JAN 2022 005 | Bhagwan Mahavir University

## *Big Loss to the Nation*

*8<sup>th</sup> December was a very sad day for the nation as we have lost our CDS, General Bipin Rawat Ji, his wife Mrs Madhulika Rawat and other 11 soldiers in a very tragic accident. Rawat ji was one of the bravest soldiers, who have served the motherland with utmost devotion. His exemplary contributions and commitment cannot be put into words. We are deeply pained. BMU expresses deepest condolences for all those who sacrificed their life on duty.*

*Our deepest respects are with the bereaved families. May God give them the strength to bear this tragic loss.*

## Webinar on “Essential Qualities expected by Industry from Fresh Engineering Graduates” by T&P Cell-BMU

**BHAGWAN MAHAVIR UNIVERSITY**  
BMU Training & Placement Team Cell  
Organizes  
**INDUSTRY WISE CEO, EXPERTS & HR TALK**  
Webinar Series on  
**Essential Qualities expected by Industry from Fresh Engineering Graduates**

**SPEAKER**  
**Mr. Vishal Barad**  
Consultant & Technology Head - TCS Xplore/Xperience (Fresher's training), Talent Development - Tata Consultancy Services

**DATE & TIME**  
20TH OCTOBER 2021,  
11AM ONWARDS

**AUDIENCE**  
3RD SEM ENGINEERING  
STUDENTS OF ALL BRANCH

**INVITEE**  
Mr. Dharmang Patel (TPC, BMCET) | Mr. Babu Patel (TPC, BAIT)  
Mr. Pratik Jariwala (TPC, MSCET) | Mr. Suresh Sapariya (TPC, MSP) | Ms. Preeti Namdeo (TPC, BMP)

www.bmsurat.ac.in | 7575807374 / 7575807375 | Bhagwan Mahavir University, VIP Road, Surat 395007

The T&P Cell-BMU organized a webinar on “Essential Qualities expected by Industry from Fresh Engineering Graduates” for 3<sup>rd</sup>-semester students of all the branches on 20<sup>th</sup> October-2021. The webinar was delivered by the expert Mr. Vishal Barad (TCS). Being 3<sup>rd</sup>-semester students, they gained knowledge about the essential qualities required by an engineer for technical as well as soft skill purposes. Total 121 students of the Mechanical Department participated in the webinar. This webinar will surely help them in their personality and career development.

## Green Awareness & Paryavaran Awareness Program by BMU

It was the occasion of immense pleasure when BMU welcomed **Melodious Padma Shri Awardee -Mrs.**

Anuradha Paudwal on 2<sup>nd</sup> October for the event on Green Environment and Paryavaran Sanrakshan Awareness. Anuradha Madam delivered an inspiring speech on the occasion. She visited the campus and activities done by Environment Cell-BMU and Eco-Park developed by the Architect Department and appreciated the efforts done by BMU at the campus to help nature.

**BHAGWAN MAHAVIR UNIVERSITY**  
It gives us immense pleasure to  
**WELCOME**  
Padma Shri Awardee  
**Mrs Anuradha Paudwal**  
Playback Singer & Bhajan Queen

