Tree Plantation Report

On **5th June 2025**, **Bhagwan Mahavir College of Liberal Arts and Humanities** observed **World Environment Day** with a **Tree Plantation Drive** organized on the college campus. The initiative aimed to raise awareness about the importance of protecting our environment and to encourage sustainable practices among students and staff. The event began with an address by the Principal, who spoke about the significance of World Environment Day and the role of youth in preserving nature.

Participants, including students, faculty, and staff, actively took part in planting saplings across various areas of the campus. The activity created a positive and enthusiastic atmosphere, reflecting a shared commitment toward a greener and healthier environment. Everyone involved took personal responsibility for the care and growth of the plants they had planted, ensuring the long-term impact of the effort.

The event concluded with a collective pledge to continue contributing to environmental protection through everyday actions. The plantation drive not only helped beautify the campus but also served as a reminder of our duty toward nature. It was a meaningful and inspiring way to celebrate World Environment Day and promote environmental awareness within the college community.
