## Instruction for the students regarding online Multiple Choice Questions (MCQs) type Summer 2020 Examination

- Marks will be allocated to students on the basis of best of number of MCQs to be attempted out of total number of MCQs attempted. i.e. in above table , if a student attempts more than 50 MCQs out of 70 MCQs then student will be allocated marks equal to best of 50 MCQs out of all the MCQs attempted.
- There will not be any type of negative marking.
- Students can appear in online MCQ type examination from their convenient place.
- Students who will opt for online MCQ examination, will be first required to appear in mock test. Successful mock test is mandatory for student to register for the online MCQ type examination.