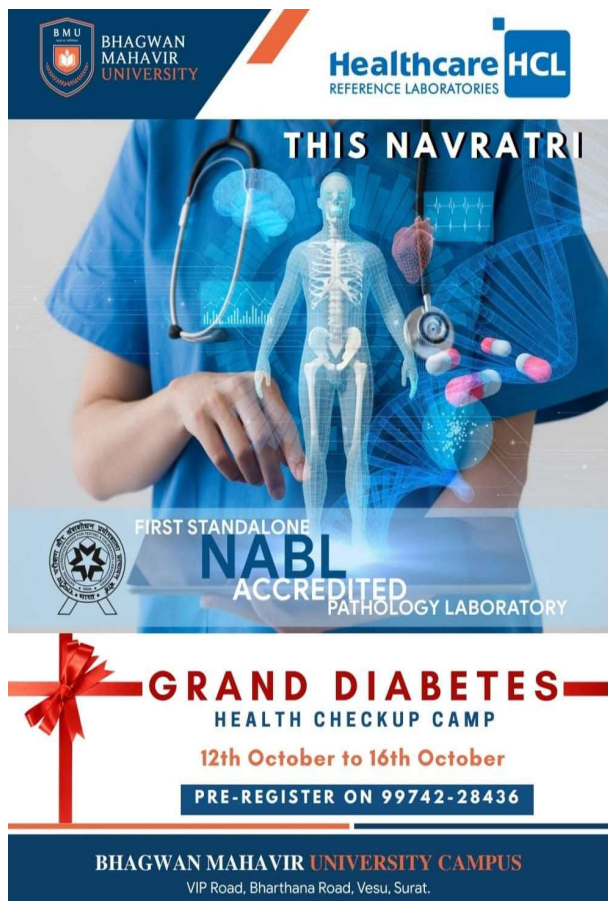

for promotional event of  
**Green Environment & Paryavaran Sanrakshan Awareness**

**Date : 2<sup>nd</sup> October, 2021**  
**Time : 5:30pm**  
**Venue : Convention Hall, BMU**

www.bmsurat.ac.in | 7575807374 / 7575807375 | Bhagwan Mahavir University, VIP Road, Surat 395007

### Healthcare Reference Laboratory by BMU

BMU established Healthcare Reference Laboratory in the campus for all the students and faculties of BMU in collaboration with HCL lab and inaugurated on 2<sup>nd</sup> October 2021. The lab arranged a health check-up camp between 12<sup>th</sup> October to 16<sup>th</sup> October-2021 and provided free service for checking blood pressure and sugar level to all students and faculties.

### Tribute to Chief of Defence Staff by BMU

BMU paid tribute to India's first chief of defense staff General Bipin Rawat Sir on 15<sup>th</sup> December-2021 at the school auditorium. All principals, faculty members, and students paid homage to him.

### **Launching Ceremony of Bhagwan Mahavir Concept School by BMU**

Bhagwan Mahavir University celebrated the grand launching ceremony of Bhagwan Mahavir Concept School on 29<sup>th</sup> December 2021. On this occasion, Bhagwan Mahavir Concept School got inspiration and divine blessings from Param Pujya Gurudev Shri Naypadmasagarji Maharaj Saheb & Vidushi Arya Sadhvi Maynashriji Maharaj Saheb.

### **Fit India Fit Gujarat Cyclothon by BMU**

A cyclothon was organized to create awareness about fitness and physical activities hit the right note as thousands of different age groups of people across

the city participated in the event on 26<sup>th</sup> December-2021. The event was flagged off by chief minister SHREE BHUPENDRABHAI PATEL. Students and faculty of all colleges of BMU participated in the Fit India Fit Gujarat Event.

### **One Day Workshop on “Solidworks 3D CAD Software” by MSCET**

A One Day Workshop on “Solidworks 3D CAD Software” organized by Automobile & Mechanical Departments of MSCET on 1<sup>st</sup> October 2021.

The workshop was delivered by the technical team of the SOPAN Institute of Engineering & Design (SIED). 29 Students took the benefit of the workshop. At the end, students realized that

professional CAD/CAE software is the most appropriate software for product designing, engineering applications, and 3D Printing Industry.

### **One Day Workshop on “Revit Architecture Software” by MSCET**

Civil Engineering Department of Mahavir Swami College of Engineering and Technology organized One Day workshop on "Revit Architecture Software" in association with SOPAN Institute of Engineering and Design, Surat on 8<sup>th</sup> October-2021.

The workshop was delivered by the technical team of the SOPAN Institute of Engineering & Design (SIED). The outcome of the Workshop was that the students got familiar with advanced Civil

Engineering Software like Revit Architecture and its use in the field, use of this software to draft the plan, elevation sections, to update floor plans, floor levels, and to develop the 3D views. After completion of the workshop, students are able to produce a complete model-based building design with the help of Revit Architecture software.

