMU), is dedicated to providing top-notch education and professional training to students, preparing them to thrive in today's dynamic business environment.

At BMCM, we firmly believe that following the crowd may be easy, but creating a path of your own and standing for what you believe in is what inspires others and sets you apart. Our institution's top priority is to ensure that our students develop the talent, confidence, and skills to not just participate in the global competition but to lead and excel.

BMU's Faculty of Management Studies (FMS) offers a variety of programs designed to help students develop a deep understanding of the multifaceted world of business. The curriculum covers crucial business management functions, including planning, organizing, administering, controlling, producing, marketing, and distributing goods and services. These concepts are applicable across all business activities, whether in the public or private sector.

BMCM of BMU Conducts four master's degree programmes:

- Master of Business Administration (MBA)
- Integrated Master of Business Administration (IMBA)
- Master of Computer Applications (MCA)
- Integrated Master of Computer Applications (IMCA)

All of the above courses have been approved by the All-India Council for Technical Education (AICTE) and the Directorate of Technical Education and are a part of Bhagwan Mahavir University. BMCM was founded in 2007 under the auspices of Bhagwan Mahavir Educational Foundation (BMEF). In today's increasingly competitive and regulated business environment, having a strong grasp of business principles and processes is more critical than ever. With businesses growing larger and more complex, BMCM ensures that its students are well-

equipped with the knowledge and hands-on experience needed to navigate these challenges with ease.

At BMCM, we don't just prepare students for their careers; we prepare them to lead, innovate, and make meaningful contributions to the global economy. Our commitment is not only to impart education but to shape professionals who will inspire others, uphold strong values, and leave a lasting impact on the world.

At Bhagwan Mahavir College of Management (BMCM), we take a holistic approach to education, ensuring our students are well-prepared for the ever-evolving business landscape. Our curriculum is designed not only to impart theoretical knowledge but also to provide hands-on experience, bridging the gap between academic learning and the corporate world.

Our curriculum includes mandatory summer internships and project report writing, giving students direct exposure to the working environment of industries. Through these internships, students can apply classroom knowledge to real-world problems, gaining invaluable insights and corporate experience.

Additionally, guest lectures from industry professionals and industrial trips are integral parts of our program. These initiatives ensure that students are constantly interacting with leaders in the business world, learning about the latest industry trends, and understanding how theoretical concepts are applied in practice. For those who seek international exposure, foreign educational excursions offer a global perspective on business practices, broadening their horizons.

Our Vision

“Bhagwan Mahavir College of Management is spreading Indianisation to Vishwanisation through excellence in value based education and transformation of young people into better human beings”.

Our Mission

“Bhagwan Mahavir College of Management’s mission is to fulfill your (Corporate) dream by providing knowledgeable, well trained, dedicated, result oriented and professional achievers, executives through knowledge transfer partnership, who can translate your vision into reality”.

Quality Objectives of BMCM

- ✓ Deliver high-quality education that meets industry standards.

- ✓ Foster holistic student development in terms of leadership, communication, and critical thinking.
- ✓ Ensure students are ready to meet the demands of the industry and business world.
- ✓ Provide global perspectives on management and technology education.
- ✓ Instill values of ethics, sustainability, and social responsibility in students.
- ✓ Strengthen community and alumni relations for better student support and networking.

WORDS OF INSPIRATION FROM THE HEAD OF THE INSTITUTION

Professional education forms the backbone of every progressive nation. It is not merely about acquiring degrees, but about developing the ability to think critically, act ethically, and serve society with knowledge and compassion. Education, at its core, is the training of the mind to think, to question, and to discover the inner strength and confidence that lie within every individual.

At **Bhagwan Mahavir College of Management**, we firmly believe that "*Service to Human Being is Service to God*", and this philosophy guides every step we take in nurturing future leaders, professionals, and responsible citizens. Our vision is rooted in transforming young minds into better human beings through excellence in value-based education, while our mission is to empower them with the knowledge and skills needed to turn challenges into opportunities.

The primary objective of BMCM is to provide our students with strong academic grounding, practical experience, and the moral values required to thrive in a dynamic and competitive global environment. With dedicated faculty, well-structured industry-oriented programs such as **MBA**, **Integrated MBA**, **MCA**, **Integrated MCA**, and **Ph.D. in Management**, and an emphasis on experiential learning, we aim to produce professionals who are confident, competent, and committed.

This academic year, we are geared towards a vibrant and challenging academic environment. Our students are encouraged to think independently, solve problems creatively, and innovate

constantly. We believe that real success lies not just in academic excellence, but in the ability to adapt, evolve, and lead with integrity.