### **Grant Received in Student Startup and Innovation Program by MSCET Students**

MSCET is pleased to announce that Varma Harish, a student of the Civil Engineering Department has received the first installment of Rs 30000/- under the Student Startup and Innovation Program from the hands of Dr. Nirmal Sharma Sir, Provost (BMU). The program was organized by the SSIP cell of Bhagwan Mahavir University.

### **Secured 2<sup>nd</sup> position in Power Lifting Competition (GTU, Level) by MSCET**

GTU organized different sports competitions at different intern colleges. Power Lifting Competition (M/W) was held on 1<sup>st</sup> 2<sup>nd</sup> & 3<sup>rd</sup> December-2021. In this competition, Parmar Bharat (Student of Electrical Department-MS CET) has secured 2<sup>nd</sup> position at GTU level.

### Student Achievement at BAIT

SKYTECH is a student-based start-up that includes students Vishal Dubey, Reeya Chaudhary, Payal Dhanwani, and Karina Bhoya, working on “Solar-powered High Endurance Glider” Started in 2021 with a vision to make the aviation industry environment friendly. It is working to solve the various problems like jet fuel pollution caused every day. This glider has high endurance and so it could be used as an internet signal tower when high in the atmosphere. This could be used in various distant lands where it is big problem for us to install connectivity towers. This project received a grant from SSIP (student startup and innovation policy)

under the mentorship of Mr.Viral Sondagar, faculty of Aeronautical Engineering Department, Bhagwan Arihant Institute of Technology.

### Industrial Visit by BAIT

One-day industrial visit to NDC Institute of Aircraft Maintenance Engineering (NDCIAME- approved

by DGCA, Ministry of Civil Aviation, Government of India), Vadodara was organized by the Department of Aeronautical Engineering on 22<sup>nd</sup> October-2021. 27 students from the 3<sup>rd</sup>, 5<sup>th</sup> & 7<sup>th</sup> semesters including 3 faculty members took the advantage of the same

### **One Day Workshop on Python GUI by BAIT**

A one-day workshop on python GUI was organized by the Computer Department of BAIT for the students of the 3<sup>rd</sup> semester on 14<sup>th</sup> December-2021. Mr. Sumit Thakar from Goverdhan Institute-Surat delivered an expert talk and training.

### **Seminar on “Introduction to Python” by BMCET**

The Computer Engineering Department of Bhagwan Mahavir College of Engineering & Technology

organized a one-day seminar on “Introduction to Python” on 22<sup>nd</sup> October; 2021. The seminar was conducted by guest speaker Mr. Jay Kothari (Sr. Technical Trainer, TOPS Technologies, Surat). Seminar aimed to provide knowledge and hands-on practice with “Python”. Total 62 students of the 3<sup>rd</sup>-semester computer department participated enthusiastically.

### **Seminar on “Top 10 Emerging Technology in IT” by BMCET**

The seminar on “Top 10 Emerging Technology in IT” was organized for first-year Computer Engineering students on 14<sup>th</sup> December-2021.

The seminar was conducted by guest speaker Mr. Jay Kothari (Sr. Technical Trainer, TOPS

Technologies, Surat). He discussed virtual reality, quantum computing, robotic process automation, IoT, 5G, etc. with good presentation. A total of 115 students participated and at the end of the session, a question-answer session was organized to solve the queries of the newly enrolled students.

### **Orientation Program by BMCET**

The orientation program for newly enrolled B.Tech students was organized on 4<sup>th</sup> October-2021.

Dr.Vineet Goel, (Director BMCET) warmly welcomed all the students by motivational address. Dr.Nirmal Sharma (Provost BMU) gave blessings to all students for a bright future. The chief guest of the program Prof. Upkar Chandra Yadav (Education Counsellor and motivational speaker) also discussed the success stories of well-known people and motivated students and parents. All HODs of

different departments gave presentations about the curriculum and activities conducted.

### **Expert Talks on “The Journey Towards Start-up by BMCET**

The expert talks on “The Journey towards start-up by Mr. Sunny Kabrawala (Founder CEO, STAR Start-up) was organized on 5<sup>th</sup> October-2021. He shared his journey and inspired the students of the first year to train themselves from the initial years of their graduation.

### **Guest Lecture on “Environmental Issues and Solution” by BMCET**

The Guest Lecture on “Environmental Issues and Solution” was organized for the first-year students on 6<sup>th</sup> October-2021 as a part of the induction program. The session was taken by Dr.Mayank Champaneriya (Assistant Professor, BMCBAS). He

has discussed the current environmental issues and how engineers can help to solve those issues.

### **Spiritual and Motivational Session by BMCET**

The spiritual and motivational session for all students of BMCET was organized on 11<sup>th</sup> October-2021. The session on “Life’s amazing secrets” was conducted by Swamiji from ISCON, SURAT. He narrated everything with wonderful real-life examples. The students and faculties have enjoyed the session.

### **Creative Workshop by BMCET**

The creative workshop for first-year students was organized on 12<sup>th</sup> October-2021. In this workshop, students have learned how to decorate waste bottles. The workshop was conducted by Mrs.Sandhya (Art teacher, BMIS) in the seminar hall. The students have wonderfully decorated bottles with different ideas.

### **Zumba Workout and Yoga Session by BMCET**

The Zumba workout and yoga session was organized for students to improve physical fitness by keeping social distancing and maintaining Covid-19 protocols on 13<sup>th</sup> and 14<sup>th</sup> October-2021.

### **Rangoli Competition by BMCET**

As a part of the Diwali Celebration, “Rangoli competition was organized for the first-year students on 29<sup>th</sup> October-2021. A total of 21 students participated enthusiastically in this competition. Patil Nikita, Gulhane Sejal, Chavda jeel, Akshita Puttabarthini, and Vanshri Shingala declared winners of the said completion.

### **Seminar on Design Thinking by BMCCMS**

All the students of BMCCMS from BBA, BCom, and BMS attended the seminar on Design Thinking

organized by Association for Harnessing Innovation and Entrepreneurship (ASHINE) on 9<sup>th</sup> October-2021. It is a Technology Business Incubator located at the Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat. The seminar was focused on enhancing the problem finding skills and critical thinking skills of individuals followed by an interaction-based session. It provided a wide range of new ideas and thoughts about start-ups.

### **Days Celebration at BMCCMS**

At Bhagwan Mahavir College of Commerce and Management Studies, students of BBA, BMS, and B.Com discipline celebrated days like Colourful day, Chocolate day, Mismatch day, Confession day, Cultural day, Signature day, and Talent day between 18<sup>th</sup> October to 22<sup>nd</sup> October-2021.

The students showcased their talents in front of the audience. The event was successful and all have good crazy memories.

### **Educational Visit to Hunar Haat by BMCCMS**

Hunar Haat, is an exhibition event in Surat at Vanita Vishram ground, Athwagate organized by the Ministry of Minority Affairs with 300 stalls and 600 artisans and craftsmen participating from all the states and union territories of the country. That Hunar Haat has been conceptualized to protect and promote the country's ancestral legacy of arts and crafts in the current global competition and to support the traditional artisans and craftsmen. Students of BMCCMS from the BBA discipline visited Hunnar Haat on 17<sup>th</sup> December-2021. The visit provided the learning about the MSME Concept and Entrepreneurship to the students.

### **Seminar on Human Rights by BMCCMS**

As part of the celebrations of the International Human Rights Day on 10<sup>th</sup> December-2021, Bhagwan Mahavir College of Commerce & Management Studies conducted a Seminar for the 2<sup>nd</sup> year students of BBA, BMS, and BCom

discipline. BMCCMS alumni and advocate Mr. Abhishek Sethia served as a speaker. He explained about right to equality, right to vote, right to education, right to freedom, and right against exploitation with real-life examples. He also discussed the duties of human beings which are legal and moral obligations to follow. It was an informative session from the students' point of view.