We, at BMCM, are not only building careers—we are shaping character, nurturing ambition, and creating leaders for tomorrow. On behalf of the entire team of **Bhagwan Mahavir College of Management**, I welcome all our students and express my sincere appreciation for choosing to be part of the **BMU and BMEF family**, where learning is not an event, but a lifelong journey.

Warm wishes for a successful and fulfilling academic year ahead.

With regards,

Dr. Neelima Kamjula

DEPARTMENT ACTIVITY (INDUSTRIAL VISIT, WORKSHOP, SEMINAR)

1) Star Health's "Saksham" three day student workshop, 1st, 2nd, 4th September, 2023

BMCM organized a three day workshop for BMCM students dated on 1st, 2nd, 4th September, 2023. Mr. Bimal Desai and Mr. Dharmesh Shah were the guest speakers and it is an important academic initiative designed to empower students by providing hands-on learning in the insurance sector. It emphasizes real-world skills, offers certifications and enhances employability. Eligible students from diverse backgrounds took part and gained industry exposure, ultimately paving the way for career advancement in the insurance industry.

2) One day Seminar on “Export Import Business Management”, September 15th, 2023

BMCM had organized one day Seminar on Export Import Business Management for MBA student at BMCM computer lab on 15th September, 2023 in which more than eighty students participated. Mr. Hiren Ranpariya and Mr. Prashanth Jalawaria are the personnel from E-Veg international Pvt. Ltd. conducted it. The session covered the details about how today's interconnected with today's world and the potential growth opportunities in the field of international trade. One of speaker has been instrumental in conducting export-import business management seminars, imparting valuable knowledge and insights to countless individuals aspiring to navigate the complex world of international trade.

Mr. Rishi Surana and his team shared invaluable insights, guiding students through the nuances of crafting effective resumes and mastering interview etiquette. A distinctive feature of the expertise session was the personalized attention given to each student. Mr. Rishi Surana and his team engaged in one-on-one sessions with students by evaluating their CVs and providing constructive feedback. This hands-on approach allowed students to tailor their resumes to industry standards and enhance their overall employability.

The expertise session has left a lasting impact on our students. Beyond the one-day session, the event served as a platform for skill enhancement and professional development. As students implement the feedback received, we anticipate a positive impact on their future endeavors in the competitive job market.

3) “BUSINESS IDEALOGY”

The Business Ideology (Idea Pitching Competition) held on December 22, 2023, at BMCM College Lab was a resounding success, attracting enthusiastic participation from students of classes 9 to 12. The event provided a platform for young minds to showcase their innovative business ideas and foster entrepreneurial spirit.

The competition saw a diverse range of participants, each bringing forth unique and inventive business concepts. After a rigorous pitching session, two standout groups emerged victorious.

The judging criteria for the competition included innovation, feasibility, market potential, and presentation skills. Each team was evaluated based on their ability to articulate their business idea, demonstrate its uniqueness, and outline its practical implementation.

4) A Start-up Workshop

BMCM had organized Business management seminar for MBA students at BMCM Computer laboratory on 15th September, 2023 afternoon. Mr. Abhishek Kapoor, Director IICE BMU, an entrepreneur & visionary provided insights about the Start-ups and its growth in Surat business world today. Conducting a session on the importance of Group Discussions (GD) and Interviews, along with providing tips to crack them, is immensely beneficial for MBA students as they prepare to enter the professional world.

5) “Industrial Trip to Balaji Wafers and Man foods Pvt Ltd”

On May 9, 2024, Bhagwan Mahavir College of Management embarked on an enriching industrial trip, providing students from the MBA and IMBA programs with a firsthand glimpse into the operations of two prominent companies: Balaji Wafers in Valsad and Man foods Pvt Ltd in Parle. With a total of 118 students and accompanied by four faculty members, the trip was a resounding success, offering participants a unique opportunity to gain valuable insights and practical knowledge within a single day.

The journey commenced early in the morning as eager students boarded buses bound for their destinations. Excitement filled the air as they anticipated the learning experiences that awaited them. Balaji Wafers, renowned for its delectable range of snacks, was the first stop on the itinerary. Upon arrival, students were warmly welcomed and ushered into the premises, where they were immersed in the sights, sounds, and aromas of a bustling production facility.

Guided by knowledgeable staff members, students were taken on a comprehensive tour of the manufacturing plant, witnessing firsthand the various stages involved in the production of their favourite snacks. From the meticulous selection of raw materials to the state-of-the-art machinery used in processing and packaging, students gained a deep appreciation for the intricacies of the food manufacturing industry. Moreover, interactions with industry professionals provided valuable insights into the challenges and opportunities shaping the sector.