### **Seminar on Breast Cancer Awareness by BMCCMS**

Supporting the fighters, admiring the survivors, honoring the taken, and never giving up hope, keeping this thought in mind, Bhagwan Mahavir College of Commerce and Management Studies held a seminar on breast cancer awareness on 8<sup>th</sup> October-2021. The seminar was delivered by the speaker Dr. Roshni Jariwala. She guided us about how can we recognize the signs of breast cancer, what are the symptoms and how can we cure them. It was a wonderful and successful program 200 people gave their participation and joined this seminar. Dr. Harshita Jain, trustee of Bhagwan

Mahavir Education Foundation also remained present during the seminar.

### Workshop on Student Development Program by BMCM

On 27<sup>th</sup> October, a workshop on Student Development Program was conducted for students of iMBA and MBA at Bhagwan Mahavir College of Management. Mr. Sagar Patil, a founder of the

school of skills was a resource person for the workshop. Students gained good knowledge from the program.

### Diwali Celebration by BMCM

The Diwali Festival was celebrated from 27<sup>th</sup> October to 29<sup>th</sup> October 2021 at BMCM. The enjoyment of refreshing the mind indeed happens. Diwali Card Making event and Diwali Rangoli Making Event were organized on this occasion. The enthusiastic students actively participated in the contest and exhibited their talent by making beautiful cards, as well as Rangoli, conveying the greetings on the occasion of Diwali.

### Student Achievement at BMCM

In a campus recruitment drive at MBA Department of BMCM, Bandhan Bank had come for campus placement in which three students from 3<sup>rd</sup> semester MBA were selected for the next level.

organization is a Professional Web and Software Development company, based in Ankleshwar and Surat. The students got basic information about Domain & Hosting, Web Design, and Development, Mobile Application, Web Application, Desktop Application, ERP System, CRM, SEO, Customized Software, E-Commerce Solution, Graphic Design & Printing, Corporate Video, AMC, Inventory & Invoicing System, POS System, E-Learning System, and Online Marketing. Total 14 students and 4 faculties joined the industrial Visit. The agenda of the visit was to provide exposure to the students about the practical working environment and gain full awareness about industrial practices.

### Industrial Visit by BMCCA

The PG students of Bhagwan Mahavir College of Computer Application visited “Dream Tech Innovation Pvt. Ltd.” on 9<sup>th</sup> October-2021. This

### Industrial Visit by BMCCA

Students of BSc.IT disciplines visited “Case Point Pvt. Ltd” under the Student Development Programme on 29<sup>th</sup> October-2021. A total of 49 students attended this program accompanied by 2 faculties. The purpose of this industrial visit was to provide an opportunity to the students to interact with Industry Experts, to gain learning experience at the industry platform. It also helps in the development of the Interpersonal Skills of students.

Waste” activity held on 1<sup>st</sup> October-2021 with around 50 students from all departments of Bhagwan Mahavir Polytechnic organized by the Science & Humanities department. The activity focused on bringing an understanding among the student about preserving the environment by reusing and recycling waste material. Fantabulous ideas were demonstrated using materials like newspapers, old CDs, used plastic bottles, ropes, ice-cream sticks, bangles, shoe boxes, etc.

### Achievements at BMCBAS

Dr. Sumita Dasgupta, Principal. BMCBAS published book entitled Endophytes: Diversity and Potential Agricultural Applications. BMU appreciated her achievement.

Mrs. Smita Naik, faculty of the Biotechnology Department awarded a Ph.D. degree from VNSGU on 23<sup>rd</sup> September. She presented a thesis titled “Phytochemical analysis and biological activity studies of Nyctanthes Arborescens”.

Dr. Murtaza Hajoori, faculty of Microbiology Department served as a faculty coordinator for the “MANAV Scientific Reading and Comprehension Self-Assessment Module (for students)” conducted by Project MANAV- the Human Atlas Initiative from the Department of Biotechnology-Ministry of

Science & Technology in September to October 2021

### Students’ Achievements at BMCBAS

3 days Hands-on Workshop on 'Genomics & Proteomics techniques' was held by R.K. University, Rajkot between 22<sup>nd</sup> October to 24<sup>th</sup> October-2021. A total of 9 students from M.Sc Biotechnology participated in the workshop. Students and faculty of BMCBAS appreciated the knowledge gained in the workshop.

Moreover 75 Students of the 2<sup>nd</sup> semester, M.Sc. Microbiology participated in Scientific Reading and Comprehension Self-Assessment Module (for students)”, conducted by Project MANAV– The Human Atlas Initiative from September to October 2021. In the end, students were able for self-assessment of their skills in scientific comprehension of Research Design, Pictorial /

Graphical Representation of Data, Statistical Analyses, and Scientific text- Inference and Conclusion.

### Eco Park Promotion by BMCA

Under Swachh Survekshan-2021 and Azadi ka Amrut Mahotsav for promoting Vocal for Local brands, Surat Municipal Corporation & Project Surat organized Urban Resource Commune program by promoting the Best out of Waste.

Under Swachh Survekshan-2021 Surat Municipal Corporation & Project Surat organized Urban Resource Commune program, Padma Shree Award winner and well-known playback and bhajan singer Smt. Anuradha Paudwalji visited Eco-Park of BMCA on 2<sup>nd</sup> October-2021, as a part of the Paryavaran Sanrakshan mission. BMCA is feeling blessed with her visit and thanking Smt. Anuradha ma'am for motivating the students for "GO GREENER".

Mayor of Surat City Smt. Hemali Boghawala visited Bhagwan Mahavir college of Architecture on 1<sup>st</sup> October-2021 and looked after all the urban recycled products prepared by students and Faculties at Eco-Park developed by BMCA.

### Orientation Program by BMCA

Bhagwan Mahavir College of Architecture welcomed all the students of Architecture, Diploma in Architecture, Planning and Interior Design stream

with open arms who joined BMCM in the current academic year on 18<sup>th</sup> October-2021. Dr. Nirmal Sharma, Provost-BMU delivered a welcome speech to the students and motivated them for a better future.

### **MDF Wooden Workshop by BMCA**

Bhagwan Mahavir College of Architecture, Department of Interior Design organized an MDF wooden workshop for the students of B.Arch., Diploma in Architect and Interior design streams on 6<sup>th</sup> November-2021.

Students learned MDF Wooden workshop under the guidance of Mr. Gajendra Majithia sir. They learned about the carving design in terms of decoding any element in architectural and interior and also learn to incorporate the same ideology into their designs.

### **Students' Academic Magazine Distribution by BMCA**

Students of Bhagwan Mahavir College of Architecture distributed the “VRUTANT” a Students’ Academic Magazine to renowned architects, builders, and building material dealers of Surat city on 15<sup>th</sup> December-2021.

### **Site Visit by Students of BMCA**

Student of Master of Planning visited two dynamic areas of the city of Surat, Althan (a pure greenfield and planned region) vs. Mahidharpura, a pure brownfield and inorganically planned region of the city on 15<sup>th</sup> December-2021.

The student collected data of land use patterns, transportation systems, Infrastructure, and Development regulations. The overall objective of this visit was to enrich the output of the Area Planning Studio of 1st Semester of Master of Planning.

### **Zero Waste Christmas by BMCA**

Installation for Zero waste at V R Mall by Bhagwan Mahavir college of Architecture, Interior design, and Planning was planned in association with Surat Municipal Corporation on 25<sup>th</sup> December-2021. The main motto of this event was to spread awareness for the recycling of plastic products. This installation was continued for 3 consecutive days and it was visited by the citizens of the entire Surat city.

### Expert lecture on “Start up in The Field of Design” by BMCA.

Bhagwan Mahavir College of Architecture, Interior Design & Planning organized experts lecture Series- “Samvad” on Startup in the field of design as a part of Azadi ka Amrit Mahotsav celebration.

In the episode on 29<sup>th</sup> December-2021, BMCA delighted for having Mr. Sanjay Punjabi sir for a seminar on "Entrepreneurship and Start-up in the field of Design" in association with SSIP Cell-BMU & CTP Cell-BMU. The expert provided an idea about the difference between entrepreneurship and businessman. The seminar started with a talk on “What is the need of start-up, and how the university support to any start-up”. Apart from this, he guided

on the design thinking process in the recent era, identification of problems, and skills to solve them.
